Announcement 23 April 2009, Lisbon

**Issuance of Eurobond**

Portugal Telecom announces the successful issuance of a Euro 1,000 million Eurobond, with a maturity of 4 years, through its wholly-owned subsidiary PT International Finance BV with a spread of 345bp over the mid swaps of similar maturity. The coupon of this issue will be 6.0%.

This operation is integrated in the financing strategy of PT, which aims at having diversified maturities and sources of financing. The proceeds will be used to fund PT's TV strategy and to provide additional financial flexibility, by reducing the use of commercial paper and standby lines.

Barclays Capital, BES Investimento, Caixa BI and Citigroup were the book-runners of this transaction.

PT has a rating of Baa2/stable by Moody's and BBB/stable by S&P.

Portugal Telecom, SGPS, SA	Public company	Portugal Telecom is listed on the Euronext and New York Stock Exchange. Information may be accessed on the Reuters under the symbols PTC.LS and PT and on Bloomberg under the symbol PTC PL.	Nuno Vieira

**FORWARD-LOOKING STATEMENTS**

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
