**PROXY STATEMENT**

**FOR THE**

**2003 ANNUAL MEETING OF STOCKHOLDERS**

---

**June 26, 2003**

Our Board of Directors is soliciting proxies for the 2003 Annual Meeting of Stockholders. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Meeting. Please read it carefully.

The Board set May 1, 2003 as the record date for the Meeting. Stockholders of record who owned our common stock on that date are entitled to vote at and attend the Meeting, with each share entitled to one vote. 17,304,364 shares of common stock were outstanding on the record date.

Voting materials, which include this Proxy Statement, a proxy card and the 2002 Annual Report, will be mailed to stockholders on or about May 28, 2003.

In this Proxy Statement:

We, us, our and the Company refer to RITA Medical Systems, Inc.

Annual Meeting or Meeting means our 2003 Annual Meeting of Stockholders

Board of Directors or Board means our Board of Directors

SEC means the Securities and Exchange Commission

We have summarized below important information with respect to the Annual Meeting.

**Time and Place of the Annual Meeting**

The Annual Meeting is being held on Thursday, June 26, 2003 at 9:00 a.m. local time at Venture Law Group, located at 2775 Sand Hill Road, Menlo Park, California 94025.

All stockholders who owned shares of our stock as of May 1, 2003, the record date, may attend the Annual Meeting.

**Purpose Of The Proxy Statement And Proxy Card**

You are receiving a Proxy Statement and proxy card from us because you owned shares of our common stock on May 1, 2003, the record date. This Proxy Statement describes issues on which we would like you, as a stockholder, to vote. It also gives you information on these issues so that you can make an informed decision.

When you sign the proxy card, you appoint Stephen Williams and Donald Stewart as your representatives at the Meeting. Stephen Williams and Donald Stewart will vote your shares, as you have instructed them on the proxy card, at the Meeting. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Meeting it is a good idea to complete, sign and return your proxy card in advance of the Meeting just in case your plans change.

**Proposals To Be Voted On At This Year's Annual Meeting**

You are being asked to vote on:

The election of directors to serve on our Board of Directors.

The ratification of our appointment of PricewaterhouseCoopers LLP as our independent accountants for the current fiscal year.

The Board of Directors recommends a vote FOR each proposal.

**Voting Procedure**

*You may vote by mail.*

To vote by mail, please sign your proxy card and return it in the enclosed, prepaid and addressed envelope. If you mark your voting instructions on the proxy card, your shares will be voted as you instruct.

*You may vote in person at the Meeting.*

We will pass out written ballots to anyone who wants to vote at the Meeting. If you hold your shares in street name, you must request a legal proxy from your stockbroker in order to vote at the Meeting. Holding shares in street name means your shares of stock are held in an account by your stockbroker, bank, or other nominee, and the stock certificates and record ownership are not in your name. If your shares are held in street name and you wish to attend the Annual Meeting, you must notify your broker, bank or other nominee and obtain the proper documentation to vote your shares at the Annual Meeting.

*You may change your mind after you have returned your proxy.*

If you change your mind after you return your proxy, you may revoke your proxy at any time before the polls close at the Meeting. You may do this by:

signing another proxy with a later date, or

voting in person at the Annual Meeting.

### **Multiple Proxy Cards**

If you received more than one proxy card, it means that you hold shares in more than one account. Please sign and return all proxy cards to ensure that all your shares are voted.

### **Quorum Requirement**

Shares are counted as present at the Meeting if the stockholder either:

is present and votes in person at the Meeting, or

has properly submitted a proxy card.

A majority of our outstanding shares as of the record date must be present at the Meeting (either in person or by proxy) in order to hold the Annual Meeting and conduct business. This is called a quorum.

### **Consequences of Not Returning Your Proxy; Broker Non-Votes**

If your shares are held in your name, you must return your proxy (or attend the Annual Meeting in person) in order to vote on the proposals. If your shares are held in street name and you do not vote your proxy, your brokerage firm may either:

vote your shares on routine matters, or

leave your shares unvoted.

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, brokers may vote such shares on behalf of their clients with respect to routine matters (such as the election of directors or the ratification of auditors), but not with respect to non-routine matters (such as a proposal submitted by a stockholder). If the proposals to be acted upon at any meeting include both routine and non-routine matters, the broker may turn in a proxy card for uninstructed shares that vote FOR the routine matters, but expressly states that the broker is not voting on non-routine matters. This is called a broker non-vote.

Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum, but will not be counted for the purpose of determining the number of votes cast.

We encourage you to provide instructions to your brokerage firm by voting your proxy. This ensures that your shares will be voted at the Meeting.

### **Effect Of Abstentions**

Abstentions are counted as shares that are present and entitled to vote for the purposes of determining the presence of a quorum and as votes AGAINST for purposes of determining the approval of any matter submitted to the stockholders for a vote.

### **Required Vote**

Assuming a quorum is present, the three nominees receiving the highest number of yes votes will be elected as directors. The ratification of the independent accountants will require the affirmative vote of a majority of shares present in person or represented by proxy at the Meeting.

### **Vote Solicitation; No Use Of Outside Solicitors**

## Edgar Filing: RITA MEDICAL SYSTEMS INC - Form DEF 14A

RITA Medical Systems, Inc. is soliciting your proxy to vote your shares at the Annual Meeting. In addition to this solicitation by mail, our directors, officers, and other employees may contact you by telephone, Internet, in person or otherwise to obtain your proxy. These persons will not receive any additional compensation for assisting in the solicitation. We will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners. We will reimburse these entities and our transfer agent for their reasonable out-of-pocket expenses in forwarding proxy materials. We have not retained the services of a proxy solicitor.

### **Voting Procedures**

Votes cast by proxy or in person at the Annual Meeting will be tabulated by Donald Stewart, our Acting Chief Executive Officer, Chief Financial Officer and Vice President of Finance and Administration, who will act as the Inspector of Election. The Inspector will also determine whether a quorum is present at the Annual Meeting.

The shares represented by the proxy cards received, properly marked, dated, signed and not revoked, will be voted at the Annual Meeting. If the proxy card specifies a choice with respect to any matter to be acted on, the shares will be voted in accordance with that specified choice. Any proxy card which is returned but not marked will be voted FOR each of the director nominees, FOR the other proposal discussed in this Proxy Statement, and as the proxy holders deem desirable for any other matters that may come before the Meeting. Broker non-votes will not be considered as voting with respect to any matter for which the broker does not have voting authority.

We believe that the procedures to be used by the Inspector to count the votes are consistent with Delaware law concerning voting of shares and determination of a quorum.

#### **Publication Of Voting Results**

We will announce preliminary voting results at the Meeting. We will publish the final results in our quarterly report on Form 10-Q for the second quarter of 2003, which we will file with the SEC. You can get a copy by contacting our Investor Relations Department at (650) 314-3400 or on our website at [www.ritamedical.com](http://www.ritamedical.com), by contacting the SEC at (800) 732-0330 for the location of the nearest public reference room, or through the EDGAR system at [www.sec.gov](http://www.sec.gov).

#### **Other Business**

We do not know of any business to be considered at the 2003 Annual Meeting other than the proposals described in this proxy statement. However, if any other business is properly presented at the Annual Meeting, your signed proxy card gives authority to Stephen Williams and Donald Stewart to vote on such matters at their discretion.

#### **Proposals For 2004 Annual Meeting**

To have your proposal included in our proxy statement for the 2004 Annual Meeting, you must submit your proposal before January 29, 2004 to Donald Stewart c/o RITA Medical Systems, Inc., 967 N. Shoreline Blvd., Mountain View, California 94043.

If you submit a proposal for the 2004 Annual Meeting between February 27, 2004 and March 28, 2004, management may or may not, at their discretion, present the proposal at the meeting, and the proxies for the 2004 Annual Meeting will confer discretion on the management proxy holders to vote against your proposal.

**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

Our Certificate of Incorporation requires that the Board of Directors is divided into three classes, with staggered three-year terms. The Class III directors whose terms expire at the Annual Meeting are Vincent Bucci, Randy Lindholm and F. Thomas (Jay) Watkins; the Class I directors, whose terms expire at the 2004 Annual Meeting of Stockholders are Scott Halsted and Janet Effland; and the Class II directors whose terms expire at the Company's 2005 Annual Meeting of Stockholders are Gordon Russell and John Gilbert. You only elect one class of directors at each annual meeting. The other classes continue to serve for the remainder of their three-year terms. The Class III directors are nominees for re-election at the Annual Meeting. Each nominee has consented to serve an additional three-year term except Mr. Watkins who has informed the Company that for workload management reasons, he may resign at an earlier time.

**Vote Required**

If a quorum is present, the three nominees receiving the highest number of affirmative votes of shares entitled to be voted for them will be elected as directors for the ensuing year. Unless marked otherwise, proxies received will be voted FOR the election of each of the three nominees named held. If additional people are nominated for election as directors, the proxy holders intend to vote all proxies received by them in a way that will ensure that as many as possible of the nominees listed above are elected. If this happens, the specific nominees to be voted for will be determined by the proxy holders.

### OPTION GRANTS IN LAST FISCAL YEAR

The following table provides certain information with respect to stock options granted to Named Executive Officers in the last fiscal year out of our 2000 Stock Plan. In addition, as required by Securities and Exchange Commission rules, the table sets forth the hypothetical gains that would exist for the options based on assumed rates of annual compound stock price appreciation during the option term.

Name	Individual Grants (1)						
	Number of Securities Underlying Options Granted	Percent of		Exercise Price (\$/sh)(4)	Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term (2)	
		Total Options				5%	10%
		Granted to					
Fiscal Year 2001 (3)	Employees in						
Barry Cheskin	10,000(5)	1.26%	\$ 5.41	2/6/2012	\$ 34,023	\$ 86,221	
Trent Reutiman	35,000(5)	4.41%	\$ 5.45	8/1/2012	119,962	304,006	
Kenneth Waters		0.00%					
Donald Stewart	6,250(5)	0.79%	\$ 5.41	2/6/2012	21,264	53,888	
David Horn	2,450(5)	0.31%	\$ 5.41	2/6/2012	8,336	21,124	

- (1) No stock appreciation rights were granted to the Named Executive Officers in the last fiscal year. The options have a 10-year term, but are subject to earlier termination in connection with termination of employment.
- (2) The potential realizable value illustrates the value that might be realized upon the exercise of the options immediately prior to the expiration of their terms, assuming the specified compounded rates of appreciation of the market price on the date of grant through the option term, less the exercise price. Actual gains, if any, on stock option exercise are dependent upon a number of factors, including the future performance of the common stock and the timing of option exercises, as well as the optionees continued employment throughout the vesting period. There can be no assurance that the amounts reflected in this table will be achieved.
- (3) The Company granted 792,940 options to purchase common stock to employees in the last fiscal year.
- (4) The exercise price may be paid in cash, in shares of common stock valued at fair market value on the exercise date or through a cashless exercise procedure involving a same-day sale of the purchased shares.
- (5) Options vest at the rate of 12.5% on the six month anniversary of the vesting commencement date and 2.0833% each month thereafter.

Therefore, the purchase price is not fixed until the August 2003 purchase date, and employees may purchase the shares at a lower price per share which could affect the weighted-average exercise price.
- (3) The 2000 Stock Plan incorporates an evergreen formula pursuant to which, on the first day of each of our fiscal years (through fiscal 2010), the number of shares available for future issuance under the 2000 Stock Plan automatically increases by the lesser of (i) 1,000,000 shares, (ii) 7% of our outstanding common stock on the last day of the immediately preceding fiscal year, or (iii) such lesser number of shares as the board of directors determines. The 2000 Employee Stock Purchase Plan incorporates an evergreen provision pursuant to which, on the first day of each of our fiscal years (through fiscal 2004), the number of shares available for future issuance under the 2000 Employee Stock Purchase Plan automatically increases by the lesser of (i) 650,000 shares; (ii) 4% of our outstanding common stock on the last day of the immediately preceding fiscal year, or (iii) such lesser number of shares as the board of directors determines.

**Employment Agreements**

We had an employment agreement with Barry Cheskin, our former Chief Executive Officer who resigned from his position in April 2003. This agreement provided for the payment of severance or the acceleration of unvested stock, options and warrants in certain circumstances, none of which were triggered by Mr. Cheskin's departure from the Company. Mr. Cheskin's agreement provided that in the event Mr. Cheskin's employment with us was involuntarily terminated without cause, which would include constructive termination, all unvested shares held by Mr. Cheskin would immediately vest and Mr. Cheskin would receive monthly severance payments, equal to 1/12 of his annual base salary until the earlier of (i) twelve months after his termination date or (ii) such time as he commenced full-time employment at another company. In addition, in the event of a change in control of the Company, immediately upon consummation of the transaction, seventy five percent (75%) of any unvested shares held by Mr. Cheskin granted prior to the Company's initial public offering and fifty percent (50%) of any unvested shares held by Mr. Cheskin granted after the Company's initial public offering would immediately vest. Further, on each one month anniversary following the effective date of a change of control transaction, 1/12th of the remaining unvested shares held by Mr. Cheskin would become fully vested and immediately exercisable.

**Change of Control Agreements**

## Edgar Filing: RITA MEDICAL SYSTEMS INC - Form DEF 14A

We also have In addition, we have entered into change of control agreements with our officers that provide the following benefits upon the sale or merger of RITA. In the event that we consummate a change of control transaction, 50 percent (50%) of any unvested options held by our officers shall become fully vested and immediately exercisable and repurchase rights retained by us with respect to 50 percent (50%) of the restricted stock held by our officers shall immediately lapse. In addition, on each one month anniversary following the effective date of a change of control transaction, 1/12th of the remaining unvested options held by our officers shall become fully vested and immediately exercisable and repurchase rights retained by us with respect to 1/12th of any remaining restricted stock held by our officers shall immediately lapse.

If the officer is involuntarily terminated within twelve (12) months of the change of control transaction, all unvested options held by our officers shall become fully vested and immediately exercisable and all repurchase rights retained by us with respect to the restricted stock held by our officers shall immediately lapse. If the officer voluntarily resigns or is terminated for cause after the change of control, then the officer is not entitled to any acceleration of the vesting of options or lapse of repurchase rights with respect to restricted stock.

### **Separation Agreements**

We did not enter into any separation agreements with named executive officers during the year ended December 31, 2002.

### **Indemnification of Directors and Executive Officers**

We have entered into indemnification agreements with our officers and directors containing provisions which may require us, among other things, to indemnify our officers and directors against a number of liabilities that may arise by reason of their status or service as officers or directors (other than liabilities arising from willful misconduct of a culpable nature) and to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

## **COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

The following is a report of the Compensation Committee of the Board of Directors describing the compensation policies applicable to the Company's executive officers during the fiscal year that ended December 31, 2002. The Compensation Committee is responsible for establishing and monitoring our general compensation policies and compensation plans, as well as the specific compensation levels for executive officers. It also makes recommendations to the Board of Directors concerning the granting of options under our 2000 Stock Plan. Executive officers who are also directors have not participated in deliberations or decisions involving their own compensation.

### **General Compensation Policy**

Under the supervision of the Board of Directors, our compensation policy is designed to attract and retain qualified key executives critical to our growth and long term success. It is the objective of the Board of Directors to have a portion of each executive's compensation contingent upon our performance as well as upon the individual's personal performance. Accordingly, each executive officer's compensation package is comprised of three elements: (i) base salary which reflects individual performance and expertise, (ii) variable bonus awards payable in cash and tied to the achievement of certain performance goals that the Board of Directors establishes from time to time for the Company and (iii) long term stock-based incentive awards which are designed to strengthen the mutuality of interests between the executive officers and our stockholders.

The summary below describes in more detail the factors which the Board of Directors considers in establishing each of the three primary components of the compensation package provided to the executive officers.

### **Base Salary**

The level of base salary is established primarily on the basis of the individual's qualifications and relevant experience, the strategic goals for which he or she has responsibility, the compensation levels at similar companies and the incentives necessary to attract and retain qualified management. Base salary is adjusted each year to take into account the individual's performance and to maintain a competitive salary structure. Company performance does not play a significant role in the determination of base salary.

### **Cash-Based Incentive Compensation**

Cash bonuses are awarded on a discretionary basis to executive officers on the basis of their success in achieving designated individual goals and our success in achieving specific company-wide goals, such as revenue growth and earnings.

**Long Term Incentive Compensation**

We have utilized our stock option plans to provide executives and other key employees with incentives to maximize long term stockholder values. Awards under this plan by the Board of Directors take the form of stock options designed to give the recipient a significant equity stake and thereby closely align his or her interests with those of our stockholders. Factors considered in making such awards include the individual's position, his or her performance and responsibilities, and internal comparability considerations. In addition, the Board of Directors has established certain general guidelines in making option grants to the executive officers in an attempt to target a fixed number of unvested option shares based upon each individual's position and his or her existing holdings of unvested options. However, the Board of Directors is not required to adhere strictly to these guidelines and may vary the size of the option grant made to each executive officer as it determines the circumstances warrant. Each option grant allows the executive officer to acquire shares of common stock at a fixed price per share (the fair market value on the

date of grant) over a specified period of time (up to 10 years). The options typically vest in periodic installments over a four year period, contingent upon the executive officer's continued employment with us. Accordingly, the option will provide a return to the executive officer only if he or she remains in our service, and then only if the market price of the common stock appreciates over the option term.

### **Compensation of the Chief Executive Officer**

Barry Cheskin has served as the Company's President and Chief Executive Officer since May 1997. His base salary for the fiscal year ended December 31, 2002 was \$262,650.

The factors discussed above in Base Salaries, Cash-Based Incentive Compensation and Long Term Incentive Compensation were also applied in establishing the amount of Mr. Cheskin's salary and stock option grant. Significant factors in establishing Mr. Cheskin's compensation were the achievement of the Company's revenue goals, the development and implementation of clinical initiatives designed to demonstrate applicability of our technology to new organs, the publication of survival data in liver cancer and the receipt of regulatory approval from the FDA to use the RITA system to treat pain associated with bone tumors.

### **Deductibility of Executive Compensation**

The Compensation Committee has considered the impact of Section 162(m) of the Internal Revenue Code adopted under the Omnibus Budget Reconciliation Act of 1993, which section disallows a deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the CEO and four other most highly compensated executive officers, respectively, unless such compensation meets the requirements for the performance-based exception to Section 162(m). As the cash compensation paid by the Company to each of its executive officers is expected to be below \$1 million and the committee believes that options granted under the 2000 Stock Plan to such officers will meet the requirements for qualifying as performance-based, the committee believes that Section 162(m) will not affect the tax deductions available to the Company with respect to the compensation of its executive officers. It is the Compensation Committee's policy to qualify, to the extent reasonable, its executive officers' compensation for deductibility under applicable tax law. However, the Company may from time to time pay compensation to its executive officers that may not be deductible.

directors of another entity.

Mr. Bucci is President of Health Policy Associates, Inc., a regulatory consulting firm that provides consulting services to the Company. Additionally, the Audit Committee has discussed with PricewaterhouseCoopers LLP the issue of its independence from RITA.

Based on its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

The graph further assumes that such amount was initially invested in the common stock of the Company at a per share price of \$12.00, the price to which such stock was first offered to the public by the Company on the date of its initial public offering, and reinvestment of any dividends. **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Exchange Act requires our directors, our executive officers and persons who own more than 10% of the common stock (collectively, Reporting Persons ) to file initial reports of ownership and changes in ownership of our common stock. Reporting Persons are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely on our review of the copies of such reports received or written representations from certain Reporting Persons that no other reports were required, we believe that during its fiscal year ended December 31, 2002, all Reporting Persons complied with all applicable filing requirements.
