Item 15 Additional Information

Item 15(c) is hereby amended and supplemented as follows:

On December 16, 2016, at 10:00 am (Beijing time), an extraordinary general meeting of the shareholders of the Company was held at the board room, Changzhou Trina Solar Energy Co., Ltd., No. 2 Tian He Road, Electronics Park, New District, Changzhou, Jiangsu, People's Republic of China. At the extraordinary general meeting, the shareholders of the Company authorized and approved the merger agreement, the plan of merger and the transactions contemplated by the merger agreement, including the merger.

On March 1, 2017, with the consent of other members of the Buyer Group, Xingsheng assigned all of its rights and obligations under the merger agreement and other transaction agreements to Xingjing and its affiliates. After such assignment, Xingjing and its affiliates beneficially owned 35% of the Company after the merger and the ownership interest of other members of the Buyer Group (except Xingsheng) remained unchanged. Xingsheng withdrew from the Buyer Group and terminated its participation in the merger concurrently with the completion of the assignment.

On March 13, 2017, the Company filed the plan of merger with the Registrar of Companies of the Cayman Islands and the merger became effective on March 13, 2017. As a result of the merger, the Company became wholly owned by Parent.

Under the terms of the merger agreement, at the effective time of the merger, each outstanding Share (including Shares represented by ADSs), other than (a) Shares (including Shares represented by ADSs) beneficially owned by the Rollover Securityholders (the "Rollover Securities"), (b) Shares (including Shares represented by ADSs) owned by Parent, Merger Sub or the Company (as treasury shares, if any), or by any direct or indirect wholly-owned subsidiary of Parent, Merger Sub or the Company, in each case immediately prior to the effective time of the merger, (c) Shares (including Shares represented by ADSs) reserved (but not yet allocated) by the Company for settlement upon exercise of Company share awards (each a "Company Share Award") issued by the Company under any Company Share Plan (as defined below), and (d) Shares owned by shareholders who have validly exercised and have not effectively withdrawn or lost their dissenters' rights under the Companies Law, Cap. 22 (Law 3 of 1961 as consolidated and revised) of the Cayman Islands ("Cayman Islands Companies Law") (the "Dissenting Shares") (Shares described under (a) through (d) above are collectively referred to herein as the "Excluded Shares"), was cancelled in exchange for the right to receive \$0.232 in cash without interest, and for the avoidance of doubt, because each ADS represents 50 Shares, each issued and outstanding ADS (other than any ADS representing Excluded Shares) represents the right to surrender the ADS in exchange for \$11.60 in cash per ADS without interest (less \$0.05 per ADS cancellation fees and (if applicable) up to \$0.02 per ADS depository services fee pursuant to the terms of the deposit agreement (the "deposit agreement"), dated December 2, 2008, by and among the Company, The Bank of New York Mellon, (the "ADS depository") and the holders and beneficial owners of ADSs issued thereunder), in each case, net of any applicable withholding taxes. The Excluded Shares other than Dissenting Shares were cancelled for no consideration. The Dissenting Shares were cancelled for the right to receive payment of their fair value as determined in accordance with the Cayman Islands Companies Law.

At the effective time of the merger, (i) each option to purchase Shares granted under the Company's Amended and Restated Share Incentive Plan, effective as of August 28, 2014 (the "Company Share Plan") that was issued and outstanding immediately prior to the effective time and vested on or prior to the effective time was cancelled in exchange for the right to receive, as soon as practicable (and in any event no more than five business days) after the effective time of the merger, an amount equal to the product of (a) the excess of \$0.232 over the exercise price payable per Share under such option, if any, in cash, without interest and net of any applicable withholding taxes multiplied by (b) the total number of

Table of Contents

Shares issuable under such option immediately prior to the effective time, (ii) each option to purchase Shares granted under the Company Share Plan that was issued and outstanding immediately prior to the effective time and was not vested on or prior to the effective time was cancelled in exchange for the right to receive a restricted cash award subject to the same vesting conditions and schedules applicable to such option, in an amount equal to the product of (a) the excess of \$0.232 over the exercise price payable per Share under such option, if any, in cash, without interest and net of any applicable withholding taxes multiplied by (b) the total number of Shares issuable under such option immediately prior to the effective time, and (iii) each restricted share awarded under the Company Share Plan immediately prior to the effective time was cancelled in exchange for the right to receive a restricted cash award subject to the same vesting conditions and schedules applicable to such restricted share, in an amount equal to the product of (a) \$0.232 and (b) the total number of Shares underlying such restricted share, without interest and net of any applicable withholding taxes.

Under the terms of the rollover and support agreement entered into by and among Parent and the Rollover Securityholders (the "Rollover and Support Agreement") concurrently with the consummation of the merger, (i) the Rollover Securities were cancelled for no consideration; (ii) the Rollover Securityholders have subscribed for the number of newly issued ordinary shares of Parent as set forth in the Rollover and Support Agreement; and (iii) the Rollover Securityholders have voted the Rollover Securities in favor of the merger, in each case, upon the terms and conditions set forth therein.

As the merger was consummated, each holder of Company Convertible Notes (as defined below) has the option to require the surviving company to repurchase such holder's Company Convertible Notes for a purchase price equal to 100% of the principal amount of the notes to be repurchased, plus accrued and unpaid interest, if any, through but excluding, the applicable fundamental change repurchase date as defined under the applicable Indenture Agreements (as defined below). Furthermore, after the effective time of the merger but prior to and including the second business day prior to the applicable fundamental change repurchase date, each holder of Company Convertible Notes is entitled, subject to the terms and conditions of the applicable Indenture Agreements, to convert such holder's Company Convertible Notes into the right to receive an amount in cash for each \$1,000 principal amount of the Company Convertible Notes held by such holder equal to the product of (a) the Per ADS Merger Consideration and (b) the conversion rate as defined in the applicable Indenture Agreements plus any entitled increase in the conversion rate as determined pursuant to the applicable Indenture Agreements. For holders of the 3.5% Notes (as defined below), the conversion rate is 90.6882 ADSs per \$1,000 principal amount of notes, giving them the right to receive an amount of \$1,051.9831 for each \$1,000 principal amount of notes. For holders of the 4.0% Notes (as defined below), the conversion rate is 68.0851 ADSs per \$1,000 principal amount of notes, giving them the right to receive \$789.7872 for each \$1,000 principal amount of notes. After the second business day prior to the applicable fundamental change repurchase date, each holder of the Company Convertible Notes, to the extent such holder has not exercised its right to require the surviving company to repurchase such holder's Company Convertible Notes, will be entitled to convert such Company Convertible Notes into the right to receive an amount in cash for each \$1,000 principal amount of the Company Convertible Notes held by such holder equal to the product of (a) the Per ADS Merger Consideration and (b) the conversion rate as defined in the applicable Indenture Agreements, which for the holders of the 3.5% Notes gives them the right to receive \$811.1892 for each \$1,000 principal amount of notes and for the holders of 4.0% Notes gives them the right to receive \$789.7872 for each \$1,000 principal amount of notes. As used herein, the term "Company Convertible Notes" means, collectively, the Company's 3.5% convertible senior notes due June 15, 2019 (the "3.5% Notes") that were issued pursuant to the indenture, dated June 11, 2014, as amended or supplemented, by and between the Company and Wilmington Trust, National Association, as trustee (the "3.5% Notes Indenture"), the Company's 4.0% convertible senior notes due October 15, 2019 (the "4.0% Notes") that were issued pursuant to the indenture, dated October 6, 2014, as amended or supplemented, by and between the Company and Wilmington Trust, National Association, as trustee (the "4.0% Notes Indenture" and together with the 3.5% Notes Indenture, the "Indenture Agreements").

As a result of the merger, the ADSs will no longer be listed on any securities exchange or quotation system, including the New York Stock Exchange ("NYSE"), and the Company will cease to be a publicly traded company. The Company has requested NYSE to file an application on Form 25 with the SEC to remove the ADSs from listing on NYSE and withdraw registration of the ordinary shares under the Exchange Act. The deregistration will become effective in 90 days after the filing of Form 25 or such shorter period as may be determined by the SEC. In addition, the Company will suspend its reporting obligations under the Exchange Act by filing a certification and notice on Form 15 with the SEC. The Company's reporting obligations under the Exchange Act will be suspended immediately as of the filing date of the Form 15 and will terminate once the deregistration becomes effective.
