PROXY STATEMENT

**AMERIVEST PROPERTIES INC.
1780 South Bellaire Street, Suite 100
Denver, Colorado 80222
(303) 297-1800**

**ANNUAL MEETING OF STOCKHOLDERS
to be held
June 16, 2005**

This proxy statement is provided in connection with the solicitation of proxies by the Board of Directors of AmeriVest Properties Inc., a Maryland corporation, to be voted at the 2005 annual meeting of stockholders of AmeriVest to be held at 2:00 p.m. (Denver time) on June 16, 2005 at 1550 Seventeenth Street, Suite 500, Denver, Colorado 80202, or at any adjournment or postponement of the meeting. We anticipate that this proxy statement and the accompanying form of proxy will be first mailed or given to stockholders on or about May 20, 2005.

The shares represented by all proxies that are properly executed and submitted will be voted at the meeting in accordance with the instructions indicated on the proxies. Unless otherwise directed, the shares represented by proxies will be voted for each of the proposals described in this proxy statement. Shares of common stock in the name of brokers that are not voted are treated as not present at the Annual Meeting. Votes at the Annual Meeting of Stockholders are counted by Inspectors of Election appointed by the chairman of the meeting.

A stockholder giving a proxy may revoke it at any time before it is exercised by delivering written notice of revocation to us, by substituting a new proxy executed at a later date, or by requesting, in person at the annual meeting, that the proxy be returned.

Only holders of common stock of record as of the close of business on April 20, 2005 will be entitled to vote at the meeting. As of the close of business on April 20, 2005, there were outstanding 24,022,597 shares of common stock entitled to vote at the meeting, with each share of common stock entitling the holder of record on such date to one vote.

The solicitation of proxies is to be made principally by mail. Following the original solicitation, however, further solicitations may be made by telephone or oral communication with stockholders. Our officers, directors and employees may solicit proxies, but without compensation for such solicitation other than their regular compensation as our employees. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by those persons. We may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing. All expenses involved in preparing, assembling and mailing this proxy statement and the enclosed material will be paid by us. A majority of the issued and outstanding shares of common stock entitled to vote, represented either in person or by proxy, constitutes a quorum at any meeting of the stockholders.

Unless the context indicates otherwise, the terms "us," "we," or "AmeriVest" shall be used in the proxy statement to include AmeriVest Properties Inc. and all its subsidiaries that existed during the period of reference.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Our board of directors is composed of eight directors, each of whose term will expire at the annual meeting. The Board of Directors, upon the recommendation of the Nominating Committee, has recommended Messrs. Atkins, Knight, Gelles, Hewitt, Holman, Labate and Tepper and Ms. Derrington for re-election to the Board of Directors, to hold office until the 2006 annual meeting of stockholders and until their successors are elected and have qualified.

Each Messrs. Atkins, Knight, Gelles, Hewitt, Holman, Labate and Tepper and Ms. Derrington has consented to be named in this proxy statement as a nominee for director and to serve on the Board of Directors if elected. It is not anticipated that any of Messrs. Atkins, Knight, Gelles, Hewitt, Holman, Labate and Tepper or Ms. Derrington will become unable or unwilling to accept nomination or election, but, if that should occur, the persons named in the proxy intend to vote for the election of such other person or persons as the Board of Directors may recommend.

The principal occupation and certain other information are set forth regarding the nominees and the other directors whose terms of office will continue after the annual meeting can be found on page 3. Information about the share ownership of the nominees and other directors can be found on page 21.

Vote Required and Recommendation of Board of Directors. Assuming the presence of a quorum, the affirmative vote of a majority of the shares represented at the meeting is required to elect each director. Cumulative voting is not permitted in the election of directors. Consequently, each stockholder is entitled to one vote for each share of common stock held in the stockholder's name. In the absence of instructions to the contrary, the persons named in the accompanying proxy shall vote the shares represented by that proxy for each of Messrs. Atkins, Knight, Gelles, Hewitt, Holman, Labate and Tepper and Ms. Derrington. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will count towards the presence of a quorum. If the American Stock Exchange considers this to be a routine proposal, a nominee holding shares in street name may vote for the proposal without voting instructions from the beneficial owner.

Your Board of Directors recommends a vote "FOR" the proposal to elect each of Messrs. Atkins, Knight, Gelles, Hewitt, Holman, Labate and Tepper and Ms. Derrington to the Board of Directors.

CORPORATE GOVERNANCE

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize stockholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and senior management believe promote this purpose, and are sound and represent best practices. We continually review these governance practices, Maryland law (the state in which we are incorporated), rules and listing standards of the American Stock Exchange, SEC regulations, as well as best practices suggested by recognized governance authorities.

Currently, our Board of Directors has eight members. The Board of Directors has determined that five of those eight directors, namely Messrs. Gelles, Holman, Labate, and Tepper and Ms. Derrington satisfy the American Stock Exchange standard for director independence. The Board of Directors held five meetings in 2004. During 2004, none of the directors attended fewer than 75% of the total meetings of the Board of Directors and any committee of the Board of Directors on which any such director served during the year.

Committees of the Board of Directors

The Board maintains an Audit Committee, a Compensation Committee, a Nominating and Governance Committee, and an Acquisition Committee.

Audit Committee

The Audit Committee was formed in 1995 and is responsible for:

reviewing, evaluating, and discussing the financial statements and other financial information prepared on our behalf;

selecting, retaining, and monitoring the independence and performance of our outside auditors, including overseeing the audits of our financial statements and approving any non-audit services;

assisting the Board in fulfilling its oversight responsibilities, primarily through overseeing management's conduct of our accounting and financial reporting process and systems of internal accounting and financial controls;

providing an avenue of communication among the outside auditors, management, and the Board;

serving as our Qualified Legal Compliance Committee;

preparing an annual report of the Audit Committee for inclusion in our proxy statement; and

performing such other functions as the Board may from time to time assign to the Audit Committee.

The Audit Committee currently consists of Messrs. Gelles, Labate, and Tepper, with Mr. Labate serving as the chair of the committee. The Audit Committee held four meetings in 2004 and has met three times in 2005.

Edgar Filing: AMERIVEST PROPERTIES INC - Form DEF 14A

The Board of Directors has determined that all members of the Audit Committee are "independent" within the meaning of the American Stock Exchange's listing standards and the Securities and Exchange Commission rules governing audit committees. In addition, the Board of Directors has determined that Mr. Labate meets the SEC criteria of an "audit committee financial expert" as defined under the applicable SEC rules.

The Audit Committee's functions and activities during 2004 are described in more detail below under the heading "Audit Committee Report" below. The Board of Directors adopted a written charter for the Audit Committee during 2000, and revised the written charter in March 2004. The revised charter can also be viewed on our website at www.amvproperties.com, under the "Investor Relations Corporate Governance Overview" portion of the site.

Audit Committee Report

The members of the Audit Committee have been appointed by the Board of Directors. The Committee is comprised of three directors who each meet the independence and experience requirements of the American Stock Exchange. The Audit Committee operates under a written charter adopted by the Board, which was reviewed and revised in March 2004.

The following Audit Committee Report does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other AmeriVest filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent AmeriVest specifically incorporates this Audit Committee Report by reference therein.

The Audit Committee oversees AmeriVest's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management and with KPMG LLP, AmeriVest's independent accountants and auditors, the audited financial statements in AmeriVest's Annual Report on Form 10-K for the year ended December 31, 2004.

The Audit Committee discussed with the independent auditors, who are responsible for expressing an opinion on the conformity of audited financial statements with generally accepted accounting principles, the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended. This included (i) the independent auditors' judgments as to the quality, not just the acceptability, of AmeriVest's accounting principles as applied in its financial reporting, (ii) methods used to account for significant unusual transactions, (iii) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus, (iv) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates and (v) disagreements with management over the application of accounting principles, the basis for management's accounting estimates and disclosures in the financial statements.

The Audit Committee also received from its independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1 regarding their independence, and has discussed with the independent auditors their independence relative to AmeriVest, including whether the provision of the services described below under "Independent Public Accountants Audit-Related Fees," " Tax Fees" and " All Other Fees" is compatible with maintaining the independent auditors' independence.

The Audit Committee discussed with AmeriVest's independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of the auditors' examinations, their evaluations of AmeriVest's internal controls, and the overall quality of AmeriVest's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

Respectfully submitted,

John A. Labate, Chair
Harry P. Gelles
Jerry J. Tepper

Nomination of Directors

The written charter of our Nominating and Governance Committee outlines the procedures governing nomination of directors. Specifically, except to the extent we are legally required by contract or otherwise to provide third parties with the ability to nominate directors (for example, through preferred stock rights to elect directors upon a dividend default, shareholder agreements, and management agreements), the Nominating and Governance Committee will seek individuals qualified to become board members for recommendation to the Board, including evaluating persons suggested by stockholders.

Directors may be nominated by the Board of Directors or by stockholders in accordance with our By-laws, which provide that nominations for the election of directors may be made by the Board of Directors or a committee of the Board of Directors or by any stockholder entitled to vote for the election of directors. To be considered, nominations by stockholders generally must be made by notice in writing, delivered or mailed by first class United States mail, postage prepaid, to the Secretary of AmeriVest not less than 53 days nor more than 90 days prior to any meeting of the stockholders at

Edgar Filing: AMERIVEST PROPERTIES INC - Form DEF 14A

which directors are to be elected. If less than 60 days notice of the annual meeting is given to stockholders, as is the case for the 2005 annual meeting of stockholders, written notice of nominations of directors by stockholders must be delivered or mailed, in the manner described above, to the Secretary of AmeriVest no later than the seventh day following the day on which notice of the annual meeting was mailed to stockholders. Each notice of nomination of directors by a stockholder must set forth the following:

the name, age, business address and, if known, residence address of each nominee proposed in the notice;

the principal occupation or employment of each such nominee for the five years preceding the date of the notice;

the number of shares of stock of AmeriVest that are beneficially owned by each nominee;

any arrangement, affiliation, association, agreement or other relationship of the nominee with any stockholder of AmeriVest;

any other information relating to the proposed nominee that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated under that act;

any other information the shareholder believes is relevant concerning the proposed nominee;

a written consent of the proposed nominee to being named as a nominee and to serve as a director if elected;

whether the proposed nominee is going to be nominated at the annual meeting of shareholders or is only being provided for consideration by the Nominating and Governance Committee;

the name and record address of the shareholder who is submitting the notice;

the class or series and number of voting shares of the company which are owned of record or beneficially by the shareholder who is submitting the notice;

a description of all arrangements or understanding between the shareholder who is submitting the notice and any other person (naming such person) pursuant to which the nomination is being made by the shareholder who is submitting the notice;

if the shareholder who is submitting the notice intends to nominate the proposed nominee at the annual meeting of shareholders, a representation that the shareholder intends to appear in person or by proxy at the annual meeting to nominate the proposed nominee named in the notice; and

any other information relating to the shareholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, as amended, and the rules and regulations promulgated under that act.

The Nominating and Governance Committee works with the Board on an annual basis to determine the appropriate characteristics, skills and experience for the Board as a whole and its individual members. In evaluating the suitability of individual director candidates, the Nominating and Governance Committee will take into account many factors, including but not limited to: general understanding of marketing, finance and other disciplines relevant to the success of a publicly-traded company in today's business environment; understanding of the Company's business on a technical level; educational and professional background; integrity and commitment to devote the time and

attention necessary to fulfill his or her duties to the Company; and diversity of race, ethnicity, gender and age.

The Nominating and Governance Committee will also evaluate each individual in the context of the Board as a whole, with the objective of recommending a group that can best perpetuate the success of the business and represent shareholder interests through the exercise of sound judgment, using its diversity of experience. The Nominating and Governance Committee believes that, except during periods of temporary vacancies, a majority of its directors must be independent. In determining the independence of a director, the Board will apply the definition of "independent director" in the American Stock Exchange Company Guide and applicable laws and regulations.

In determining whether to recommend a director for re-election, the Nominating and Governance Committee will consider the director's past attendance at meetings and participation in and contributions to the activities of the Board.

The Nominating and Governance Committee does not believe it should limit the number of terms for which an individual may serve as a director. Directors who have served on the Board for an extended period of time are able to provide valuable insight into the operations and future of the Company based on their experience with and understanding of the Company's history, policies and objectives. The Nominating and Governance Committee believes that, as an alternative to term limits, it can ensure that the Board continues to evolve and adopt new viewpoints through the evaluation and nomination process.

The Nominating and Governance Committee does not believe that Board members should be prohibited from serving on boards and/or committees of other organizations, and has not adopted any guidelines limiting such activities. However, the Nominating and Governance Committee will take into account the nature of and time involved in a director's service on other boards in evaluating the suitability of individual directors and making its recommendations to the Board. Service on boards and/or committees of other organizations should be consistent with the Company's conflict of interest policies.

The Nominating and Governance Committee has the sole authority to retain and terminate any search firm to be used to identify or evaluate director candidates and has the sole authority to approve the search firm's fees and other retention terms. No such firms were engaged as part of the nomination process for the directors recommended to the stockholders in connection with the 2005 annual meeting.

The chairman of any meeting of stockholders may, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with this procedure and that the defective nomination will be disregarded.

The written charter of the Nominating and Governance Committee can be viewed on our website at www.amvproperties.com, under the "Investor Relations Corporate Governance Overview" portion of the site.

Code of Ethics

The Company has adopted a Code of Ethics for directors, officers, and employees. This Code of Ethics is intended to promote honest and ethical conduct, compliance with applicable laws, full and accurate reporting, and prompt internal reporting of violations of the code, as well as other matters. The Company will provide a copy of its Code of Ethics to any person without charge, upon written request to: Secretary, AmeriVest Properties, Inc., 1780 South Bellaire Street, Suite 100, Denver, Colorado 80222. The Code of Ethics is also available on our website at <http://www.amvproperties.com>.

Lead Outside Director

Mr. Robert W. Holman, Jr. serves as our Lead Outside Director. In this capacity, Mr. Holman has frequent contact with Mr. Knight and other members of management on a broad range of matters. The Board of Directors has determined that Mr. Holman meets the American Stock Exchange standard for independence. The independent directors will, on an annual basis, select the Lead Outside Director from among the independent directors.

Stockholders and other parties interested in communicating with the Lead Outside Director may do so in the manner set forth under "Stockholder Communications with the Board of Directors," below.

Executive Sessions

Our Corporate Governance Guidelines, adopted in March 2004, state that the non-management directors will meet regularly in executive session, i.e., with no management directors or management present, at least two times each fiscal year, generally in conjunction with regular Board meetings. If the non-management directors include a director who is not independent, the independent directors will meet at least once without the presence of such non-independent director. Executive sessions of the non-management directors and independent directors are be called and chaired by the Chair of the Nominating and Governance Committee. These executive session discussions include such topics as the non-management and independent directors determine. The independent directors have met in executive session once in 2004 and once in 2005.

The Corporate Governance Guidelines can be viewed on our website at www.amvproperties.com, under the "Investor Relations Corporate Governance Overview" portion of the site.

Stockholder Communications with the Board of Directors

Our Corporate Governance Guidelines, adopted in March 2004, establish a process for stockholders to communicate with the Board of Directors. All communications should be directed to the Company's Secretary at: Secretary, AmeriVest Properties, Inc., 1780 South Bellaire Street, Suite 100, Denver, Colorado 80222 and should prominently indicate on the outside of the envelope that it is intended for the Board, for the lead outside director, or for non-management directors. Each communication intended for the Board and received by the Secretary that is a communication made by the shareholder in its capacity as a stockholder of the Company (as opposed to in its capacity as a party involved in a commercial relationship with the Company) will be promptly forwarded to the specified party following its clearance through normal security procedures. The communication will not be opened, but rather will be forwarded unopened to the intended recipient.

The Corporate Governance Guidelines can be viewed on our website at www.amvproperties.com, under the "Investor Relations Corporate Governance Overview" portion of the site.

Attendance at Annual Meeting of Stockholders

Under our Corporate Governance Guidelines, adopted in March 2004, we encourage each member of the Board to attend each annual meeting of the stockholders. Seven directors attended our 2004 annual meeting of the stockholders.

The Corporate Governance Guidelines can be viewed on our website at www.amvproperties.com, under the "Investor Relations Corporate Governance Overview" portion of the site.

EXECUTIVE COMPENSATION

Compensation of Executive Officers

The following table sets forth in summary form the compensation we paid to the executive officers listed below for the year ended December 31, 2004, who are referred to in this section as the named executive officers. The four primary and on-going components of our executive compensation program are: salary, bonus, annual incentives, and long-term incentives.

The annual incentive component of our executive total compensation program for our Chief Executive Officer, established in May 2003, is in the form of an annual performance bonus. Specifically, we granted an annual performance bonus to Mr. Knight of up to \$117,000, based on our total return performance over the year relative to other office real estate investment trusts ("REITs"), as determined by the National Association of Real Estate Investment Trusts ("NAREIT"). At our discretion, bonuses over a certain size may be paid 50% in cash and 50% in restricted stock. In 2004, Mr. Knight earned no bonuses under the program. These bonuses are disclosed in the "Summary Compensation" table below.

The long-term incentive component of our executive total compensation program for our Chief Executive Officer, established in May 2003, is in two forms, restricted stock grants and a three-year performance award. At that time, we made a restricted stock grant to Mr. Knight in the amount of 58,000 shares, to be awarded ratably over five years commencing January 2004. Mr. Knight will also receive a cash payment equal to the amount of the dividend on the unvested shares. These restricted stock grants are disclosed in the "Summary Compensation" table below. In addition, we introduced a three-year performance award for Mr. Knight of up to \$351,000, based on our total return performance over the three years ending December 31, 2005 relative to other office REITs, as determined by NAREIT. At our discretion, bonuses over a certain size may be paid 50% in cash and 50% in restricted stock. These long-term incentives are designed to focus the leadership team on driving both growth and continuous operational improvements that are critical to the future sustained success of the business, and are disclosed under "Long-Term Incentive Plan Awards" below.

Until his resignation as our Chief Executive Officer in April 2005, Mr. Atkins was also eligible to participate in our annual and long-term incentive programs and the three-year performance award. As part of Mr. Atkins' severance package, described more fully below in "Employment, Termination of Employment and Change-in-Control Agreements *Severance Agreements*" the shares of restricted stock granted to Mr. Atkins as part of our long-term incentive program became fully vested as of the effective date of his resignation.

Our other named executive officers are eligible for bonuses, payable in cash or stock, based on several factors, including individual and company goals and performance during the past year.

(4) Prior to January 1, 2002, all of our properties were managed under an Advisory Agreement with SRA, and we did not have any salary obligations or long-term compensation arrangements. As a result of our purchase of the administrative and property management and accounting services business of SRA effective January 1, 2002, 25 of SRA's 31 employees, including Messrs. Atkins and Knight became our employees and managed our day-to-day operations. Messrs. Atkins and Knight also remained employees of SRA and their 2002 salary obligations were shared between us and SRA such that we were responsible for paying their cash compensation and SRA was responsible for accruing their deferred compensation as a liability of SRA. Effective November 1, 2002, the Advisory Agreement between SRA and us was terminated and at that time the salary obligations of Messrs. Atkins, Greenman and Knight, as well others, became our sole responsibility.

Employment, Termination of Employment and Change-in-Control Arrangements

Severance Agreements

In April 2005, we entered into a Severance Agreement and Release with Mr. William T. Atkins, our former Chief Executive Officer. Under the terms of the Severance and Release Agreement, Mr. Atkins' regular compensation will continue for a period of five (5) months, commencing May 1, 2005. In addition, the unvested portion of those restricted shares of common stock due to Mr. Atkins under the Company's Long-Term Incentive Plan (other than those shares that relate to the current or future performance of the Company) shall vest automatically on April 30, 2005, a total of 34,800 shares. Mr. Atkins will also be entitled to continued use of his existing or a similar office designated by the Company at the Sheridan center property in Denver, Colorado, at no charge to Mr. Atkins, for a period of one year, commencing May 1, 2005. The Severance and Release Agreement also contains customary indemnification provisions, releases, covenants, confidentiality, and non-solicitation provisions.

In December 2003, we entered into a Severance Agreement and Release with Mr. Scott Ikenberry, our former Chief Financial Officer. Under the terms of the agreement, Mr. Ikenberry received severance payments for twelve months commencing in January 2004, payable monthly, based on his monthly salary at the time he ceased being our Chief Financial Officer. During this severance period, Mr. Ikenberry also received, among other things, certain insurance coverage and other benefits, and an office and executive suite services at no charge for a one-year period which ended in December 2004.

Change of Control Agreements

On December 7, 2004, we entered into change of control agreements with Messrs. Atkins, Greenman and Knight and Ms. Hale. Pursuant its terms, Mr. Atkins' agreement terminated automatically when he ceased to be an elected officer of AmeriVest, which termination was effective on April 30, 2005.

Each agreement provides that upon a change of control, any and all common shares, options, or other forms of securities issued by us and beneficially owned by the executive (whether granted before or after the date of the change of control agreement) that are unvested, restricted, or subject to any similar restriction that would otherwise require continued ownership by the executive beyond the change of control date in order to be vested in the hands of the executive, shall vest automatically.

Edgar Filing: AMERIVEST PROPERTIES INC - Form DEF 14A

In addition, if during the protection period following a change of control date, the executive's employment is terminated by us other than for cause or disability or other than as a result of the executive's death or if the executive terminates his employment for good reason, the Company (which means us or, if appropriate, our successor) shall pay to the executive in a lump sum in cash, within 10 days after the date of termination, the aggregate of the following amounts: accrued but unpaid base salary and vacation pay; a severance amount that other than with respect to Mr. Atkins, is equal to a multiple of the executive's annual and long-term compensation; and the value of any options or SARs held by such executive. For Mr. Knight, Mr. Greenman, and Ms. Hale, the multiples are 2.5, 2.0, and 1.5, respectively. For Mr. Atkins, the severance amount will be the sum of an amount not to exceed \$700,000 due and payable if the Company exercises its termination right, such amount to be determined by the Board in its sole discretion before the change of control date, and an amount equal to 2.5 times the amount specified by the Company as long-term incentive compensation for Mr. Atkins for the year before the change of control occurs. The severance benefit shall be reduced as described below if the accountants determine (A) that the executive would, by reason of section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), be required to pay an excise tax on any part of the severance benefit or any part of any other payment or benefit to which executive is entitled under any plan, practice, policy, or program, and (B) the amount of the severance benefit that executive would retain on an after-tax basis, present value basis would be increased as a result of such reduction by an amount of at least \$5,000. If the severance benefit is required to be reduced, it shall be reduced only to the extent required, in the opinion of the accountants, to prevent the imposition upon the executive of the tax imposed under section 4999 of the Code. The Company shall determine which elements of the severance benefit shall be reduced to conform to this requirement. Any determination made by the accountants shall be conclusive and binding on the executive.

Similarly, at any time during the six month period following a change in control date, the executive shall have the right to terminate the executive's employment with the Company at the executive's sole discretion. In the event the executive exercises the executive termination right, the Company shall pay the executive in a lump sum in cash within 10 days after the date of termination the aggregate of the following amounts: accrued but unpaid base salary and vacation pay; a severance amount that is in most cases, is equal to a multiple of the executive's annual compensation; and the value of any options or SARs held by such Executive. For Mr. Knight, Mr. Greenman, and Ms. Hale, the multiple is 1.0. For Mr. Atkins, the severance amount will be determined as described in the paragraph above, except that the multiple for the long-term incentive compensation portion of the severance amount will also be 1.0.

Totals	127,000	\$ 6.20	369,818

1995 and 1998 Stock Option Plans

Pursuant to our 1995 and 1998 Stock Option Plans (collectively, the 95-98 Option Plans), we may grant options to purchase an aggregate of 330,000 shares of the Company's common stock to key employees, directors, and other persons who have or are contributing to the success of the Company. The options granted pursuant to the 95-98 Option Plans may be incentive options qualifying for beneficial tax treatment for the recipient, non-qualified options or non-qualified, non-discretionary options. Directors who are not employees of the Company (outside directors) automatically receive options to purchase 12,000 shares pursuant to the 95-98 Option Plans at the time of their election. None of these options are exercisable at the time of grant. One-third of these options become exercisable on December 30 of each of the first three years immediately following the date of grant. The exercise price for options granted to outside directors is the fair market value of the common stock on the date of grant, and all options granted to outside directors expire five years from the date of grant. On the date that all of an outside director's options become exercisable, options to purchase an additional 12,000 shares, none of which are exercisable at that time, shall be granted to that outside director.

At December 31, 2004, options to purchase an aggregate of 127,000 shares of common stock were outstanding under the option plans. At December 31, 2004, no shares of common stock were available under the option plans.

All options granted under the 1998 Stock Option Plan will become fully exercisable upon the occurrence of a change in control of AmeriVest upon certain mergers or other reorganizations or asset sales.

Options granted under either the 1995 Stock Option Plan or the 1998 Stock Option Plan generally are not transferable during the option holder's lifetime.

2003 Long-Term Incentive Plan

Our stockholders approved the AmeriVest Properties Inc. 2003 Long-Term Incentive Plan at our 2003 annual meeting. Pursuant to the 2003 Long-Term Incentive Plan, we may grant options, stock appreciation rights, bonus stock, stock units, performance shares, performance units, restricted stock and restricted stock units equivalent to 500,000 shares of common stock (subject to individual limits). The options granted pursuant to the 2003 Long-Term Incentive Plan may be incentive stock options that qualify for beneficial tax treatment to the recipient or non-qualified stock options. It is expected that options and stock appreciation rights will satisfy the requirements for "performance-based compensation" as that term is used in section 162(m) of the Code.

At December 31, 2004, 369,818 shares of common stock were available under the 2003 Long-Term Incentive Plan.

Compensation Committee Report

Philosophy

The Compensation Committee is committed to a compensation philosophy that places compensation at a competitive level, with significant emphasis on rewarding our executive employees on the basis of our success in attaining corporate financial and performance objectives. Our compensation is designed to:

attract, reward and retain highly qualified employees;

align shareholder and employee interests;

reward long-term career contributions to the Company;

emphasize the variable portion of total compensation as an individual's level of responsibility increases;

provide competitive compensation opportunities, but taking into account our current small market capitalization, emphasize lower current cash compensation with incentive compensation that allows higher compensation at average and outstanding performance levels; and

encourage teamwork.

During 2002, the Compensation Committee conducted a full review of our executive compensation programs. This review included a comprehensive report from independent compensation consultants assessing the effectiveness of our compensation programs and relative competitiveness versus identified comparable companies of similar size and business characteristics. Data from the National Association of Industrial and Office Properties (NAIOP) compensation survey was also used by the compensation consultants in their recommendations to the Committee. Key findings from this review were discussed extensively with senior management and the Compensation Committee.

Elements of Compensation

Base Salary

Base salaries for senior executives are based on an overall assessment of the executive's responsibilities and contribution to the Company. For 2003, base salaries were generally based on the 25th percentile of total annual compensation as reflected in the 2002-2003 NAIOP Compensation Survey, with a \$10,000 annual increase for the CEO and COO in each of 2004 and 2005 and for the CFO and CIO in 2005 to reflect base salary marketplace movement. Base salaries are reviewed annually.

Bonus

Our senior executives are eligible for annual and, in certain cases, multi-year incentive awards based on a number of factors, including our overall performance, the department's performance and the individual's performance during the prior year. Annual performance goals for all executives other than the CEO and COO are set by the COO at the beginning of the calendar year. Performance goals for the CEO and COO are set by the Compensation Committee. The CEO and COO are entitled to a one-year performance bonus and a three-year performance bonus tied to the total return performance of AmeriVest as compared to the office REIT peer group as reported by NAREIT for 2003, 2004 and 2005. One year performance bonuses of \$38,000 were paid to each of the CEO and COO in 2003, and no one-year performance bonuses were paid in 2004. Bonuses were also paid to other executives based on performance goals set by the COO.

Equity Awards

Long-term compensation is designed to foster ownership of common shares by our management, promote a close alignment of interests between our management and our shareholders, motivate our management to achieve long-term growth and success of our company and enhance shareholder value.

In addition to non-qualified and qualified options and restricted stock, which have been granted in the past to selected employees up to and including the director level, bonus shares were utilized in 2004 as part of the compensation plan for certain senior executives.

Compensation of our Chief Executive Officer

Mr. Atkins, who served as our Chief Executive Officer from 1999 until April 2005, received a base salary in 2004 of \$185,000, a \$10,000 increase from 2003. In determining Mr. Atkins' base salary, the Compensation Committee reviewed and considered the salaries of executives in comparable REITs, AmeriVest's objectives for 2004 and 2005 and Mr. Atkins' individual performance goals. No bonus was paid in 2004.

The Compensation Committee considered the level of pay and bonus appropriate for the following reasons: his leadership in the acquisition during 2004 of the Camelback Lakes, Hackberry View, Parkway Centre III, and Hampton Court office buildings totaling over 575,000 square feet or approximately 23% of the current portfolio; the sale of the non-core Texas Bank Buildings in March 2004; the acquisition in October 2004 of the land underlying the previously owned Greenhill Park office building; the renegotiation of the Company's unsecured credit facility with KeyBank National Association; and the commitment to enhance corporate governance, including the successful declassification of the Board of Directors at the 2004 annual shareholder meeting.

Respectfully submitted,

Robert W. Holman, Chair
Harry P. Gelles

Conflicts of Interest Policies

Our Board of Directors and our officers are subject to certain provisions of Maryland law which are designed to eliminate or minimize the effects of certain potential conflicts of interest. In addition, our By-Laws provide that any transaction between us and an interested party must be fully disclosed to our Board, and that a majority of the directors not otherwise interested in the transaction (including a majority of independent directors) must make a determination that any sale, lease or joint venture transaction is fair and reasonable and that any loan or equity investment transaction is fair, competitive and commercially reasonable and on terms and conditions not less favorable to us than those available from unaffiliated third parties.

All future transactions between us and our officers, directors and 5% stockholders will be on terms no less favorable than could be obtained from independent third parties and will be approved by a majority of independent, disinterested directors of AmeriVest. Our Code of Ethics also addresses conflicts of interest. See "Corporate Governance Conflicts of Interest." We believe that by following these procedures, AmeriVest will be able to mitigate the possible effects of these conflicts of interest.

Other than as described in this section, there are no material relationships between us and our directors, executive officers or known holders of more than 5% of our common stock.

The Board of Directors is not aware of any other matters that are to be presented at the annual meeting, and it has not been advised that any other person will present any other matters for consideration at the meeting.
