Safe Harbor

We have included or incorporated by reference in this document financial estimates and other forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These estimates and statements are subject to risks and uncertainties, and actual results might differ materially from these estimates and statements. Such estimates and statements include, but are not limited to, statements about the benefits of the acquisition, including future financial and operating results, VeriFone's plans, objectives, expectations and intentions, the markets for products, and other statements that are not historical facts. Such statements are based upon the current beliefs and expectations of the management of VeriFone Holdings, Inc. and Lipman Electronic Engineering Inc. and are subject to significant risks and uncertainties outside of their control. There is no assurance the transaction contemplated in this release will be completed at all, or completed upon the same terms and conditions described.

The following factors, among others, could cause actual results to differ from those described in the forward-looking statements in this document: the ability to obtain governmental approvals of the merger on the proposed terms and schedule; the failure of VeriFone stockholders to approve the issuance of VeriFone common shares or the failure of Lipman shareholders to approve the merger; the risk that the businesses of VeriFone and Lipman will not be integrated successfully or as quickly as expected; the risk that the cost savings and any other synergies from the merger may not be fully realized or may take longer to realize than expected; disruption from the merger making it more difficult to maintain relationships with customers, employees or suppliers. Additional factors that may affect future results are contained in VeriFone's and Lipman's filings with the Securities and Exchange Commission (SEC), which are available at the SEC's Web site (<http://www.sec.gov>). Neither VeriFone nor Lipman is under any obligation, and expressly disclaim any obligation, to update, alter or otherwise revise any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future events or otherwise.

Disclosures

In connection with the proposed transaction, VeriFone intends to file a registration statement on Form S-4, including a proxy statement for VeriFone, with the Securities and Exchange Commission (the SEC). Investors and security holders are urged to read the registration statement, including the proxy statement (and all amendments and supplements to it) and other materials that VeriFone may file with the SEC when they become available, because they contain important information. Investors and security holders will be able to obtain free copies of the registration statement, including the joint proxy statement/prospectus, as well as VeriFone's other filings, at the SEC's web site (www.sec.gov) when they become available. Free copies of VeriFone's filings with the SEC may also be obtained at VeriFone's web site (www.VeriFone.com) or by directing a request to: VeriFone Holdings Inc., 2099 Gateway Place, Suite 600, San Jose, CA 95110 (Tel: +1-408-232-7800, Attention: Director, Corporate Development & IR).

VeriFone, Lipman and their respective directors and executive officers and certain other members of management and employees may be deemed to be participants in the solicitation of proxies from VeriFone stockholders in respect of the proposed transaction. Information regarding VeriFone's directors and executive officers is available in its Annual Report on Form 10-K for the year ended October 31, 2004, filed with the SEC on December 20, 2005 and its proxy statement for its 2006 annual meeting of stockholders, filed with the SEC on February 17, 2006. Information regarding Lipman's directors and executive officers is available in Lipman's 2005 Annual Report on Form 20-F filed with the SEC on March 9, 2006. Additional information regarding the interests of such potential participants will be included in the registration statement and proxy statement/prospectus, and the other relevant documents filed with the SEC when they become available.
