## Edgar Filing: FORCE PROTECTION INC - Form 8-K

### ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

### ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES

On December 20, 2006, we completed a private placement of 13,000,000 shares of our common stock to institutional investors at \$11.75 per share, resulting in gross proceeds of \$152,750,000. The proceeds, net of commissions, were \$146,640,000.

We agreed to file a registration statement in order to register all 13,000,000 shares of common stock for resale and distribution under the 1933 Act within 30 calendar days after December 20, 2006, and cause the registration statement to be declared effective not later than 120 calendar days after December 20, 2006.

With respect to the sales of our common stock described above, we relied on the Section 4(2) exemption from securities registration under the federal securities laws for transactions not involving any public offering. No advertising or general solicitation was employed in offering the shares. The shares were sold to accredited investors. The shares were offered for investment purposes only and not for the purpose of resale or distribution, and the transfer thereof was appropriately restricted by us.

The foregoing description of the terms and conditions of the contract is qualified in its entirety by, and made subject to, the more complete information set forth in the Form of Securities Purchase Agreement filed as Exhibit 10.1, incorporated herewith.

This report may contain forward-looking statements that involve risks and uncertainties, including, without limitation, statements concerning our business and possible or assumed future results of operations. We generally use words such as believe, may, could, will, intend, expect, anticipate, plan, and similar expressions to identify forward-looking statements. You should not place undue reliance on these forward-looking statements. Our actual results could differ materially from those anticipated in the forward-looking statements for many reasons including: our ability to continue as a going concern, adverse economic changes affecting markets we serve; competition in our markets and industry segments; our timing and the profitability of entering new markets; greater than expected costs, customer acceptance of our products or difficulties related to our integration of the businesses we may acquire; and other risks and uncertainties as may be detailed from time to time in our public announcements and SEC filings. Although we believe the expectations reflected in the forward-looking statements are reasonable, they relate only to events as of the date on which the statements are made, and our future results, levels of activity, performance or achievements may not meet these expectations. We do not intend to update any of the forward-looking statements after the date of this document to conform these statements to actual results or to changes in our expectations, except as required by law.
