Item 2.05 Costs Associated with Exit or Disposal Activities.

On June 9, 2009, the Board of Directors of UTStarcom, Inc. (the Company) approved a restructuring plan designed to reduce the Company's operating expenses and accelerate the Company's return to profitability (the Plan). The Plan includes, among other things, implementing a worldwide reduction in force of approximately 50% of the Company's headcount, or approximately 2,300 employees. Management expects to complete the worldwide workforce reduction by the end of the fourth quarter of 2009. The Company expects to incur a restructuring charge of between approximately \$40 million to \$45 million in connection with the reduction in force. The charge, which will be comprised largely of cash payments associated with one-time severance benefits, will be recorded in the second quarter of 2009. The majority of the cash expenditures related to the Plan are expected to be incurred in the third and fourth quarters of 2009.
