Edgar Filing: REMEDYTEMP INC - Form DEFA14A

Hello my friends-

I was able to connect with Steve Sorenson, the CEO of Select last night. We had a very positive conversation.

As we all worked through the shock of the news and began to process what it might mean for our businesses, I was encouraged by so many of you as you expressed optimism in our future together, and in your confidence in our franchise leadership team and FAC leaders. Many asked if extended franchise contracts could be signed immediately. Truly, you are an inspiration to us.

You are a strong, committed group of remarkable people. What you think and feel is very important to us. We want to make sure that all your questions and concerns are addressed. If you have not already communicated with one of us, please take a few moments this weekend to thoughtfully consider items important to you, then email your input to Deborah, Natalie, Melissa, Carolyn, your FAC leader or me.*

During the roadshows we talked about leadership, and about building top performing teams. We realized again how sharing our strength and experience with each other will lead us to even greater success. And now we have a defining moment - a true leadership opportunity to be rock solid for our employees, associates and clients. Please join us in creating an environment of open communication, positive anticipation and genuine confidence in our future.

Natalie, Deborah and I are united in our enthusiasm about the franchise group's opportunities in this new chapter of our Remedy story. There are many advantages of becoming a private company once again, being able to leverage both company's best practices, and of being a part of a billion dollar organization.

We will have our Executive Briefing call as scheduled next week, Wednesday, 10am PST. And yes, we will have a conference this fall. So, let's get back to building our businesses. We have a few things to accomplish between now and then.

Remedy Franchise Division Rocks!

Your biggest fan -

Janet

P.S. Congrats to everyone on a terrific week last week. 18% y/y growth in GM\$, 14% up in billings, and GM% of 20.5%
