Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

The Market Share Unit (the "MSU") was granted to the Reporting Person on February 9, 2011 with a maximum payout of 320,000 shares of Class A Common Stock based upon performance of the Issuer's Class A Common Stock on the New York Stock Exchange during the 20 trading days ending June 30, 2014. Because the average closing stock price per share of the Class A Common Stock during that period

(1) (the "Average Price") exceeded \$75.00 per share, the Reporting Person received 320,000 shares of Class A Common Stock. This MSU was previously reported as covering a maximum payout of 160,000 shares of Class A Common Stock if the Average Price met or exceeded \$150.00, but the maximum shares and Average Price have been adjusted to reflect the two-for-one stock split that occurred on January 20, 2012.

(2) Represents the withholding of shares for tax purposes in connection with the payout of the MSU.

(3) Not applicable.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
