If Yes is marked, indicate below the file number assigned to the registrant in connection with

Rule 12g3-2(b): 82-

Edgar Filing: LUXOTTICA GROUP SPA - Form 6-K

On July 1, 2008, Luxottica U.S. Holdings Corp. (U.S. Holdings), a direct wholly-owned subsidiary of Luxottica Group S.p.A. (the Parent), closed a private placement to institutional accredited investors (as defined in Rule 501(a)(1), (2), (3) or (7) of Regulation D under the U.S. Securities Act of 1933, as amended) of U.S. \$275 million of senior unsecured guaranteed notes (the Notes), issued in three series (Series A, Series B and Series C). The principal amounts of the Series A, Series B and Series C Notes are U.S. \$20 million, U.S. \$127 million and U.S. \$128 million, respectively. Interest on the Series A Notes accrues at 5.96 percent per annum, interest on the Series B Notes accrues at 6.42 percent per annum and interest on the Series C Notes accrues at 6.77 percent per annum. The Series A Notes mature on July 1, 2013, the Series B Notes mature on July 1, 2015 and the Series C Notes mature on July 1, 2018. The Notes are guaranteed on a senior unsecured basis by the Parent and Luxottica S.r.l., a wholly-owned subsidiary of the Parent. The Notes can be prepaid at the option of U.S. Holdings under certain circumstances. Banc of America Securities and UniCredit Capital Markets acted as placement agents for the transaction. The proceeds from the Notes, together with additional amounts borrowed from existing lines of credit, were used to repay the remaining outstanding principal amount, plus accrued interest and fees, of approximately U.S. \$351 million that became due and payable pursuant to the short-term U.S. \$500 million Bridge Facility Agreement entered into by U.S. Holdings in October 2007 to finance a portion of its acquisition of Oakley, Inc. (U.S. \$150 million of the Bridge Facility Agreement had already been refinanced in April 2008). This bridge loan facility had an interest rate of LIBOR (as defined in the Bridge Facility Agreement) plus 0.15 percent (3.011 percent on March 31, 2008).

EXHIBIT INDEX
