Section 8 Other Events

Item 8.01 Other Events.

On October 10, 2008, Pharmacoepia, Inc. (the Company) received notice that a putative class action complaint was filed by Allen Heilman, one of the Company's stockholders, against the Company and the members of its Board of Directors in the Superior Court of New Jersey, Mercer County (Equity Division). The complaint generally alleges that the Board's decision to enter into the proposed transaction with Ligand Pharmaceuticals Incorporated, a Delaware corporation (Ligand), on the terms contained in the proposed merger agreement constitutes a breach of fiduciary duty and gives rise to other unspecified state law claims. The complaint alleges that the named plaintiff will seek equitable relief, including among other things, an order preliminarily and permanently enjoining the proposed transaction. The complaint also names Ligand and two of its wholly-owned subsidiaries as defendants.

The Company believes that the allegations in the complaint are without merit and intends to vigorously defend against this action.

Additional Information and Where to Find It

The Company and its respective directors and executive officers may be deemed to be participants in the solicitation of proxies from the stockholders of the Company in favor of the proposed transaction.
