About the Annual Meeting and Voting

Our Board of Directors is soliciting your proxy to vote

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

at our annual meeting of shareholder members (or at any adjournment of the meeting). This proxy statement summarizes the information you need to know to vote at the meeting.

We began mailing this proxy statement and the enclosed proxy card on or about December 6, 2002, to all shareholders entitled to vote. The Woodward Governor Company Annual Report, which includes our financial statements, is being sent with this proxy statement.

Shareholders who owned Woodward common stock at the close of business on the record date, November 25, 2002, are entitled to vote at the meeting. As of the record date, there were 11,334,146 shares outstanding.

Each share of Woodward common stock that you own entitles you to one vote, except for the election of directors. Since four directors are standing for election, you will be entitled to four director votes for each share of stock you own. Of this total, you may choose how many votes you wish to cast for each director.

Woodward offers shareholders the opportunity to vote by mail, by telephone, or via the Internet. Instructions to use these methods are set forth on the enclosed proxy card.

If you vote by telephone or via the Internet, please have your proxy or voting instruction card available. The control number that appears on your card is necessary to verify your vote. A telephone or Internet vote authorizes the named proxies in the same manner as if you marked, signed, and returned the card by mail. Voting by telephone and via the Internet are valid proxy voting methods under Delaware law and Woodward Bylaws.

If you properly fill in your proxy card and send it to us in time to vote, one of the individuals named on your proxy card (your "proxy") will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will follow the Board's recommendations and vote your shares:

- "FOR" the election of the Board's nominees to the Board of Directors;
- "FOR" the proposal to adopt the Woodward Governor Company Executive Benefit Plan; and
- "AGAINST" the shareholder proposal.

If any other matter is presented at the meeting, your proxy will vote in accordance with his or her best judgment. At the time this proxy statement went to press, we knew of no other matters to be acted on at the meeting.

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

You may revoke your proxy by:

- sending in another signed proxy card with a later date,
- notifying our Secretary in writing before the meeting that you have revoked your proxy, or
- voting in person at the meeting.

If you want to give your written proxy to someone other than individuals named on the proxy card:

- cross out the individuals named and insert the name of the individual you are authorizing to vote, or
- provide a written authorization to the individual you are authorizing to vote along with your proxy card.

A quorum of shareholders is necessary to hold a valid meeting. The presence, in person or by proxy, at the meeting of holders of shares representing a majority of the votes of the common stock entitled to vote constitutes a quorum. Abstentions and broker non-votes are counted as present for establishing a quorum. A broker non-vote occurs when a broker votes on some matters on the proxy card but not on others because he or she is not permitted to vote on that item absent instruction from the beneficial owner of the shares and no instruction is given.

Directors are elected by a plurality vote of shares present at the meeting, meaning that the four director nominees receiving the most votes will be elected.

Other action is by an affirmative vote of the majority of shares present at the meeting. Abstentions and broker non-votes will be treated as unvoted in matters other than director elections.

Board of Directors

STRUCTURE

Our Board of Directors is divided into three classes for purposes of election. One class is elected at each annual meeting of shareholders to serve for a three-year term.

If a nominee is unavailable for election, proxy holders will vote for another nominee proposed by the Board.

AUDIT COMMITTEE

The Audit Committee oversees and monitors management's and the independent public accountants' participation in the financial reporting process. The Committee operates under a Charter, which was attached to the proxy statement for the annual meeting of shareholders held January 24, 2001, that more fully describes the responsibilities of the Committee. Consistent with Nasdaq's independent director and Audit Committee listing standards, and in accordance with the Committee charter, all members of the Audit Committee are independent directors. The Committee held four meetings during 2002.

COMPENSATION COMMITTEE

The Compensation Committee recommends the base compensation of Woodward's officers and key personnel, and evaluates the performance of and reviews the results of the annual member evaluation for those individuals. The Committee administers the Company's Long Term Incentive Compensation Plan and the 2002 Stock Option Plan, determining and taking all action, including granting of all incentives and/or stock

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

options to eligible worker members, in accordance with the terms of the Plans. The Committee held three meetings during 2002.

EXECUTIVE COMMITTEE

The Executive Committee exercises all the powers and authority of the Board of Directors in the management of the business when the Board is not in session and when, in the opinion of the Chairman, the matter should not be postponed until the next scheduled Board meeting. The Committee may declare cash dividends. The Committee may not authorize certain major corporate actions such as amending the Certificate of Incorporation, amending the Bylaws, adopting an agreement of merger or consolidation or recommending the sale, lease, or exchange of substantially all of Woodward's assets. The Committee held one meeting during 2002.

NOMINATING AND GOVERNANCE COMMITTEE

The Nominating and Governance Committee recommends qualified individuals to fill any vacancies on the Board and develops and administers the Company's Corporate Governance guidelines. The Committee held three meetings during 2002.

No procedures have been established for the Nominating and Governance Committee to consider nominees recommended by shareholder members.

LEAD DIRECTOR

In addition to the above standing committees, Mr. Gloyd serves as "Lead Director." The Lead Director chairs a separate meeting of the outside directors prior to each regularly scheduled Board meeting. Topics discussed are at the discretion of the outside directors. The Lead Director then meets with the Chairman and Chief Executive Officer to discuss the minutes of such meetings.

DIRECTOR QUALIFICATIONS

The Company's Bylaws provide that:

- each director shall retire on September 30th following his or her seventieth birthday unless approved otherwise by the Board,
- no person may serve as a director unless he or she agrees to be guided by the philosophy and concepts expressed in Woodward's Constitution, and
- Woodward must receive adequate notice regarding nominees for directors. A copy of the notice requirement in Section 2.8 is attached as Exhibit A.

DIRECTOR COMPENSATION

We do not pay directors who are also Woodward officers additional compensation for their service as directors. In 2002, compensation for non-employee directors included the following:

- a monthly retainer of \$2,000
- Board and Committee members receive \$1,000 for

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

each meeting attended

- Committee chairmen receive \$1,500 for each Committee meeting attended
- expenses of attending Board and Committee meetings
- award of options in January 2002 to purchase 1,000 shares of Woodward Governor Company common stock; options vest after one year

Pursuant to Outside Director Stock Purchase Agreements entered into by Mr. Donovan, Mr. Joyce, and Mr. Rulseh, we sold Treasury Shares at the closing price on the dates of purchase. In payment of the purchase price, non-interest bearing notes were signed and will be repaid by application of each director's monthly retainer. The largest amount of indebtedness outstanding during the year and the amount outstanding at November 20, 2002, were: Mr. Donovan, \$87,433/\$61,283; Mr. Joyce, \$87,282/\$61,282; and Mr. Rulseh, \$119,963/\$105,963.

SHARE OWNERSHIP
GUIDELINES

In 1998 the Board of Directors established share ownership guidelines for executive officers and non-employee directors to align their interests and objectives with the Company's shareholders. These guidelines require that executive officers own shares with a value ranging from a minimum of two times annual salary for officers at the level of vice president to a minimum of four times annual salary for the Company's Chairman and Chief Executive Officer. The guidelines also require that non-employee directors own shares with a value equal to five times annual retainer, to be reached within five years of election to the Board.

Common Stock Performance

The following Performance Graph compares Woodward's cumulative total return on its common stock for a five-year period (years ended September 30, 1998 to September 30, 2002) with the cumulative total return of the S&P SmallCap 600 Index and the S&P Industrial Machinery Index.

Compensation Committee Report on Executive Compensation

The goal of the Compensation Committee (the "Committee") is to establish and administer a compensation program that will (1) offer competitive compensation to attract, retain, and motivate a high-quality senior management team, and (2) link total annual cash compensation to individual performance. The Committee believes proper administration of such a program will result in development of a management team that embraces the best long-term interests of Woodward and its shareholders.

To accomplish this goal, the Committee, comprised entirely of independent directors, structures total compensation packages comprised of base salary, short-term and long-term incentive compensation, and stock options.

Market-based compensation recognizes experience and competence level as determined through salary surveys; this process establishes base salary and target incentive (variable) compensation for the individual. Woodward's stock performance is not specifically considered in determining base salary or any

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

incentive compensation.

Compensation Structure and Components

- individuals are assigned to salary grade ranges based upon their position
- base salary is set within the range based upon actual job responsibilities, performance, and experience in the job
- annual incentive compensation targets of at least 15 percent, but not more than 70 percent, of base salary are established
- incentive compensation targets are tied to salary grade

Base Salary

Base salary and annual rate adjustments are based on individual performance, experience, responsibilities, management and leadership abilities, and executive compensation reviews prepared by outside compensation consultants.

Annual Incentive Compensation

Annual cash incentives are based on overall financial performance of the Company or individual groups or operating units, achievement of short-term objectives, and direct individual performance. If certain minimum target results are not achieved, no annual incentive will be paid. If targeted levels are attained, annual incentive levels range from 15 percent to 70 percent of base salary. Participants have an opportunity to significantly increase their annual incentive compensation above targeted levels for outstanding performance.

Stock Options

The Woodward Governor Company 2002 Stock Option Plan (the "Stock Option Plan") was established to further Woodward's long-term growth and profitability by offering long-term incentives to certain key management worker members and directors who are not worker members. By providing an equity position in the Company, the Compensation Committee believes that participants' interests will be better aligned with those of the Company's shareholders.

The Stock Option Plan authorizes awards of both incentive and nonqualified stock options to worker members and nonqualified stock options to independent directors. Management makes recommendations to the Committee on the size of grant, if any, for each participant. The option price of the shares is determined at the date of the grant and will not be less than the fair market value as quoted on the Nasdaq National Market on that date.

In fiscal 2002, thirty worker members and nine independent directors were granted options under the Stock Option Plan.

Long-Term Management Incentive Compensation Plan

In fiscal 2000, the Company established a long-term, performance-based compensation plan. Eligibility is limited to a few top-level executives, currently five individuals, as determined by the Compensation Committee. The Committee sets long-term performance goals and confirms attainment or lack thereof. The performance goals are established to encourage consistent, sustainable growth and are measured over three-year cycles.

Long-term cash award opportunities are determined at the beginning of each performance cycle and are based on goals associated with:

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

- average annual growth in earnings per share
- average annual return on invested assets

A target award is established for each eligible executive based upon salary grade ranging from 40 percent to 50 percent of base salary. A threshold level of performance is established below which the executive receives no incentive award. Once threshold performance is achieved, the executive receives a minimum award equal to 5 percent to 10 percent of the target award. Above threshold performance, the award increases proportionally until target performance is achieved. The award opportunity continues to increase for above-target performance to a practical maximum of 200 percent of the target award.

Compensation of the Chairman and Chief Executive Officer

Mr. Halbrook's base salary of \$519,135 was determined in the same manner as for all other executive officers. For fiscal 2002, no annual incentive compensation was awarded to Mr. Halbrook. This determination was entirely based on earnings per share growth, which was lower than in fiscal 2001.

Under the Stock Option Plan, Mr. Halbrook was awarded options in fiscal year 2003 to purchase 25,000 shares of Woodward common stock.

Mr. Halbrook also participates in the Long-Term Management Incentive Compensation Plan. Mr. Halbrook received \$399,740 for the three-year period ended September 30, 2002. The amount of future incentive awards will be determined at the end of each subsequent three-year period based on achievement of performance goals.

Transitional Compensation Agreements

Woodward approved new transitional compensation agreements with Messrs. Halbrook, Carter, and Gendron in November 2002 that become operative only upon a change in control or other specified event. For purposes of these agreements, a change in control occurs if:

- any person, entity, or group (with certain exceptions) becomes the beneficial owner of 15 percent or more of the outstanding shares of Woodward common stock; or

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

- there is a change in a majority of the Board during any two-year period other than by election or nomination by a vote of two-thirds of the Board members as of the beginning of the period; or Woodward's shareholders approve a merger, consolidation, sale of assets or share exchange resulting in our shareholders owning less than 51 percent of the combined voting power of the surviving corporation following the transaction; or
- our shareholders approve a liquidation or dissolution.

Following a change in control, Woodward will continue to employ the executive for a minimum period of two years in substantially the same position, for substantially the same compensation and benefits. If the executive's employment is terminated by Woodward (other than for cause or due to death or disability), or the executive terminates with good reason (as defined in the agreement), he or she receives an amount (payable in a lump sum) equal to 300 percent of each of (1) the executive's annual base salary, (2) highest annual bonus in the last three years, (3) highest long-term incentive compensation bonus in the last three years, and (4) the sum of the Retirement Savings Plan and Executive Benefit Plan annual contributions made or credited for the benefit of the executive. Member benefits shall be continued at Woodward's expense for a period of three years after the date of termination. Outplacement services will be provided at Woodward's expense as well as tax preparation services for the executive's taxable year in which the termination occurred.

If the benefits and amount payable to the executives are subject to federal excise tax, the executive officers will also be entitled to receive an additional payment so they will receive (on a net basis) the same amount they would have received absent the applicability of the excise tax.

See "Compensation Committee Report on Executive Compensation" for a description of the Long-Term Management Incentive Compensation Plan (LTMIC). The following table shows, for the named executive officers, the calculated future payouts, if any, under the LTMIC for the three-year performance cycle that began in fiscal year 2002. Threshold amounts are the minimum amounts payable under the LTMIC provided that the minimum level of performance is achieved with respect to the pre-established performance objectives, measured in terms of the Company's cumulative earnings per share and return on average invested assets for the cycle. If such performance is not achieved, amounts will be zero.

Audit Committee Report to Shareholders

Audit Committee Report

We recommended to the Board of Directors that the consolidated balance sheets of the Company at September 30, 2002 and 2001, and the related statements of consolidated earnings, shareholders' equity and cash flows of the Company for each of the three years ended September 30, 2002, be included in the Company's Annual Report on Form 10-K filed with the United States Securities and Exchange Commission for the year ended September 30, 2002. Our recommendation was based on our review and discussion of the audited financial statements with

management, and our discussions with PricewaterhouseCoopers LLP, the independent public accountants who audited the financial statements.

We discussed with PricewaterhouseCoopers LLP the matters required to be

We also discussed with PricewaterhouseCoopers LLP their independence, received from them the written disclosures and the letter required by Independence Standards Board Standard No. 1, and considered whether the provision of services other than audit services (the fees for which are disclosed in the table that follows) is compatible with maintaining their independence.

PROPOSAL 2--APPROVAL OF THE WOODWARD GOVERNOR COMPANY EXECUTIVE BENEFIT PLAN

As part of its overall compensation program, Woodward has maintained various nonqualified deferred compensation plans for key executives since 1984. In January 2001, the Company merged and combined two active plans into one single plan, the Woodward Governor Company Executive Benefit Plan (the "Plan"), in order to facilitate administration.

In July 2002, it was determined it would be in the best interests of the Company and the shareholders to establish a Rabbi Trust to hold shares of Company common stock equal to the number of hypothetical shares held in the Plan with respect to the deemed investment alternative in Company common stock and to make certain changes to the Plan with respect to that investment alternative. Considering the nature of the proposed changes, it was deemed appropriate to present the Plan, as amended, for formal adoption by the shareholders at the January 2003 Annual Meeting. In order to facilitate this process, the Board of Directors approved the required amendments pending shareholder approval.

The Plan was established to provide a comprehensive and competitive compensation program to attract and retain certain key members, and is intended to encourage additional savings by key executives who are otherwise unable to take full advantage of other Company-sponsored savings plans.

The Plan is set forth in Exhibit B. Key features of the Plan include:

- make-up contributions for eligible members whose company contributions are restricted by IRS limitations;
- deferral of up to 50 percent of base salary for a Plan year;
- deferral of up to 100 percent of incentive compensation for a Plan year;
- options to direct contributions in various hypothetical investment funds, including a Company stock fund; and
- balances backed only by the Company's promise to pay and secondary to general creditors in the event of insolvency.

Administration

The Plan will be administered by the Compensation Committee or such other

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

individual or committee appointed and delegated by the Board in accordance with the provisions of the Plan.

Participation

The Administrator shall select those members eligible to participate in the Plan as consistent with accomplishing the purposes of the Plan.

Other Information

The Board may amend the Plan as it deems advisable, except that it may not amend the Plan without shareholder approval where the absence of such approval would cause the Plan to fail to comply with any requirement of applicable law or regulation.

The Board believes it is in the best long-term interests of both shareholders and worker members of the Company to maintain a progressive deferred compensation plan in order to attract and retain the services of outstanding personnel and to encourage such personnel to have a greater financial investment in the Company by allowing such personnel to diversify all or a portion of their deferred compensation into a phantom stock account.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE
WOODWARD GOVERNOR COMPANY EXECUTIVE BENEFIT PLAN PRESENTED IN PROPOSAL 2.

PROPOSAL 3--SHAREHOLDER PROPOSAL

Mr. Gerald English, owner of 500 shares and a former Woodward member, has proposed the following resolution for action at the meeting and has furnished the following statement in support of his proposal. The Company will provide the mailing address for the proponent of this proposal promptly upon receipt of a request.

"Resolved

'THAT THE SHAREHOLDERS OF WOODWARD GOVERNOR COMPANY REMOVE ALL THE POISON PILL TAKE OVER PROVISIONS THAT HAVE BEEN PUT IN PLACE. THE BOARD SHOULD TAKE THE NECESSARY STEPS TO REVERSE THE PROTECTIVE INITIATIVES, WHICH WERE ADOPTED STARTING IN THE 1980'S.'

Reasons:

Many companies are finding out that Poison Pill provisions do not protect the shareholders value. In fact it does quite the opposite, if we need more protection than the free market provides then we become isolationists, and yes, we may have something of value but if we can't sell it to anyone then the value goes down. The SEC has enough rules to govern takeovers. By adding more rules we change the free market system, the price of our shares and the willingness of shareholders to trade them should be enough of a deterrent to takeovers. These extra rules tend to clutter the free market and make investors less welcome.

This is simply a supply and demand problem to have these provisions in our by-laws is discriminating to some sectors of the world. Even though wealth may be a small minority of the population and it is not yet illegal to discriminate against them, we are being punished for the act by a smaller demand for our securities. Smaller demand may reflect in the price.

"IF YOU AGREE, PLEASE MARK YOUR PROXY FOR THIS RESOLUTION.' "

Response by the Board of Directors

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

The Board believes that the Woodward Governor Company Rights Plan Agreement (the "Rights Plan") is in the best interests of the shareholders and unanimously recommends that you vote against this proposal.

Over 2,000 shareholder rights plans have been adopted by the boards of directors of public companies. These boards, including the Company's, agree that rights plans are effective tools to protect the best interests of all shareholders by encouraging potential acquirors to negotiate directly with the shareholder-elected boards of directors. The Board's fiduciary duty to shareholders is to evaluate any bona fide acquisition offer presented to the Board and to determine whether such offer is in the best interests of, and will deliver full value to, all shareholders. The purpose of the Rights Plan is to strengthen the Board's ability, in the exercise of those fiduciary duties, to protect and maximize the value of the shareholders' investment in the Company in the event of an attempt to acquire control of the Company.

The Board believes that the Rights Plan provides major benefits to shareholders and enables the directors, as the shareholders' elected representatives, to protect the interests of the Company's shareholders in the event of an acquisition offer. The Rights Plan (1) strengthens the Board's bargaining position with a prospective bidder, (2) provides the Board adequate flexibility to negotiate the highest possible bid from a potential acquiror, and (3) gives the Board a greater period of time to evaluate all aspects of an acquisition offer. The Rights Plan also protects shareholders against partial and two-tiered tender offers and creeping stock accumulation programs, tactics that do not treat all shareholders fairly and equally.

Contrary to the proponent's implications, the Rights Plan is not intended to prevent, nor does it prevent, bidders from making offers to acquire the Company at a price and on terms that would be in the best interests of all shareholders. The Rights Plan does not prevent consideration of an attractive unsolicited offer, because the Board can redeem the rights and permit the offer to be accepted.

Pursuant to the Rights Plan, the rights will expire on January 17, 2006, unless such final expiration date is extended or unless the rights are earlier redeemed or exchanged by the Company. The Board of Directors, currently comprised of one employee director and ten non-employee directors, will continue to evaluate the merits and costs associated with the Rights Plan and redemption of the rights. A decision to extend the Rights Plan will be made by the Board in its sole discretion. The Board will also continue to consider the advice of experienced legal and financial advisors regarding the takeover climate and the Company's financial condition, and will take such actions as the Board determines to be in the best interests of shareholders.

Approval of this proposal requires the affirmative vote of a majority of the votes cast on the proposal. Approval of the proposal would not itself terminate the Rights Plan. Redemption of the existing rights would require Board approval, and implementation of a shareholder approval requirement for future shareholder rights plans would necessitate an amendment of the Company's Certificate of Incorporation, which requires both Board approval and approval by holders of at least 66-2/3 percent of the outstanding common stock of the Company.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE "AGAINST" PROPOSAL 3.

Independent Public Accountants

In 2002, PricewaterhouseCoopers LLP served as Woodward's independent public accountants. A representative from the firm is expected to attend the annual

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

meeting and will have the opportunity to make a statement, if he or she desires to do so, and be available to answer appropriate questions. The appointment of independent public accountants for the fiscal year ending September 30, 2003, is currently expected to occur in April 2003 and will be determined by the Audit Committee of the Company. We expect PricewaterhouseCoopers LLP will be considered for reappointment.

Shareholder Proposals

If you want to submit a proposal for possible inclusion in our proxy statement for the 2004 Annual Meeting of Shareholders, you must ensure your proposal is received by us on or before August 8, 2003.

If you intend to present a proposal to shareholders, but do not want it included in the proxy statement, management's proxies for that meeting will be entitled to exercise their discretionary authority on that proposal unless we receive notice of your proposal no later than October 22, 2003. Even if we receive proper notice before October 22, 2003, the proxies may still exercise their discretionary authority on the proposal by telling shareholders about the proposal and how they intend to vote on it, unless you solicit proxies for the proposal as required by Rule 14a-4(c)(2) under the Exchange Act.

Other Matters

Woodward is soliciting this proxy on behalf of its Board of Directors. This solicitation is being made by mail, but also may be made by telephone or in person. The Company has employed Morrow & Company to solicit proxies for the annual meeting from brokers, bank nominees, other institutional holders and certain individual shareholders. The Company has agreed to pay \$6,500, plus the out-of-pocket expenses of Morrow & Company, for these services. The Company will also pay the regular charge of brokers and other nominees who hold shares of record for forwarding proxy material to the beneficial owners of such shares.

We do not know of any matters to be acted upon at the meeting other than those discussed in this statement. If any other matter is presented, proxy holders will vote on the matter in their discretion.

- 3.1. PARTICIPATION. The Administrator shall select those members eligible to participate in the Plan. In selecting Eligible Members, the Administrator shall take into consideration such factors as it deems relevant in connection with accomplishing the purposes of the Plan. An Eligible Member shall become a Participant in the Plan when (A) he is notified in writing by the Administrator that he is eligible to participate in the Plan, and (B) he has either (1) completed and submitted a Deferral Election to the Administrator in accordance with Article IV, or (2) had credited to his Account, by the Company, Supplemental Benefit Amounts in accordance with Article V, or (3) had credited to his Account, by the Company, his account balance, if any, under the prior DC Plan No. 1 and/or the prior DC Plan No. 2 on the day immediately preceding the effective date of this Plan.
- 3.2. ERISA EXEMPTION. It is the intent of the Company that the Plan be

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

exempt from Parts 2, 3 and 4 of Subtitle B of Title I of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), as an unfunded plan that is maintained by the Company primarily for the purpose of providing deferred compensation for a select group of management of highly compensated employees (the "ERISA Exemption"). Notwithstanding anything to the contrary in Section 3.1 or in any other provision of the Plan, the Administrator may in its sole discretion exclude any one or more members from eligibility to participate or from participation in the Plan, may exclude any Participant from continued participation in the Plan, and may take any further action (including the immediate payment of the Participant's entire interest under the Plan in a lump-sum) it considers necessary or appropriate if the Administrator reasonably determines in good faith that such exclusion or further action is necessary in order for the Plan to qualify for, or to continue to qualify for, the ERISA Exemption.

IV. DEFERRAL CONTRIBUTION AMOUNTS.

4.1. PERMISSIBLE DEFERRALS UNDER THE PLAN. An Eligible Member may elect to defer:

- (a) DEFERRAL OF BASE SALARY: up to 50% of his or her Base Salary for a Plan Year, in increments of 1%, provided, however, that any election to defer over 30% of Base Salary must be approved in advance by the Administrator, and
- (b) DEFERRAL OF BONUS: up to 100% of his or her Bonus for a Plan Year, in increments of 25%,

by filing a Deferral Election in accordance with Section 4.2 below.

4.2. DEFERRAL ELECTIONS. A Participant's Deferral Election shall be in writing, and shall be filed with the Administrator at such time and in such manner as the Administrator shall provide, subject to the following:

- (a) A Deferral Election pertaining to Base Salary and/or Bonus shall be made during the election period established by the Administrator which shall end no later than December 31 preceding the first day of the Plan Year in which such Base Salary and/or Bonus would otherwise be payable.
- (b) At the discretion of the Administrator, a Deferral Election may be made by
 - (i) newly-hired Eligible Members for the Plan Year in which they commence employment,
 - (ii) a member who becomes an Eligible Member after the beginning of a Plan Year for the Plan Year in which they become an Eligible Member.

Notwithstanding the preceding sentence, such Deferral Elections must be made within thirty (30) days of their date of hire or the date the member becomes an Eligible Member, whichever applies. However, such Deferral Elections shall be prospective and shall apply only to Base Salary and/or Bonus that would otherwise be paid to the Eligible Member after

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

the Deferral Election is made.

- (c) Deferral Elections shall be expressed as a percentage of Base Salary or Bonus, within the limits provided under the Plan.

Once made, a Deferral Election for:

- (A) Base Salary shall remain in effect for all subsequent Plan Years unless changed or revoked by the Participant in accordance with rules established by the Administrator, and
- (B) Bonus shall remain in effect only for the Plan Year for which such Bonus Deferral Election was made.

Any such modification or revocation with respect to Base Salary shall be effective for the Plan Year following the Plan Year in which it is made. Notwithstanding anything to the contrary, any revocation for Base Salary and/or Bonus shall become effective as soon as practicable in the event it is made because of the Participant's Disability or if the Administrator, in its sole discretion, determines that the Participant has suffered a severe financial hardship or a bona fide administrative mistake was made. If a Deferral Election is revoked in accordance with any of the foregoing, the Participant may not make a new Deferral Election until the election period established by the Administrator for making deferrals for the next Plan Year.

- 4.3. CREDITING OF DEFERRAL ELECTIONS. The amount of Base Salary and Bonus that a Participant elects to defer under the Plan shall be credited by the Company to the Participant's Account as Deferral Contribution Amounts as of the date such Base Salary or such Bonus would have been paid to the Participant absent the Deferral Election.
- 4.4. VESTING. A Participant's Deferral Contribution Amounts for each Plan Year shall be fully vested at the time credited to such Participant's Account.
- 4.5. DEFERRED CONTRIBUTION AMOUNTS SUBJECT TO FICA AT TIME OF DEFERRAL. A Participant's Deferred Contribution Amounts are subject to FICA at the time the amounts are contributed to the Plan for deferral. The gross amount of the Participant's Base Salary deferral and Bonus deferral will be contributed to the Participant's Account and the corresponding FICA tax due will be deducted from that portion of the Participant's Base Salary or Bonus not deferred, as the case may be. Notwithstanding the foregoing, if a Participant has elected to defer a percentage of his or her Bonus such that contribution of the gross amount of the Bonus deferred would leave insufficient funds to remit the applicable FICA tax to the government, then the applicable Bonus amount contributed to the Participant's Account shall be made net of the smallest amount of FICA tax needed to satisfy such liability which cannot be covered from the portion of Bonus not deferred.

V. SUPPLEMENTAL BENEFIT AMOUNTS.

- 5.1. COMPUTATION OF SUPPLEMENTAL BENEFIT AMOUNTS. An Eligible Member designated by the Administrator for participation under the Plan shall be entitled to a Supplemental Benefit Amount for each Plan Year that he is an Eligible Member which is equal to the sum of:

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

- (a) Supplemental Benefit Relating to the RIP: the excess, if any, of:
 - (i) the benefit the Participant otherwise would have been entitled to have credited to a separate account for his benefit under the RIP for a given year if such benefit was calculated without regard to the following:
 - (A) Code Section 415,
 - (B) Code Section 401(a)(17), and
 - (C) any Deferral Election made by the Participant for such given year under Article IV of this Plan, over
 - (ii) the accrued benefit which the Participant is entitled to have credited to a separate account for his benefit for such given year under the RIP, plus
 - (b) Supplemental Benefit Relating to the MISOP: the excess, if any, of:
 - (i) the benefit the Participant otherwise would have been entitled to have credited to a separate account for his benefit under the MISOP for a given year if such benefit was calculated without regard to the following:
 - (A) Code Section 415,
 - (B) Code Section 401(a)(17),
 - (C) Code Section 401(k)(3),
 - (D) Code Section 401(m)(2), and
 - (E) Code Section 402(g), over
 - (ii) the actual benefit which the Participant is entitled to have credited to a separate account for his benefit for such given year under the MISOP.
- 5.2. VESTING. A Participant's Supplemental Benefit Amounts calculated by the Company for each Plan Year shall be fully vested at the time credited to such Participant's Account.
- 5.3. CREDITING OF SUPPLEMENTAL BENEFIT AMOUNTS. The Supplemental Benefit Amounts computed in Section 5.1 above for each Plan Year shall be credited by the Company to the Participant's Account as soon as reasonably practicable.
- VI. ACCOUNTS AND INVESTMENTS.
- 6.1. VALUATION OF ACCOUNTS. The Administrator shall establish an Account for each Participant who:
- (a) has filed a Deferral Election to defer Base Salary and/or

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

Bonus, or

- (b) has been credited with a Supplemental Benefit Amount, or
- (c) has a Prior Account Balance on the effective date of this Plan.

Such Account shall be credited with a Participant's Deferral Contribution Amounts and Supplemental Benefit Amounts as set forth in Sections 4.3 and 5.3, respectively, and with the Participant's Prior Account Balance, if any. As of each Valuation Date, the Participant's Account shall be adjusted upward or downward to reflect:

- (i) the investment return to be credited as of such Valuation Date pursuant to Section 6.3 below,
- (ii) the amount of distributions, if any, to be debited as of that Valuation Date under Article VII, and
- (iii) the amount of forfeitures, if any, to be debited under Section 7.4(a).

- 6.2. HYPOTHETICAL INVESTMENT FUNDS. Each Participant generally may direct the manner in which his or her Deferral Contribution Amounts, Supplemental MISOP Amounts, if any, and/or Prior Account Balance, if any, shall be deemed invested in and among the Investment Funds; provided, however, that each investment election made by a Participant shall, notwithstanding anything to the contrary in the Plan, be strictly subject to the consent of the Administrator which, in its sole discretion, may elect to honor the Participant's request or have the Account deemed invested in another manner. Such deemed investment election shall be made in accordance with such procedures as the Administrator shall establish and any such election shall be made in whole percentages. The investment authority shall remain at all times with the Administrator. The selection of Investment Funds by a Participant shall be for the sole purpose of determining the rate of return to be credited to his or her Account and shall not be treated or interpreted in any manner whatsoever as a requirement or direction to actually invest assets in any Investment Fund or any other investment media.
- 6.3. CREDITING OF INVESTMENT RETURN. Each Participant's Account shall be credited on each Valuation Date with his or her allocable share of investment gains or losses of each Investment Fund in which his or her Deferral Contribution Amounts, Supplemental MISOP Amounts, if any, and/or Prior Account Balance, if any, are hypothetically invested. The Administrator shall adopt a protocol for allocating the deemed investment gains and losses similar to that used in the MISOP. Notwithstanding anything to the contrary, if a Participant elects to invest in the hypothetical Investment Fund for Woodward Governor Company Common Stock, such Participant's Account shall also be credited with any deemed dividends paid during the period beginning with the immediately preceding Valuation Date and ending with the current Valuation Date.
- 6.4. CHANGING INVESTMENT FUND OPTIONS. Subject to any exceptions set forth on Exhibit A, a Participant may, on a daily basis, make a new election with respect to the hypothetical Investments Funds in which his or her Deferral Contribution Amounts, Supplemental MISOP Amounts, if any, and/or Prior Account Balance, if any, shall be

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

deemed invested in the future. Any such election shall be made in the form specified by the Administrator.

- 6.5. INVESTMENT ALTERNATIVES AFTER DEATH. For periods after the Valuation Date coincident with or following a Participant's death and pursuant to procedures established by the Administrator, the Participant's Account balance pertaining to Deferral Contribution Amounts, Supplemental MISOP Amounts, if any, and/or Prior Account Balance, if any, shall be reallocated and reinvested among the Investment Funds in accordance with the Beneficiary's hypothetical investment direction.

VII. PAYMENT OF BENEFITS.

- 7.1. DISTRIBUTION AT SPECIFIC FUTURE DATE. At the time an Eligible Member is notified by the Administrator of his or her eligibility to participate in the Plan, the Eligible Member may elect one or more future Valuation Dates as of which all or a portion of his or her Deferral Contribution Amounts and earnings thereon shall be determined for payment. Any distribution as of a specific future date made to an Eligible Member pursuant to his

election shall be paid in a single lump-sum payment. Any such future date shall be a Valuation Date in a specific future year which is at least five Plan Years after the Plan Year for which the initial Deferral Contribution Amounts were credited to such Participant's Account; provided, however, that only one distribution per Plan Year may be elected under this Section 7.1; provided, further that, if the Participant elects a distribution at one or more specific future dates and has a termination of employment prior to any such date, distribution shall commence pursuant to Sections 7.2, 7.3, 8.1 or 8.2, as applicable. A distribution election under this Section 7.1 may be revoked or extended to a Valuation Date in a future Plan Year by filing a one-time revocation or extension election with the Administrator at least 12 months prior to the first day of the Plan Year in which such distribution was scheduled to take place. Notwithstanding the foregoing, any amounts distributable under this Section 7.1 shall be paid as soon as practicable following such relevant Valuation Date.

- 7.2. DISTRIBUTION UPON RETIREMENT OR DISABILITY. If a Participant terminates employment with the Company and/or Affiliates by reason of Retirement or Disability, distribution of the Participant's Account shall be made by or commence on the Valuation Date coincident with or next following such Participant's termination of employment. Distribution under this Section 7.2 shall be made:

- (a) in a lump sum, or
- (b) in substantially equal annual, quarterly or monthly installments for a period up to but not exceeding 10 years

as elected by the Participant on his or her Distribution Election. A Participant may revoke or change his or her Distribution Election under this Section 7.2 by filing a new Distribution Election with the Administrator; provided, however, that any Distribution Election that has not been on file with the Administrator at least 12 months prior to the first day of the Plan Year in which the Participant's termination of employment

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

occurs shall be void and disregarded. A Participant cannot alter or change his Distribution Election once he has begun to receive payments under the Plan. Notwithstanding the foregoing, a Participant (or his legal representative) whose termination of employment occurs by reason of Disability may request that the Administrator distribute the Participant's Account in another payment form following such termination of employment for Disability or defer distribution of the Participant's Account until such Participant is no longer eligible for coverage under the Woodward Governor Company Long-Term Disability Plan, in which case the Administrator, in its sole discretion, shall determine whether to make payment in another form or defer such distributions after taking into consideration all factors which it deems relevant. If the Participant does not have a valid Distribution Election on file with the Administrator at the time of Retirement or Disability, the Participant's Account shall be paid in a single sum under paragraph (a) above.

- 7.3. DISTRIBUTION ON OTHER TERMINATION OF EMPLOYMENT. If a Participant's employment with the Company or Affiliates terminates for any reason other than Retirement, Disability or death, the Participant's Account shall be paid in a lump sum payment as of the Valuation Date coincident with or next following such termination of employment.
- 7.4. UNSCHEDULED WITHDRAWAL. A Participant may request a withdrawal of all or a portion of his or her Deferral Contribution Amounts and earnings thereon by filing a Distribution Election with the Administrator specifying the amount of the Deferral Contribution Amounts to be withdrawn. Payment of such amount, adjusted by the amount forfeited as set forth in Subsection (a) below, shall be made as of the first Valuation Date administratively practicable after such request is received, and shall be subject to the following:
- (a) An amount equal to 10% of the withdrawal requested shall be debited to the Participant's Account and permanently forfeited.
 - (b) Any Deferral Election in effect at the time of such withdrawal shall be void for periods after such withdrawal.
 - (c) The Participant shall not be eligible to file a new Deferral Election until the election period for the Plan Year commencing at least 12 months after such withdrawal.
- 7.5. UNFORESEEABLE EMERGENCY. Prior to the date otherwise scheduled for payment under the Plan, upon showing an unforeseeable emergency, a Participant may request that the Administrator accelerate payment of all or a portion of his or her Deferral Contribution Amounts and earnings thereon in an amount not exceeding the amount necessary to meet the unforeseeable emergency. For purposes of the Plan, an unforeseeable emergency means an unanticipated emergency that is caused by an event beyond the control of the Participant and that would result in severe financial or medical hardship to the Participant if early withdrawal were not permitted. Severe financial or medical hardship shall be deemed to exist in the event of the Participant's long and serious illness, impending bankruptcy or other similar extraordinary circumstances. The determination of an unforeseeable emergency shall be made by the Administrator in its sole discretion, based on such information as the Administrator shall deem to be necessary and relevant and such

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

decision shall be final and binding on all parties.

- 7.6. TIME AND FORM OF ELECTIONS. All Distribution Elections under this Article VII shall be made at the time and in the form established by the Administrator and shall be subject to such other rules and limitations that the Administrator, in its sole discretion, may establish.
- 7.7. FORM OF PAYMENT AND WITHHOLDING. All payments under the Plan shall be made in cash and are subject to the withholding of all applicable federal, state and local and foreign governmental taxes; provided, however, any payment under the Plan that is attributable to the portion of a Participant's Account deemed invested in Company common stock shall be made in whole shares of Company common stock, with fractional shares paid in cash.

VIII. DEATH BENEFITS.

- 8.1. DEATH PRIOR TO COMMENCEMENT OF BENEFITS. If a Participant dies prior to commencement of payment of his or her Account, the Participant's Beneficiary shall receive a survivor benefit in an amount equal to the Participant's Account balance to be paid in a single lump sum as soon as practicable following the Participant's death.
- 8.2. DEATH AFTER COMMENCEMENT OF BENEFITS. If a Participant terminates employment due to Retirement or Disability, and dies prior to the time his or her Account balance has been fully distributed, the Participant's Beneficiary shall receive the remaining portion of the Participant's Account at the regularly-scheduled date of payment for any remaining installment payments of the Participant's Account.
- 8.3. ADMINISTRATOR DISCRETION REGARDING FORM. Notwithstanding the foregoing provisions of this Article VIII, a Beneficiary may request that the Administrator approve an alternate form of payment of survivor benefits under this Article VIII which request may be granted in the sole discretion of the Administrator.

IX. ADMINISTRATION.

- 9.1. AUTHORITY OF ADMINISTRATOR. The Administrator shall have full power and authority to carry out the terms of the Plan. The Administrator may establish such rules and regulations as it may consider necessary or desirable for the effective and efficient administration of the Plan. The Administrator's interpretation, construction and administration of the Plan, including any adjustment of the amount or recipient of the payments to be made, shall be binding and conclusive on all persons for all purposes. Neither the Company, including its officers, members or directors, nor the Administrator or the Board or any member thereof, shall be liable to any person for any action taken or omitted in connection with the interpretation, construction and administration of the Plan.
- 9.2. PARTICIPANT'S DUTY TO FURNISH INFORMATION. Each Participant shall furnish to the Administrator such information as it may from time to time request for the purpose of the proper administration of this Plan.

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

- 9.3. INTERESTED MEMBER OF ADMINISTRATOR. If a member of the Administrator is also a Participant in the Plan, he or she may not decide or determine any matter or question concerning his or her benefits unless such decision or determination could be made by him or her under the Plan if he or she were not a member of the Administrator.
- 9.4. INDEMNIFICATION. No person (including any present or former member of the Administrator, and any present or former officer or member of the Company or any Affiliate) shall be personally liable for any act done or omitted to be done in good faith in the administration of the Plan. Each present or former officer or member of the Company or any Affiliate to whom the Administrator has delegated any portion of its responsibilities under the Plan and each present or former member of the Administrator shall be indemnified and saved harmless by the Company (to the extent not indemnified or saved harmless under any liability insurance or other indemnification arrangement with respect to the Plan) from and against any and all claims of liability to which they are subjected by reason of any act done or omitted to be done in good faith in connection with the administration of the Plan, including all expenses reasonably incurred in their defense if the Company fails to provide such defense. No member of the Administrator shall be liable for any act or omission of any other member of the Administrator, nor for any act or omission upon his own part, excepting his own willful misconduct or gross neglect.
- 9.5. CLAIMS PROCEDURE. If a Participant or Beneficiary ("Claimant") is denied all or a portion of an expected benefit under this Plan for any reason, he or she may file a claim with the Administrator. The Administrator shall notify the Claimant within 90 days of allowance or denial of the claim, unless the Claimant receives written notice from the Administrator prior to the end of the 90-day period stating that special circumstances require an extension (of up to 90 additional days) of the time for decision. The notice of the decision shall be in writing, sent by mail to Claimant's last known address, and if a denial of the claim, shall contain the following information: (a) the specific reasons for the denial; (b) specific reference to pertinent provisions of the Plan on which the denial is based; and (c) if applicable, a description of any additional information or material necessary to perfect the claim, an explanation of why such information or material is necessary, and an explanation of the claims review procedure. A Claimant is entitled to request a review of any denial of his or her claim by the Board. The request for review must be submitted within 60 days of mailing of notice of the denial. Absent a request for review within the 60-day period, the claim shall be deemed to be conclusively denied. The Claimant or his or her representatives shall be entitled to review all pertinent documents, and to submit issues and comments orally and in writing. The Board shall render a review decision in writing within 60 days after receipt of a request for a review, provided that, in special circumstances the Board may extend the time for decision by not more than 60 days upon written notice to the Claimant. The Claimant shall receive written notice of the Board's review decision, together with specific reasons for the decision and reference to the pertinent provisions of the Plan.

X. AMENDMENT AND TERMINATION.

The Board may amend or terminate the Plan at any time; provided, however, that no such amendment or termination shall have a material adverse effect

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

on any Participant's rights under the Plan accrued as of the date of such amendment or termination without such Participant's written consent. Upon termination of the Plan, the Board may cause a lump-sum payment of all benefits for all Participants at substantially the same time.

XI. MISCELLANEOUS.

- 11.1. NO IMPLIED RIGHTS RIGHTS ON TERMINATION OF SERVICE. Neither the establishment of the Plan nor any amendment thereof shall be construed as giving any Participant, Beneficiary or any other person, individually or as a member of a group, any legal or equitable right unless such right shall be specifically provided for in the Plan or conferred by specific action of the Board or the Administrator in accordance with the terms and provisions of the Plan. Except as expressly provided in this Plan, neither the Company nor any of its Affiliates shall be required or be liable to make any payment under the Plan.
- 11.2. NO EMPLOYMENT RIGHTS. Nothing herein shall constitute a contract of employment or of continuing service or in any manner obligate the Company or any Affiliate to continue the services of any Participant, or obligate any Participant to continue in the service of the Company or Affiliates, or as a limitation of the right of the Company or Affiliates to discharge any of their members, with or without cause.
- 11.3. NATURE OF THE PLAN.
- (a) UNFUNDED PLAN. Nothing herein contained shall require or be deemed to require the Company to segregate, earmark or otherwise set aside any funds or other assets to provide for any payments made hereunder. Benefits hereunder shall be paid from assets which shall continue, for all purposes, to be part of the general, unrestricted assets of the Company and its Affiliates. The obligations of the Company hereunder shall be an unfunded and unsecured promise to pay money in the future. However, the Company may establish one or more trusts to assist in meeting its obligations under the Plan, the assets of which shall be subject to the claims of the Company's general creditors. No current or former Participant, Beneficiary or other person, individually or as a member of a group, shall have any right, title or interest in any account, fund, grantor trust, or any asset that may be acquired by the Company in respect of its obligations under the Plan (other than as a general creditor of the Company with an unsecured claim against its general assets).
- (b) EXCEPTION FOR CHANGE IN CONTROL. Notwithstanding the provisions of paragraph (a) of this Section 11.3, the Company shall create a rabbi trust to hold funds to be used in payment of the obligations of the Company under the Plan, which trust shall not be funded except as provided in the following sentence. In the event of a Change in Control (or prior thereto in the sole discretion of the Company), the Company shall fund such trust in an amount equal to not less than the total value of the Participants' Accounts under the Plan as of the Valuation Date immediately preceding the Change in Control, provided that any funds contained therein shall remain subject to the claims of the Company's general creditors. In addition, upon a Change in Control, the trust

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

by its terms shall become irrevocable.

- 11.4. NONTRANSFERABILITY. Prior to payment thereof, no benefit under the Plan shall be assignable or subject to any manner of alienation, sale, transfer, claims of creditors, pledge, attachment or encumbrances of any kind, except pursuant to a domestic relations order awarding benefits to an "alternate payee" (within the meaning of Code Section 414(p)(8)) that the Administrator determines satisfies the criteria set forth in paragraphs (1), (2) and (3) of Code Section 414(p) (a "DRO"). Notwithstanding any provision of the Plan to the contrary, the Plan benefits awarded to an alternate payee under a DRO shall be paid in a single lump sum to the alternate payee on the Valuation Date as soon as administratively practicable following the date the Administrator determines the order is a DRO, and such amounts, as adjusted for earnings, gains and losses, will be deducted from the Participant's Account as of such Valuation Date.
- 11.5. SUCCESSORS AND ASSIGNS. The rights, privileges, benefits and obligations under the Plan are intended to be, and shall be treated as legal obligations of and binding upon the Company, its successors and assigns, including successors by merger, consolidation, reorganization or otherwise.
- 11.6. PAYMENT WITH RESPECT TO INCAPACITATED PERSONS. Any amounts payable hereunder to any person who is a minor or under a legal disability, as determined under applicable state law, or who is unable to manage properly his or her financial affairs may be paid (a) to the legal representative of such person, (b) to anyone acting as the person's agent under a durable power of attorney, (c) to an adult relative or friend of the person or (d) to anyone with whom the person is residing. Any payment of a benefit made in accordance with the provisions of this section shall be a complete discharge of any liability for the making of such payment under the Plan. The Administrator's reliance on the written power of attorney or other instrument of agency governing a relationship between the person entitled to benefit the person to whom the Administrator directs payment of the benefit shall be fully protected at least to the same extent as though the Administrator had dealt directly with the person entitled to the benefit as a fully competent person. In the absence of actual knowledge to the contrary, the Administrator may assume that the instrument of agency was validly executed, that the person was competent at the time of execution and that at the time of reliance, the agency had not been terminated or amended.
- 11.7. ARBITRATION. Any controversy or claim arising out of or relating to this Plan, or breach hereof, shall be settled by arbitration in the City of Chicago in accordance with the laws of the State of Illinois with an arbitrator appointed by the Company. The arbitration shall be conducted in accordance with the rules of the American Arbitration Association, except with respect to the selection of an arbitrator. The arbitrator's determination shall be final and binding upon all parties and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.
- 11.8. GENDER AND NUMBER. Except when otherwise indicated by the context, words in the masculine gender shall include the feminine and neuter genders, the plural shall include the singular, and the singular shall include the plural.

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

- 11.9. HEADINGS. The headings of the various Articles and Sections in the Plan are solely for convenience and shall not be relied upon in construing any provisions hereof. Any reference to a Section shall refer to a Section of the Plan unless specified otherwise.
- 11.10. SEVERABILITY. Whenever possible, each provision of the Plan shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of the Plan is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, and the Plan shall be reformed, construed and enforced in such jurisdiction so as to best give effect to the intent of the Company under the Plan.
- 11.11. EFFECT ON OTHER EMPLOYEE BENEFIT PLANS. Any benefit paid or payable under this Plan shall not be included in a Participant's compensation for purposes of computing benefits under any employee benefit plan maintained or contributed by the Company or any Affiliate except as may otherwise be required under the specific terms of such employee benefit plan.
- 11.12. NON-U.S. PARTICIPANTS. With respect to any Affiliate which employs Participants who reside outside the United States, and notwithstanding anything herein to the contrary, the Administrator may, in its sole discretion, amend the terms of the Plan in order to conform such terms with the requirements of local law or to meet the objectives of the Plan, and may, where appropriate, establish one or more sub-plans to reflect such amended provisions.
- 11.13. APPLICABLE LAW. This Plan is established under and will be construed according to the laws of the State of Illinois, to the extent not preempted by the laws of the United States.
- 11.14. CHANGES IN LAW AFFECTING TAXABILITY.
- (a) OPERATION. This Section 11.14 shall become operative upon the enactment of any change in applicable statutory law or the promulgation by the Internal Revenue Service of a final regulation or other pronouncement having the force of law, which statutory law, as changed, or final regulation or pronouncement, as promulgated, would cause any Participant to include in his or her federal gross income amounts accrued by the Participant under the Plan on a date (an "Early Taxation Event") prior to the date on which such amounts are made available to him or her hereunder.
- (b) AFFECTED RIGHT OR FEATURE NULLIFIED. Notwithstanding any other provision of the Plan to the contrary, but subject to subsection (c), below, as of an Early Taxation Event, the feature or features of this Plan that would cause the Early Taxation Event shall be null and void, to the extent, and only to the extent, required to prevent the Participant from being required to include in his or her federal gross income amounts accrued by the Participant under the Plan prior to the date on which such amounts are made available to him or her hereunder. If only a portion of a Participant's Account is impacted by the change in the law, then only such portion shall be subject to this Section, with the remainder of the

Edgar Filing: WOODWARD GOVERNOR CO - Form DEF 14A

Account not so affected being subject to such rights and features as if the law were not changed. If the law only impacts Participants who have a certain status with respect to the Company, then only such Participants shall be subject to this Section 11.14.

- (c) TAX DISTRIBUTION. If an Early Taxation Event is earlier than the date on which the statute, regulation or pronouncement giving rise to the Early Taxation Event is enacted or promulgated, as applicable (i.e., if the change in the law is retroactive), there shall be distributed to each Participant, as soon as practicable following such date of enactment or promulgation, the amounts that became taxable on the Early Taxation Event."

Exhibit A--Investment Funds Under the Woodward Governor Company Executive Benefit Plan

The Investment Funds designated by the Administrator, in its sole discretion and from time to time, as the basis for determining the hypothetical investment return to be credited to Participants' Accounts in accordance with Article VI of the Woodward Governor Company Executive Benefit Plan (the "Plan"), if applicable, are currently as follows:

1. Vanguard Treasury Money Market Fund,
2. Vanguard Short-Term Corporate Fund,
3. Vanguard Total Bond Market Index Fund,
4. Vanguard Wellington Fund,
5. Vanguard 500 Index Fund,
6. Vanguard Windsor II Fund,
7. Vanguard U.S. Growth Fund,
8. Vanguard International Growth Fund,
9. Vanguard Explorer Fund, and
10. Woodward Governor Company Common Stock, but only if the Participant's investment election for this Investment Fund is approved in advance for such Participant by the Board of Directors of Woodward Governor Company (the "Board"). Notwithstanding any provision of the Plan or this Exhibit A to the contrary, if a Participant is granted permission to elect this Investment Fund, such Participant may only revoke such Investment Fund election with the prior approval of the Board. Any such revocation shall only be effective with respect to future deferrals and credits. Any portion of the Participant's Account deemed invested in the Company's Common Stock shall continue to be deemed to be invested in Common Stock and may not be transferred to any other hypothetical Investment Fund. The applicable value of the common stock as of any Valuation Date shall be equal to the closing price of such common stock on NASDAQ quoted by the Wall Street Journal for the applicable Valuation Date. The Participant's Account shall also be credited with deemed dividends, if any, on such common stock.
