On November 14, 2006, the Company also broadcast via teleconference and on the internet a conference call to discuss with investors the preliminary financial results for the quarter ended October 7, 2006. A replay of the conference call is available on the Company's website at www.fossil.com. Please refer to the Form 8-K filed with the SEC and the replay of the conference call on the Company's website regarding certain preliminary financial information for the quarter ended October 7, 2006. Because the Special Committee's review is not complete, the Company is unable to determine the impact of an adjustment, if any, to financial results related to equity granting practices. There can be no assurance that the Company will not have to restate its prior financial statements or adjust certain amounts provided in the press release and during the conference call until after the Special Committee completes its review related to the Company's equity granting practices.

Certain matters discussed in this Notification of Late Filing on Form 12b-25, including those relating to the nature and scope of the Special Committee's pending review, expectations as to the completion of the review and timing of the filing of the quarterly report on Form 10-Q for the period ended October 7, 2006, constitute forward-looking statements. Actual results or events could differ materially from those stated or implied in these forward-looking statements. Among the factors that could cause such results or events to differ materially are additional actions and findings resulting from the Special Committee's review as well as the other risks and uncertainties set forth in the Company's press release dated November 14, 2006 and the Company's SEC reports, which are available at the SEC's website at http://www.sec.gov. There can be no assurance concerning the results of the Special Committee's review or the timing of the filing of the Quarterly Report on Form 10-Q for the period ended October 7, 2006.
