CF INDUSTRIES RECEIVES REQUEST FOR ADDITIONAL INFORMATION FROM FTC REGARDING ITS PROPOSED BUSINESS COMBINATION WITH TERRA INDUSTRIES

CF Industries Remains Confident That Transaction Will Be Approved

DEERFIELD, IL, June 3, 2009 CF Industries Holdings, Inc. (NYSE: CF) today announced that it has received a Request for Additional Information (Second Request), from the Federal Trade Commission (FTC) in connection with its proposed business combination with Terra Industries Inc. (NYSE: TRA). The Second Request is a routine aspect of the regulatory process that extends the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (HSR Act) during which the FTC is permitted to review the transaction for up to an additional 30 days after CF Industries complies with the Second Request, unless earlier terminated.

We are pleased that we have been able to narrow the focus of the FTC Staff's review and look forward to resolving the remaining questions promptly and to moving ahead with this important transaction, said Stephen R. Wilson, chairman, president and chief executive officer of CF Industries.

By providing information and working cooperatively with the FTC Staff throughout the HSR Act review process over the past 90 days, CF Industries has been able to help the FTC Staff narrow the focus of its review significantly. CF Industries looks forward to continuing to cooperate with the FTC Staff and intends to respond expeditiously to the Second Request.

CF Industries remains confident that the transaction will be approved in all relevant jurisdictions.
