*Employment Agreement with David Overton.*

On July 14, 2009, the Compensation Committee of the Board of Directors (the "Committee") of The Cheesecake Factory Incorporated (the "Company") approved an employment agreement (the "Agreement") with David Overton, the Company's Chairman of the Board and Chief Executive Officer. The Agreement replaces a prior employment agreement with the Company which expired upon approval of the new Agreement. A summary of the material terms of the Agreement is set forth below and such summary is qualified in its entirety by reference to the definitive terms of the Agreement, a copy of which is filed herewith as Exhibit 10.1. Capitalized terms used without other definition in this Current Report on Form 8-K have the same meanings set forth in the Agreement.

The Agreement has a term beginning June 30, 2009 and ending on May 7, 2012; however, the Agreement shall terminate automatically upon Mr. Overton's death or Permanent Disability. Under the Agreement, and effective June 30, 2009, the Company shall pay Mr. Overton a salary at the initial annualized rate of \$850,000, which may be subject to increase in the discretion of the Committee. While employed full-time by the Company pursuant to the Agreement, Mr. Overton shall be eligible to be a participant in the Company's Performance Incentive Plan, including other discretionary bonus awards under the Incentive Plan, subject to the terms, conditions and limitations of such Incentive Plan, and shall be entitled to participate equitably with other executive officers in any plan of the Company relating to pension, thrift, profit sharing, life insurance, disability income insurance, medical coverage, education or other retirement or employee benefits that the Company has adopted or may adopt for the benefit of its executive officers. He also shall be entitled to receive (i) an annual paid vacation in accordance with the Company's general administrative policy, (ii) all other fringe benefits which are now or may be provided to the Company's executive officers and (iii) reimbursement of his reasonable business expenses in accordance with the Company's established policies.

During the term of the Agreement, and at the discretion of the Compensation Committee, Mr. Overton shall be eligible for future grants of options to purchase the Company's common stock, restricted shares or other equity incentives under the Company's equity incentive plans. If, on the Date of Termination, any installment of nonqualified stock options to purchase shares of the Company's common stock granted to Mr. Overton pursuant to the 2001 Omnibus Stock Incentive Plan (the "Plan") on or subsequent to December 29, 2004 and prior to May 7, 2009 are not then exercisable and Mr. Overton's employment has not terminated for Cause, such installment shall become immediately exercisable subject to expiration as set forth in the Plan or any option agreement.

The Company has also agreed to seek to maintain director and officer liability insurance while Mr. Overton is employed by the Company and to seek to maintain such insurance for a period of at least 36 months following his Date of Termination, subject to certain limitations as set forth in Section 11 of the Agreement.

If Mr. Overton's employment with the Company terminates for any reason other than for Cause, death or Permanent Disability, or if Mr. Overton voluntarily resigns his employment with the Company for a Good Reason, then the Company, following the Date of Termination and for the Term of the Agreement, shall (i) continue payment of Mr. Overton's then existing salary, (ii) at its expense, continue to provide Mr. Overton with an automobile at the comparable level provided to him prior to the Date of Termination, (iii) pay Mr. Overton a performance achievement bonus under the Incentive Plan that is proportionately adjusted to take into account the period of his actual service during the fiscal year in which his employment is terminated, subject to certain limitations as more fully described in the Agreement, and (iv) at its expense, continue on behalf of Mr. Overton and his dependents and beneficiaries the life insurance, disability, medical, dental and hospitalization benefits provided to Mr. Overton, on the terms and

conditions set forth and as further limited by Section 14(a) of the Agreement. In the event that Mr. Overton is entitled to receive Company Payments under the Agreement or under any other plan, agreement or arrangement with the Company that may separately or in the aggregate constitute parachute payments within the meaning of Internal Revenue Code Section 280G and such payments will be subject to any excise tax pursuant to Internal Revenue Code Section 4999 or any similar or successor provision, the Company Payments to Mr. Overton may be subject to certain reductions as more fully described in Section 10 of the Agreement.

In addition to all amounts otherwise payable under the Agreement, the Company shall pay Mr. Overton, during his lifetime or in the event of his death to his designated beneficiary or his estate if no beneficiary is designated, a Founder's Retirement Benefit in the annual amount of \$650,000 for a period of ten (10) years, payable in equal monthly installments. The Founder's Retirement Benefit shall commence on the first regular Company payroll date occurring at the later of the end of the Term of the Agreement or at least six (6) months and one (1) day after Mr. Overton's Separation from Service.

Following his Separation from Service and continuing during his lifetime, Mr. Overton shall have the title Founder of the Company and, if his employment was not terminated for Cause, he shall also have the title Chairman Emeritus. In addition, for a period of up to ten (10) years following his Separation from Service, provided that his employment was not terminated for Cause, the Company shall, insofar as feasible, provide to Mr. Overton an office in the Company's executive suite and the assistance of a secretary, subject to certain limitations as further described in Section 15 of the Agreement.
