The settlement with the IRS for these years addressed issues relating to payroll tax, transfer pricing and other income tax matters. Based on the completion of assessment of these years, the Company reviewed the adequacy of the previously established tax exposure reserves with respect to these years and re-measured the established tax positions for later years based on the experience gained from the tax examination and accordingly the following amounts have been included in the income statement during the three months ended September 30, 2009:

	<b>Three months ended September 30, 2009</b>
Reduction of accrual for payroll taxes (1)	(12)
Reduction in interest expense (2)	(18)

3 In December 2008, the Company received a Demand of approximately Rs. 4,587 for the Assessment Year 2003-04 including an interest demand of Rs. 2,586 (\$ 95 including an interest demand of approximately \$ 54) and another Demand in January 2009 of approximately Rs. 11,318 for the Assessment Year 2005-06 including an interest demand of approximately Rs. 4,220 (\$ 235 including an interest demand of approximately \$ 88). These new demands concern the same issue of disallowance of tax benefits under Section 10A as per earlier assessments. The Company has filed an appeal with the tax authorities and a stay of demand has been granted until June 30, 2009 or settlement of appeal whichever is earlier.

## Edgar Filing: Patni Computer Systems LTD - Form 6-K

As per stay of demand order, till September 2009, the Company has paid sum of Rs. 660 (\$ 14) for the Assessment Year 2003-04 and Rs. 1,710 (\$ 36) for the Assessment year 2005-06 as regards the matter under appeal. The Company has earlier filed an extension for stay of demand and the same has been granted till October 31, 2009 or settlement of appeal whichever is earlier. On October 30, 2009, the Company has filed for further extension of stay of demand. Management considers these demands as not tenable against the Company and, therefore, no provision for this tax contingency has been established.

The tax department had earlier rejected the Company's claim under section 10A and raised a demand of approximately Rs. 6,302 (\$ 131 including an interest demand of approximately \$ 39) for AY 2004-05 and Rs. 2,617 (\$ 54 including an interest demand of approximately \$ 29) for AY 2002-03 in December 2006 and December 2007 respectively. However on appeal, in 2008 the CIT (Appeals) had allowed the claim under section 10A of the Income Tax Act, 1961. The Indian Income tax department has appealed against the CIT (Appeals) orders in respect of assessment year 2002-03 and 2004-05 in the tribunal. Management considers these demands as not tenable against the Company and, therefore, no provision for this tax contingency has been established.

Certain other income tax related legal proceedings are pending against the Company. Potential liabilities, if any, have been adequately provided for, and the Company does not currently estimate any incremental liability in respect of these proceedings. Additionally, the Company is also involved in lawsuits and claims which arise in ordinary course of business. There are no such matters pending that the Company expects to be material in relation to its business.

4 The above statement of financial results were reviewed by the Audit Committee and approved by the Board of Directors at the meeting held on October 31, 2009.

8 In December 2008, the Company received a Demand of approximately Rs. 4,587 for the Assessment Year 2003-04 including an interest demand of Rs. 2,586 and another Demand in January 2009 of approximately Rs. 11,318 for the Assessment Year 2005-06 including an interest demand of approximately Rs. 4,220. These new demands concern the same issue of disallowance of tax benefits under Section 10A of the Income Tax Act, 1961, as per earlier assessments. The Company has filed an appeal with the tax authorities and stay of demand has been granted till 30 June 2009 or settlement of appeal whichever is earlier. As per stay of demand order, till September 2009, the company has paid a sum of Rs. 660 for the Assessment Year 2003-04 and Rs.1,710 for the Assessment year 2005-06 as regards the matter under appeal. The Tax department had earlier rejected our claim under section 10A and raised a demand of Rs. 6,302 for AY 2004-05 and Rs. 2,617 for AY 2002-03 in December 2006 and December 2007 respectively. The Indian Income tax department has appealed against the CIT (Appeals ) orders in respect of assessment years 2002-03 and 2004-05 in the tribunal. Management considers these demands as not tenable against the Company and, therefore, no provision for this tax contingency has been established.

Certain other income tax related legal proceedings are pending against the Company. Potential liabilities, if any, have been adequately provided for and the Company does not currently estimate any incremental liability in respect of these proceedings. Additionally, the Company is also involved in lawsuits and claims which arise in ordinary course of business. 6 In December 2008, the Company received a Demand of approximately Rs. 4,587 for the Assessment Year 2003-04 including an interest demand of Rs. 2,586 and another Demand in January 2009 of approximately Rs. 11,318 for the Assessment Year 2005-06 including an interest demand of approximately Rs. 4,220. These new demands concern the same issue of disallowance of tax benefits under Section 10A of the Income Tax Act, 1961, as per earlier assessments. The Company has filed an appeal with the tax authorities and stay of demand has been

## Edgar Filing: Patni Computer Systems LTD - Form 6-K

granted till 30 June 2009 or settlement of appeal whichever is earlier. As per stay of demand order, till September 2009, the company has paid a sum of Rs. 660 for the Assessment Year 2003-04 and Rs.1,710 for the Assessment year 2005-06 as regards the matter under appeal. The Company has filed an extension for stay of demand and the same has been granted till 31 October 2009 or settlement of appeal whichever is earlier. On 30 October, 2009, the Company has filed for further extension of stay of demand. Management considers these demands as not tenable against the Company and, therefore, no provision for this tax contingency has been established.

The Tax department had earlier rejected our claim under section 10A and raised a demand of Rs. 6,302 for AY 2004-05 and Rs. 2,617 for AY 2002-03 in December 2006 and December 2007 respectively. However on appeal in 2008, the CIT (Appeals) had allowed the claim under section 10A of the Income Tax Act, 1961. The Indian Income tax department has appealed against the CIT (Appeals ) orders in respect of assessment years 2002-03 and 2004-05 in the tribunal. Management considers these demands as not tenable against the Company and, therefore, no provision for this tax contingency has been established.

Certain other income tax related legal proceedings are pending against the Company. Potential liabilities, if any, have been adequately provided for, and the Company does not currently estimate any incremental liability in respect of these proceedings. Additionally, the Company is also involved in lawsuits and claims which arise in ordinary course of business. There are no such matters pending that Patni expects to be material in relation to its business.

7 During the three months ended 30 September 2008, the US Internal Revenue Service ( IRS ) completed its assessment of tax returns for the years ended 31 March 2003, 2004 and 2005 of the US branch of the Company. Based on the completion of assessment for these years, the Company reversed the excess tax exposure reserves and the related interest accruals with respect to these years and re-measured the established tax positions for later years based on the experience gained from the tax examination and accordingly, the following amounts have been included in the income statement for the three months ended 30 September 2008:

	<b>Three months ended 30 September 2008</b>

**Management Comments**

*Mr. Jeya Kumar, Chief Executive Officer, said, Our Overall performance from the quarter has been ahead of our expectations on all counts. We are very pleased with these results and hard work of our employees in these difficult times. While the global macro economic environment is still thwart with risks and challenges, the fading of solvency risks is positive with stable market place. Deflationary pressure on overall global IT services market is likely to continue for foreseeable future, however the off shoring and global delivery services market share will increase over time. We find ourselves in a good position competitively with our micro vertical focused strategy even as sustained visibility to growth is at least 2-3 quarters away.*

*Speaking on the occasion, Mr. Surjeet Singh, Chief Financial Officer, said, Volumes were up during the quarter and pricing was stable. All customer categories grew on volumes and marginal forex change. Cost realignment gains continued during the quarter as our operating earnings remained ahead of our expectations. With continued investments in geographic expansion, we are confident of capturing faster incremental growth along with inorganic additions besides gains on resultant absorption benefits in our cost base over the next 12- 18 months*
