Section 4 Matters Related to Accountants and Financial Statements

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

Restatement of Prior Periods

On March 27, 2006, during the year-end evaluation process conducted by the Registrant's Chief Executive and Chief Financial Officers, the Registrant evaluated the carrying values of its intangible assets and determined that an impairment of 100% of its investment in Pharma Tech Solutions, one of the Registrant's subsidiaries, formed in November 2004 for the purposes of acquiring the Registrant's merger target CareGeneration, Inc., amounting to \$1,167,717, should have been made during the three-months ended March 31, 2005. Based upon Management's review it has been determined that this error was inadvertent and unintentional.

As a result of the impairment of the Registrant's investment in Pharma Tech Solutions, the Registrant's first quarter expenses will be increased by \$1,167,717 (98%) to \$2,363,023 and its first quarter net operating loss will increase to \$2,166,374.

As soon as practicable, the Registrant will file amended Reports on Forms 10-QSB for the quarterly periods ended March 31, 2005, June 30, 2005 and September 30, 2005 to include restatements of the financial statements reflective of the impairment of 100% of its investment in Pharma Tech Solutions.
