Item 2.05 Costs Associated with Exit or Disposal Activities.

On October 2, 2007, the Board of Directors of UTStarcom, Inc. (the Company) approved a restructuring plan (the Plan) to reduce operating costs, which includes a worldwide reduction in force of approximately 11% of the Company s headcount, or approximately 700 employees. The workforce reduction will be based primarily in the United States and China and, to a lesser degree, other international locations. Management expects the Plan to be completed in the fourth quarter of fiscal year 2007. The Company expects to incur a restructuring charge in connection with the Plan of approximately \$10 million, comprised largely of cash payments associated with one-time severance benefits, with the majority of the charge to be taken in the fourth quarter of 2007. In addition, the Company expects to realize annual cost savings in salary and compensation-related expenses of approximately \$21 million on an annualized basis.
