INFORMATION ABOUT THE ANNUAL MEETING

Our Annual Meeting will be held on September 22, 2005 at 8:00 a.m. local time at the ePlus Headquarters Building, 13595 Dulles Technology Drive, Herndon, Virginia 20171-3413.

The Annual Meeting has been called to consider and take action on the following proposals:

1. To elect two Class III Directors, each to serve a term of three years and until their successors have been duly elected and qualified.
2. To ratify the appointment of Deloitte & Touche LLP as our independent auditors for our fiscal year ending March 31, 2006.
3. To transact such other business as may properly come before the Annual Meeting.

Our Board of Directors, or in the case of Proposal 2, the Audit Committee of our Board of Directors, has unanimously approved both of the proposals and recommends that you vote in favor of both of the proposals. All holders of record of our common stock at the close of business on July 25, 2005, the Record Date, will be entitled to vote at the Annual Meeting.

INFORMATION ABOUT THIS PROXY STATEMENT

We have sent you this Proxy Statement because ePlus' Board of Directors is soliciting your proxy to vote at the Annual Meeting. ePlus is bearing the cost of this proxy solicitation. If you own ePlus common stock in more than one account, such as individually and also jointly with your spouse, you may receive more than one set of these proxy materials. To assist us in saving money and to provide you with better stockholder services, we encourage you to have all of your accounts registered in the same name and address. You may do this by contacting our transfer agent, National City Bank, Victor LaTessa, at (216) 222-3579. This Proxy Statement contains information that we are required to provide to you under the rules of the Securities and Exchange Commission and is designed to assist you in voting your shares. On or about August 8, 2005, we began mailing these proxy materials to all stockholders of record as of the close of business on July 25, 2005.

INFORMATION ABOUT VOTING

Stockholders can vote in person at the Annual Meeting or by proxy. To vote by proxy, please mail the enclosed Proxy Card in the enclosed envelope. Please sign and date your Proxy Card before mailing.

Edgar Filing: EPLUS INC - Form DEF 14A

Each share of ePlus common stock is entitled to one vote on all matters presented at the Annual Meeting. If your shares are held in the name of a bank, broker, or other holder of record, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. If your shares are not registered in your own name and you plan to attend the Annual Meeting and vote your shares in person, you should contact your broker or agent in whose name your shares are registered to obtain a broker's proxy card and bring it to the Annual Meeting in order to vote. If you vote by proxy, the individuals named on the card (your proxy holders) will vote your shares in the manner you indicate. You may specify whether your shares should be voted for none, one, or both of the nominees for Director and for, against, or abstaining from the other proposal. If you sign and return the card without indicating your instructions, your shares will be voted for:

- o The election of both of the nominees for Class III Director; and
- o The ratification of the appointment of Deloitte & Touche LLP as our independent auditors for the fiscal year ending March 31, 2006.

You may revoke or change your proxy at any time before it is voted by sending a written notice of your revocation to ePlus' Corporate Secretary, Erica S. Stoecker, at ePlus' principal executive office.

QUORUM REQUIREMENTS

As of the Record Date, there were 8,482,892 shares of common stock outstanding, each of which is entitled to one vote. The holders of record of a majority of the shares of common stock entitled to vote at the Annual Meeting, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment thereof. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

-2-

VOTING REQUIREMENTS

Proposal 1: Election of Class III Directors

Assuming a quorum is present, the two nominees receiving the greatest number of affirmative votes of shares entitled to be voted for them at the Annual Meeting will be elected as Class III Directors. Stockholders are not entitled to cumulate votes in the election of Directors. All nominees have consented to serve as Directors, if elected. If any nominee is unable or unwilling to serve as a Director at the time of the Annual Meeting, the persons who are designated as proxies intend to vote, in their discretion, for such other persons, if any, as may be designated by the Board of Directors. As of the date of this Proxy Statement, the Board of Directors has no reason to believe that any of the persons named below will be unable or unwilling to serve as a nominee or as a Director if elected.

Proposal 2: Ratification of Appointment of Deloitte & Touche LLP as Independent Auditors

To be approved, Proposal 2 requires the affirmative vote of the holders of at least a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal.

Effect of Abstentions and Broker Non-Votes

Edgar Filing: EPLUS INC - Form DEF 14A

Abstentions and broker non-votes will be counted only for the purpose of determining the existence of a quorum, but will not be counted as an affirmative vote for the purposes of determining whether a proposal has been approved. Therefore, an abstention or a broker non-vote will not have any effect on the votes for Proposal 1 but will have the effect of a vote against Proposal 2.

All signed proxies received will be voted in accordance with the choices specified on such proxies. Proxies will be voted in favor of a proposal if no contrary specification is made. All valid proxies obtained will be voted at the discretion of the Appointed Proxies with respect to any other business that may come before the Annual Meeting.

We may solicit proxies by use of the mails, in person, by telephone, e-mail, or other electronic communications. We will bear the cost of soliciting proxies in the accompanying form. We may reimburse brokerage firms and others for their expenses in forwarding proxy materials to the beneficial owners and soliciting them to execute the proxies.

Each executive officer of ePlus is chosen by the Board of Directors and holds his or her office until his or her successor shall have been duly chosen and qualified or until his or her death or until he or she shall resign or be removed as provided by the Bylaws.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires ePlus' officers, Directors, and persons who own more than ten percent of a registered class of ePlus' equity securities to file reports of ownership and changes in ownership of equity securities of ePlus with the SEC. Officers, Directors, and greater-than-ten-percent stockholders are required by SEC regulations to furnish ePlus with copies of all Section 16(a) forms that they file.

Edgar Filing: EPLUS INC - Form DEF 14A

Based solely upon a review of Forms 3, Forms 4, and Forms 5 furnished to ePlus pursuant to Rule 16a-3 under the Exchange Act, ePlus believes that all such forms required to be filed pursuant to Section 16(a) of the Exchange Act were timely filed, as necessary, by the officers, Directors, and security holders required to file such forms, with the exception that Messrs. Cooper, Faulders, Herman, and O'Donnell were late in filing a Form 4 in connection with the grant of 10,000 options to each Director on September 15, 2004.

The Board of Directors

Our Board of Directors is divided into three classes: Class I, comprised of two Directors; Class II, comprised of two Directors; and Class III, comprised of two Directors. Subject to the provisions of the Bylaws, at each Annual Meeting of Stockholders, the successors to the class of Directors whose term is then expiring shall be elected to hold office for a term expiring at the third succeeding Annual Meeting of Stockholders. Messrs. Norton and Bowen, our Class III Directors, are standing for re-election at the 2005 Annual Meeting. Each Director holds office until his or her successor has been duly elected and qualified or until he or she has resigned or been removed in the manner provided in the Bylaws. The members of the three classes of Directors are as follows:

-7-

- o Class I

- C. Thomas Faulders, III
 - Lawrence S. Herman

- o Class II

- Terrence O'Donnell
 - Milton E. Cooper, Jr.

- o Class III

- Phillip G. Norton
 - Bruce M. Bowen

The Class I Directors will stand for re-election at the Annual Meeting of Stockholders in 2006. The Class II Directors will stand for re-election at the Annual Meeting of Stockholders in 2007. The classification of the Board of Directors, with staggered terms of office, was implemented for the purpose of maintaining continuity of management and of the Board of Directors.

There are no material proceedings to which any Director, executive officer, or affiliate of ePlus, any owner of record or beneficially of more than five percent of any class of voting securities of ePlus, or any associate of any such Director, executive officer, affiliate of ePlus, or security holder is a party adverse to ePlus or any of its subsidiaries or has a material interest adverse to ePlus or any of its subsidiaries. Directors Milton E. Cooper, Jr., C. Thomas Faulders III, Lawrence S. Herman, and Terrence O'Donnell are independent as that term is defined under the rules of the National Association of Securities Dealers.

Director Compensation

Directors who are also employees of ePlus do not currently receive any compensation for service as members of the Board of Directors. During the fiscal year ending March 31, 2005, each outside Director received an annual grant of 10,000 stock options and \$500 for each Board meeting. Beginning July 1, 2005,

Edgar Filing: EPLUS INC - Form DEF 14A

each outside Director receives \$8,750 quarterly in cash compensation and an annual grant of 10,000 stock options. All Directors are reimbursed for their out-of-pocket expenses incurred to attend Board or committee meetings.

Meetings and Committees of the Board of Directors

The Board of Directors met nine times during the fiscal year ended March 31, 2005. In addition to meetings of the full Board, Directors also attended meetings of Board committees. No incumbent Director attended fewer than 75% of the total number of meetings held by the Board of Directors and the meetings of any committee on which the Director served. Directors are encouraged to attend

-8-

Annual Meetings of ePlus Stockholders. All six Directors attended last year's Annual Meeting. The Board of Directors has the following committees: the Audit Committee, the Compensation Committee, the Stock Incentive Committee, and the Nominating and Corporate Governance Committee.

Audit Committee

General. The Audit Committee of the Board of Directors is responsible for selecting ePlus' independent public accountants, monitoring and reviewing the quality and activities of ePlus' internal and external audit functions, monitoring the adequacy of ePlus' operating and internal controls as reported by management and the external or internal auditors, and reviewing ePlus' periodic reports filed with the Securities and Exchange Commission. The members of the Audit Committee as of March 31, 2005 were Terrence O'Donnell (Chairman), C. Thomas Faulders, III, Lawrence S. Herman, and Milton E. Cooper, Jr. Each member of the Audit Committee is independent as that term is defined under the rules of the National Association of Securities Dealers. In addition, the Board of Directors has determined that C. Thomas Faulders III qualifies as an "Audit Committee Financial Expert" as defined in regulations issued by the Securities and Exchange Commission. During the fiscal year ended March 31, 2005, four meetings of the Audit Committee were held.

Audit Committee Report. The Audit Committee is composed of four Directors, who are independent as defined under the rules of the National Association of Securities Dealers. The Committee operates under a written charter approved by the Board of Directors, which was included as Appendix A to ePlus' Proxy Statement for the 2004 Annual Meeting of Stockholders.

The Committee reviews ePlus' financial reporting process on behalf of the Board of Directors. In fulfilling its responsibilities, the Committee has reviewed and discussed the audited financial statements contained in our Annual Report on Form 10-K for the year ended March 31, 2005 with ePlus' management. Management is responsible for our financial statements and the financial-reporting process, including internal controls. The independent accountants are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America.

The Audit Committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Committee has discussed with the independent accountants the accountants' independence from ePlus and its management including the matters in the written disclosures provided to the Committee as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Committee has also considered whether the provision of non-audit services by the independent accountants to ePlus is compatible with maintaining auditors' independence.

Based on the reviews and discussions referred to above, the Committee

Edgar Filing: EPLUS INC - Form DEF 14A

recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in our Annual Report on Form 10-K

Compensation Committee

General. The Compensation Committee of the Board of Directors is responsible for reviewing the salaries, benefits, and other compensation, including stock-based compensation, of Mr. Norton and Mr. Bowen, and making recommendations to the Board of Directors based on its review. The members of the Compensation Committee during the fiscal year ended March 31, 2005 were C. Thomas Faulders, III (Chairman), Terrence O'Donnell, Lawrence S. Herman, and Milton E. Cooper, Jr., all of whom were independent Directors as that term is defined under the rules of the National Association of Securities Dealers. Mr. Norton and Mr. Bowen, as Directors, do not vote on any matters affecting their personal compensation. Mr. Bowen and Mr. Norton are responsible for reviewing and establishing salaries, benefits, and other compensation, excluding stock-based compensation, for all other employees.

Compensation arrangements during our 2005 fiscal year were determined in accordance with the executive compensation policy set forth below. The Compensation Committee considers compensation paid to our executive officers to be deductible for purposes of Section 162(m) of the Internal Revenue Code.

Compensation Committee Report. The Compensation Committee of the Board of Directors has prepared the following report on our policies with respect to the compensation of executive officers for the fiscal year ended March 31, 2005. The compensation programs of ePlus are designed to align compensation with business objectives and performance, and to enable ePlus to attract, retain, and reward executives who contribute to the long-term success of ePlus.

The Compensation Committee believes that executive pay should be linked to performance. Therefore, ePlus provides an executive-compensation program which includes three principal elements: (1) base pay, (2) potential cash bonus, and (3) long-term incentive opportunities through the use of stock options.

Criteria for Determination of Executive Compensation. The role of the Compensation Committee is to review the compensation of Messrs. Norton, Bowen, Mencarini, and Parkhurst, who are the named executive officers. In determining each of the principal elements of each executive's compensation, as well as the overall compensation package thereof, the following criteria are considered by the persons responsible for recommending or approving such compensation: (1) the

-10-

compensation awarded to executives with comparable titles and responsibilities to those of such executive by companies in our industry (or, to the extent information is not available, in comparable industries) whose revenues and earnings are comparable to those of ePlus, as reported by reliable independent

Edgar Filing: EPLUS INC - Form DEF 14A

sources; (2) the results of operations of ePlus during the past year, on an absolute basis and compared with ePlus' targeted results for such year as well as with the results of the comparable companies, as reported by reliable independent sources; (3) the performance of such executive during the past year, on an absolute basis and as compared with the performance targets set by ePlus for such executive for such year and the performance of the other executives of ePlus during such year; and (4) any other factor which the Compensation Committee determines to be relevant. The weight to be given to each of the foregoing criteria is determined by the Compensation Committee in the exercise of its reasonable judgment in accordance with the purposes of this executive compensation policy and may vary from time to time or from executive to executive. The Compensation Committee has also commissioned and relied upon an independent compensation study conducted by Wyatt Watson Worldwide, in which the compensation of ePlus executives was compared to those of thirteen other similarly situated companies.

On February 28, 2005 the Board of Directors approved the adoption of separate ePlus inc. Supplemental Benefit Plans (each a "Plan" and together, "the Plans") for each of (i) Bruce M. Bowen, Director and Executive Vice President (ii) Steven J. Mencarini, Senior Vice President and Chief Financial Officer and (iii) Kleyton L. Parkhurst, Senior Vice President, Assistant Secretary and Treasurer (the "Participants"). Each Plan is substantially similar. These supplemental benefit plans were developed in conjunction with the aforementioned independent study and designed to provide the named executives with a long-term incentive plan outside the Company's normal equity incentive plans. Mr. Norton did not participate in this benefit plan.

The Plans are unfunded and nonqualified and are designed provide the Participants with a cash benefit that is payable only upon the earlier to occur of (i) death, (ii) termination of employment or (iii) the expiration of the Plans. Each Plan terminates on August 11, 2014. Under the terms of the Plans, the Participants or their beneficiaries have only the right to receive a single lump sum cash distribution upon the occurrence of one of the triggering events described above. Under the terms of the Plans, the Participants do not have a right to accelerate payments of the benefits payable under the Plans. If a Participant is terminated for Cause (as defined in each Plan) prior to the expiration of the respective Plan, the Company will have no further obligation under such Plan and the affected Participant will not be entitled to any payments under such Plan. In connection with the adoption of the Plans, the Company will establish one or more grantor trusts to which it may transfer assets intended to be used for the benefit of the Participants. Through the date of distribution of Plan benefits, the assets of such trusts will remain subject to the claims of the Company's creditors and the beneficiaries of the trusts shall have standing with respect to the trusts' assets not greater than that of general unsecured creditors of the Company.

Chief Executive Officer Compensation. The executive compensation policy described above is applied in setting Mr. Norton's compensation. Mr. Norton generally participates in the same executive compensation plans and arrangements available to the other executives. Accordingly, his compensation also consists of an annual base salary, a potential annual cash bonus, and, potentially, long-term, equity-linked compensation in the form of stock options. The

-11-

Compensation Committee's general approach in establishing Mr. Norton's compensation is to be competitive with peer companies, but to have a large percentage of his target based upon objective performance criteria and targets established in our strategic plan.

Mr. Norton's compensation for the year ended March 31, 2005 included \$343,750 in base salary. Mr. Norton's salary was based on the aforementioned independent

Edgar Filing: EPLUS INC - Form DEF 14A

compensation study and other factors, such as his importance to the Company, which the Compensation Committee considered relevant.

Section 162(m). Section 162(m) of the Internal Revenue Code imposes a \$1 million cap, with certain exceptions, on the amount that a publicly-held corporation may deduct in any year for the compensation paid with respect to its five most highly compensated executive officers. The Amended and Restated 1998 Long-Term Incentive Plan, Amended and Restated Incentive Stock Option Plan, and the Amended and Restated Nonqualified Stock Option Plan have been approved by stockholders so that compensation attributable to stock options and certain other awards granted under such plans may be excluded from the \$1 million cap. While the Compensation Committee cannot predict with certainty how ePlus' compensation tax deduction might be affected, the Compensation Committee tries to preserve the tax-deductibility of all executive compensation while maintaining flexibility with respect to ePlus' compensation programs as described in this report. The Compensation Committee believes that the Company will not be subject to any Section 162(m) limitations on the deductibility of compensation paid to the named executive officers for the fiscal year 2005.

During the fiscal year ended March 31, 2005, three meetings of the Compensation Committee were held.

Stock Incentive Committee

The Stock Incentive Committee of the Board of Directors is authorized to award stock, and various stock options and rights and other stock-based compensation grants under the ePlus inc. Amended and Restated 1998 Long-Term Incentive Plan. The members of the Stock Incentive Committee during the fiscal year ended March 31, 2005 were Mr. Bowen and Mr. Norton. Except for formula plan grants to the outside Directors and grants that are approved by a majority of the disinterested members of the Board of Directors, no member of the Stock Incentive Committee or the Compensation Committee is eligible to receive grants under the ePlus inc. Amended and Restated 1998 Long-Term Incentive Plan. During the fiscal year ended March 31, 2005, no meetings of the Stock Incentive Committee were held.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee assists the Board of Directors in fulfilling its oversight responsibilities under the Nasdaq Stock Market listing standards and Delaware law. This committee is authorized and designated for the purposes of: (1) identifying individuals qualified to serve on the Board of Directors and to select, or to recommend that the Board of Directors select, a slate of Director nominees for election by the stockholders of ePlus at each Annual Meeting of Stockholders of ePlus, in accordance with ePlus' Certificate of Incorporation and Bylaws and with Delaware law; and (2) evaluating, developing, and recommending to the Board of Directors a set of corporate governance policies and principles to be applicable to ePlus. Terrence O'Donnell, C. Thomas Faulders, III, Lawrence S. Herman, and Milton E. Cooper,

Edgar Filing: EPLUS INC - Form DEF 14A

Jr., all of whom are independent Directors as that term is defined under the rules of the National Association of Securities Dealers, were the members of the Nominating and Corporate Governance Committee as of March 31, 2005. During the fiscal year ended March 31, 2005, one meeting of the Nominating and Corporate Governance Committee was held.

It is the policy of the Nominating and Corporate Governance Committee to consider properly submitted stockholder nominations for membership on the Board of Directors. Any stockholder nomination must comply with the Bylaws of ePlus. The notice must be in writing and delivered to the Corporate Secretary not later than 90 days in advance of the Annual Meeting or, if later, the seventh day following the first public announcement of the Meeting. The notice must set forth: (i) the name and address of the stockholder who intends to make the nomination and of the person or persons to be nominated; (ii) a representation that the stockholder is a holder of record of stock of ePlus entitled to vote at such meeting and intends to appear in person or by proxy at the Meeting and nominate the person or persons specified in the notice; (iii) a description of all arrangements or understandings between the stockholder and each nominee or any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (iv) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the United States Securities and Exchange Commission had the nominee been nominated, or intended to be nominated, by the Board of Directors; and (v) the consent of each nominee to serve as a Director of ePlus if so elected. In

-13-

addition, the stockholder making such nomination shall promptly provide any other information reasonably requested by ePlus.

In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience, and capability on the Board of Directors. Furthermore, any member of the Board of Directors must have the highest personal ethics and values and have experience at the policy-making level of business, and should be committed to enhancing stockholder value.
