**Item 1.01 Entry into a Material Definitive Agreement.**

**Merger Agreement**

On August 14, 2018, Cabot Microelectronics Corporation, a Delaware corporation ("Cabot Microelectronics") entered into an Agreement and Plan of Merger ("Merger Agreement") with KMG Chemicals, Inc., a Texas corporation ("KMG"), and Cobalt Merger Sub Corporation, a Texas corporation and wholly owned subsidiary of Cabot Microelectronics ("Merger Sub"), providing for the acquisition of KMG by Cabot Microelectronics. The Merger Agreement and the Merger (as defined below) have been unanimously approved by the board of directors of each of Cabot Microelectronics and KMG.

The Merger Agreement provides that, upon the terms and subject to the satisfaction or valid waiver of the conditions set forth in the Merger Agreement, Merger Sub will merge with and into KMG (the "Merger"), with KMG continuing as the surviving corporation and a wholly owned subsidiary of Cabot Microelectronics.

At the effective time of the Merger, each outstanding share of KMG common stock, par value \$0.01 per share ("KMG Common Stock"), other than shares owned by KMG, Cabot Microelectronics and their subsidiaries, dissenting shares, or shares subject to a KMG Equity Award (as defined below), will automatically be converted into the right to receive the following consideration (collectively, the "Merger Consideration"), without interest:

\$55.65 in cash (the "Cash Consideration"); and

0.2000 shares of common stock of Cabot Microelectronics, par value \$0.001 per share ("CMC Common Stock").

Immediately prior to closing, each restricted stock unit award relating to shares of KMG Common Stock (each, a "KMG Equity Award") granted prior to August 14, 2018 will vest (with any applicable performance targets deemed satisfied at the level specified in the applicable award agreement) and be cancelled in exchange for the Merger Consideration in respect of each share of KMG Common Stock underlying the applicable KMG Equity Award.

Each KMG Equity Award granted on or following August 14, 2018 will be converted into a corresponding award relating to shares of CMC Common Stock and continue to vest post-closing in accordance with the terms of the applicable award agreement (which will include vesting on a qualifying termination of employment).

The consummation of the Merger is subject to customary closing conditions, including the adoption of the Merger Agreement by KMG's shareholders and the expiration or termination of all waiting periods applicable to the Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

Cabot Microelectronics and KMG have each made customary representations, warranties and covenants in the Merger Agreement, including covenants by each of the parties relating to conduct of their business prior to the closing of the Merger. The Merger Agreement contains customary non-solicitation restrictions prohibiting KMG from soliciting alternative acquisition proposals from third parties or, subject to certain limited exceptions, providing information to or participating in discussions or negotiations with third parties regarding alternative acquisition proposals. The Merger Agreement also requires KMG to call and hold a special meeting of KMG's shareholders to adopt the Merger Agreement and approve the Merger and, subject to certain limited exceptions, recommend that KMG's shareholders adopt the Merger Agreement and approve the Merger.

The Merger Agreement contains certain customary termination rights by either Cabot Microelectronics or KMG, including if the Merger is not consummated by February 14, 2019, which

## Edgar Filing: CABOT MICROELECTRONICS CORP - Form 8-K

may be extended under certain circumstances to May 14, 2019 in order to obtain a required regulatory approval.

If the Merger Agreement is terminated under certain circumstances, including termination by Cabot Microelectronics following a change of KMG's board of directors' recommendation in favor of the Merger, KMG will be obligated to pay to Cabot Microelectronics a termination fee equal to \$38,765,000 in cash.

The foregoing description of the Merger Agreement and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Merger Agreement, a copy of which is filed with this Current Report on Form 8-K as Exhibit 2.1 and the terms of which are incorporated by reference herein.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Cabot Microelectronics or KMG. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement as of the specific dates therein, were made solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Merger Agreement.

### **Voting Agreements**

On August 14, 2018, in connection with the execution of the Merger Agreement, Cabot Microelectronics entered into separate voting and support agreements (collectively, the "Voting Agreements"), with each of Christopher T. Fraser, KMG's Chairman, President and Chief Executive Officer, and Fred C. Leonard III, a member of KMG's board of directors, pursuant to which, among other matters, they agree (1) to vote the shares of KMG Common Stock held by each of them in favor of the Merger and (2) not to transfer their shares of KMG Common Stock prior to the consummation of the Merger, in each case subject to certain limited exceptions. The Voting Agreements are included as Exhibits 99.1 and 99.2 to this report on Form 8-K. The foregoing description of the Voting Agreements does not purport to be complete and is qualified in its entirety by reference to such exhibits.

### **Item 8.01 Other Events.**
