Item 8.01. Other Events.

On March 28, 2008, Bank of Hawaii Corporation (the Company) received proceeds from two transactions: the Company's interest in the mandatory redemption of Visa shares and the sale of its equity interest in an aircraft lease. From these gains, the Company expects to accrue employee incentives, pay a call premium on its Trust Preferred Securities, and make a contribution to the Bank of Hawaii Charitable Foundation. Also, resulting from the Company's quarterly evaluation of the allowance for loan and lease losses (the Allowance), the Company expects to increase its Allowance, reflecting increased risk in the commercial leasing and consumer portfolios. The net effect of these items will result in an increase in net income for the first quarter of 2008 of approximately \$7-9 million.

The Company will release first quarter 2008 financial results before the market opens on Monday, April 21, 2008 and hold its quarterly conference call to discuss results at 2:00 p.m. Eastern Time (8:00 a.m. Hawaii Time). The call will be accessible via teleconference and via the investor relations link of Bank of Hawaii Corporation's web site, [www.boh.com](http://www.boh.com). The conference call number is (888) 396-2386 in the United States or (617) 847-8712 for international callers. No passcode is required to access the call. A replay will be available for one week beginning 4:00 p.m. Eastern Time on Monday, April 21, 2008 by calling (888) 286-8010 in the United States or (617) 801-6888 for international callers. Enter the number 60965519 when prompted. A replay will also be available on the Company's web site.

This report contains forward-looking statements which are based on numerous assumptions, any of which could prove to be inaccurate and actual results may differ materially from those projected for a variety of reasons. For a detailed discussion of risks and uncertainties that could cause actual results to differ materially from such forward-looking statements, please refer to the risk factors discussed in the Company's Annual Report on Form 10-K for the year ended December 31, 2007 filed with the U.S. Securities and Exchange Commission. The Company does not undertake an obligation to update forward-looking statements to reflect later events or circumstances.
