PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 28, 2005**

This proxy statement is furnished in connection with the solicitation, on behalf of Asbury Automotive Group, Inc., a Delaware corporation (the "Company"), of proxies to be used at the Company's annual meeting of stockholders, to be held at The Grand Hyatt New York, Park Avenue at Grand Central Station, New York, New York, on April 28, 2005, at 9:00 a.m. Eastern Standard Time, and all adjournments of the meeting. The accompanying Notice of Meeting, this proxy statement and proxy card are first being mailed to stockholders on or about April 8, 2005. A copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2004 is included with these materials.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At the annual meeting, stockholders are being asked to consider and vote upon the matters outlined in the accompanying Notice of Meeting, including:

PROPOSAL 1. Election of four members of Class III of the Board of Directors (the "Board") to hold office until the 2008 Annual Meeting of Stockholders; and

PROPOSAL 2. Ratification of the appointment of Deloitte & Touche LLP as independent auditors for the Company for the year ending December 31, 2005.

The stockholders will also transact any other business that may properly come before the meeting. Members of the Company's management team and representatives from Deloitte & Touche LLP will be present at the meeting to respond to appropriate questions from stockholders.

Who is entitled to vote?

The record date for the annual meeting was March 15, 2005. Only stockholders of record at the close of business on that date are entitled to notice of and to vote at the annual meeting. Attendance at the meeting will be limited to such stockholders of record, their proxies, beneficial owners having evidence of ownership on that date and invited guests of the Company.

The Company's sole outstanding capital stock is its common stock, par value \$0.01 per share. Except as otherwise required by law, or as described in this proxy statement, each holder of the Company's common stock is entitled to one vote per share on each matter submitted at the meeting. At the close of business on the record date there were 32,600,821 shares of the Company's common stock outstanding representing 32,600,821 votes eligible to be cast at the meeting by holders of the Company's capital stock.

What if my shares are held in "street name" by a broker?

If you are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to your broker, your broker will be entitled to vote the shares with respect to the election of directors (Proposal 1) and the ratification of auditors (Proposal 2). Shares that a broker is not entitled to vote with respect to a proposal are sometimes called "broker non-votes." The treatment of broker non-votes is described in the following Q&A and below under "How will broker non-votes be treated?"

How many shares must be present to hold the meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of voting stock outstanding on the record date, determined by voting power, will constitute a quorum. Proxies received but marked as abstentions or broker non-votes (i.e., shares that your broker is not permitted to vote) will be included in the calculation of the number of shares considered to be present at the meeting.

What if a quorum is not present at the meeting?

If a quorum is not present at the scheduled time of the meeting, the chairman of the meeting may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given. An adjournment will have no effect on the business that may be conducted at the meeting.

How do I vote?

1. You may vote by mail. If you properly complete and sign the accompanying proxy card and return it in the enclosed envelope, it will be voted in accordance with your instructions. The enclosed envelope requires no additional postage if mailed in the United States. If your shares are held in "street name" by a broker or other nominee, you may also be able to give voting instructions by telephone or on the Internet. Please check the voting form provided by your broker or nominee to see if such options are available to you.

2. You may vote in person at the meeting. If you hold your shares of record and attend the annual meeting and wish to vote in person, you will be given a ballot at the annual meeting. However, if your shares are held in the name of your broker, bank or other nominee, you will need to obtain a proxy from the institution that holds your shares indicating that you were the beneficial owner of the Company's voting stock on March 15, 2005, the record date for voting at the annual meeting. Please contact your broker or other institution directly if you would like to obtain a proxy to vote your shares directly at the meeting. Even if you plan to attend the meeting, please sign and return your proxy card to ensure that your shares are represented. If you do attend the meeting, any votes you cast at the meeting will supersede your proxy.

Can I change my vote after I submit my proxy?

Yes, you may revoke your proxy and change your vote at any time before the polls close at the meeting by:

signing another proxy with a later date;

giving written notice of the revocation of your proxy to the Secretary of the Company prior to the annual meeting; or

voting in person at the annual meeting.

How does the Board recommend I vote on the proposals?

The Board recommends that you vote:

"FOR" Proposal 1: the election of four members of Class III of the Board of Directors to hold office until the 2008 Annual Meeting of Stockholders; (see page 7); and

"FOR" Proposal 2: the ratification of the appointment of Deloitte & Touche LLP as independent auditors for the Company for the year ending December 31, 2005 (see page 33).

What if I do not specify how my shares are to be voted?

If you submit an executed proxy but do not indicate any voting instructions, your shares will be voted FOR each of the proposals set forth in this proxy statement.

Will any other business be conducted at the meeting?

The Board knows of no other business that will be presented at the meeting. If any other proposal properly comes before the stockholders for a vote at the meeting, however, the proxy holders will vote your shares in accordance with their best judgment.

How many votes are required to elect the director nominees?

The affirmative vote of a plurality of the votes cast on this matter is required to elect the four nominees as directors. This means that the four nominees will be elected if they receive more affirmative votes than any other person. If you vote "Withheld" with respect to the election of one or more nominees, your shares will not be voted with respect to the person or persons indicated, although they will be counted for purposes of determining whether there is a quorum. Proxies will not be voted for a greater number of persons than the number of nominees named in this proxy statement.

What happens if a nominee is unable to stand for election?

If a nominee is unable to stand for election, the Board may either reduce the number of directors to be elected or cause a substitute nominee to be selected. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority.

How many votes are required to ratify the appointment of the Company's independent auditors?

The ratification of the appointment of Deloitte & Touche LLP as independent auditors for the Company for the year ending December 31, 2005 requires the affirmative vote of a majority of the voting power of the Company's common stock present at the meeting in person or by proxy and entitled to vote as of the record date.

How will abstentions be treated?

If you abstain from voting on a proposal, your shares will still be included for purposes of determining whether a quorum is present. Because directors are elected by a plurality of votes, an abstention will have no effect on the outcome of the vote and, therefore, is not offered as a voting option for Proposal 1. If you abstain from voting on Proposal 2, for which this option is available, your shares will be included in the number of shares voting on the proposal and, consequently, your abstention will have the same practical effect as a vote against the proposal.

How will broker non-votes be treated?

If your shares are held by a broker or other nominee in "street name," your broker will generally be prohibited from voting such shares on any matter other than the election of directors and the

ratification of the Company's auditors, unless you inform your broker how your shares should be voted. If you don't provide your instructions by properly completing and returning to your broker the enclosed voting card (or by voting by telephone or Internet, if your broker provides such services), such shares will be treated as "broker non-votes" with respect to any proposals raised at the meeting other than Proposals 1 and 2. Such shares will be included for purposes of calculating the presence of a quorum. Otherwise, shares represented by broker non-votes will be treated as shares not entitled to vote on a proposal.

Who pays for the costs of soliciting proxies?

The Company will pay the cost of soliciting proxies. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of voting stock. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies personally or by facsimile, telegraph or telephone, without additional compensation.

SECURITIES OWNED BY MANAGEMENT AND CERTAIN BENEFICIAL OWNERS

The following table sets forth information with respect to the ownership of shares of the Company's common stock by each director and named executive officer listed in the Summary Compensation Table and by all directors and executive officers of the Company as a group. In addition, the table sets forth information about all other persons known to the Company to be the beneficial owner of more than five percent of the Company's common stock.

The following information is given as of March 15, 2005, the record date, and, in the case of percentage ownership information, is based on 32,600,821 shares of the Company's common stock outstanding on that date. Shares issuable upon exercise of options are deemed to be outstanding for the purpose of computing the percentage ownership and overall voting power of persons believed to beneficially own such securities, but have not been deemed to be outstanding for the purpose of computing the percentage ownership or overall voting power of any other persons. The number of shares beneficially owned by each director and executive officer is determined under rules promulgated by the Securities and Exchange Commission (the "SEC"), and the information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares as to which the individual has sole or shared voting power or investment power and also any shares which the individual has the right to acquire within 60 days after the record date through the exercise of any stock option or other right. Inclusion in the table below of such shares, however, does not constitute an admission that the director or named executive officer is a direct or indirect beneficial owner of such shares. Voting power in the table is computed with respect to a general election of directors. So far as is known to the Company, the persons listed below have sole voting and investment power with respect to the shares indicated as believed to be owned by them, except as noted.

Collectively, the group, which includes Ripplewood Partners L.P. and Freeman Spogli, owned approximately 71.6% of the Company's outstanding common stock as of the record date. **PROPOSAL NO. 1.
ELECTION OF DIRECTORS**

Except as disclosed in this proxy statement, there are no arrangements or understandings between any of the nominees and any other person pursuant to which such nominee was selected.

Four directors are to be elected to hold office as Class III directors for terms of three years, until their respective successors have been duly elected and qualified. If a proxy does not withhold authority for the election of any or all of the nominees for directors, the proxy holders will vote the shares represented by such proxy for the election of the four nominees for directors. If a proxy withholds a vote from one or more nominees for directors, the proxy holders will follow the instructions.

Each nominee has consented to being named in this proxy statement and has agreed to serve if elected. Management has no reason to believe that any of the nominees will not serve if elected. If a nominee is unable to stand for election, the Board will designate a substitute nominee. If a substitute nominee is designated, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority.

Directors and Nominees for Election as Directors

Pursuant to the Company's Restated Certificate of Incorporation and a resolution adopted by the Board, the size of the Board is twelve directors. The Board is classified into three classes, with three-year terms. The term of each Class III director expires this year, the term of each Class I director expires in 2006 and the term of each Class II director expires in 2007.

On March 11, 2005, the Board appointed Ms. Clarke and Mr. Tomm as Class I directors for terms effective April 1, 2005 to fill vacancies created by the resignations of Thomas Gibson and Ben David McDavid from the Board in 2004. As of April 1, 2005, the Board had twelve directors. Mr. Israel, a Class I director, has resigned from the Board effective as of April 28, 2005, the date of the annual meeting. Consequently, as of the date of the annual meeting, Class I will have one vacant seat. The Board intends to fill this seat rather than reduce the number of its members. In February 2005, the Board established a Governance and Nominating Committee (also referred to in this proxy statement as the "GNC") to, among other things, search for Board candidates. The Board has also hired the recruiting firm, Spencer Stuart & Associates, to help identify qualified candidates to fill this vacant seat.

The biographies below give information, provided by the nominees, about their principal occupation, business experience and other matters. For additional information regarding the directors and nominees, see "SECURITIES OWNED BY MANAGEMENT AND CERTAIN BENEFICIAL OWNERS," "GOVERNANCE OF THE COMPANY," and "RELATED PARTY TRANSACTIONS".

Nominees for Election as Class III Directors

The nominees for election to Class III of the Board are Timothy C. Collins, Kenneth B. Gilman, Vernon E. Jordan, Jr. and Thomas F. McLarty, III. If re-elected at the annual meeting, their terms will expire in 2008.

The Board and management recommend you vote FOR each of these nominees.

TIMOTHY C. COLLINS (48) has served as a member of the Board and the Compensation Committee since 1996. Mr. Collins founded Ripplewood Holdings L.L.C. in 1995 and currently serves as its Senior Managing Director and Chief Executive Officer. From 1991 to 1995, Mr. Collins managed the New York office of Onex Corporation, a leveraged buy-out group headquartered in Canada. Previously, Mr. Collins was a Vice President at Lazard Frères & Company and held various positions at Booz, Allen & Hamilton and Cummins Engine Company. He also serves on the Board of Directors of

Edgar Filing: ASBURY AUTOMOTIVE GROUP INC - Form DEF 14A

Shinsei Bank Ltd, WRC Media, Inc., certain non-profit companies and various privately held Ripplewood portfolio companies. Mr. Collins formerly served on the Board of Directors of three public companies in Japan: Asahi Tec Corporation, D&M Holdings, Inc. and Columbia Music Entertainment, Inc.

KENNETH B. GILMAN (58) has served as a member of the Board and as the Company's President and Chief Executive Officer since December 2001. He joined the Company following a 25-year career with The Limited Brands, the multi-brand apparel retailer, where his most recent assignment was as Chief Executive Officer of Lane Bryant. From 1993 to 2001, Mr. Gilman served as Vice Chairman and Chief Administrative Officer of The Limited Brands, and from 1987 to 1993 he was Executive Vice President and Chief Financial Officer. He joined The Limited's Executive Committee in 1987 and was elected to its Board in 1990. Mr. Gilman is also a member of the Board of Directors of CarsDirect.com, a privately held company.

VERNON E. JORDAN, JR. (69) has served as a member of the Board since April 2002, and was a member of the Audit Committee from April 2002 to February 2003. GOVERNANCE OF THE COMPANY

The Board believes that the purpose of corporate governance is to ensure that the Company maximizes stockholder value in a manner consistent with legal requirements and the highest standards of integrity. It has adopted and adheres to corporate governance practices that it and management believe promote this purpose, are sound and represent best practices. The Company continually reviews these governance practices, Delaware law (the state in which the Company is incorporated), the rules and listing standards of the New York Stock Exchange ("NYSE") and the regulations of the SEC, as well as best practices suggested by recognized governance authorities.

Independence of Directors

The Company is a controlled company and consequently is not required to comply with the NYSE's requirements that a majority of its directors be "independent." Asbury Automotive Holdings L.L.C. controls more than 50% of the voting power of the Company's outstanding common stock. However, the Board has determined that the following eight of its twelve directors qualify as independent directors under the NYSE's rules: Ms. Clarke, Messrs. Collins, Durham, Israel, Jordan, Maritz, Roth and Snow. To assist the Board in making determinations of independence, it adopted the categorical standards set forth below. These standards comply with the NYSE's categorical standards for director independence.

Any director who satisfies all of the following criteria shall be presumed to be an "independent" director:

He or she has not been employed by, and none of his or her immediate family members*

has been an executive officer of, the Company or its consolidated subsidiaries (together, the "Company") at any time within the three years preceding the date of this determination;

*

An "immediate family member" includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person's home. Any such relationship arising by blood, marriage or adoption is included.

He or she has not received, and none of his or her immediate family members has received, more than \$100,000 per year in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), at any time within the three years preceding the date of this determination;

He or she has not been affiliated with or employed by, and none of his or her immediate family members has been affiliated with or employed in a professional capacity by, a present or former internal or external auditor of the Company at any time within the three years preceding the date of this determination;

Edgar Filing: ASBURY AUTOMOTIVE GROUP INC - Form DEF 14A

He or she has not, and none of his or her immediate family members has, at any time within three years from the date of this determination, been employed, as an executive officer of another company where any of the Company's present executive officers serve on that company's compensation committee; and

He or she is not an executive officer or an employee, and none of his or her immediate family members is an executive officer, of a company (other than a charitable organization) that, during the current fiscal year or last three completed fiscal years, made payments to, or received payments from, the Company for property or services in an amount which, in any single year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

The Board also reviews and affirmatively determines based upon all relevant facts and circumstances, whether any director has a material relationship with the Company that would affect his or her independence, including any direct or indirect commercial, professional, charitable or familial relationships between the director or his or her immediate family members, on the one hand, and the Company or its executive officers, on the other hand.

In addition, a director cannot qualify as independent for Audit Committee purposes if the director, other than in his or her capacity as a member of the Audit Committee, the Board or any other Board committee:

Accepts directly or indirectly any consulting, advisory or other compensatory fee from the Company. Compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company provided that such compensation is not contingent in any way on continued service; or

Is an affiliated person of the Company.

The Board has affirmatively determined, by applying the categorical standards set forth above, that no independent director has any material relationship with the Company, either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company.

As of April 1, 2005, none of the Board seats will be vacant. One seat will become vacant as of April 28, 2005, upon Mr. Israel's resignation. The Board intends to fill this vacancy with an individual who will satisfy the categorical standards for independence set forth above.

Nomination of Directors

Because we are a controlled company, the full Board has served the function of a nominating committee. In February 2005, the Board established the GNC, which assumed the nominating duties on behalf of the Board. The nominees for election at the annual meeting are all current directors and were originally recommended to the Board by various sources including other directors, the Company's dealers and stockholders. In the case of new directors, potential candidates are identified through a number of sources, including management, current board members and the Company's stockholders, and may include engaging third party search firms to assist in identifying and evaluating potential nominees. Candidates are evaluated in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of the stockholders. In performing this evaluation, the GNC considers the diversity, age, skills, experience and other factors it deems appropriate given the needs of the Board and the Company to maintain a balance of knowledge, experience and capabilities. Qualified director nominees should possess high moral character and personal integrity, high level of leadership or managerial experience, experience and knowledge relative to matters affecting the Company, the ability and willingness to contribute to the Board, the ability to exercise sound, independent business judgment, a long-term commitment to the interests of stockholders and growth of the Company, freedom from conflicts of interest, the ability to dedicate

sufficient time, energy and attention to Board activities and the diligent performance of his or her duties, and reflect the diversity of the Company's stockholders, employees, customers and communities.

The Board will consider director candidates recommended by the Company's stockholders. In order to make such a nomination, the stockholder must (i) be a record holder of shares of common stock (on the date notice is given as provided for in the Company's bylaws) on the record date, (ii) be entitled to vote for the election of such director(s) and (iii) comply with the notice procedures set forth in the Company's bylaws. If you would like a copy of the Company's bylaws, please notify the Company at the address given on the first page of this proxy statement. The bylaws are also available on the Company's web site at www.asburyauto.com under "Investor Relations" at "Corporate Governance."

Notice of a stockholder's recommendation with regard to nominees for election to the Board must be delivered to or mailed and received by the Secretary of the Company not later than 90 days or earlier than 120 days prior to the first anniversary of the preceding year's annual meeting of stockholders. If the annual meeting of the stockholders for which the recommendation is submitted is more than 30 days before or more than 60 days after the first anniversary of the preceding year's annual meeting of stockholders, such recommendation must be received by the Secretary of the Company not earlier than 120 days prior to the annual meeting and not later than 90 days prior to such annual meeting or the 10th day following the day on which public announcement of the annual meeting date is first made by the Company. The stockholder's notice shall be signed by the stockholder of record who intends to introduce the other business, shall set forth: (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; and (ii) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (A) the name and address of such stockholder, as they appear on the Company's books, and of such beneficial owner, (B) the number of shares of the Company which are owned of record and beneficially by such stockholder and such beneficial owner, (C) a representation that such stockholder is entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to nominate the person specified in the notice and (D) a representation whether the stockholder or beneficial owner, if any, intends or is part of a group which intends (x) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Company's outstanding capital stock required to elect the nominee and/or otherwise to solicit proxies from stockholders in support of such nomination.

Stockholder Communications with the Board

The Company has established procedures for stockholders to communicate directly with the Board or a particular director on a confidential basis. Stockholders may send written communications to Asbury Automotive Group, Inc., 622 Third Avenue, 37th Floor, New York, NY 10017, Attn: Board of Directors. All letters must identify the author as a stockholder of the Company and clearly state whether the intended recipients are all members of the Board or only certain specified individual directors. The General Counsel will make copies of all letters and circulate them to the directors addressed. If a stockholder wishes the communication to be confidential, it must be clearly indicated on the envelope that the communication is "confidential." The General Counsel will then forward such communication, unopened, to the Chairman of the Board.

Committees of the Board

The Board has, as standing committees, an Audit Committee, a Compensation Committee, an Executive Committee and the GNC.

Audit Committee

The members of the Audit Committee during 2004 were Messrs. Maritz (Chairman), Israel and Durham. The Committee held fourteen meetings in 2004. Ms. Clarke became a member of the Audit Committee on April 1, 2005 and Mr. Israel will resign as a member of the Audit Committee and as a director on April 28, 2005. In accordance with the NYSE's rules, all members of the Audit Committee meet the independence requirements for Audit Committee members and are financially literate. One of the members, Mr. Durham, is the Audit Committee financial expert. The charter of the Audit Committee is available on the Company's website at www.asburyauto.com under "Investor Relations" at "Corporate Governance."

This Committee recommends the firm of independent auditors engaged each year as the Company's principal independent auditors and undertakes, with management and the independent auditors, the review of the financial statements, the financial reporting process and the adequacy of basic accounting services of the Company. The Audit Committee's reviews are more fully described below under the caption "REPORT OF THE AUDIT COMMITTEE" and in the Audit Committee Charter.

Compensation Committee

The members of the Compensation Committee during 2004 were Messrs. Snow (Chairman), Roth and Israel. The Committee held five meetings in 2004. Each member of the Committee is an independent director. The charter of the Compensation Committee is available on the Company's website at www.asburyauto.com under "Investor Relations" at "Corporate Governance."

This Committee reviews the recommendations of the Chief Executive Officer as to the appropriate compensation of the Company's corporate officers, sets the compensation amount for the President and Chief Executive Officer, has general supervisory power over, and has the power to grant awards under, the Company's 2002 Option Plan, and oversees other benefit plans. See "COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION" for further detail on this process.

Executive Committee

The members of the Executive Committee during 2004 were Messrs. Roth (Chairman), Durham, Gilman and Snow. The Committee acted pursuant to unanimous written consent as necessary in 2004 and held one formal meeting. The Executive Committee has and may exercise all the authority of the Board when the Board is not in session except that it does not have the authority to (a) approve or propose to stockholders actions required by the Delaware General Corporation Law to be approved by stockholders; (b) adopt, amend or repeal by-laws; (c) authorize distributions; (d) fill vacancies on the Board or any of its committees; (e) approve a plan of merger, consolidation or reorganization not requiring stockholder approval; (f) authorize or approve the reacquisition of shares, except according to a formula or method prescribed by the Board; or (g) authorize or approve the issuance or sale or contract for sale of shares or determine the designation and relative rights, preferences and limitations of a class or series of shares.

Governance and Nominating Committee

Because the Company is a controlled company, the NYSE's rules do not require that it have a nominating committee. In February 2005, the Company created the GNC to assume the nominating and corporate governance duties being undertaken by the full Board. Once a charter is adopted, it will be available on the Company's website at www.asburyauto.com under "Investor Relations" at "Corporate Governance." The members of the GNC are Messrs. Roth, Durham and Snow, all of whom are independent directors.

Directors' Fees; Attendance

Directors who are employees of the Company or employees of its affiliates, including Asbury Automotive Holdings L.L.C., and its two principals, Ripplewood Partners L.P. and Freeman Spogli, do not receive a retainer or fees for service on the Board or its committees. All other directors (the "non-management directors") receive annual compensation, paid quarterly in arrears, as follows: Mr. Durham, the Company's non-executive Chairman, is paid \$120,000 and the other non-management directors are each paid \$30,000. In addition, the non-management directors each receive the use of a motor vehicle, \$1,000 for their attendance at each meeting of the Board, \$1,000 for their attendance at each meeting of the Compensation Committee and GNC, and \$1,500 for their attendance at each meeting of the Audit Committee (\$1,000 for Audit Committee meetings conducted by telephone and \$750 for all other meetings conducted by telephone), plus expenses. The Audit Committee chair is paid \$20,000 and the Compensation Committee and GNC chair, if he or she is a non-management director, are each paid \$5,000. Each non-management director receives an annual grant of options having an aggregate exercise price equal to \$75,000, up to a maximum of 5,000 shares per year, under the Company's 2002 Stock Option Plan.

During 2004 there were thirteen meetings of the Board. Each director attended at least 75% of the total meetings of the Board and Committees on which he or she served, except for Messrs. Collins and Jordan. In accordance with the NYSE's rules, the non-management directors held five executive sessions during 2004. Mr. Durham presides over such executive sessions.

The Company does not have a policy with regard to the attendance of the members of its Board at annual meetings. At the time of the Company's 2004 Annual Meeting of Stockholders, the Board was comprised of eleven members; there was one seat vacant. Eight of the eleven then-current members of the Board attended such meeting.

Code of Business Conduct and Ethics

In accordance with the NYSE's rules and the rules and regulations adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), the Board has adopted Corporate Governance Guidelines and a Code of Business Conduct and Ethics applicable to all directors, officers and employees. These documents are available on the Company's website at www.asburyauto.com under "Investor Relations" at "Corporate Governance."

The Company will provide you with copies of the above-mentioned documents as well as our Audit Committee and Compensation Committee charters and, when available, our Governance and Nominating Committee Charter, free of charge, if you call or submit a request in writing to Investor Relations, Asbury Automotive Group, Inc., 622 Third Avenue, 37th Floor, New York, New York 10017.

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who own more than ten percent of the Company's common stock, to file reports of ownership and changes in ownership of such securities with the SEC and the NYSE. These stockholders are required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of the Forms 3, 4 and 5 and amendments to those forms furnished to the Company, or written representations that no Forms 5 were required, other than those for certain exempted transactions, the Company believes that these stockholders have complied with all Section 16(a) filing requirements during 2004, with the exception of one late report filed by Vernon Jordan, Jr. relating to the issuance of options, one late report filed by Michael Durham relating to the issuance of options, two late reports filed by Childs & Associates, Inc. reporting five transactions, one late report filed by Buddy Hutchinson Cars, Inc. reporting two transactions, four late reports by David Wegner reporting fifty-seven transactions, one late report filed by John Capps reporting one transaction, and one late report filed by Charles Tomm reporting two transactions and the issuance of options.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee's responsibilities include establishing policies regarding the compensation of the Company's executive officers and overseeing the administration of the Company's compensation plans. All decisions regarding compensation of the Company's executive officers during 2004 were made by the Committee, except those compensation decisions that must be approved by the Board of the Directors with respect to the Company's Chief Executive Officer. The members of the Committee were Ian Snow, John M. Roth and Thomas C. Israel, each of whom were independent directors.

General Executive Compensation Policy

Executive Compensation. The Company's executive compensation program consists primarily of base salary, annual incentive payments, stock options and employee benefits, including matching contributions to the Company's 401(k) plan. The goal of the Company's compensation program is to (i) motivate the Company's executive officers to maximize their contribution to the Company in order

Edgar Filing: ASBURY AUTOMOTIVE GROUP INC - Form DEF 14A

to improve long-term stockholder value, and to reward those who do so, and (ii) attract and retain the highest caliber of executive talent available. The Company's executive compensation program is designed to enhance the Company's overall strength and financial performance by aligning the financial interests of its executive officers with those of its stockholders and to foster adherence to, and promotion of, its business mission, values, strategic goals and annual objectives.

The Compensation Committee reviews salary increases for the current year and incentive payments to be made in connection with the Company's previous year's performance. In order to make such determinations as to salary increase and/or incentive payments, the Committee considers certain qualitative factors relating to the performance of each of the Company's executive officers, such as the executive officer's:

scope of responsibilities;

the level of compensation in relation to other executives of the Company with the same, more or less responsibilities;

level of experience;

individual performance;

demonstrated leadership ability;

overall effectiveness; and

attainment of pre-established goals.

The Committee strongly believes that the interests of senior management must be closely aligned with those of the Company's stockholders. Long-term incentives in the form of stock options only provide a vehicle to reward the Company's officers if there is an increase in stockholder value. Finally, in making its decisions, and to maintain the desired levels of competitiveness and congruity with the Company's long-term performance goals, the Compensation Committee receives input from senior management.

Implementation of Executive Compensation Policy

The following describes the manner in which the Company's executive compensation policy was implemented generally and summarizes several of the more important factors that were considered in establishing the various components of the compensation packages of the Company's executive officers for the year ended December 31, 2004. Although this report highlights the factors considered in determining the compensation of the Company's executive officers for 2004, the Committee may, in its discretion, apply entirely different factors, particularly different measures of performance, in setting executive compensation for future fiscal years. However, it is expected that all compensation decisions will be designed to further the Company's executive compensation policy set forth above.

Base Salary and Bonus. The Company's Chief Executive Officer recommended to the Committee new base salary levels of the Company's other executive officers. The factors upon which the Committee ultimately determined executive officer salaries included consideration of the level of job responsibility, experience and job performance for each executive officer. In addition, the Committee also took into account factors relating to the Company's business plan and general economic conditions, including changes to the consumer price index and regional cost of living expenses.

In determining bonuses for the Company's executive officers for the year ended December 31, 2004, other than for its Chief Executive Officer, the Committee considered, among other factors, the Company's overall financial performance, including its net operating income before taxes ("NIBT") results in relation to its budget, certain targets recommended by the Committee and approved by the

Board at the beginning of 2004, and each executive's performance against pre-established individual goals set at the beginning of 2004.

Options. For the year ended December 31, 2004, the Committee granted stock options on a discretionary basis within a range that took into account the positions and responsibilities of the Company's executive officers and other key employees whose contributions and skills are important to the Company's long-term success, and considered the past and expected contribution of the individual executive officers. In addition, the Committee consulted industry, peer group and national surveys of compensation to help evaluate this component of the executive compensation program.

During the year ended December 31, 2004, the Committee granted 130,000 options to purchase the Company's common stock to the named executive officers, excluding the options granted to the Company's Chief Executive Officer. The options were granted to the Company's executive officers at exercise prices equal to the fair market value of the common stock on the dates of grant, generally expire on the tenth anniversary of the grant and typically vest ratably over a three-year period.

Chief Executive Officer. Mr. Gilman's base salary was set at \$750,000 at the time he executed his employment agreement in December 2001. Pursuant to the terms of his employment agreement, the Board is required to review his base salary annually and may increase or decrease his base salary in its sole discretion, but may not decrease his base salary below \$750,000. In setting Mr. Gilman's base salary for 2004, the Committee considered various factors described above and examined his accomplishments and strategic leadership during the previous year. The Committee also sought to make the base salary component of Mr. Gilman's compensation competitive with the compensation paid to chief executive officers of comparable companies.

Pursuant to the terms of Mr. Gilman's employment agreement, the bonus component of his compensation was based on certain financial targets recommended by the Committee and approved by the Board at the beginning of 2004. These targets were similar to those established to determine the bonuses of the Company's other executive officers. Mr. Gilman's bonus payment was based on the actual NIBT achieved by the Company for the fiscal year ended December 31, 2004. He was eligible for up to one times his base salary for achieving an NIBT target (which is similar to the internal NIBT budget for the Company), up to an additional one times his base salary for exceeding the NIBT budget, and no bonus if the Company failed to achieve a minimum target level of NIBT.

For the year ended December 31, 2004, Kenneth B. Gilman earned a base salary of \$806,106 and a bonus of \$530,179. In addition, pursuant to the terms of his employment agreement, Mr. Gilman received 162,177 options, which vest ratably over three years and expire five years after the grant date.

Policy Regarding Qualifying Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended, generally imposes a \$1,000,000 per taxable year ceiling on tax-deductible remuneration paid (not including amounts deferred) to any one of the five most highly compensated executive officers of a publicly held corporation, unless the remuneration is treated as performance based or is otherwise exempt from the provisions of Section 162(m). While the Committee intends to maximize the tax-efficiency of its compensation programs generally, it retains the flexibility in its membership and in the manner in which it awards compensation to act in the best interests of the Company and its stockholders, including awarding compensation that may not be deductible by reason of Section 162(m).

- (1) The options reported in this row reflect issuances under the Company's 1999 Option Plan (as defined below). The Company does not intend to issue options under such Plan in the future.

The Company's 2002 Stock Option Plan was originally adopted by the Board on March 9, 2002. On February 25, 2003, the Board approved an amendment to the 2002 Stock Option Plan increasing the number of shares available for issuance under the 2002 Stock Option Plan from 1,500,000 to 4,750,000. The Company's 2002 Stock Option Plan, as amended, was approved by the Company's stockholders at the Company's annual stockholders meeting on May 8, 2003.

In January 1999, the Company adopted an option plan under which it issued non-qualified options granting the right to purchase limited liability company interests in the Company prior to its incorporation (the "1999 Option Plan"). Under the Company's 1999 Option Plan, which was amended and restated effective December 1, 2001, the Company granted options to certain of its directors, officers, employees and consultants for terms and at exercise prices and vesting schedules set by the Compensation Committee. Prior to the Company's initial public offering, options were issued under the Company's 1999 Option Plan for the purchase of 3.51% of the limited liability company interests which were converted upon the Company's initial public offering into options to purchase 1,072,738 shares of the Company's common stock in accordance with the 1999 Option Plan and which equaled 3.29% of the Company's outstanding common stock as of December 31, 2004. Any unvested options granted under the Company's 1999 Option Plan will vest and become exercisable upon a change of control. The Company does not intend to issue options under the Company's 1999 Option Plan in the future.

**EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT
AND CHANGE-IN-CONTROL ARRANGEMENTS**

Kenneth B. Gilman. Mr. Gilman has an employment agreement with the Company to serve as its Chief Executive Officer and President until December 31, 2005, unless terminated earlier in accordance with its terms. He will not be entitled to severance in the event of termination due to death, disability, retirement, voluntary resignation or cause. During the term of his agreement, Mr. Gilman will receive an annual salary and will be eligible to earn an annual bonus of up to his annual salary if the Company achieves performance targets set by the Board and an additional bonus of up to his annual salary if the Company exceeds those targets by an amount determined by the Board. If the Company does not renew Mr. Gilman's employment at the end of the term, the Company will pay him an amount equal to

his annual base salary and the bonus he earned in the previous year. If the Company terminates Mr. Gilman's employment without cause or if he leaves with good reason at any time, the Company will pay him an amount equal to the present value of two years' annual salary and an additional amount equal to the bonus Mr. Gilman earned in the previous year. During the term of Mr. Gilman's employment and for two years after the termination of his contract (one year if the Company does not renew his contract), he is subject to non-competition and non-solicitation provisions.

Pursuant to the terms of his employment agreement, Mr. Gilman was granted options to acquire up to 737,500 shares of the Company's common stock immediately preceding the Company's initial public offering at an exercise price of \$17.93 per share, which vest ratably over a three-year period. On March 14, 2004, two years from the date of the initial public offering, under the terms of his employment agreement, as amended, Mr. Gilman was granted an additional option to purchase up to 162,177 shares of the Company's common stock at an exercise price of \$17.18 per share. The options expire five years after their grant date but will expire sooner if Mr. Gilman's employment terminates before that date.

If there is a change in control of the Company, the Company will pay Mr. Gilman 299% of the average annual base salary and bonus paid to Mr. Gilman over the previous five full calendar years (or the term of his employment, if shorter). In addition, Mr. Gilman's options will immediately vest and be exercisable unless he would be subject to a golden parachute excise tax imposed under the Internal Revenue Code.

Mr. Gilman's Employment Agreement provides that his incentive compensation is payable pursuant to the Company's Key Executive Incentive Compensation Plan. Additionally, he will be reimbursed by the Company for medical expenses incurred during the term of his employment, provided that such expenses relate to underlying claims that are eligible for coverage under the Company's group medical plan in effect to the extent that such plan does not reimburse such expenses. Such medical expenses include deductibles, co-payments, co-insurance, and amounts above the usual and customary levels. Mr. Gilman's Employment Agreement also provides that upon the termination of his employment, providing that such termination was not for good cause, he may elect to continue to participate in the Company's medical insurance plan, at his expense, until the earliest of (i) his becoming eligible for coverage under a similar plan of a subsequent employer; (ii) the Company's failing to obtain coverage for him under such plan with the applicable insurer of such plan; (iii) such arrangement becoming prohibited by law or regulation; and (iv) his failure to comply with the Company's payment requirements for continued participation in such plan.

Robert D. Frank, Jr. Mr. Frank entered into a severance agreement with the Company, dated November 1, 2002, providing for one year of base salary and benefits continuation and a pro-rated bonus if terminated; provided, however, that if he is terminated within two years of a change in control, as provided in that agreement, he is entitled to three years of base salary and benefits continuation. He will not be entitled to severance in the event of termination due to death, disability, retirement, voluntary resignation or cause. Mr. Frank may trigger severance payments if his office is relocated by more than 50 miles, his base salary is reduced or his duties or title are diminished. Mr. Frank is restricted by non-solicitation and non-compete restrictions for one year following final payment to him under the severance agreement in the case of termination and three years following a change in control.

J. Gordon Smith. Mr. Smith entered into a severance agreement with the Company dated September 29, 2003, providing for one year of base salary and benefits continuation and a pro-rated bonus if terminated; provided, however, that if he is terminated within two years of a change in control, as provided in that agreement, he is entitled to three years of base salary and benefits continuation. He will not be entitled to severance in the event of termination due to death, disability, retirement, voluntary resignation or cause. Mr. Smith may trigger severance payments if his office is relocated by

more than 50 miles, his base salary is reduced or his duties or title are diminished. Mr. Smith is restricted by non-solicitation and non-compete restrictions for one year following final payment to him under the severance agreement in the case of termination and three years following a change in control.

Lynne A. Burgess. Ms. Burgess entered into a severance agreement with the Company, dated April 21, 2003, providing for one year of base salary and benefits continuation and a pro-rated bonus if terminated; provided, however, that if terminated within two years of a change in control, as provided in that agreement, she is entitled to three years of base salary and benefits continuation. She will not be entitled to severance in the event of termination due to death, disability, retirement, voluntary resignation or cause. Ms. Burgess may trigger severance benefits if her office is relocated by more than 50 miles, her base salary is reduced or her duties or title are diminished. Ms. Burgess is restricted by non-solicitation and non-compete restrictions for one year following final payment to her under the severance agreement in the case of termination and three years following a change of control.

Philip R. Johnson. He will not be entitled to severance in the event of termination due to death, disability, retirement, voluntary resignation or cause. Mr. Johnson may trigger severance payments if his office is relocated by more than 50 miles, his base salary is reduced or his duties or title are diminished. Mr. Johnson is restricted by non-solicitation and non-compete restrictions for one year following final payment to him under the severance agreement in the case of termination and three years following a change of control.

RELATED PARTY TRANSACTIONS

Certain directors and their affiliates engaged in transactions with the Company during 2004. Transactions with five of the Company's directors, Thomas F. McLarty, III, Jeffrey I. Wooley, Timothy C. Collins, Ian K. Snow and Vernon E. Jordan, Jr. and with a former director, Ben David McDavid, are described below. These transactions primarily relate to long-term operating leases of facilities, which is a fairly common practice in the automotive retail industry. Rent expense attributable to related parties was approximately \$13.5 million for the year ended December 31, 2004, and future minimum payments under related party long-term, non-cancelable operating leases as of December 31, 2004, were \$103.6 million. The Company believes these transactions involved terms comparable to or more favorable to the Company than terms that would be obtained from an unaffiliated third party.

Mr. McDavid resigned as a member of the Board on October 25, 2004. The Company leases from Mr. McDavid, his immediate family members and his affiliates the following properties used by the Company's dealerships in Texas for dealership lots and offices:

properties leased from Mr. McDavid with an aggregate monthly rental fee of \$189,000;

properties leased from David McDavid Family Properties, a partnership in which Mr. McDavid and his immediate family have a 100% ownership interest, for aggregate monthly rental fees of \$90,000;

property leased from BroMac Inc., an "S" corporation in which Mr. McDavid and his immediate family have a 100% ownership interest, for a monthly rental fee of \$1,500;

properties leased from Sterling Real Estate Partnership, a partnership in which Mr. McDavid and his immediate family have a 100% ownership interest, for aggregate monthly rental fees of \$70,000;

property leased from Texas Coastal Properties, a partnership in which Mr. McDavid and his immediate family have a 100% ownership interest, for a monthly rental fee of \$4,000; and

property leased from D.Q. Automobiles Inc., a corporation in which Mr. McDavid has a 100% ownership interest, for a monthly rental fee of \$14,700.

With respect to the above-mentioned leases with Mr. McDavid, the Company has a purchase option to acquire the related properties. The purchase option, initially based on the aggregate appraised value, adjusts each year for changes in the Consumer Price Index. The purchase option of \$54.0 million as of December 31, 2004 can only be exercised in total.

In addition, the Company leases the following properties from Mr. McDavid, his immediate family members and his affiliates:

property leased from McCreek Partners L.L.C., a limited liability corporation which is wholly owned by McCreek, Ltd., a partnership in which Mr. McDavid and his immediate family members hold a 100% ownership interest, for a monthly rental fee of \$5,300;

approximately ten acres of land in Frisco, Texas, leased from McFrisco Partners I, Ltd., an entity in which Mr. McDavid and his immediate family hold a 100% ownership interest, for a monthly rental fee of \$163,544; and

approximately three acres of land adjacent to the Company's current Honda dealership in Houston, Texas, for four years, rent-free. The Company estimates fair market rent over the four-year term to be \$275,000. Mr. McDavid agreed to lease this land to the Company rent-free for four years to offset the impact of the Company's purchase of some property from him above the appraised value in 2002.

Edgar Filing: ASBURY AUTOMOTIVE GROUP INC - Form DEF 14A

The Loomis Corporation, a corporation in which Mr. McDavid and his immediate family hold a 21% ownership interest, was paid approximately \$185,000 for the year ended December 31, 2004, for advertising fees.

The Company leases from Mr. McLarty, his immediate family members and his affiliates the following properties used by the Company's dealerships in Arkansas for dealership lots and offices:

property leased from NPF Holdings L.L.C., a limited liability company in which Mr. McLarty has a 58.5% ownership interest, for a monthly rental fee of \$65,652;

property leased from MHC Properties G.P., a partnership in which Mr. McLarty has an 85.5% ownership interest, for a monthly rental fee of \$14,632;

property leased from Prestige Properties, GP, a partnership in which Mr. McLarty indirectly holds a 58.1% ownership interest, for a monthly rental fee of \$40,892;

property leased from Summerhill Partnership, L.P., a limited partnership in which Mr. McLarty has a 49.9% ownership interest, for a monthly rental fee of \$33,889*;
