Item 1.01 Entry into a Material Definitive Agreement.

Executive Chairman Security Plan

On April 17, 2006, the Human Capital and Compensation Committee of the Board of Directors of Sprint Nextel Corporation ("Sprint Nextel") established an overall security plan for Timothy Donahue, Executive Chairman. The plan is similar to the one adopted in May 2003 for Gary Forsee, Chief Executive Officer.

The security plan was recommended by an independent security consultant. As part of the security plan, Mr. Donahue will be required to use company aircraft in lieu of commercial aircraft for all travel, including personal travel.

Treatment of Equity-Based Awards in Spin-off of Local Communications Business

On April 17, 2006, the Human Capital and Compensation Committee also approved the specific formulas for adjustment or conversion of outstanding Sprint Nextel equity awards in the spin-off of Sprint Nextel's local communications business, which will be called Embarq Corporation. The formulas are consistent with the framework approved by the committee in December 2005 and reported in Sprint Nextel's Current Report on 8-K filed on December 16, 2005, except with respect to Sprint Nextel deferred shares that were issued by Nextel Communications, Inc. to its employees before the Sprint-Nextel merger. As required by the provisions in the award agreements relating to the deferred shares, the number of Sprint Nextel deferred shares covered by the awards will be adjusted upwards rather than the holders of the awards receiving deferred shares in Embarq.

Deferred Compensation Plans

On April 18, 2006, the Board of Directors approved amendments to the Sprint Executive Deferred Compensation Plan, the Director's Deferred Fee Plan and the Centel Directors Deferred Compensation Plan. The amendments, which will be effective at the time of the spin-off of Embarq, would

- o establish an Embarq stock unit fund to be credited with share units representing the dividend of Embarq stock on the share units representing Sprint Nextel stock in the plans;
- o provide participants in the plans the ability to redirect the share units representing Embarq stock into any other investment alternative available in the respective plans until December 31, 2006, after which the value of any remaining share units in the Embarq stock unit fund will be transferred into the fund representing Sprint Nextel stock; and
- o authorize the Employee Benefits Committee (the "EBC") to make amendments to the plans for the purpose of legislative or regulatory compliance or administration of the plans.

The Sprint Nextel Deferred Compensation Plan provides under its terms that the EBC has authority to amend that plan. Consistent with the amendments to the other deferred compensation plans, it is expected that the EBC will amend the Sprint Nextel Deferred Compensation Plan, effective at the time Embarq is spun-off, to establish an Embarq stock unit fund similar to the fund that will be established for the other plans and to provide participants with the same ability to redirect the share units representing Embarq stock as described above.
