- **improvement in EPS 2009 of approximately 13% following synergies**
- **dividend distribution of at least 60% of net income**
- **Corporate governance composed of Supervisory Board and Management Board**
- **Organization model to strengthen the local Bank concept, with the integration of the Banca Intesa and Sanpaolo IMI networks and single branding where there are no local brands**

Turin, 26 August 2006 - The Board of Directors of Sanpaolo IMI, meeting today chaired by Enrico Salza, approved the Banca Intesa merger project guidelines.

Following the merger, the Group will be among the leaders in European banking and able to compete in financial services at a supranational level, through a strengthening in the domestic market which presents special characteristics.

The new Group, even before synergies, will be **among the leading banking groups in the eurozone with a market capitalization of more than 65 billion euro** and will be **the leader in Italy with more than 13 million clients and an average market share of around 20% in all business areas**, retail, corporate and wealth management, in line with Europe's leading banks.

On the basis of 2005 results and the aggregation of the market shares of the two companies, the new Group would be first in Italy in several sectors:

	Sanpaolo IMI + Banca Intesa		
	Market share		Position
Customer deposits	22.1	%	1°
Customer loans	21.8	%	1°
Retail			
Asset management	32.4	%	1°
Bancassurance	30.4	%	1°
Private banking	27.6	%	1°
Mortgages	23.8	%	1°
Consumer credit	16.1	%	1°
Corporate			
IPO	29.8	%	1°
Factoring	25.3	%	1°
Foreign Exchange settlement	25.4	%	1°
Syndicated loans	10.1	%	1°
Equity Brokerage	8.1	%	1°

The new company will also be the Italian leader in Public Entities and infrastructure.

The network of more than 6,000 branches of the new Group in Italy will be well distributed throughout the country, with market shares of more than 15% in 15 regions and less than 5% in only seven provinces. Rationalization would mean a reduction of up to approximately 10% of total branches.

The bank will be a leader in Italy, with the following branch market shares:

	Sanpaolo IMI + Banca Intesa		
	market share		position
North West	23.6	%	1°
North East	19.0	%	1°
Centre	13.9	%	1°
South and Islands	20.2	%	1°
Italy total	19.5	%	1°

More than 60% of the branches are in the North of Italy.

The new Group will also have a significant presence in central and eastern Europe, through the network of approximately 1,400 branches and 6 million clients (taking account of the acquisitions in course) of subsidiary banks operating in retail and commercial banking:

Company	Country	Position
PBZ	Croatia	2°

(1) In course of acquisition

The specialist international network to support corporate customers, in more than 30 countries, in particular the Mediterranean basin and the areas of greatest dynamism for Italian companies such as the USA, Russia, China and India, will be also strengthened.

* * *

The merger project guidelines envisage in particular:

1. **Registered office** of the new company post merger will be in **Turin**, where the ordinary and extraordinary shareholders meetings will be held, and **operational management in Turin in Milan**.
2. **Exchange ratio of 3.115 ordinary shares of Banca Intesa for every ordinary share of Sanpaolo IMI** (following conversion of the current 284,184,018 azioni privilegiate). Consequently, after the issue of 5,840,177,487 new Banca Intesa shares, the **principal shareholders** of the new Group will have the following holdings of ordinary shares:

Crédit Agricole	9.1	%
Compagnia di San Paolo	7.0	%
Generali	4.9	%
Fondazione Cariplo	4.7	%
Banco Santander Central Hispano	4.2	%
Fondazione CR Padova e Rovigo	3.5	%
Fondazione CR Bologna	2.7	%
Gruppo Lombardo	2.5	%
Fondazione Cariparma	2.2	%
Caisse Nationale des Caisses d'Epargne	0.7	%

3. **Pre-tax synergies are estimated at approximately 1.3 billion euro in 2009 - approximately 75% in costs**, corresponding to approximately 9% of total costs, in line with recent mergers in the Italian banking system without taking account of rationalization in branch networks in the country or disposals of business. The cost synergies will come in particular from:

- IT systems
- back-office
- integration of central structures
- centralized purchasing
- renegotiation of outside contracts
- rationalization of administrative costs
- integration of product factories in the same areas of business.

Revenue synergies (approximately 2% of total revenues) are expected in particular from:

- increase in commercial effectiveness from local roots to allow cross-selling and enhanced share of wallet and the number of clients with the greatest improvement in competitive position
- increase in commercial effectiveness following enhanced critical mass, allowing optimized pricing leverage thanks to economies of scale and scope

- alignment to internal best practice, thanks to common factors in products, services, commercial approaches and instrumentation.
- 4. **preliminary one off pre-tax integration costs estimated at 1.5 billion euro.**
- 5. **preliminary financial estimates of the new Group following synergies**, to be confirmed by an Industrial Plan:
 - **net income in 2009 of approximately 7 billion euro**

5

- **average compound annual growth 2005-2009 net income equal to 13%**, adjusted for main non-recurring items recorded by the two companies in 2005
 - **improvement in EPS 2009, thanks to the synergies, of approximately 13%**
 - **distribution of dividends of at least 60% of net income**, with the possibility of returning excess capital to shareholders also in the light of strong expected value creation notwithstanding a **strong capital base and considerable investments in innovation and human capital**
 - maintenance of high **asset quality, proper of both companies.**
6. **corporate governance:** to ensure operational clarity and continuity, the Boards of Directors of the two Banks will propose to Shareholders that the Chairman of the **Supervisory Board** be Giovanni Bazoli, the Chairman of the **Management Board** Enrico Salza, Managing Director and Executive Director Corrado Passera and, two General Managers, with Pietro Modiano as Deputy. The Boards of Directors of the two Banks will also propose the participation of Alfonso Iozzo to the Boards.
7. the **organizational model** will strengthen the concept of Banca dei Territori, with the exclusive attribution of certain areas to each brand, moreover the integration of the networks of Banca Intesa S.p.A. and Sanpaolo IMI S.p.A will be realized under a single brand, where local brands are not operating.
8. the integration process is subject to necessary authorizations and will follow this **provisional timetable:**
- September/mid-November 2006: industrial plan, approval by the Boards of Directors of the merger project, authorizations, presentation of the operation to the market
 - December 2006: Extraordinary Shareholders Meetings to approve the merger
 - end 2006/beginning 2007: launch of the new company.
9. the decision approved today will not modify the process of Eurizon IPO.

* * *

The new Group will have the objective and responsibility to promote investments and innovation and contribute to the acceleration of growth and development of the companies in which it operates in all its components.

Corporate Governance structure grounded on the Supervisory Board and the Management Board

Organisational model to reinforce the Banca dei Territori pattern; integration of the Banca Intesa S.p.A. and Sanpaolo IMI S.p.A. networks with the adoption of a single brand where not present through local brands

Milano, 26th August 2006 The Board of Directors of Banca Intesa, which met today under the chairmanship of Giovanni Bazoli, approved the guidelines of the merger project with Sanpaolo IMI.

The Group resulting from the merger will be positioned among the leading European banking groups and able to compete in the financial service sector at a supranational level through a domestic strengthening process bearing unique features.

Before synergies, the new Group will be positioned **among the top banking groups in the Euro Zone with a market capitalisation of above 65 billion and be the undisputed leader in Italy with more than 13 million customers and an average market share of around 20% in all segments**, retail, corporate and wealth management, in line with the leading banks in the main European countries.

Based on the two companies' results for 2005 and the combination of their market shares, the new Group would rank first in Italy in many segments:

Banca Intesa + Sanpaolo IMI		
	market share	ranking
Customer deposits	22.1%	1 st
Loans to customers	21.8%	1 st
Retail		
Asset Management	32.4%	1 st
Bancassurance	30.4%	1 st
Private banking	27.6%	1 st
Mortgages	23.8%	1 st
Consumer Credit	16.1%	1 st
Corporate		
IPO	29.8%	1 st
Foreign trade settlements	25.4%	1 st
Factoring	25.3%	1 st
Syndicated loans	10.1%	1 st
Brokerage (equity trading)	8.1%	1 st

Moreover, the new Group will be the Italian leader in the public and infrastructure finance sector.

The new Group's domestic network of over 6,000 branches will be capillary and well-balanced throughout the territory with market shares above 15% in 15 regions and below 5% only in 7 provinces. The rationalisation of the presence on the territory may entail a reduction of up to around 10% of the total number of branches.

A leadership presence in all the Italian regions, therefore, with the following market shares in terms of branches:

Banca Intesa + Sanpaolo IMI		
	market share	ranking
North-West	23.6%	1 st
North-East	19.0%	1 st
Centre	13.9%	1 st
South & Islands	20.2%	1 st
Italy	19.5%	1 st

Over 60% of the branches are in the North of the country.

The new Group will also enjoy a significant presence in Central-Eastern Europe with the network of around 1,400 branches and 6 million customers (taking into account the acquisitions under way) of its banking subsidiaries operating in the retail and commercial banking activities:

company	country	ranking
PBZ	Croatia	2 nd
VUB	Slovakia	2 nd
Banca Intesa Beograd and Panonska (1)	Serbia	2 nd
CIB and IEB	Hungary	4 th
Ukrsotsbank (1)	Ukraine	4 th
UPI Banka	Bosnia	5 th
BIA	Albania	5 th
Banka Koper	Slovenia	6 th
KMB	Russian Federation(2)	n.m.
SPIMI Bank	Romania	n.m.

(1) Acquisition under way

(2) In this country Zao Banca Intesa is present, set up in 2003, the only Italian banking subsidiary licensed to operate in Russia, active in the corporate banking.

Moreover, the international network specialised in support of corporates will be strengthened and be present in over 30 countries, in particular the Mediterranean area and those areas where Italian enterprises are most active, such as the United States, Russia, China and India.

* * *

The guidelines of the merger project set forth, in particular, the following:

1. **legal Headquarters** after the merger **in Turin**, where therefore ordinary and extraordinary Shareholders Meetings will be held, and **operating Headquarters in Milan and Turin**;

2. **exchange rate of 3.115 Banca Intesa new ordinary shares for each Sanpaolo IMI ordinary share after the conversion of the current 284,184,018 privileged shares** of the latter. Consequently, after the issue of 5,840,177,487 Banca Intesa new ordinary shares, the new Group's **main shareholders** should own the following ordinary share capital stakes:

Crédit Agricole	9.1%
Compagnia di San Paolo	7.0%
Generali	4.9%
Fondazione Cariplo	4.7%
Banco Santander Central Hispano	4.2%
Fondazione CR Padova e Rovigo	3.5%
Fondazione CR Bologna	2.7%
Gruppo Lombardo	2.5%
Fondazione Cariparma	2.2%
Caisse Nationale des Caisses d'Epargne	0.7%

3. **estimated fully phased-in pre-tax preliminary synergies of around 1.3 billion in 2009 of which around 75% from cost synergies**, corresponding to around 9% of the combined costs, in line with the recent merger operations in the Italian banking system, without taking into account rationalisation of the presence on the territory and/or asset disposals. Cost synergies are expected in particular from:

- unification of IT systems,
- unification of back-office structures,
- integration of central functions,
- centralisation of purchase functions,
- external contract renegotiation,
- rationalisation of administrative expenses,
- integration/merger of product companies operating in the same business areas.

Revenue synergies (around 2% of combined revenues) are expected in particular from:

commercial effectiveness increase following the deeper entrenchment in the territory which will enable to maximise cross-selling and increase the share of wallet and number of customers in the provinces where competitiveness will improve most,

commercial effectiveness increase due to the enlarged critical mass which will enable to optimise the pricing lever thanks to economies of scale and scope,

alignment of the new Group to internal best practices thanks to sharing of products, services, commercial approaches and support systems;

4. one-off pre-tax preliminary estimated integration costs of around 1.5billion;

5. **preliminary estimates of financial indicators of the new Group after synergies**, to be confirmed in the light of the drawing up of a Business Plan:

net income 2009 at around 7 billion,

CAGR net income 2005-2009 equal to around 13%, adjusted for the main non-recurring items registered by the two entities in 2005,

EPS improvement in 2009 following the synergies equal to around 13%,

pay-out equal to at least 60% of net income, with possibility to return excess capital to shareholders - also in the light of the above-mentioned expected strong value creation - notwithstanding the **high level of capitalisation and a massive plan of investments in innovation and human capital**,

maintaining the high **asset quality** characterising the two entities;

6. **corporate governance**: with the aim of ensuring clarity and operating continuity the Boards of Directors of the two banks will propose to the shareholders the following appointments: Giovanni Bazoli as chairman of the **Supervisory Board**, Enrico Salza as chairman of the **Management Board**, Corrado Passera as Managing Director and CEO, and Pietro Modiano, one of the two General Managers to be nominated, as Deputy to the Managing Director. Moreover, the Boards of Directors of the two banks will propose for Alfonso Iozzo the most appropriate participation in the Boards;

7. **organisational model** which will reinforce the **Banca dei Territori** pattern, with the attribution of a specific territory to each brand on an exclusivity basis; moreover, the Banca Intesa S.p.A. and Sanpaolo IMI S.p.A. networks will be integrated with the adoption of a single brand where local brands are not present;

8. merger process, subject to necessary approvals, should take place according to the following **previsional calendar**:

September/ mid November 2006: elaboration of the merger plan, approval by the Boards of Directors of the merger documentation, authorities approval, presentation of the operation to the market,

December 2006: Extraordinary Shareholders Meetings for the merger approval,

end of 2006/beginning of 2007: the new company is set up.
