

Item 1.01. Entry into a Material Definitive Agreement.

On November 1, 2006, Home Solutions of America, Inc., a Delaware corporation ("Home Solutions" or the "Company") obtained a \$60,000,000 credit facility from a group of lenders (collectively, the "Lenders") led by Texas Capital Bank, National Association as the administrative agent (the "Agent"). The credit facility provides for a \$15,000,000 term loan (the "Term Loan") and a line of credit of up to \$45,000,000 (the "Line of Credit"). The credit facility was established under a Credit Agreement entered into among Home Solutions and the Lenders dated November 1, 2006 (the "Credit Agreement"). The proceeds of the Term Loan were used to refinance outstanding debt of Fireline Restoration, Inc. ("Fireline"), a wholly-owned subsidiary of the Company. The proceeds of the Line of Credit will be used primarily for working capital purposes. Each Lender's commitment to fund its share of the Term Loan and the Line of Credit is evidenced by a promissory note executed by Home Solutions in favor of such Lender.

Home Solutions can borrow, repay and reborrow principal under the Line of Credit from time to time during its term. Revolving credit advances require a minimum draw of \$1,000,000. The amount of principal available to be drawn under the Line of Credit may not exceed the borrowing base, less the sum of (a) outstanding principal drawn under the Line of Credit, plus (b) the outstanding principal amount of the Term Loan, plus (c) the aggregate amount of all outstanding letters of credit. For purposes of the Credit Agreement, the "borrowing base" is defined for each period of determination as the sum of (a) 80% of the value of eligible accounts receivable, plus (b) 50% of the value of certain designated receivables through June 30, 2007, plus (c) the lesser of (i) \$5,000,000 and (ii) 50% of the value of eligible inventory. Eligible accounts receivable includes accounts receivable generated in the ordinary course of business that satisfy the Agent's conditions, and excludes certain unacceptable accounts receivable, such as accounts more than 180 days past due. Eligible inventory includes granite materials held for sale in the ordinary course of business, valued at the lower of cost or fair market value, excluding inventory that does not meet the Agent's standards.

The annual interest rate on the Term Loan and the Line of Credit is equal to the higher of (a) the prime rate of interest as quoted in the Wall Street Journal, less 25 basis points (0.25%) for periods prior to June 30, 2007, and less 50 basis points (0.50%) for periods after June 30, 2007, or (b) the federal funds rate, as published by the Federal Reserve Bank of New York, plus 25 basis points (0.25%) for periods prior to June 30, 2007. Accrued interest payments on the outstanding principal balance of the Line of Credit are due quarterly. Principal under the Line of Credit is due at maturity, or November 1, 2009. Payments on the Term Loan, consisting of \$1,250,000 in principal and accrued interest, are due quarterly beginning January 1, 2007. The credit facility expires, and all outstanding obligations under the Line of Credit and the Term Loan must be repaid to the Lenders, on the maturity date of November 1, 2009.

In consideration of the Lenders originating the credit facility, Home Solutions paid the Lenders a origination fee in the amount of \$125,000. Home Solutions is also obligated to pay an unused facility fee on the daily average unused amount of the Line of Credit equal to fifty basis points (0.50%) per annum, calculated and payable quarterly in arrears.

The Lenders agreed to issue letters of credit under the Line of Credit to fund bonding required for certain reconstruction projects in an amount not to exceed \$7,500,000 in the aggregate, subject to the sum of (a) cash advanced under the Line of Credit, plus (b) amounts outstanding under the Term Note, plus (c) the aggregate amount of all outstanding letters of credit, not being in excess of the borrowing base. Pursuant to the terms of the Credit Agreement, for each letter of credit issued by the Lenders, Home Solutions agrees to pay an annual letter of credit fee equal to 2.0% of the face amount of the letter of credit, but not less than \$5,000, plus other fees charged under the Lenders' then-current policies.

The Line of Credit and Term Loan are secured by substantially all of the assets of Home Solutions and its subsidiaries and the capital stock of such subsidiaries pursuant to a Pledge and Security Agreement (the "Security Agreement"). The Line of Credit and Term Loan are guaranteed by the subsidiaries of Home Solutions pursuant to a Guaranty Agreement (the "Guaranty Agreement").

The Credit Agreement contains covenants, including financial covenants, with which Home Solutions and its subsidiaries must comply. The financial covenants include a current assets to current liabilities ratio, a debt service coverage ratio, a maximum leverage amount, and a limit on annual capital expenditures. With certain exceptions, Home Solutions is prohibited under the Credit Agreement from incurring or permitting its subsidiaries to incur any debt or permitting any liens to be placed on its assets or the assets of its subsidiaries. Home Solutions also agreed, with certain exceptions, not to take or permit its subsidiaries to take certain actions without the consent of a supermajority of the Lenders, including becoming a party to a merger or consolidation, acquiring assets, and issuing securities.

If a default occurs under the Credit Agreement for Home Solutions' failure to pay any amount when due, Home Solutions' breach of the Credit Agreement or another event of default, the Lenders may declare the credit facility to be due and payable immediately. In such event, the Lenders may exercise any rights or remedies it may have, including foreclosure of Home Solutions' assets or the capital stock of Home Solutions' subsidiaries, under the Security Agreement or enforcement of its rights under the Guaranty Agreement. Any such event may materially impair Home Solutions' ability to conduct its business.

Brian Marshall, a director of Home Solutions and the President of Fireline, agreed to subordinate the indebtedness owed to him by Home Solutions under an outstanding promissory note in the principal amount of \$21,650,000.00 to the Lenders, pursuant to a subordination agreement entered into by him in favor of the Lenders.
