A way to increase your holdings in BellSouth by reinvesting your cash dividends;

The opportunity to purchase additional shares by making optional cash investments.

BellSouth Corporation

BellSouth is a Fortune 100 communications services company headquartered in Atlanta, Georgia, and a parent company of Cingular Wireless LLC, a nation-wide provider of wireless voice and data services. Although BellSouth traces its roots back to the Bell System, it was incorporated in 1983 under the laws of the State of Georgia. Its principal executive offices are located at 1155 Peachtree Street, N.E., Atlanta, Georgia 30309-3610, and its telephone number is 404-249-2000.

Neither the Securities and Exchange Commission nor any state securities regulators has determined if this Prospectus is accurate or adequate. Any representation to the contrary is a criminal offense.

Summary of the Plan

> ENROLLMENT:

Interested investors can purchase shares directly from the Company through the Plan either online via the Internet

through Investor ServiceDirect®, or by submitting a completed BellSouth Direct Investment Plan Enrollment Form and making an initial investment of at least \$500, which includes a one-time enrollment fee of \$10. Alternatively, you can use the automatic monthly investment feature by authorizing a minimum of ten monthly automatic deductions of at least \$50 from your bank account.

Shareholders with shares held in a brokerage account (considered a "beneficial shareholder") may participate in the Plan by registering some or all of their shares directly with the Company (becoming a "registered shareholder"), and submitting either a completed BellSouth Direct Investment Plan Enrollment Form or an Authorization of Election Form. To register your shares, request that your broker electronically transfer some or all of your shares using the Direct Registration System ("DRS") to an account that will be set up for you with our transfer agent, Mellon Investor Services. There is no fee for existing shareholders to join the Plan.

Existing registered shareholders can enroll online through Investor ServiceDirect®, or by submitting either a completed BellSouth Direct Investment Plan Enrollment Form or an Authorization of Election Form. There is no fee for existing shareholders to join the Plan.

> **REINVESTMENT OF DIVIDENDS:** You can reinvest all or a portion of your cash dividends toward the purchase of additional shares of BellSouth stock without paying trading fees. To take advantage of the dividend reinvestment option, you must reinvest the dividends on at least five shares. Full investment of your dividends is possible because the Company will credit your account with both whole and fractional shares. BellSouth pays dividends on both whole shares and fractional shares.

> **OPTIONAL CASH INVESTMENTS:** After you are enrolled in the Plan, you can buy additional shares of BellSouth stock without paying any fees. You can invest a minimum of \$50 at any one time, up to \$100,000 in the aggregate per calendar year. You can

pay by check or have your payment automatically withdrawn from your bank account. Full investment of your cash contribution is possible because the Company will credit your account with both whole and fractional shares. BellSouth pays dividends on both whole shares and fractional shares.

> **SAFEKEEPING OF CERTIFICATES:** You can deposit your BellSouth stock certificates with BellSouth Shareholder Services for safekeeping into a book-entry account at no cost to you. If you change your mind later, a certificate for the shares held in safekeeping will be sent to you free of charge, upon request.

> **SELL SHARES CONVENIENTLY:** If you choose to sell the BellSouth stock held in your Plan account, you will pay fees lower than those typically charged by stockbrokers.

> **GIFTS OR TRANSFERS OF SHARES:** You can give or transfer your BellSouth shares to others.

> **TRACKING YOUR INVESTMENT:** You will receive a Plan statement or a notification after each transaction. Statements provide the details of the transaction and show the share balance in your Plan account.

Administrator of the Plan

BellSouth has designated Mellon Bank N.A. (the "Administrator") to administer the Plan and act as Agent for the participants. Mellon Bank N.A. has designated its affiliates, Mellon Investor Services and Mellon Securities LLC, and other agents to perform certain services for the Plan. Commonly Asked Questions

Am I eligible to join the Plan?

You are eligible to participate in the Plan if you meet the requirements outlined below. If you live outside the U.S., you should first determine if there are any governmental regulations that would prohibit your participation in the Plan.

> **If you do not currently own any BellSouth stock,** you can join the Plan by making an initial investment of at least \$500, but not more than \$100,000. Your enrollment in the Plan and initial investment can be made online at the Mellon Investor ServiceDirect® website or by sending a completed BellSouth Direct Investment Plan Enrollment Form to BellSouth Shareholder Services. Your initial investment options are to enroll:

By Internet via Investor ServiceDirect® at *www.melloninvestor.com/isd*

Authorize a one-time deduction of \$500 from your bank account; or

Authorize a minimum of ten consecutive monthly automatic deductions of at least \$50 from your bank account.

By mail by completing and returning the Enrollment Form

Send a minimum payment of \$500 by check or money order payable to BellSouth Corporation; or

Authorize a minimum of ten consecutive monthly automatic deductions of at least \$50 from your bank account.

A \$10 enrollment fee will be deducted from your initial investment. The Administrator will arrange for the purchase of shares for your account but will not pay interest on amounts held pending investment.

> **If your shares are held in a brokerage, bank or other intermediary account,** and you want to participate directly in the Plan, you should instruct your broker, bank, or trustee to register some or all of your BellSouth shares directly in your name by electronically transferring them through the Direct Registration System to an account that will be set up for you with our transfer agent, Mellon Investor Services. You can then join the Plan by returning either a completed BellSouth Direct Investment Plan Enrollment Form or an Authorization of Election Form to BellSouth Shareholder Services. Alternatively, you can enroll online by going to *www.melloninvestor.com/isd*.

> **If you already own BellSouth stock and the shares are registered in your name,** you may join the Plan by returning a completed BellSouth Authorization of Election Form to BellSouth Shareholder Services or by online enrollment through Investor ServiceDirect®.

How do I enroll?

Complete and sign the enrollment form included with this Prospectus and mail it to the address shown on the form, or enroll online through Investor ServiceDirect® at www.melloninvestor.com/isd. If you are already a registered shareholder and you need an enrollment form, you can visit our agent's website at www.melloninvestor.com/isd or call BellSouth Shareholder Services toll-free at 800-631-6001 and request a BellSouth Direct Investment Plan enrollment package.

Will I receive dividends?

The BellSouth Board of Directors may declare a dividend for distribution under the guidelines of the BellSouth Articles of Incorporation and Georgia law. Payment of dividends is a business decision made by our Board of Directors based primarily upon the results of operations, financial condition and capital requirements of the Company. In accordance with this, BellSouth has historically paid dividends to its shareholders. Dividends, when declared, are distributed quarterly on the first business day of the months of February, May, August and November.

Can I have my cash dividends electronically deposited into my bank or other financial account?

You can have your cash dividends deposited directly into your bank account instead of receiving a check by mail. Just complete the appropriate sections of the BellSouth Direct Investment Plan Enrollment Form and submit the form to BellSouth Shareholder Services. Direct deposit authorization requests will be processed as soon as possible after they are received. You can change your designated bank account for direct deposit or discontinue this feature by notifying BellSouth Shareholder Services.

Can I reinvest some or all of my dividends in BellSouth stock?

You can choose to reinvest all or a portion of the cash dividends paid on your shares held in the Plan. You can make this election when you enroll in the Plan or at a later date.

You can make or change your dividend reinvestment election at any time by contacting BellSouth Shareholder Services and requesting and remitting an Authorization of Election Form, or by accessing your account online via the Internet. For a particular dividend to be reinvested, your completed form must be received prior to the record date for that dividend. (The record date is approximately 20 days prior to the payment date.)

If you elect to reinvest your dividends, you must choose one of the following options when completing the Dividend Reinvestment section of either the Plan Enrollment Form or the Authorization of Election Form:

Full Dividend Reinvestment

Purchase additional shares by reinvesting all of your cash dividends.

Partial Dividend Reinvestment

If you choose to reinvest less than all of your dividends, you must select one of the following options:

OPTION 1. Receive a cash dividend payment based on the number of full shares you specify. Reinvest the dividends on all remaining shares. This option allows you to receive a fixed amount of cash each quarter (assuming the dividend stays the same).

OPTION 2. Reinvest dividends based on the number of full shares you specify. Receive a cash dividend payment on all remaining shares. This option allows you to invest a fixed amount of cash each quarter (assuming the dividend stays the same).

If you choose partial dividend reinvestment, you can have the remaining cash portion of your dividend deposited directly into your bank account instead of receiving a check by mail. Just complete the appropriate section of the Plan Enrollment Form. If you are already a registered shareholder, you can visit our agent's website at www.melloninvestor.com/isd or call BellSouth Shareholder Services at 800-631-6001 and request a Direct Deposit of Dividends booklet. Direct deposit authorization requests will be processed as soon as possible after they are received. You can change your designated bank account for direct deposit or discontinue this feature by notifying BellSouth Shareholder Services.

Can I make additional cash investments when I want to?

You can purchase additional shares of BellSouth stock by using the Plan's optional cash investment feature. You must invest at least \$50 each time and cannot invest more than \$100,000 in a calendar year. Interest will not be paid on amounts held pending investment.

> Check or Money Order:

You can make optional cash investments by sending a check or money order payable to BellSouth Corporation. Do not send cash. To facilitate processing of your investment, please use the transaction stub located on the bottom of your Plan Statement of Account. Mail your investment and transaction stub to the address specified on the statement. You cannot sell or withdraw shares purchased by check for a period of 14 days from the receipt of the check. A \$25 fee will be assessed for a check that is returned for insufficient funds.

> Automatic Withdrawal from your Bank Account:

If you want to make additional stock purchases, you can authorize either a periodic purchase whenever you choose to do so, or regular monthly automatic deductions from your bank account. This feature enables you to make ongoing investments without writing a check. Funds will be deducted from your account on the 15th day of each month. If this date falls on a bank holiday or weekend, funds will be deducted on the next business day. You must notify BellSouth Shareholder Services in writing to change or terminate automatic withdrawal. A \$25 fee will be assessed if your account has insufficient funds available for withdrawal.

How are shares purchased?

The Administrator will make arrangements to use initial and optional cash investments to purchase BellSouth shares as promptly as practical, but at least once each week. The Administrator will use reinvested dividends to purchase shares on

a quarterly basis. Purchases may be made over a number of days to meet the requirements of the Plan.

> **Source and Pricing of Shares:**

Source of shares: Stock needed to meet the requirements of the Plan will either be purchased in the open market or issued directly by BellSouth from authorized but unissued shares or treasury shares.

Shares purchased in the open market: If the shares are purchased in the open market, your price per share will be the weighted average price of shares purchased to satisfy Plan requirements. Trading fees incurred by the Plan for purchases will be paid by BellSouth and will be reported to you as taxable income. All fractional shares are calculated to four decimals and are credited to your account.

Shares purchased from BellSouth: If the shares are purchased from BellSouth, your price per share for initial and optional cash investments will be the average of the daily high and low sale prices quoted on the New York Stock Exchange (NYSE) Composite Transactions listing for the day the shares are purchased. For quarterly reinvestment of dividends, your price per share will be the average of the daily high and low sale prices quoted on the NYSE Composite Transactions listing for the three-day period surrounding the dividend payment date. If there is no trading of BellSouth stock on the NYSE for a substantial period of time during the pricing period, then BellSouth will determine the price per share on the basis of such market quotations as it considers appropriate.

> **Timing and Control:**

Because the Administrator will arrange for the purchase of shares on behalf of the Plan, neither BellSouth Corporation nor any participant in the Plan has the authority or power to control either the timing or pricing of shares purchased or the selection of the broker making the purchases. Therefore, you will not be able to

precisely time your purchases through the Plan and will bear the market risk associated with fluctuations in the price of BellSouth's stock. That is, if you send in an initial or optional cash investment, it is possible that the market price of BellSouth stock could go up or down before the broker purchases stock with your funds. In addition, you will not earn interest on initial or optional cash investments for the period before the shares are purchased.

How are my Plan shares held?

Shares of BellSouth stock that you buy under the Plan will be maintained in your Plan account in book-entry form. You will receive a periodic Plan statement detailing the status of your holdings.

Any BellSouth shareholder may use the Plan's "safekeeping" service to deposit their BellSouth stock certificates in a book-entry account at no cost. Safekeeping is beneficial because you no longer bear the risk and cost associated with the loss, theft, or destruction of stock certificates. With safekeeping, you have the option of receiving cash dividends, reinvesting your dividends or taking advantage of the sale of shares feature of the Plan. If you change your mind later, certificates will be issued upon request to BellSouth Shareholder Services.

To use the safekeeping service, send your certificates to BellSouth Shareholder Services by registered mail with written instructions to deposit them in safekeeping. If you use registered mail, your certificates will be automatically covered by an Administrator blanket bond up to the first \$100,000 of value. Do not endorse the certificates or complete the assignment section.

Can I obtain a stock certificate if I want one?

You can certificate all or some of the book-entry shares in your Plan account by notifying BellSouth Shareholder Services, or by requesting a certificate online through Investor ServiceDirect®.

Certificates will be issued for whole shares only. You should receive your certificate within two to three weeks of making your request.

Certificates will be issued in the name(s) in which the account is registered, unless otherwise instructed. If the certificate is to be issued in a name other than your Plan account registration, you will be required to do a transfer of ownership before the certificate can be issued. The signature on the transfer instructions must be guaranteed by a financial institution participating in the Medallion Guarantee Program, as discussed under "What should I do if I want to transfer my Plan shares?" below.

How can I sell my shares?

You can sell any number of shares held in your Plan account by notifying BellSouth Shareholder Services. The Administrator will arrange for sales to be made at least weekly. Sales may be made more frequently if volume dictates. The sale price will be the weighted average price of all shares sold for Plan participants during that period. You will receive the proceeds of the sale less a \$10 sales transaction fee, an \$0.08 per share trading fee, and any required tax withholdings.

You can choose to sell your shares through a stockbroker of your choice by requesting a certificate for your shares from BellSouth Shareholder Services and delivering it to your broker. Alternatively, you can transfer shares electronically to your brokerage account via the Direct Registration System. Contact BellSouth Shareholder Services if you would like to use this fast and easy method to transfer your shares.

Please note that if your total registered holdings fall below one share, the Administrator will liquidate the fractional share, remit the proceeds to you (less any applicable fees) and close your Plan account.

> Timing and Control:

Because the Administrator will sell the shares on behalf of the Plan, neither BellSouth Corporation nor any participant in the Plan has the authority or power to control the timing or pricing of shares sold or the selection of the broker making the sales.

Therefore, you will not be able to precisely time your sales through the Plan, and will bear the market risk associated with fluctuation in the price of BellSouth's stock. That is, if you send in a request to sell shares, it is possible that the market price of BellSouth stock could go down or up before the stock is sold. In addition, you will not earn interest on a sales transaction.

What should I do if I want to transfer my Plan shares?

When you are ready to transfer shares, call BellSouth Shareholder Services at 800-631-6001 and request a stock transfer brochure, which provides comprehensive instructions for transferring ownership of your shares. To transfer shares you must have your signature guaranteed by a financial institution participating in the Medallion Guarantee Program. The Medallion Guarantee Program ensures that the individual signing is in fact the registered owner.

> Transfers to Existing Shareholders:

You must transfer a whole number of shares unless you transfer your entire account.

The determination of whether the dividends on the transferred shares will be paid in cash or reinvested will be based upon the elections made by the recipient shareholder, not the transferring shareholder.

> Transfers to New Shareholder Accounts:

You must transfer a whole number of shares unless you transfer your entire account.

After shares have been transferred, new shareholders may elect, at their discretion, to enroll in the Plan by requesting a BellSouth Direct Investment Plan package and submitting a completed enrollment form. The recipient will receive cash dividends until an enrollment form containing a dividend reinvestment election is processed.

> Transfers Occurring Between the Ex-dividend and the Dividend Record Date:

If shares are transferred before the ex-dividend date, dividends are credited to the new owner. If shares are transferred after the ex-dividend date, dividends are credited to the original owner. If you participate in dividend reinvestment and your request to either transfer all of your shares or make a partial sale and transfer the balance of your shares is received between the ex-dividend and the dividend record date, the processing of your request may be delayed until after your account is credited with reinvested dividends. This hold period could be as long as four weeks.

How can I track my investments?

If you participate in dividend reinvestment, BellSouth Shareholder Services will send you a quarterly Plan Statement of Account showing all transactions (shares purchased, amounts invested, purchase prices) for your account including year-to-date share balance and other account information. Supplemental statements or notices will be sent when you make an initial or optional cash investment, deposit a certificate(s) into safekeeping, make a transfer or withdraw shares.

If you do not participate in dividend reinvestment, BellSouth Shareholder Services will send you a statement or notice confirming any transactions you make. If you continue to be enrolled in the Plan, but have no transactions, BellSouth Shareholder Services will provide information regarding your holdings on your quarterly dividend check stub.

All shareholders may access and manage/review their registered BellSouth stock account online via the Internet through Investor ServiceDirect®. This includes shareholders participating in the dividend reinvestment and direct deposit of dividends programs as well as shareholders who receive a check for any quarterly dividend paid by BellSouth. Additionally, shareholders have the option to enroll in electronic notification of all account activity via

Internet e-mail instead of receiving a statement or transaction advice by U.S. mail. Shareholders may enroll in the electronic delivery option called "MLinkSM" at www.melloninvestor.com/isd.

Please retain your Plan Statements of Account to establish the cost basis of shares purchased under the Plan for income tax and other purposes.

You should notify BellSouth Shareholder Services promptly of any change in address since all notices, statements and reports will be mailed to your address of record.

If you need additional assistance, please call BellSouth Shareholder Services at 800-631-6001.

U.S. Federal Income Tax Information

Cash dividends reinvested under the Plan will be taxable as having been received by you even though you have not actually

received them in cash. You will receive an annual statement from the Administrator indicating the amount of reinvested dividends reported to the U.S. Internal Revenue Service as dividend income. The statement will also reflect any trading fees paid by BellSouth on your behalf for purchases of shares.

You will not realize gain or loss for U.S. Federal income tax purposes upon the transfer of shares to the Plan or the withdrawal of whole shares from the Plan. You will, however, generally realize gain or loss upon the sale of shares (including the receipt of cash for fractional shares) held in the Plan.

Plan participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally are subject to a withholding tax on dividends paid on shares held in the Plan. The Administrator is required to withhold from dividends the appropriate amount determined in accordance with U.S. Treasury regulations. Any applicable withholding tax may be determined by treaty between the U.S. and the country in which such participant resides. Accordingly, the amount of any dividends, net of the applicable withholding tax, will be credited to participant Plan accounts for the investment in additional common stock.

The above summary is not a comprehensive summary of all of the tax considerations that may be relevant to a participant in the Plan. Therefore, you are urged to consult your tax advisor regarding the consequences of participation in the Plan.

You should rely only on the information incorporated by reference or provided in this Prospectus or in any Prospectus supplement. BellSouth has authorized no one to provide you with different information. BellSouth is not making an offer to sell stock in any state or country where the offer is not permitted. You should not assume that the information in this Prospectus or the Prospectus supplement is accurate as of any date other than the date on the front of the document.

Item 15. Indemnification of Directors and Officers

As authorized by the Georgia Business Corporation Code (the "GBCC"), BellSouth's Articles of Incorporation limit the monetary liability of its directors to BellSouth or its shareholders for any breach of their duty of care or any other duty as a director except (1) for misappropriation of any business opportunity of BellSouth, (2) for acts or omissions not in good faith or which constitute intentional misconduct or a knowing violation of law, (3) for liability for certain unlawful distributions, or (4) for any transaction from which the director derived an improper personal benefit.

As authorized by the GBCC, the shareholders of BellSouth have adopted an amendment to the Bylaws expanding directors' and officers' indemnification rights and have approved a form of Indemnity Agreement which BellSouth may enter with its directors or officers. A person with whom BellSouth has entered into such an Indemnity Agreement (an "Indemnitee") shall be indemnified against liabilities and expenses related to such person's capacity as an officer or director or to capacities served with other entities at the request of BellSouth, except for claims excepted from the limited liability provisions described above. An Indemnitee is also entitled to the benefits of any directors' and officers' liability insurance policy maintained by BellSouth, and in the event of a "change in control" (as defined in the Indemnity Agreement), obligations under the Indemnity Agreement will be secured with a letter of credit in favor of the Indemnitee in an amount of not less than \$1,000,000. BellSouth has entered into Indemnity Agreements with each of its directors.

The GBCC generally empowers a corporation, without shareholder approval, to indemnify directors against liabilities in proceedings to which they are named by reason of serving as a director of the corporation, if such person acted in a manner believed in good faith to be in or not opposed to the best interests of the corporation and, in the case of a criminal proceeding, had no reasonable cause to believe his conduct was unlawful. Without shareholder approval, indemnification is not permitted of a director adjudged liable to the corporation in a proceeding by or in the right of the corporation or a proceeding in which the director is adjudged liable based on a personal benefit improperly received, absent judicial determination that, in view of the circumstances, such person is fairly and reasonably entitled to indemnification of reasonable expenses incurred.

The GBCC permits indemnification and advancement of expenses to officers who are not directors, to the extent consistent with public policy. The GBCC provides for mandatory indemnification of directors and officers who are successful in defending against any proceeding to which they are named because of their serving in such capacity.

BellSouth's Bylaws also provide that BellSouth shall indemnify any person made or threatened to be made a party to any action (including any action by or in the right of BellSouth) by reason of service as a director or officer of BellSouth, (or of another entity at BellSouth's request), against liabilities and expenses to the maximum extent permitted by the GBCC.

Edgar Filing: BELLSOUTH CORP - Form S-3

The general limitations in the GBCC as to indemnification may be superseded to the extent of the limited liability provision (with respect to directors) in BellSouth's Articles of Incorporation and the Indemnity Agreements, as authorized by the shareholders and as described above.

The directors and officers of BellSouth are covered by liability insurance policies pursuant to which (a) they are insured against loss arising from certain claims made against them, jointly or severally, during the policy period for any actual or alleged breach of duty, neglect, error, misstatement, misleading statements, omission or other wrongful act and (b) BellSouth is entitled to have paid by the insurers, or to have the insurers reimburse BellSouth for amounts paid by it, in respect of such claims if BellSouth is required to indemnify officers and directors for such claims.
