PROXY STATEMENT

2003 ANNUAL MEETING OF STOCKHOLDERS

MAY 30, 2003

SOLICITATION, VOTING AND REVOCABILITY OF PROXIES

This Proxy Statement and the accompanying proxy card are furnished to stockholders of McLeodUSA Incorporated entitled to vote in connection with the solicitation by the Board of Directors of McLeodUSA (the "Board of Directors") of proxies to be used at the 2003 Annual Meeting of Stockholders to be held on Friday, May 30, 2003 at 9:30 a.m., local time, at the St. Regis Hotel, Two East 55th Street at Fifth Avenue, New York, New York, and at any adjournment thereof.

If the enclosed proxy card is properly executed by a holder of shares of Class A Common Stock, Class B Common Stock, Class C Common Stock, Series A Preferred Stock or Series B Preferred Stock and returned to McLeodUSA in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with instructions marked thereon. **EXECUTED BUT UNMARKED PROXIES WILL BE VOTED:**

"FOR" PROPOSAL 1 TO ELECT THE NOMINEES FOR DIRECTOR

"FOR" PROPOSAL 2 TO RATIFY THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT PUBLIC ACCOUNTANTS FOR THE 2003 FISCAL YEAR

If any other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by such proxies on such matters in accordance with their best judgment.

Instead of submitting a signed proxy card, stockholders may submit their proxies by telephone or through the Internet using the control number and instructions on the proxy card. Telephone and Internet proxies must be used in conjunction with, and will be subject to, the information and terms contained on the proxy card. These procedures may not be available to stockholders who hold their shares through a broker, nominee, fiduciary or other custodian.

The presence of a stockholder at the Annual Meeting will not automatically revoke such stockholder's proxy. Stockholders may, however, revoke a proxy at any time before its exercise by filing with the Secretary of McLeodUSA a written revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. A stockholder who submits a proxy by telephone or through the Internet may also revoke it before its exercise by submitting a new proxy using the same procedures at a later date.

The cost of solicitation of proxies will be borne by us. In addition to the solicitation of proxies by mail, our officers, directors or employees also may solicit proxies personally or by telephone or other means. These persons will not be specifically compensated for the solicitation activities. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries for forwarding solicitation materials to the beneficial owners of shares held of record by these persons, and we will reimburse these persons for their reasonable expenses.

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the proxy card were first mailed to stockholders entitled to vote on or about April 25, 2003.

The close of business on April 3, 2003 has been fixed by the Board of Directors as the Record Date for determination of stockholders entitled to vote at the Annual Meeting. As of the Record Date, our outstanding capital stock entitled to be voted at the Annual Meeting consisted of:

*

Includes 18,000,000 shares of Class A Common Stock held in the disputed claims reserve pursuant to the McLeodUSA Plan of Reorganization.

**

In the aggregate, the holders of the Class B Common Stock and Class C Common Stock shall be entitled to one vote per share with respect to all matters as to which a vote is taken at the Annual Meeting.

Our Bylaws provide that the holders of a *majority* of the voting rights of the shares issued and outstanding and entitled to vote at the meeting shall constitute a quorum at the Annual Meeting. Stockholders' votes will be tabulated by persons appointed by the Board of Directors to act as inspectors of election for the Annual Meeting.

Assuming the presence of a quorum at the Annual Meeting:

a *plurality* (i.e., more than the number of votes cast for any other candidate but not necessarily a majority) of the voting rights represented and entitled to vote at the Annual Meeting is required for election of directors nominated at the Annual Meeting; and

a *majority* (i.e., more than one-half) of the voting rights represented and entitled to vote at the Annual Meeting is required to ratify the appointment of Deloitte & Touche LLP as our independent public accountants.

Unless otherwise required by applicable law or our Second Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation") or Bylaws, the affirmative vote of a *majority* of the voting rights represented and entitled to vote at the Annual Meeting is required to decide any other matter submitted to a stockholder vote. Our Certificate of Incorporation does not provide for cumulative voting in the election of directors.

Abstentions and broker non-votes will be treated as shares that are present, in person or by proxy, and entitled to vote for purposes of determining the presence of a quorum at the Annual Meeting. Broker non-votes will not be counted as present or entitled to vote on any matter presented at the Annual Meeting. As a result, broker non-votes will not have any effect on Proposal 1 or 2. Abstentions will be counted as shares that are present and entitled to vote on matters presented at the Annual Meeting. As a result, abstentions will not have any effect on Proposal 1 but will have the same effect as a vote *against* Proposal 2.

**ELECTION OF DIRECTORS
(Proposal 1)**

The Board of Directors is divided into three classes of directors serving staggered three-year terms. At the Annual Meeting, five directors will be elected to serve as Class II directors whose term expires in 2006.

The Board of Directors has nominated the following for director, each for a three-year term:

G. Kenneth Burckhardt

James E. Hoffman

Farid Suleman

Peter V. Ueberroth

Juan Villalonga

Unless otherwise specified on the proxy card, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election as directors of Messrs. G. Kenneth Burckhardt, James E. Hoffman, Farid Suleman, Peter V. Ueberroth and Juan Villalonga. The Board of Directors believes that such nominees will stand for election and will serve if elected. If any person nominated by the Board of Directors fails to stand for election or is unable to accept election, the proxies will be voted for the election of such other person or persons as the persons named in the accompanying proxy shall determine in accordance with their best judgment. Pursuant to our Certificate of Incorporation, directors are elected by plurality vote.

Our Bylaws provide that the Board of Directors shall consist of not fewer than seven directors nor more than sixteen directors and that the number of directors, within such limits, shall be determined by resolution of the Board of Directors. However, the Bylaws also provide that the Board of Directors will have as members at least (a) five "independent directors," (b) three officers of McLeodUSA selected by the Board of Directors; provided that each such officer shall hold one or more of the following titles: Chairperson; Chief Executive Officer; President; Chief Operating Officer or Chief Financial Officer, (c) the designee of the Series A Preferred Stock, if any (as discussed below), and (d) the designee(s) of the Series B Preferred Stock, if any (as discussed below).

Pursuant to an Amended and Restated Purchase Agreement, dated as of January 30, 2002, as amended (the "Purchase Agreement"), the funds affiliated with Forstmann Little & Co. which hold McLeodUSA stock agreed that during the period from the closing of the Purchase Agreement, which closing occurred April 16, 2002, until the "Standstill Termination Date," such funds will be present, in person or by proxy, at all meetings of our stockholders so that all of their voting securities are counted for purposes of determining the presence of a quorum at such meetings. Such funds also agreed that, during such period, they will vote their McLeodUSA voting securities in all elections of directors such that the persons specified in clauses (a) and (b) above are elected as members to the Board of Directors. The "Standstill Termination Date" means the earlier of the close of business on the day preceding the third anniversary of the closing of the Purchase Agreement or the date Theodore J.

Forstmann is removed, without his consent, as the Chairman of the Executive Committee of the Board of Directors.

Series A Preferred Stock Designee

The Certificate of Designation for the Series A Preferred Stock provides that for as long as 3,333,333 shares of Series A Preferred Stock remain outstanding, the holders of Series A Preferred Stock will have the right to designate one member of the Board of Directors.

Series B Preferred Stock Designee(s)

Edgar Filing: MCLEODUSA INC - Form DEF 14A

The Certificate of Designation for the Series B Preferred Stock and the Purchase Agreement provide certain funds affiliated with Forstmann Little & Co. (the "Forstmann Funds") with the right to designate members of the Board of Directors and/or non-voting observers to the Board of Directors as follows:

As long as the Forstmann Funds beneficially own at least 40% of the McLeodUSA common stock they received upon consummation of McLeodUSA's Plan of Reorganization, the Forstmann Funds will have the right to designate two members of the Board of Directors.

As long as the Forstmann Funds beneficially own less than 40%, but more than 20%, of such shares, the Forstmann Funds will have the right to designate one member of the Board of Directors and one non-voting observer to the Board of Directors.

Once the Forstmann Funds beneficially own 20% or less of such shares, the Forstmann Funds will have no rights to designate members of the Board of Directors; but, as long as the Forstmann Funds beneficially own any of such shares, the Forstmann Funds will have the right to designate two non-voting observers to the Board of Directors.

The Purchase Agreement also provides the other Forstmann Little & Co. funds that beneficially own McLeodUSA securities with the right to designate observers to the Board of Directors as necessary to maintain the venture capital operating company status of their investment in McLeodUSA.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES FOR DIRECTORS.

The Executive Committee has and may exercise all of the powers and authority of the Board of Directors in the management of the business and affairs of McLeodUSA to the fullest extent permitted by applicable law. The current members of the Executive Committee are Ms. Davis and Messrs. Breen, Forstmann, Frey, Gray and Lister. Mr. Forstmann serves as the Chairman of the Executive Committee.

The Audit Committee. The Audit Committee, among other things, appoints the independent accounting firm to audit our financial statements, discusses the scope and results of the audit with

the independent public accountants, reviews with management and the independent public accountants our interim and year-end operating results, considers the adequacy of our internal accounting controls and audit procedures and reviews and approves the non-audit services to be performed by the independent public accountants. The current members of the Audit Committee are Messrs. Benjamin, Collins, Frey and Hoffman. The Board of Directors amended and restated in December 2000 the written charter for the Audit Committee and is considering additional amendments that may be required or advisable pursuant to the Sarbanes-Oxley Act

Edgar Filing: MCLEODUSA INC - Form DEF 14A

of 2002 and the proposed rules of the National Association of Securities Dealers. In addition, the Board of Directors has determined that the members of the Audit Committee meet the independence requirements of the National Association of Securities Dealers. Mr. Frey serves as Chairman of the Audit Committee.

The Compensation Committee. The Compensation Committee reviews and recommends the compensation arrangements for management and administers McLeodUSA's stock option plan. The members of the Compensation Committee as of April 3, 2003 were Messrs. Bell, Breen, Lister and Ueberroth. Mr. Breen serves as Chairman of the Compensation Committee.

During the fiscal year ended December 31, 2002, the Board of Directors had nine meetings. During the same period, the Executive Committee met six times, the Audit Committee met eleven times, and the Compensation Committee met ten times. During the fiscal year ended December 31, 2002, no director attended fewer than 75% of the total of all meetings of the Board of Directors and any committee on which the director served, except that Theodore Forstmann attended eleven of fifteen, or 73%, and Juan Villalonga attended two of four, or 50%, of such meetings respectively. Mr. Forstmann did not attend two meetings because the purpose of those meetings was to discuss the sale of PubCo, regarding which he was required to abstain from discussion and voting. Taking these two meetings into account, Mr. Forstmann attended 85% of the meetings at which he was entitled to participate and vote.

Directors' Compensation

Our directors who are also employees receive no directors' fees or director stock options. Non-employee directors receive directors' fees of \$1,000 for each Board and committee meeting attended in person and \$500 for each Board and committee meeting attended by telephone. In addition, directors are reimbursed for reasonable out-of-pocket travel expenditures incurred in connection with their attendance at Board and committee meetings.

Prior to April 16, 2002, directors were eligible to receive grants of stock options under the Directors Stock Option Plan and the 1996 Employee Stock Option Plan, as amended. On April 16, 2002, the effective date of the Plan of Reorganization, all outstanding options under the Directors' Plan and the 1996 Employee Stock Option Plan were cancelled and those plans were replaced by the McLeodUSA Incorporated 2002 Omnibus Equity Plan (the "Omnibus Plan"), which was adopted in accordance with the Plan of Reorganization. The Omnibus Plan was approved by McLeodUSA stockholders at the September 13, 2002 Annual Meeting.

Pursuant to the Omnibus Plan, the Compensation Committee adopted on April 18, 2002 (and the Board of Directors ratified and confirmed on April 24, 2002) a general policy for granting stock options to directors. The policy provides that non-employee directors will be granted, on a one-time basis, options to acquire 300,000 shares, plus an additional 100,000 options for each committee on which a director serves, plus an additional 325,000 options for serving as chair of the Executive Committee. Upon resignation, such directors will have one year to exercise any options which are vested at the time of resignation. The policy also provides that stock options for such directors serving at the time of establishment of the policy will vest 25% on the date of grant and 25% per year for the following three years and that stock options for such directors subsequently elected or appointed would vest one-third

on the anniversary of the grant date in each of the first three years following the date of grant and, in either case, the options would vest fully upon a change of control. The non-employee directors serving on April 18, 2002 were granted options in accordance with the policy, including Daniel Hesse and Peter Claudy who have each subsequently resigned. On April 18, 2002, Clark E. McLeod and Roy A. Wilkens were granted options to acquire 500,000 shares and 300,000 shares, respectively, which vested 25% upon date of grant and 25% per year for the following three years and which provided that such options would fully vest upon retirement and that such options could be exercised for a period of one-year following either retirement or the end of the term of their employment agreement, whichever is later. Mr. McLeod and Mr. Wilkens have each subsequently retired and may exercise options granted to them under the Omnibus Plan until January 7, 2004.

Other than the compensation described above, none of the directors received any compensation from McLeodUSA in 2002 in connection with their service as directors.

Other Benefit Programs

McLeodUSA has a contributory retirement plan (the "401(k) Plan") for its employees (including executive officers) age 21 and over with at least three months of service with McLeodUSA. The 401(k) Plan provides that each participant may contribute up to 50% of his or her salary, up to the annual statutory limit (in prior years employees could contribute up to 15%, subject to the annual statutory limit). McLeodUSA may make matching contributions to each participant's account equal to 50% of the participant's contribution up to 2% of the participants annual compensation. In addition, McLeodUSA may make a discretionary annual match of up to another 50% of the participant's contribution up to 2% of the participant's annual compensation. Thus, the total matching contribution can be up to 4% of the participant's annual compensation. Employees are not permitted to purchase McLeodUSA common stock with their own contributions to the 401(k) Plan. No matching contribution or discretionary annual match was made for 2002.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is composed entirely of outside directors. The members of the Compensation Committee during 2002 and as of April 3, 2003 were Thomas D. Bell, Jr., Edward D. Breen, Thomas H. Lister and Peter V. Ueberroth.

McLeodUSA paid Bank of America \$4 million in arranger fees upon the closing in 2002 of the \$110 million exit financing facility from a group of lenders arranged by JPMorgan, Bank of America and Citibank (the "Exit Facility"). Bank of America is also a lender under the Exit Facility. McLeodUSA paid Bank of America \$79,910 in 2002 primarily for commissions on certain telecommunications services McLeodUSA provides. In 2002 and for the two months ended

14

February 28, 2003, McLeodUSA provided telecommunications services to Bank of America totaling \$85,586 and \$11,800, respectively. Peter V. Ueberroth, a director of McLeodUSA, served on the board of Bank of America until he resigned that position in December 2002.

During 2002 and for the two months ended February 28, 2003, McLeodUSA paid \$140,311 and \$21,735, respectively, to Cousins Properties Incorporated for real estate rental. Thomas D. During 2002, McLeodUSA paid \$3,584,363 to Credit Suisse Group for services rendered in connection with the sale of McLeodUSA's publishing business. Thomas D. Bell, Jr. is a director of Credit Suisse Group.

For a description of certain other transactions, see "Certain Relationships and Related Transactions."

Employment Agreements

McLeodUSA entered into an executive employment agreement with Chris A. Davis on August 1, 2001. The term of the agreement with Ms. Davis continues until August 13, 2004. Under the terms of the employment agreement, Ms. Davis received an initial base annual salary of \$400,000, subject to a potential increase each year based on competitive survey data, and bonus opportunities set at not less than 50% of the base annual salary. Upon entering into the employment agreement, Ms. Davis was paid a one-time signing bonus of \$5,000,000 as compensation for loss of unvested option shares of ONI Systems Corp. In addition, the agreement provided that to the extent that Ms. Davis exercised any of her vested options to purchase ONI common stock and on the earliest possible date that she could sell shares of ONI common stock, she sold any shares acquired upon such exercises and the gross sale price was less than \$24 per share, McLeodUSA would make an additional payment to her of the difference between the sale price and \$24, for up to 162,500 shares. Ms. Davis sold the ONI common stock in accordance with her agreement and was paid \$3,186,398 for the difference between the sale price for such stock and \$24 for all 162,500 shares that she sold. Pursuant to the terms of the agreement, McLeodUSA also paid \$4.3 million to Ms. Davis to purchase her home in Los Gatos, CA, approximately \$988,000 for reimbursement of related taxes and \$118,000 for related relocation expenses.

Ms. Davis's employment agreement further provides that if she terminates her employment for good reason or if McLeodUSA terminates her employment in breach of the agreement, Ms. Davis is entitled to: (1) full salary through the date of termination and amounts due under any applicable compensation plan; (2) a liquidated damages payment approximately equal to the number of years (including partial years) remaining in the term of the agreement, multiplied by Ms. Davis's salary and bonus on the date of termination; (3) full vesting of stock options granted during the term of the agreement, with such options to remain exercisable for four years, including upon a change in control; (4) continued health and related benefits for the remainder of the term of the agreement; and (5) a gross-up payment to cover excise tax payments due on the severance benefits. Ms. Davis is bound by non-competition and non-solicitation covenants for the term of her employment agreement and for an additional year in certain circumstances.

Under the terms of her agreement, Ms. Davis is also entitled to weekly roundtrip transportation between her home in Hilton Head Island, South Carolina, and Cedar Rapids on McLeodUSA aircraft. All such transportation is provided on a basis on which she suffers no tax disadvantage. In addition, in response to the September 11 tragedy, the Executive Committee of the Board of Directors adopted a policy under which the Chief Executive Officer and President of McLeodUSA are required as a security measure not to utilize commercial air transport. As a consequence, Ms. Davis and Mr. Gray are provided access to McLeodUSA aircraft for personal use, for which personal income is imputed at

15

SIFL rates as designated under applicable federal tax regulations, and for which they are individually responsible to pay income taxes.

McLeodUSA entered into an executive employment agreement with Stephen C. Gray on January 7, 2000. The term of Mr. Gray's employment agreement continued until January 7, 2003. The employment agreement provided Mr. Gray with an initial base annual salary of \$400,000, subject to a potential increase each year based on competitive survey data, and bonus opportunities set at not less than 50% of the base annual salary. As noted, Mr. Gray is required under the McLeodUSA security policy not to utilize commercial air transport and is provided access to corporate aircraft under the conditions described above. Mr. Gray's stock option grants also vest fully upon a change in control.

McLeodUSA entered into letter agreements with each of G. Kenneth Burckhardt, Shawn Vick and Andreas Papanicolaou on April 13, 2002, July 8, 2002 and July 20, 2002, respectively. The letter agreements provided for annual base salaries as follows: Mr. Burckhardt \$325,000, Mr. Vick \$350,000 and Mr. Papanicolaou \$300,000. Under the terms of their respective letter agreements, Mr. Burckhardt was paid a one-time signing bonus of \$2,000,000, and Mr. Vick was paid a one-time signing bonus of \$700,000. These signing bonuses (and relocation expenses), are required to be repaid to McLeodUSA if they terminate their employment within less than one year. The letter agreements also provide that Messrs. Burckhardt, Vick and Papanicolaou are eligible for annual performance bonus opportunities targeted at 50% of their annual base salary.

Mr. Burckhardt's letter agreement further provides that if he is terminated from McLeodUSA (other than for cause) or if his duties are materially reduced and, as a result, he elects to resign from McLeodUSA, Mr. Burckhardt is entitled to: (1) the amount of two years of compensation and (2) continued health and related benefits at McLeodUSA's expense. McLeodUSA paid Messrs. Burckhardt, Vick and Papanicolaou \$64,368, \$109,247, and \$8,630, respectively, for reimbursement of relocation expenses. Each of Messrs. Burckhardt, Vick and Papanicolaou also is bound by non-competition and non-solicitation covenants for one year following the termination of their employment.

The letter agreements also provide for the grant of options to purchase shares of Class A common stock. Mr. Burckhardt was granted options to acquire up to 2,500,000 shares of Class A common stock, with a vesting schedule of 25% on each of April 18, 2002, 2003, 2004 and 2005. Mr. Vick and Mr. Papanicolaou were granted options to acquire up to 3,000,000 and 2,000,000 shares of Class A common stock, respectively, vesting one-third on each of August 5, 2003, 2004 and 2005. The options granted to Mr. Burckhardt provide for acceleration of vesting upon a change of control. All options were granted at an exercise price of \$1.11 per share, a price not less than the fair market value of the common stock on the date of their respective grants.

The letter agreements also provide access to corporate aircraft under certain conditions. For commuting purposes, Mr. Burckhardt is provided weekly roundtrip transportation from his home at Hilton Head Island, South Carolina to Cedar Rapids, Iowa on a company-owned aircraft whenever possible. Otherwise, he is authorized to travel via coach class commercial aircraft at the company's expense. This transportation is provided on a basis on which he suffers no tax disadvantage. Under the terms of his letter agreement, Mr. Vick and his family are authorized to fly on a McLeodUSA aircraft, subject to pre-planned availability, up to 15 times annually to travel from Cedar Rapids to his home in upstate New York. The cost of these trips is calculated in accordance with the SIFL rates as designated under federal tax regulations and such cost is included in his W-2 as imputed income. Mr. Vick is responsible for all taxes associated with this imputed income.

Change of Control Arrangements

McLeodUSA previously had entered into change-of-control agreements with certain of its officers who were not parties to executive employment agreements, that provided for payments and benefits in

connection with specified terminations of employment after a change of control of McLeodUSA. The implementation of the Plan of Reorganization caused a change of control under the agreements and a number of officers of McLeodUSA terminated their employment and received the benefits provided under their respective agreement. In addition, stock options granted to Chris Davis and to Messrs. Gray and Burckhardt also provide for immediate vesting upon a change of control. *See also* discussion of *Chief Executive Officer Compensation*, below.

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors has prepared the following report on policies with respect to the compensation of executive officers for 2002.

Decisions on compensation of executive officers are made by the Compensation Committee. The Compensation Committee also administers the McLeodUSA Incorporated 2002 Omnibus Equity Plan. No member of the Compensation Committee is an employee of McLeodUSA. During 2002 and as of April 3, 2003, the members of the Compensation Committee were Thomas D. Bell, Jr., Edward D. Breen, Thomas H. Lister and Peter V. Ueberroth.

Compensation Policies Toward Executive Officers

The compensation policies are designed to:

attract, motivate and retain experienced and qualified executives;

increase the overall performance of McLeodUSA;

increase stockholder value; and

increase the performance of individual executives.

The Compensation Committee seeks to provide competitive salaries based upon individual performance together with annual cash bonuses awarded based on McLeodUSA's overall performance relative to corporate objectives, taking into account individual contributions, teamwork and performance levels. The Compensation Committee believes that the level of base salaries plus bonuses of executives should generally be managed to be at the midpoint of the competitive market. In addition, it is policy of McLeodUSA to grant stock options to executives in order to strengthen the alliance of interest between such executives and stockholders.

The following describes in more specific terms the elements of compensation that the Compensation Committee considers in making its determination about appropriate compensation levels, with specific reference to compensation reported for 2002.

(a) Base Salaries

Base salaries of executives are initially determined by evaluating the responsibilities of the position, the experience and knowledge of the individual, and the competitive marketplace for executive talent, including a comparison to base salaries for comparable positions at peer public companies in the same geographic region. Base salaries for executive officers are reviewed as appropriate by the Compensation Committee based upon, among other things, the recommendations of Ms. Davis, individual performance and the responsibilities of the particular executive.

Salary adjustments for executive officers are recommended by the Chief Executive Officer by evaluating the performance of each executive officer after considering new responsibilities and the previous year's performance. The Compensation Committee performs the same evaluation of the performance of Ms. Davis, as well as other senior executives. The employment agreements entered into on January 7, 2000 (with respect to Mr. Gray) and August 1, 2001 (with respect to Ms. Davis) are

discussed in more detail above, see "Employment Agreements." Individual performance ratings take into account such factors as achievement of specific goals that are driven by the strategic plan and attainment of specific individual objectives. The factors impacting merit based adjustments to base salary levels are not assigned specific weights but are subject to adjustments by the Compensation Committee.

(b) Bonuses

Bonuses to executive officers are based on both corporate and individual performance, as measured by reference to factors which reflect objective performance criteria over which management generally has the ability to exert some degree of control. These corporate performance factors primarily consist of cash, revenue and earnings targets, as well as certain program initiatives such as quality improvement initiatives, business process improvements and cost reductions, established in the annual budget set at the beginning of each year. Discretionary bonuses are occasionally awarded for exceptional performance. For 2002 performance bonuses were approved by the Compensation Committee on the basis of a formula reviewed and approved by the committee. The formula was based on a combination of attainment of (i) a series of overall corporate objectives (80%), and (ii) pre-approved personal performance objectives (20%).

(c) Stock Options

A third component of executive officers' compensation involves the grant of options to purchase shares of common stock. The Compensation Committee grants stock options to executives in order to align their interests with the interests of the stockholders. Stock options are considered by the Compensation Committee to be an effective long-term incentive because the executives' gains are linked to increases in the stock value, which in turn provides stockholder gains.

The Compensation Committee generally grants options to new executive officers and other key employees upon their commencement of employment with McLeodUSA and thereafter, on occasion, as determined by the Compensation Committee, based on performance. The full benefit of the options is realized upon appreciation of the stock price in future periods, thus providing an incentive to create value for McLeodUSA stockholders through appreciation of stock price. McLeodUSA believes that stock options have been helpful in attracting and retaining skilled executive personnel.

Stock option grants were made to certain executive officers in 2002 under the Omnibus Plan. Certain newly hired executive officers also received stock option grants at the time of the commencement of their employment. During 2002, McLeodUSA granted stock options covering a total of approximately 43 million shares of common stock to approximately 4,100 employees, including options covering an aggregate of 19 million shares of common stock, in the aggregate, to the Named Executive Officers. The per share option exercise price of all such options was \$1.11, which equaled or was greater than the fair market value of a share of common stock on the respective dates of grant.

(d) Other

McLeodUSA has a contributory retirement plan for its employees (including executive officers) age 21 and over with at least three months of service with McLeodUSA. The 401(k) Plan provides that each participant may contribute up to 50% of his or her salary, up to the annual statutory limit (in prior years employees could contribute up to 15%, subject to the annual statutory limit). McLeodUSA may make matching contributions to each participant's account equal to 50% of the participant's contribution up to 2% of the participant's annual compensation. In addition, McLeodUSA may make a discretionary annual match of up to another 50% of the participant's contribution up to 2% of the participant's annual compensation. Thus, the total matching contribution can be up to 4% of the participant's annual compensation. Employees are not permitted to purchase McLeodUSA common

18

stock with their own contributions to the 401(k) Plan. No matching contributions or discretionary annual match was made for 2002. The Compensation Committee will reconsider the 401(k) Plan matching contribution program in the future.

Executive Employment Agreements

At the end of 1999, the Compensation Committee undertook a review and analysis of the existing employment and compensation arrangement with Mr. Gray. The Compensation Committee investigated and considered compensation, employment and stock ownership information of other telecommunications executives. As a result, the Compensation Committee approved an employment agreement with Mr. Gray in January 2000, which expired in January 2003. In August 2001, the Compensation Committee approved an employment agreement with Ms. Davis who joined McLeodUSA as Chief Operating and Financial Officer and now serves as Chairman and Chief Executive Officer. The Compensation Committee also reviewed and approved the terms of the offers of employment extended to G. Kenneth Burckhardt, Executive Vice President and Chief Financial Officer, Shawn Vick, Executive Vice President Sales and Andreas Papanicolaou, Executive Vice President Network Services. The terms of these offers were approved on the basis of the experience of and positions to be held by these senior executives. See "Employment Agreements." The Compensation Committee manages these employment agreements and sets compensation for the executives pursuant to these agreements.

Chief Executive Officer Compensation

Ms. Davis became Chief Executive Officer in April 2002. Prior thereto Mr. Gray served as Chief Executive Officer. The compensation of Ms. Davis and Mr. Gray was consistent with their executive employment agreements. See "Employment Agreements."

For 2002, Ms. Davis' compensation included \$400,000 in base salary and a bonus of \$400,000. Mr. Gray's compensation for the year ended December 31, 2002 included \$400,000 in base salary and a bonus of \$320,000. Neither Ms. Davis nor Mr. Gray received any increase in base salary in 2002. Their bonus awards were determined on the basis of a review of their respective personal performance levels, performance against specific pre-approved corporate objective (80%), and performance against specific personal performance objectives (20%).

Edgar Filing: MCLEODUSA INC - Form DEF 14A

Following adoption of the McLeodUSA Incorporated 2002 Omnibus Equity Plan, Ms. Davis was granted options to acquire up to 7,000,000 shares of Class A common stock, with 25% of the options vesting on April 18, 2002, and 25% vesting on each of August 2, 2002, 2003 and 2004 and Mr. Gray was granted options to acquire 4,500,000 shares with 25% of the options vesting on each of April 18, 2002, 2003, 2004 and 2005. The options granted to Mr. Gray and Ms. Davis provide for acceleration of vesting upon a change of control. These options were granted on the basis of a review of the leadership roles and performance of these individuals, and on the basis of a finding that such grants were consistent with the Committee's belief that it is desirable and in the best interest of the company to recruit and retain qualified executives and to grant stock options in connection with their compensation arrangements. The per share option exercise price of all such options was \$1.11, which was equal to or greater than the fair market value of a share of common stock on the date of grant.

Compensation Deductibility Policy

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if specified requirements are met. The Compensation Committee intends to structure stock option

19

grants to executive officers who may be subject to Section 162(m) in a manner that satisfies those requirements.

The Board of Directors and the Compensation Committee reserve the authority to award non-deductible compensation in other circumstances as they deem appropriate. Further, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, no assurance can be given, notwithstanding McLeodUSA's efforts, that compensation intended by McLeodUSA to satisfy the requirements for deductibility under Section 162(m) does in fact do so.

Comparative Stock Performance

The following chart sets forth comparative information regarding cumulative stockholder return on Class A common stock for the period from April 18, 2002 (the date trading activity was first reported for Class A common stock following McLeodUSA's emergence from Chapter 11 bankruptcy) through March 17, 2003. From April 18, 2002 through September 27, 2002, McLeodUSA Class A common stock traded on the NASDAQ National Market. On September 30, 2002, our Class A common stock moved from the NASDAQ National Market and began trading on the NASDAQ SmallCap Market.

Total stockholder return is measured by dividing total dividends (assuming dividend reinvestment) plus share price change for a period by the share price at the beginning of the measurement period. We have never paid a cash dividend on our Class A common stock. Our cumulative stockholder return based on an investment of \$100 on April 18, 2002, is compared to the cumulative total return of the Standard & Poor's 500 Stock Index and The NASDAQ Telecommunications Stock Index, comprised of publicly traded companies which are principally in the telecommunications business, during that same period.

As a result of the Chapter 11 bankruptcy, comparisons of McLeodUSA's stock performance with such indices during the period prior to emergence from bankruptcy are not meaningful.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the directors, officers and greater than ten percent beneficial owners to file with the Securities and Exchange Commission initial reports of ownership of our equity securities and to file subsequent reports when there are changes in such ownership. Directors, officers and greater than ten percent beneficial owners are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) reports they file.

Based on our review of these reports and on written representations from the reporting persons that no other reports were required, we believe that during the fiscal year ended December 31, 2002 our directors, officers and greater than ten percent beneficial owners complied with all applicable Section 16(a) filing requirements.

Pursuant to this endorsement, at any time after December 31, 2003 the trustees have the option to purchase this policy from McLeodUSA for the policy's then net cash surrender value. Upon the trustees' exercise of such option, the restrictions on Clark and Mary McLeod's Class A Common Stock contained in the split dollar agreement will terminate.

**RATIFICATION OF THE APPOINTMENT
OF THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS
FOR THE 2003 FISCAL YEAR
(Proposal 2)**

The Audit Committee of the Board of Directors appointed the firm of Deloitte & Touche LLP as independent public accountants for the fiscal year ending December 31, 2003.

It is expected that representatives of Deloitte & Touche LLP will be present at the Annual Meeting and will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of Proposal 2 is not required by the Bylaws or otherwise. However, the Board of Directors is submitting Proposal 2 to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify Proposal 2, the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP. Even if Proposal 2 is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accountant at any time during the year if the Board of Directors determines that such a change would be in the best interests of McLeodUSA and its stockholders.

Fees Paid to Principal Independent Public Accountant

During 2002, we paid the following fees to Deloitte & Touche LLP:

- 1) *Audit Fees:* \$594,000 for annual audit and quarterly reviews;
- 2) *Financial Information Systems Design and Implementation Fees:* \$0; and
- 3) *All Other Fees:* \$2,259,706. All other fees principally included SEC filings, tax compliance, tax consulting, divestitures and other services.

The Audit Committee considered whether the provision of services covered by All Other Fees is compatible with maintaining the independence of Deloitte & Touche LLP.

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On April 24, 2002, upon the recommendation of the Audit Committee of McLeodUSA Incorporated, the Board of Directors of McLeodUSA approved the dismissal of Arthur Andersen LLP ("Arthur Andersen") as our independent auditors and the appointment of Deloitte & Touche LLP to serve as our independent auditors for the year ending December 31, 2002. The appointment of Deloitte & Touche LLP became effective on April 25, 2002.

Arthur Andersen's original report on our consolidated financial statements for the year ended December 31, 2001 included a comment regarding our ability to continue as a going concern as a result of our plan of reorganization not being effective as of the date of Arthur Andersen's original report. Because our plan of reorganization became effective on April 16, 2002, Arthur Andersen issued a revised report on our consolidated financial statements for the year ended December 31, 2001 which removed the comment about our ability to continue as a going concern. Arthur Andersen's report on our consolidated financial statements for the year ended December 31, 2000 did not contain an adverse opinion or disclaimer of opinion. Except as set forth above, such reports were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 31, 2001 and 2000 and through the date hereof, there were no disagreements with Arthur Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

McLeodUSA provided Arthur Andersen with a copy of the foregoing disclosures.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

During the years ended December 31, 2001 and 2000 and through April 25, 2002, we did not consult Deloitte & Touche LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The affirmative vote of a majority of the voting rights represented at the Annual Meeting is required to approve Proposal 2.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 2.

Report of the Audit Committee

The Audit Committee of the Board of Directors has prepared the following report for 2002.

To the Board of Directors of McLeodUSA Incorporated:

The Audit Committee has received and reviewed the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence.

Based on the reviews and discussions referred to above, the Audit Committee recommends to the Board of Directors that the audited financial statements referred to above be included in the McLeodUSA Annual Report on Form 10-K/A for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

Respectfully submitted,

STOCK OWNERSHIP BY MANAGEMENT AND MORE THAN 5% STOCKHOLDERS

The following beneficial ownership table sets forth information regarding beneficial ownership of McLeodUSA voting stock as of March 17, 2003 by:

each director and director nominee;

each Named Executive Officer;

each other person known by McLeodUSA to beneficially own more than 5% of a class of stock of McLeodUSA; and

Edgar Filing: MCLEODUSA INC - Form DEF 14A

all executive officers and directors as a group.

Under the Exchange Act, a person is deemed to be a "beneficial owner" of a security if he or she has or shares the power to vote or direct the voting of such security or the power to dispose or direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has the right to acquire beneficial ownership within 60 days. More than one person may be deemed to be a beneficial owner of the same securities. The percentage ownership of each stockholder is calculated based on the total number of outstanding shares of the applicable class of stock as of March 17, 2003 plus those shares of stock that such stockholder has the right to acquire within 60 days. Consequently, the denominator for calculating such percentage may be different for each stockholder.

With respect to directors, director nominees and executive officers, the table is based upon information supplied by such persons. The information regarding more than 5% stockholders is based on the most recent Schedule 13D or 13G filed with the SEC on behalf of such persons or other information made available to us.

27

Unless otherwise indicated in the footnotes to the table, each of the stockholders listed has sole voting and dispositive power with respect to the shares shown as beneficially owned.

The respective portions of the 113,750,014 shares of Class A Common Stock into which the shares of Class B Common Stock and the shares of Class C Common Stock are convertible are calculated in accordance with a formula set forth in the Certificate of Incorporation, which formula is dependent on the fair market value of a share of Class A Common Stock at the time of conversion and the timing of the conversion.
