PART I

INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

ITEM 1. PLAN INFORMATION

The Registrant is offering shares of its Common Stock, \$.01 par value per share, to a consultant for consulting and advisory services performed on the Registrant's behalf. This issuance of shares is being made pursuant to a Consulting Agreement between the Registrant and Consultant dated and effective as of February 16, 2000 (the "Plan"). The Registrant has equated the number of shares of Common Stock to be issued pursuant to the Plan to the value of the advisory or consulting services provided or to be provided by the Consultant. The shares of Common Stock issued hereunder to the Consultant, who is not an affiliate of the Registrant as defined in Rule 405 of the Securities Act, will not be subject to any resale restrictions. The Plan is not qualified under ERISA.

The consulting or advisory services for which these shares are being issued are not in connection with any offer or sale of securities in a capital-raising transaction and do not directly or indirectly promote or maintain a market for the securities of the Registrant.

The Plan is not qualified under Section 401(a) of the Internal Revenue Code. The Consultant, therefore, will be deemed to recognize ordinary income during the taxable year in which the first of the following events occurs: (a) the shares become freely transferable; or (b) the shares cease to be subject to a substantial risk of forfeiture. Accordingly, the Consultant will receive compensation taxable at ordinary rates equal to the fair market value of the shares on the date of receipt since there will be no substantial risk of forfeiture or other restrictions on transfer in existence on the date. The Consultant is urged to consult his tax advisor on this matter. The amount of income recognized by the Consultant hereunder will be an expense deductible by the Registrant for federal income tax purposes in the taxable year of the Registrant in which the Consultant recognizes income.

ITEM 2. REGISTRANT INFORMATION AND EMPLOYEE PLAN ANNUAL INFORMATION.

The Consultant shall be provided a written statement advising him of the availability without charge, upon written or oral request, of the documents incorporated by reference in Item 3 of Part II of the registration statement, and stating that these documents are incorporated by reference in the Section 10(a) prospectus. The statement also shall indicate the availability without charge, upon written or oral request, of other documents required to be delivered to employees pursuant to Rule 428(b). The statement shall include the address (giving title or department) and telephone number to which the request

#### Item 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Atlas Minerals Inc. (formerly Atlas Corporation) is principally engaged in the exploration, development and exploitation of mineral properties and is actively in the process of identifying new acquisition opportunities in the natural resource sector. Throughout this document, use of the term "Registrant," "Company," "Reorganized Company," or "Atlas" refers to Atlas Minerals Inc. and its subsidiaries from and after December 11, 1999. Use of the term "Predecessor Entity" refers to Atlas Corporation and its subsidiaries prior to December 11, 1999.

permitted by such law, eliminate or limit the personal liability of directors to the Registrant and its shareholders for monetary damages for certain breaches of fiduciary duty and the duty of care. Such indemnification may be available for liabilities arising in connection with this offering. Insofar as indemnification for liabilities under the Securities Act of 1933 (the "Securities Act") may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. Pursuant to its Articles of Incorporation, the Registrant may indemnify its officers, employees, agents and other persons to the fullest extent permitted by Colorado Law. indemnification agreements with its directors and executive officers pursuant to which the Registrant has agreed to indemnify such persons in certain circumstances.

The Registrant's Bylaws also provide that the Registrant shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, partner, trustee, employee, fiduciary or agent of the Registrant, or who, while a director, officer, partner, trustee, employee, fiduciary or agent, is or was serving as a director, officer, partner, trustee, employee, fiduciary or agent of one of the Registrant's subsidiaries or, at the request of the Registrant, of any other organization, against any liability asserted against such person or incurred by such person in any such capacity, whether the Registrant would have the power to indemnify such person against such liability under Colorado Law. The Registrant intends to purchase and maintain insurance on behalf of all of its directors and executive officers.

Item 9. UNDERTAKINGS

A. The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

## Edgar Filing: ATLAS MINERALS INC - Form S-8

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

3

provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefits plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such

Edgar Filing: ATLAS MINERALS INC - Form S-8

liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Lakewood, State of Colorado, on the 29th day of April 2003.
