EXECUTIVE COMPENSATION MATTERS (PROPOSAL 2)

PLEASE VOTE TO APPROVE OUR SAY-ON-PAY PROPOSAL

At our 2015 Annual Meeting, our stockholders will again have an opportunity to cast an advisory say-on-pay vote on the compensation paid to our named executive officers. We ask that our stockholders vote to approve executive officer compensation. Please see Proposal No. 2 Advisory Vote to Approve Named Executive Officer Compensation. Please also read our Compensation Discussion and Analysis beginning on page 19 for more information regarding our executive compensation program in 2014 and 2015.

WHAT MAKES US UNIQUE

Our Compensation Committee has established an executive compensation program for our executive officers taking into account the features of our company that make us unique:

- We grew as a family business and bear the name of our founder and Executive Chairman, Jon M. Huntsman
- We believe there is substantial value in our name, our history and the continued leadership of Jon M. Huntsman and Peter R. Huntsman, who has served as our CEO since 2000; their different leadership roles reflect their unique contributions
- We operate five distinct global divisions, and the presidents of these divisions are held accountable for both operating and financial performance, with our CEO fulfilling many of the duties of a chief operating officer; we believe this approach places additional responsibilities on our CEO and our Division Presidents as compared to many of our peers
- In our business sector, the financial measures most important to our investors are adjusted EBITDA(1) and free cash flow and we compensate our executive officers accordingly
- We maintain a close dialogue with our long-term investors regarding our business strategy, and we focus on long-term value creation for both our stockholders and debt holders

(1) Throughout this Proxy Statement, we refer to our EBITDA and adjusted EBITDA, which are non-GAAP financial measures. A presentation and reconciliation to the most directly comparable GAAP financial measures is contained on pages 65-67 of our Annual Report on Form 10-K for the year ended December 31, 2014, as filed with the SEC on February 18, 2015.

PERFORMANCE HIGHLIGHTS IN 2014

As described in more detail throughout the Compensation Discussion and Analysis beginning on page 19, one of the primary objectives of our executive compensation program is to align our executive officers' pay with our performance. 2014 was another successful year for our company. Specific performance highlights in 2014 include the following:

- Corporate adjusted EBITDA, the primary metric by which we believe our stockholders measure the financial performance of our company, was \$1,340 million
- Corporate net operating cash flow, which is also an important measure of the financial performance of our company and has a significant impact on our liquidity, was \$460.7 million
- Shared services fixed costs, which is used to evaluate the ability of shared corporate departments to beat budgetary estimates, was \$343.7 million
- Completion of the significant strategic acquisition of Rockwood Holdings' Performance Additives and Titanium Dioxide businesses (the Rockwood Acquisition)
- Annualized total stockholder return (TSR) of 25% from 2010 to 2014, which exceeded both the S&P 500 Index and the S&P 500 Chemicals Index averages

HOW WE PAID FOR PERFORMANCE IN 2014

For 2014, the Compensation Committee designed our executive compensation program so that a significant majority of each officer's total target direct compensation was in the form of performance-based incentive compensation. On average, 74% of the 2014 total target direct compensation of our NEOs was at risk, tied to specific annual performance metrics and the performance of our common stock.

HUNTSMAN 2015 PROXY

Table of Contents

HUNTSMAN CORPORATION : PROXY STATEMENT SUMMARY

MIX OF TOTAL TARGET DIRECT COMPENSATION IN 2014(1)

(1) Total target direct compensation consists of (i) annual base salary, (ii) the target annual cash performance award opportunity for 2014, and (iii) the aggregate grant date fair value of long-term equity incentive awards granted in the form of stock options and restricted stock. The amounts actually realized by our NEOs with respect to the annual cash performance awards and long-term equity incentive awards granted in 2014 depend, as applicable, on the level of attainment of the relevant performance goals and the value of our common stock when the awards vest or are exercised.

Based on our solid performance in 2014, during which all financial targets set for our annual cash performance awards were met or nearly met, the annual cash performance awards paid to our NEOs for 2014 were near or above their respective target award levels, thus aligning their pay with our overall performance for the year. See 2014 Executive Compensation Decisions 2014 Annual Cash Incentive Plan for additional information.

The following demonstrates the alignment of our CEO's total direct compensation to our performance in adjusted EBITDA and adjusted EBITDA excluding our Pigments business over the last five years (we call our other business divisions together our differentiated businesses). While we continue to compensate our executive officers based on the performance of our company as a whole, we believe that our executive officers are more directly able to influence the results of our differentiated businesses. Given the cyclical and volatility of the Pigments business, which we may ultimately separate from our differentiated businesses, the below chart also demonstrates the impact our executive officers have had on our differentiated businesses.

5-year adjusted ebitda vs. ceo total direct compensation(1)

(1) Total direct compensation consists of (i) annual base salary, (ii) the annual cash performance award paid for 2014, and (iii) the aggregate grant date fair value of long-term equity incentive awards granted in the form of stock options and restricted stock. See Executive Compensation Summary Compensation Table for total compensation paid to our CEO and other named executive officers.

HUNTSMAN 2015 PROXY

We believe our executive compensation program has created stockholder value over the long-term. Our average annual total return of 25.2% over the last five years exceeds the Standard & Poor 500 Stock Index (S&P 500) average annual return of 15.9% and the Standard & Poor Chemicals Index (S&P 500 Chemicals) average annual return of 17.4%. The cumulative stockholder returns, assuming reinvestment of dividends, on \$100 invested on December 31, 2009 are illustrated in the graph below.

COMPARISON OF CUMULATIVE FIVE YEAR TOTAL RETURN

(1) We reference the Standard & Poor 500 Stock Index and the Standard & Poor Chemicals Index, which are registered trademarks of the McGraw-Hill Companies, Inc.

While we believe our compensation programs in 2014 were effective in implementing our primary compensation objectives, the Compensation Committee determined to make certain changes to our compensation program for 2015 as highlighted below to further strengthen the alignment between our pay and performance.

OUR RESPONSE TO SAY-ON-PAY AND STOCKHOLDER OUTREACH

Edgar Filing: Huntsman CORP - Form DEF 14A

At our 2014 annual meeting, approximately 75% of the total votes cast (excluding abstentions) were in favor of our say-on-pay proposal. In determining executive compensation for 2015, the Compensation Committee considered the results of the 2014 say-on-pay vote. The Compensation Committee also instructed management to engage with a number of our stockholders to discuss topics relevant to our compensation practices. The following changes to our compensation practices are being made directly in response to this feedback and the say-on-pay results:

Feedback Received

Our Response

When Effective

We were encouraged to tie an even larger portion of executive compensation to objective performance measures

Added an umbrella bonus pool to cap aggregate payout under our annual incentive program according to performance in adjusted EBITDA

Fiscal year 2015

Instituted grants of performance share units that vest upon the achievement of relative TSR milestones

Modified the Executive Chairman's annual incentive award opportunity so that an increased portion (80%) is tied to the achievement of financial metrics

We were encouraged to implement a clawback policy

Adopted an executive compensation clawback policy, which applies to all Section 16 officers

September 2014

We were encouraged to provide a clearer explanation of how all elements of compensation are set

Enhanced proxy statement disclosure and presentation, specifically in the Compensation Discussion and Analysis

INFORMATION ABOUT THE MEETING

GENERAL

This Proxy Statement is being furnished to the stockholders of Huntsman Corporation in connection with the solicitation of proxies by its Board of Directors (the Board). The proxies are to be voted at our 2015 Annual Meeting of Stockholders (the Annual Meeting) to be held at The Woodlands Waterway Marriott Hotel and Convention Center, 1601 Lake Robbins Drive, The Woodlands, Texas 77380, at 8:30 a.m., local time, on May 7, 2015, and any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting. The Board is not aware of any other matters to be presented at the Annual Meeting.

The Board is soliciting your proxy to vote your shares at the Annual Meeting. We will bear the cost of the solicitation, including the cost of the preparation, assembly, printing and, where applicable, mailing of the Notice of Annual Meeting of Stockholders, this Proxy Statement, the proxy card, the Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) and any additional information furnished by us to our stockholders. In addition to solicitation by mail, certain of our directors, officers and employees may, without extra compensation, solicit proxies by telephone, facsimile, electronic means and personal interview. We have retained D.F. King & Co., Inc. to help us distribute and solicit proxies and have agreed to pay them \$13,500, plus reimbursement for out-of-pocket expenses, for these services. We will also make arrangements with brokerage houses, custodians, nominees and other fiduciaries to send proxy materials to their principals, and we will reimburse them for postage and clerical expenses.

DELIVERY OF PROXY MATERIALS

On or about March 26, 2015, we mailed a Notice of Internet Availability to our stockholders of record and beneficial owners who owned shares of our common stock at the close of business on March 13, 2015. The Notice of Internet Availability contained instructions on how to access the proxy

materials and vote online. We have made these proxy materials available to you over the Internet or, upon your request, have delivered paper versions of these materials to you by mail, in connection with the solicitation of proxies by our Board for the Annual Meeting.

Choosing to receive your future proxy materials by e-mail will save us the cost of printing and mailing documents to you. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

HUNTSMAN CORPORATION : PROXY STATEMENT

3

WHAT IS A PROXY?

A proxy is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. Peter R. Huntsman, our President and Chief Executive Officer (our CEO), and David M. Stryker, our Executive Vice President, General Counsel and Secretary, will serve as proxies for the Annual Meeting pursuant to the proxy card solicited by our Board.

4

WHAT IS A PROXY STATEMENT?

A proxy statement is a document that the regulations of the U.S. Securities and Exchange Commission (the SEC) require us to give you when we ask that you designate Peter R. Huntsman and David M. Stryker as proxies to vote on your behalf. This Proxy Statement includes information about the proposals to be considered at the Annual Meeting and other required disclosures, including information about the Board and our executive officers.

5

HOW CAN I ACCESS THE PROXY MATERIALS OVER THE INTERNET?

Your Notice of Internet Availability, proxy card or voting instruction card (as applicable) contains instructions on how to:

- view our proxy materials on the Internet; and
- instruct us to send future proxy materials to you electronically by e-mail.

If you choose to access future proxy materials electronically, you will receive an e-mail with instructions containing a link to the website where those materials are available and a link to the proxy voting website. Your election to access proxy materials by e-mail will remain in effect until you terminate it.

6

WHAT IS THE RECORD DATE AND WHAT DOES IT MEAN?

The record date for the Annual Meeting is March 13, 2015. Owners of record of our common stock at the close of business on the record date are entitled to:

- receive notice of the Annual Meeting; and
- vote at the Annual Meeting and any adjournments or postponements in accordance with our Bylaws.

At the close of business on March 13, 2015, there were 245,372,961 shares of our common stock outstanding, each of which is entitled to one vote on each item of business to be conducted at the Annual Meeting.

7

WHO MAY ATTEND THE ANNUAL MEETING?

All stockholders of record who owned shares of common stock at the close of business on March 13, 2015, or their duly appointed proxies, may attend the Annual Meeting and any adjournments or postponements thereof, as may our invited guests. Street name stockholders, as described in Question 10 below, who owned shares of common stock at the close of business on March 13, 2015, may also attend subject to the requirements set forth in Questions 10 and 11 below. Seating is limited and admission is on a first-come, first-served basis. If you attend the Annual Meeting, you will need to bring your Notice of Internet Availability or proxy card, as applicable, a form of personal identification (such as a driver's license) and check in at the registration desk at the Annual Meeting. ***Please note that if you hold shares in street name (that is, in a brokerage account or through a bank or other nominee), you also will need to bring a copy of a statement reflecting your share ownership as of March 13, 2015.***

8

HOW MANY VOTES ARE REQUIRED TO HOLD THE ANNUAL MEETING?

The required quorum for the transaction of business at the Annual Meeting is a majority of all outstanding shares of our common stock entitled to vote in the election of directors at the Annual Meeting, represented in person or by proxy. Consequently, the presence, in person or by proxy, of the holders of at least 122,686,481 shares of our common stock is required to establish a quorum at the Annual Meeting. Shares that are voted with respect to a particular matter are treated as being present at the Annual Meeting for purposes of establishing a quorum.

Table of Contents

HUNTSMAN CORPORATION : PROXY STATEMENT

9

WHAT IS THE DIFFERENCE BETWEEN A STOCKHOLDER OF RECORD AND A STOCKHOLDER WHO HOLDS STOCK IN STREET NAME?

Most stockholders hold their shares through a broker, bank or other nominee (i.e., in street name) rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those held in street name.

- **Stockholders of Record.** If your shares are registered directly in your name with our transfer agent, you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your voting proxy directly or to vote in person at the Annual Meeting.
- **Street Name Stockholders.** If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered, with respect to those shares, the beneficial owner of shares held in street name, and the Notice of Internet Availability or proxy materials are being forwarded to you by your broker, bank or other nominee, which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to instruct your broker, bank or other nominee how to vote and you are also invited to attend the Annual Meeting. **However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.** Your broker, bank or other or nominee has provided voting instructions for you to use in directing the broker, bank or other or nominee how to vote your shares. If you fail to provide sufficient instructions to your broker, bank or other nominee or nominee, they may be prohibited from voting your shares. See **If I am a street name holder, will my shares be voted if I do not provide my proxy?**

10

WHAT DIFFERENT METHODS CAN I USE TO VOTE?

Stockholders of Record: Stockholders of record may (1) vote their shares in person at the Annual Meeting by completing a ballot; or (2) submit a proxy to have their shares voted by one of the following methods:

- By Internet. You may submit a proxy electronically on the Internet by following the instructions provided on the proxy card or Notice of Internet Availability. Please have your proxy card or Notice of Internet Availability in hand when

Edgar Filing: Huntsman CORP - Form DEF 14A

you log onto the website. Internet voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Daylight Time, on May 6, 2015.

- **By Telephone.** You may submit a proxy by telephone (from U.S. and Canada only) using the toll-free number listed on the proxy card or Notice of Internet Availability. Please have your proxy card or Notice of Internet Availability in hand when you call. Telephone voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Daylight Time, on May 6, 2015.
- **By Mail.** If you received a paper copy of the proxy materials by mail, you may indicate your vote by completing, signing and dating your proxy card and returning it in the enclosed reply envelope.

Street Name Stockholders: Street name stockholders may generally vote their shares or submit a proxy to have their shares voted by one of the following methods:

- **By the Methods Listed on the Voting Instruction Form.** Please refer to the voting instruction form or other information forwarded by your bank, broker or other nominee to determine whether you may submit a proxy by telephone or on the Internet, following the instructions provided by the record holder.
- **In Person with a Proxy from the Record Holder.** ***You may vote in person at the Annual Meeting if you obtain a legal proxy from your bank, broker or other nominee.*** Please consult the voting instruction form or other information sent to you by your bank, broker or other nominee to determine how to obtain a legal proxy in order to vote in person at the Annual Meeting.

HUNTSMAN CORPORATION : PROXY STATEMENT

11

WHAT IF I AM A STOCKHOLDER OF RECORD AND I DON T SPECIFY A CHOICE FOR A MATTER WHEN RETURNING MY PROXY?

A proxy that is properly completed and submitted will be voted at the Annual Meeting in accordance with the instructions on the proxy. If you properly complete and submit a proxy, but do not indicate any contrary voting instructions, your shares will be voted as follows:

- FOR the election of the three Class I director nominees named in this Proxy Statement;
- FOR approval, on a non-binding advisory basis, of the compensation of our named executive officers; and
- FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2015.

If any other business properly comes before the stockholders for a vote at the meeting, your shares will be voted at the discretion of the holders of the proxy. The Board knows of no matters, other than those previously described, to be presented for consideration at the Annual Meeting.

12

IF I AM A STREET NAME STOCKHOLDER, WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY?

In some cases, your shares may be voted if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Specifically, brokerage firms have the authority under New York Stock Exchange (NYSE) rules to cast votes on certain routine matters if they do not receive instructions from the beneficial holder. For example, ratification of the appointment of the independent registered public accounting firms is considered a routine

Edgar Filing: Huntsman CORP - Form DEF 14A

matter for which a brokerage firm may vote shares for which it has not received voting instructions. This is called a broker discretionary vote. When a proposal is not a routine matter and a brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on that proposal. This is called a broker non-vote. The election of directors and the advisory vote to approve named executive officer compensation are not considered routine matters. Therefore, if you are a street name stockholder and do not provide voting instructions to your broker with respect to these matters, it will result in a broker non-vote with respect to such proposals. Broker non-votes will have no effect on the outcome of these proposals.

13

WHAT VOTES ARE NEEDED FOR EACH PROPOSAL TO PASS AND IS BROKER DISCRETIONARY VOTING ALLOWED?

Proposal	Vote Required	Broker Discretionary Vote Allowed
(1) Election of the three Class I director nominees	Plurality of the votes cast	No
(2) A non-binding advisory vote to approve the compensation of our named executive officers	Majority of shares represented in person or by proxy and entitled to vote	No
(3) Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2015	Majority of shares represented in person or by proxy and entitled to vote	Yes

14

WHAT HAPPENS IF ADDITIONAL PROPOSALS ARE PRESENTED AT THE ANNUAL MEETING?

If you grant a proxy, the persons named as proxy holders will have discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. Under Rule 14a-8 and the provisions of our Bylaws, the deadline for notifying us of any additional proposals to be presented at the Annual Meeting has passed and, accordingly, stockholders may not present proposals at the Annual Meeting.

15

CAN I CHANGE MY VOTE AFTER SUBMITTING MY PROXY?

If you are a stockholder of record, you may revoke a previously submitted proxy at any time before the polls close at the Annual Meeting by:

- voting again by telephone or through the Internet prior to 11:59 p.m. Eastern Daylight Time on May 6, 2015;
- requesting, completing and mailing in a new paper proxy card, as outlined in the Notice of Internet Availability;
- giving written notice of revocation to our Corporate Secretary by mail to Corporate Secretary, 500 Huntsman Way, Salt Lake City, Utah 84108 or by facsimile at (801) 584-5782; or
- attending the Annual Meeting and voting in person.

Edgar Filing: Huntsman CORP - Form DEF 14A

If you are a street name stockholder, you must follow the instructions to revoke your proxy, if any, provided by your bank, broker or other nominee.

16

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE NOTICE OF INTERNET AVAILABILITY OR MORE THAN ONE SET OF PROXY MATERIALS?

It means that you have multiple accounts with our transfer agent, Computershare, and/or brokers, banks or other nominees. Please vote all of your shares. We recommend that you contact Computershare and/or your broker, bank or other nominee (as applicable) to consolidate as many accounts as possible under the same name and address. If you have multiple accounts with Computershare that you want to consolidate, please submit your request by mail to Computershare Trust Company, N.A., P.O. Box 30170, College Station, TX, 77842, or by telephone at 1-866-210-6697. Computershare may also be reached through its website at www.computershare.com.

DIRECTOR COMPENSATION

Annual compensation for our non-employee directors is composed of cash and stock-based equity compensation. Directors who are also our officers or employees do not receive additional compensation for serving on the Board. Cash compensation paid to our non-employee directors consists of an annual retainer and a supplemental retainer for the chairs and members of Board committees. Stock-based equity compensation for 2014 consisted of awards granted under the Huntsman Stock Incentive Plan in the form of stock or stock units, at the election of each director.

Edgar Filing: Huntsman CORP - Form DEF 14A

The Board believes that compensation for non-employee directors should be competitive and should fairly compensate them for the time and skills devoted to serving us but, for independent directors, should not be so great as to compromise independence. With the assistance of Meridian Compensation Partners, LLC (Meridian), the Compensation Committee's independent compensation consultant, the Compensation Committee periodically reviews our non-employee director compensation practices and compares them to the practices of our peers as well as against the practices of public company boards generally to ensure they are in line with market practices.

We also offer non-employee directors the opportunity to participate in the Huntsman Outside Directors Elective Deferral Plan. This is an unfunded nonqualified deferred compensation plan established primarily for the purpose of providing our non-employee directors with the ability to defer the receipt of director fees. For 2014, Drs. Beckerle and Harker were the only non-employee directors who elected to participate in this plan, and each elected to defer all 2014 fees. The investment choices available under this plan are identical to the investment choices available under our 401(k) and MPP plans, which are described in greater detail below under Compensation Discussion and Analysis Elements of Huntsman's Executive Compensation Program Other Elements of Compensation. Benefits under the plan are payable in cash distributable either in a lump sum or in installments beginning 30 days after the director ceases to be a member of our Board.

Members of the Board may also participate in the Huntsman Director Matching Gift Program. Designed to demonstrate our commitment to worthy causes and to attract talented directors, our company will match charitable contributions made in cash up to a maximum of \$10,000 per director per year for organizations located in the United States that are tax exempt pursuant to Section 501(c)(3) of the Internal Revenue Code.

The Board believes that our total director compensation package is competitive with the compensation offered by other companies and is fair and appropriate in light of the responsibilities and obligations of our non-employee directors.

PART 3

CORPORATE GOVERNANCE

The Board is committed to corporate governance principles and practices that facilitate the fulfillment of its fiduciary duties to stockholders and to our company. Key corporate governance principles observed by the Board and our company include:

70% of directors are independent and all members of our Audit, Compensation and Governance Committees are independent

Lead independent director, Nolan D. Archibald, chairs executive sessions of our independent directors at all regular meetings

Board to be declassified in stages with all directors elected annually beginning in 2017

Mandatory director retirement age (subject to certain exceptions)

Separation of the offices of Chairman and Chief Executive Officer

No super-majority stockholder voting requirements

Stock ownership guidelines for directors and executive officers

Policy prohibiting short sales and hedging of shares of our common stock by directors and executive officers

The Audit, Compensation and Governance committees have authority to retain outside, independent advisers and consultants

Board and its committees exercise oversight of risks we face in a global market, including operational, financial, strategic, competitive, reputational, legal and regulatory risks.

BOARD GOVERNANCE

The Board and its committees meet throughout the year on a set schedule, and also hold special meetings and act by written consent from time to time as appropriate. During 2014, the Board met seven times, the non-management directors met in executive session four times and the independent directors met in executive session four times. During 2014, each director attended at least 75% of the aggregate of:

- the total number of meetings of the Board; and
- the total number of meetings held by all Board committees on which such person served.

BOARD LEADERSHIP STRUCTURE AND EXECUTIVE SESSIONS OF THE BOARD

According to our Bylaws, the Chairman of the Board is elected by all of the directors on the Board to preside at all meetings of the Board and stockholders. The Chairman of the Board is also required to make reports to the Board and the stockholders and to ensure that all orders and resolutions of the Board and any of its committees are carried into effect. Our Bylaws also allow the Board to elect an Executive Chairman. If elected, the Executive Chairman fills the role of Chairman of the Board and has other powers and duties including, among others, consulting on the strategic vision of our company, promoting Huntsman's interest through his influence and global ties and serving as a facilitator for communication between our officers and the Board. In accordance with our Corporate Governance Guidelines, the Executive Chairman is also responsible for establishing the agenda for each Board meeting. At the beginning of the year, the Executive Chairman establishes a schedule of agenda subjects to be discussed during the year (to the degree this can be foreseen). Each Board member is also free to suggest the inclusion of additional items on the agenda and to raise subjects at any Board meeting that are not on the agenda for that meeting. Jon M. Huntsman is currently the Executive Chairman. As such, he also fills the role of Chairman of the Board.

In accordance with our Corporate Governance Guidelines, the Board has no policy with respect to the separation of the offices of Chairman of the Board and Chief Executive Officer. Our Bylaws expressly allow our Chairman of the Board to also serve as President or Chief Executive Officer, if so elected by the Board. Currently, the Chairman of the Board does not serve as President or Chief Executive Officer. The Board believes that this issue should be considered periodically as part of the succession planning process and that it is in the best interests of our company for the Board to make a determination regarding this issue each time it appoints a new Chief Executive Officer. Based on these principles, the Board may determine that it is appropriate in the future to combine the roles of Chairman of the Board and Chief Executive Officer.

Table of Contents

HUNTSMAN CORPORATION : PROXY STATEMENT

Our Bylaws also allow the Board to elect one or more Vice Chairmen to preside at Board and stockholder meetings and to perform such other duties as may be delegated by the Board, in either case in the absence of Chairman of the Board. The Board believes that it obtains effective additional Board leadership through the role of the Vice Chairman, which is currently filled by Mr. Archibald, who also serves as Lead Independent Director. As Lead Independent Director, Mr. Archibald communicates with management on issues relevant to the independent directors and provides leadership on matters where management may have a conflict of interest. In accordance with our Corporate Governance Guidelines, non-management directors meet in executive session without management at each regularly scheduled Board meeting, or more frequently as needed at the call of one or more of our non-management directors. Our Corporate Governance Guidelines also require that our independent directors meet in executive session at least once annually without those non-management directors who are not independent, or more frequently as needed at the call of one or more of our independent directors. Mr. Archibald, who serves as Vice Chairman of the Board and Lead Independent Director, chairs these sessions.

We believe that the appropriate Board leadership structure for our company varies depending on the circumstances facing the Board and our company at any given time. For example, we have revised the Board's leadership structure in the past to address specific needs, such as the formation of a Litigation Committee (in November 2008) and the change of Jon M. Huntsman's role from Chairman to Executive Chairman (in February 2009) in recognition of his ongoing strategic leadership at both a Board and an executive level. We believe that our current Board leadership structure efficiently addresses our company's present needs and allows the Board to fulfill its role in exercising effective, independent oversight of our management on behalf of our stockholders. The Board further believes that we have in place effective structures, processes and arrangements to ensure that the work of the Board is completed in a manner that maintains the highest standards of corporate governance, independence and leadership, as well as continued accountability of management.

BOARD INDEPENDENCE

It is important to our company that investors have confidence that the individuals serving as independent directors on the Board do not have relationships with us that impair their independence. Under NYSE corporate governance rules, the Board must have a majority of independent directors. For a director to qualify as independent, the Board must affirmatively determine that the director has no material relationship with our company, either directly or as a partner, stockholder or officer of an organization that has a relationship with our company. To assist in making independence determinations, the Board has adopted independence criteria which can be found on our website at www.huntsman.com. Under these criteria, a director is not independent if:

- The director is, or has been within the last three years, an employee of our company or an employee of any of our subsidiaries, or an immediate family member is, or has been within the last three years, an executive officer of our company.
- The director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from us (other than director and committee fees and pension or other forms of deferred compensation for prior service, which compensation is not contingent upon continued service). Compensation received by an immediate family member for service as an employee (other than an executive officer) of ours is not considered for purposes of this standard.

Edgar Filing: Huntsman CORP - Form DEF 14A

- The (1) director or an immediate family member is a current partner of a firm that is our internal or external auditor; (2) director is a current employee of such a firm; (3) director has an immediate family member who is a current employee of such a firm and who personally works on our company's audit; or (4) director or an immediate family member was within the last three years a partner or employee of such a firm and personally worked on our audit within that time
- The director or an immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of our present executive officers at the same time serves or served on that company's compensation committee.
- The director is a current employee, or an immediate family member of the director is a current executive officer, of a company that has made payments to, or received payments from, us for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1.0 million or 2% of such other company's consolidated gross revenues.
- The director is an executive officer of any charitable or non-profit organization to which we have made, within the preceding three years, contributions in any single fiscal year that exceeded the greater of \$1.0 million, or 2% of such charitable or non-profit organization's consolidated gross revenues.

With the assistance of company legal counsel, the Governance Committee has reviewed the applicable legal and NYSE standards for independence, as well as our independence criteria. A summary of the answers to annual questionnaires completed by each of the directors and nominees for director and a report of transactions and relationships between each director and nominee for director, or any of his or her family members, and our company, senior management and independent registered public accounting firm have been made available to the Governance Committee.

HUNTSMAN CORPORATION : PROXY STATEMENT

In conducting its independence review, the Governance Committee specifically considered the relationships discussed under Additional Information Certain Relationships and Related Transactions Transactions. The Governance Committee also considered Dr. Beckerle's position as CEO of the Huntsman Cancer Institute, or the Institute. The Governance Committee took into account the fact that Jon M. Huntsman has no ownership of the Institute, which is part of the University of Utah, a public institution owned by the State of Utah. The Governance Committee further considered that beginning a number of years ago, the Huntsman Cancer Foundation, a 501(c)(3) charity whose purpose is to help fund the Institute, has made stipend payments of \$100,000 annually to the CEO of the Institute. The Governance Committee took into account that Jon M. Huntsman is only one of four trustees of the Huntsman Cancer Foundation, and that our company has no financial relationship with either the Huntsman Cancer Foundation or the Institute other than purchasing seats at a table for \$10,000 at an annual fundraiser for the Institute.

On the basis of its review, the Governance Committee delivered a report to the full Board, and the Board made its independence determinations based on the Governance Committee's report and the supporting information. As a result of this review, the Board has determined that Messrs. Archibald, Burns, Reaud, Shoemaker, Sir Robert and Drs. Beckerle and Harker, who currently constitute a majority of the Board, are independent. These independent directors currently comprise, in full, the membership of the Audit, Compensation and Governance committees of the Board discussed below.

Jon M. Huntsman is not considered to be an independent director because he is employed by our company and is the father of Peter R. Huntsman, our CEO, and James H. Huntsman, our Division President, Advanced Materials. Peter R. Huntsman is not considered to be an independent director because he is employed by our company and is the son of Jon M. Huntsman, our Executive Chairman, and the brother of James H. Huntsman, our Division President, Advanced Materials. Gov. Jon M. Huntsman, Jr. is not considered to be an independent director because of his consulting relationship with our company as described under Additional Information Certain Relationships and Related Transactions Transactions Consulting Agreement and because he is the son of Jon M. Huntsman, our Executive Chairman, and the brother of Peter R. Huntsman, our CEO, and James H. Huntsman, our Division President, Advanced Materials.

For purposes of (2) above, the Board considers any Audit Committee member who satisfies the SEC's definition of audit committee financial expert to have accounting or related financial management expertise.

The Board has determined that each member of the Audit Committee is independent as that term is defined by the listing standards of the NYSE and Rule 10A-3 promulgated under the Securities Exchange Act of 1934 and satisfies the additional independence criteria adopted by the Board and described above. The Board has also determined that each member of the Audit Committee, qualifies as an audit committee financial expert as defined by the regulations of the SEC. HUNTSMAN CORPORATION : PROXY STATEMENT

The Compensation Committee's charter permits the Compensation Committee to form and delegate some or all of its authority to subcommittees when it deems appropriate. In particular, the Compensation Committee may delegate the approval of both cash and equity award grants and other responsibilities regarding the administration of compensatory programs to a subcommittee consisting solely of members of the Compensation Committee who are non-employee directors or outside directors, or in some limited circumstances, to management.

The Compensation Committee typically meets at least four times each year to address various compensation issues and processes. Our CEO does not have the ability to call Compensation Committee meetings, but generally attends Compensation Committee meetings at the Compensation Committee's request to answer questions and provide input regarding the performance of our executive officers. However, the CEO is not present while decisions regarding his compensation are made. In addition, each Compensation Committee meeting includes an executive session without members of management present. The Compensation Committee regularly reports to the full Board regarding executive compensation matters.

Nominating and Corporate Governance Committee

Duties

- Ensures that our corporate governance system performs well
- Reviews and assesses the adequacy of our Corporate Governance Guidelines annually
- Monitors director independence
- Manages the Board's annual director evaluation process
- Assesses the appropriate balance of skills, characteristics and perspectives required for an effective Board
- Identifies, screens and recommends qualified director candidates
- Periodically reassesses the adequacy of the Board's size
- Oversees succession planning for our CEO
- Oversees our corporate compliance program

Litigation Committee

In addition to the independent committees described above, the Board also has a Litigation Committee. The Litigation Committee assists the Board by reviewing and assessing current and potential litigation and areas of legal exposure in which our company is or could be involved and making recommendations to the Board regarding legal matters. The members of the Litigation Committee are Wayne A. Reaud, who serves as the committee's Chair, Jon M. Huntsman and Peter R. Huntsman. The Litigation Committee generally meets quarterly in connection with our regularly scheduled Board meetings.

BOARD ROLE IN RISK OVERSIGHT

It is management's responsibility to assess and manage the various risks our company faces. It is the Board's responsibility to oversee management in this effort. The Audit Committee is responsible for administering the Board's oversight function, and seeks to understand our company's risk philosophy by having discussions with management to establish a mutual understanding of our company's overall appetite for risk. In exercising its oversight, the Audit Committee strives to effectively oversee our company's enterprise-wide and financial risk management in a way that balances managing risks while enhancing the long-term value of our company for the benefit of our stockholders. The Board understands that its focus on effective risk oversight is critical to setting our company's tone and culture towards effective risk management.

The Audit Committee maintains an active dialogue with management about existing risk management processes and how management identifies, assesses and manages our company's most significant risk exposures. The Audit Committee receives regular presentations from management of our businesses and functions about significant risks the respective business or function faces to assist the Audit Committee in evaluating Huntsman's risk assessment and risk management policies and practices.

In addition, each of our other committees assesses risks related to such committee's oversight activities. For example, our Litigation Committee assesses risk from litigation and areas of legal exposure to which our company is or could be subject and makes recommendations to the Board regarding those matters. We believe that the oversight function of the Board and these committees combined with its active dialogue with management about effective risk management provides our company with the appropriate framework to help ensure effective risk oversight.

DIRECTOR ATTENDANCE AT THE ANNUAL MEETING OF STOCKHOLDERS

We believe that there are benefits to having members of the Board attend our annual meetings of stockholders. From time to time, however, a member of the Board might have a compelling and legitimate reason for not attending an annual meeting. As a result, the Board has decided that director attendance at our annual meetings of stockholders should be strongly encouraged, but not required. All of our directors attended the 2014 annual meeting in person.

DIRECTOR QUALIFICATION STANDARDS AND DIVERSITY

The Governance Committee's minimum qualifications and specific qualities and skills required for directors are set forth in Section 1 of our Corporate Governance Guidelines, which are available on our website at www.huntsman.com. These Guidelines require that a majority of directors on the Board meet the criteria for independence required by the NYSE, and that each director functions consistent with the highest level of professional ethics and integrity. Each of our directors is expected to devote sufficient time and effort to learn the business of our company and the Board, to use his or her own unique skills and experiences to provide independent oversight to our business, to participate in a constructive and collegial manner, to exhibit a high level of commitment to our company and to exhibit independent thought and judgment. Although we do not have a separate diversity policy relating to the identification and evaluation of nominees for director, our Corporate Governance Guidelines require that the Governance Committee consider each candidate's background, ability, judgment, skills and experience in the context of the needs of the Board when evaluating director nominees. The Governance Committee believes it is important for Board members to possess skills and knowledge in the areas of leadership of large, complex organizations, finance, strategic planning, legal, government relations and relevant industries, especially the chemical industry. These considerations help the Board as a whole to have the appropriate mix of characteristics, skills and experiences for optimal functioning in its oversight of our company. As part of its periodic self-assessment process, the Governance Committee annually reviews and evaluates its performance, including the overall composition of the Board and the criteria that it uses for selecting nominees.

DIRECTOR NOMINATION PROCESS

The Governance Committee identifies director candidates through a variety of means, including recommendations from other Board members and management. From time to time, the Governance Committee may use third-party search consultants to identify director candidates. The Governance Committee also welcomes stockholder recommendations for candidates for the Board. All stockholder recommendations must comply with the notice requirements contained in Section 2.8 of our Bylaws, which require, among other things, detailed information concerning the stockholder making the proposal (and the beneficial owner on whose behalf the proposal is made, if any), the name and address of the stockholder

Edgar Filing: Huntsman CORP - Form DEF 14A

and specific information concerning such stockholder's interests in our company's securities, including derivative instruments. In addition, the notice must include the recommended candidate's name, biographical data, qualifications, details regarding any material monetary agreements between the stockholder and the proposed nominee, and a written questionnaire completed by the proposed nominee. Our Bylaws are available on our website at www.huntsman.com in the Investor Relations section. We will also furnish copies of our Bylaws free of charge to any person who requests them. Requests for copies should be directed to the Corporate Secretary, 500 Huntsman Way, Salt Lake City, Utah, 84108 or to CorporateSecretary@huntsman.com. For additional information about stockholder nominations, including nominations for the 2016 annual meeting of stockholders, see Stockholder Proposals and Director Nominations for the 2016 Annual Meeting.

HUNTSMAN CORPORATION : PROXY STATEMENT

From time to time, the Governance Committee may request additional information from the nominee or the stockholder. The Governance Committee uses the same process to screen all potential candidates, regardless of the source of the recommendation. The Governance Committee determines whether the candidate meets our minimum qualifications and specific qualities and skills for directors and whether requesting additional information or an interview is appropriate. Except as described under Stockholder Proposals and Director Nominations for the 2016 Annual Meeting, the procedures set forth in Section 2.8 of our Bylaws are the exclusive means for a stockholder to make director nominations or submit other proposals before an annual or special meeting of the stockholders.

STOCKHOLDER COMMUNICATIONS POLICY

Stockholders and other interested parties may communicate directly and confidentially with the Board, the non-management directors, the independent directors or the Lead Independent Director by sending a letter addressed to the intended recipients, c/o Corporate Secretary, Huntsman Corporation, 500 Huntsman Way, Salt Lake City, Utah 84108 or by sending an e-mail specifying the intended recipients to CorporateSecretary@huntsman.com. The Corporate Secretary will review such communications and, if appropriate, forward them only to the intended recipients. Communications that do not relate to the responsibilities of the intended recipients as directors of Huntsman (such as communications that are commercial or frivolous in nature) will not be forwarded. In addition, communications that appear to be unduly hostile, intimidating, threatening, illegal or similarly inappropriate will not be forwarded. A copy of our Stockholder Communications Policy is available on our website at www.huntsman.com.

CORPORATE GOVERNANCE GUIDELINES

The Board has adopted Corporate Governance Guidelines, and the Governance Committee is responsible for implementing the guidelines and making recommendations to the Board concerning corporate governance matters. The guidelines are available on our website at www.huntsman.com. We will also furnish copies of the guidelines free of charge to any person who requests them. Requests for copies should be directed to the Corporate Secretary, 500 Huntsman Way, Salt Lake City, Utah, 84108 or to CorporateSecretary@huntsman.com.

Among other matters, the guidelines provide for the following:

- membership on the Board is made up of a majority of independent directors who, at a minimum, meet the criteria for independence required by the NYSE;

Edgar Filing: Huntsman CORP - Form DEF 14A

- each regularly scheduled Board meeting includes an executive session of the non-management directors;
- the independent directors will meet in executive session at least once annually;
- the Board and its committees each conduct an annual self-evaluation;
- non-management directors are not permitted to serve as a director for more than three other public companies;
- our Chief Executive Officer is not permitted to serve as a director for more than two other public companies;
- directors are expected to attend all meetings of the Board and of the committees of which they are members;
- directors not also serving as executive officers are required to offer their resignation effective at the next annual meeting of stockholders upon reaching their 75th birthday (subject to certain exceptions);
- directors are required to offer their resignation upon a change in their principal occupation;
- directors should function consistent with the highest level of professional ethics and integrity; and
- to effectively discharge their oversight duties, directors have full and free access to our officers and employees.

Despite Mr. Shoemaker already having reached his 75th birthday, the Board determined that due to his important continued contributions to the Board and the difficulty of finding a comparable replacement, Mr. Shoemaker should be nominated to serve for an additional one year term ending in 2016.

FINANCIAL CODE OF ETHICS AND BUSINESS CONDUCT GUIDELINES

The Board has adopted a Financial Code of Ethics applicable to our Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer or Controller. Among other matters, this code is designed to promote:

- honest and ethical conduct;
- avoidance of conflicts of interest;
- full, fair, accurate, timely and understandable disclosure in reports and documents that we file with, or submit to, the SEC and in our other public communications;
- compliance with applicable governmental laws and regulations and stock exchange rules;
- prompt internal reporting of violations of the code to an appropriate person or persons identified in the code; and
- accountability for adherence to the code.

In addition, the Board has adopted Business Conduct Guidelines. The Board requires all directors, officers and employees to adhere to these guidelines in addressing the legal and ethical issues encountered in conducting their work. The Financial Code of Ethics and Business Conduct Guidelines are available on our website at www.huntsman.com. We will also furnish copies of the Financial Code of Ethics and Business Conduct Guidelines free of charge to any person who requests them. Requests for copies should be directed to the Corporate Secretary, 500 Huntsman Way, Salt Lake City, Utah, 84108 or to CorporateSecretary@huntsman.com. We intend to disclose any amendments to, or waivers from, our code of ethics on our website.

PART 4**COMPENSATION DISCUSSION AND ANALYSIS*****PLEASE VOTE TO APPROVE OUR SAY-ON-PAY PROPOSAL***

At the 2015 Annual Meeting, our stockholders will again have an opportunity to cast an advisory say-on-pay vote on the compensation paid to our named executive officers. We ask that our stockholders vote to approve executive officer compensation. Please see Proposal No. 2 Advisory Vote to Approve Named Executive Officer Compensation.

In accordance with the preference expressed by our stockholders at the 2011 annual meeting, we continue to hold annual advisory votes on executive compensation. Stockholders are given an opportunity to cast an advisory vote on the frequency of future say-on-pay votes every six years, with the next opportunity occurring in connection with our annual meeting in 2017.

This Compensation Discussion and Analysis, or CD&A, provides information regarding how we paid our executives in 2014, including the following named executive officers (our NEOs):

Name	Title
Jon M. Huntsman	Executive Chairman of the Board (our Executive Chairman)
Peter R. Huntsman	President and Chief Executive Officer (our CEO)
J. Kimo Esplin	Executive Vice President and Chief Financial Officer
Anthony P. Hankins	Division President, Polyurethanes and CEO Asia Pacific
David M. Stryker	Executive Vice President, General Counsel and Secretary

COMPENSATION SUMMARY**What Makes Us Unique**

Our Compensation Committee has established an executive compensation program for our executive officers, including our NEOs, taking into account the features of our company that make us unique:

- We grew as a family business and bear the name of our founder and Executive Chairman, Jon M. Huntsman

Edgar Filing: Huntsman CORP - Form DEF 14A

- We believe there is substantial value in our name, our history and the continued leadership of Jon M. Huntsman and Peter R. Huntsman, who has served as our CEO since 2000; their different leadership roles reflect their unique contributions
 - We operate five distinct global divisions, and the presidents of these divisions are held accountable for both operating and financial performance, with our CEO fulfilling many of the duties of a chief operating officer; we believe this approach places additional responsibilities on our CEO and our Division Presidents as compared to many of our peers
 - In our business sector, the financial measures most important to our investors are adjusted EBITDA and free cash flow and we compensate our executive officers accordingly
 - We maintain a close dialogue with our long-term investors regarding our business strategy, and we focus on long-term value creation for both our stockholders and debt holders

Performance Highlights in 2014

As described in more detail throughout this CD&A, one of the primary objectives of our executive compensation program is to align our executive officers' pay with our performance. 2014 was another successful year for our company. Specific performance highlights in 2014 include the following:

- Corporate adjusted EBITDA, the primary metric by which we believe our stockholders measure the financial performance of our company, was \$1,340 million
- Corporate net operating cash flow, which is also an important measure of the financial performance of our company and has a significant impact on our liquidity, was \$460.7 million
- Shared services fixed costs, which is used to evaluate the ability of shared corporate departments to beat budgetary estimates, was \$343.7 million
- Completion of the significant strategic acquisition of Rockwood Holdings' Performance Additives and Titanium Dioxide businesses (the Rockwood Acquisition)
- Annualized total stockholder return (TSR) of 25% from 2010 to 2014, which exceeded both the S&P 500 Index and the S&P 500 Chemicals Index averages

How We Paid for Performance in 2014

For 2014, the Compensation Committee designed our executive compensation program so that a significant majority of each officer's total target direct compensation was in the form of performance-based incentive compensation. On average, 74% of the 2014 total target direct compensation of our NEOs was at risk, tied to specific annual performance metrics and the performance of our common stock.

Mix of Total Target Direct Compensation in 2014(1)

(1) Total target direct compensation consists of (i) annual base salary, (ii) the target annual cash performance award opportunity for 2014, and (iii) the aggregate grant date fair value of long-term equity incentive awards granted in the form of stock options and restricted stock. The amounts actually realized by our NEOs with respect to the annual cash performance awards and long-term equity incentive awards granted in 2014 depend, as applicable, on the level of attainment of the relevant performance goals and the value of our common stock when the awards vest or are exercised.

Based on our solid performance in 2014, during which all financial targets set for our annual cash performance awards were met or nearly met, the annual cash performance awards paid to our NEOs for 2014 were near or above their respective target award levels, thus aligning their pay with our overall performance for the year.

The following demonstrates the alignment of our CEO's total direct compensation to our performance in adjusted EBITDA and adjusted EBITDA excluding our Pigments business over the last five years (we call our other business divisions together our "differentiated businesses"). While we continue to compensate our executive officers based on the performance of our company as a whole, we believe that our executive officers are more directly able to influence the results of our differentiated businesses. Given the cyclical and volatility of the Pigments business, which we may ultimately separate from our differentiated businesses, the below chart also demonstrates the impact our executive officers have had on our differentiated businesses.

Table of Contents

HUNTSMAN CORPORATION : PROXY STATEMENT

5-year Adjusted EBITDA vs. CEO Total Direct Compensation(1)

(1) Total direct compensation consists of (i) annual base salary, (ii) the annual cash performance award paid for 2014, and (iii) the aggregate grant date fair value of long-term equity incentive awards granted in the form of stock options and restricted stock. See Executive Compensation Summary Compensation Table for total compensation paid to our CEO and other NEOs.

We believe our executive compensation program has created stockholder value over the long-term. Our average annual total return of 25.2% over the last five years exceeds the Standard & Poor 500 Stock Index (S&P 500) average annual return of 15.9% and the Standard & Poor Chemicals Index (S&P 500 Chemicals) average annual return of 17.4%. The cumulative stockholder returns, assuming reinvestment of dividends, on \$100 invested on December 31, 2009 are illustrated in the graph below.

COMPARISON OF CUMULATIVE FIVE YEAR TOTAL RETURN

While we believe our compensation programs in 2014 were effective in implementing our primary compensation objectives, the Compensation Committee determined to make certain changes to our compensation program for 2015 as highlighted below to further strengthen the alignment between our pay and performance.

Our Response to Say-On-Pay and Stockholder Outreach

At our 2014 annual meeting, approximately 75% of the total votes cast (excluding abstentions) were in favor of our say-on-pay proposal. In determining executive compensation for 2015, the Compensation Committee considered the results of the 2014 say-on-pay vote. The Compensation Committee also instructed management to engage with a number of our stockholders to discuss topics relevant to our compensation practices. The following changes to our compensation practices are being made directly in response to this feedback and the say-on-pay voting results:

Feedback Received	Our Response	When Effective
We were encouraged to tie an even larger portion of executive compensation to objective performance measures	Added an umbrella bonus pool to cap aggregate payout under our annual incentive program according to performance in adjusted EBITDA Instituted grants of performance share units that vest upon the achievement of relative TSR milestones	Fiscal year 2015
We were encouraged to implement a clawback policy	Modified the Executive Chairman's annual incentive award opportunity so that an increased portion (80%) is tied to the achievement of financial metrics	
We were encouraged to provide a clearer explanation of how all elements of compensation are set	Adopted an executive compensation clawback policy, which applies to all Section 16 officers Enhanced proxy statement disclosure and presentation, specifically in the Compensation Discussion and Analysis	September 2014 2015 proxy statement

OBJECTIVES OF HUNTSMAN'S EXECUTIVE COMPENSATION PROGRAM

The primary objective of our overall executive compensation program is to create stockholder value. ELEMENTS OF HUNTSMAN EXECUTIVE COMPENSATION PROGRAM

Below provide additional information about the direct and other elements of our executive compensation program and indicate how these elements align with our compensation objectives.

Total Direct Compensation

We provide our executive officers with a mixture of pay that reflects our belief that executive officers should have elements of their compensation tied to both short- and long-term performance. The Compensation Committee strives to align the relative proportion of each element of total direct compensation with the competitive market and our objectives, as well as to preserve the flexibility to respond to the continually changing global environment in which we operate. Generally, as employees move to higher levels of responsibility with greater ability to influence our financial results, the percentage of performance-based pay will increase. Total direct compensation received by our NEOs comprises the following elements:

Compensation Element	Description and Purpose of the Element
Annual Cash Compensation	Base Salary Designed to be a fixed portion of total compensation, an executive officer's base salary generally reflects the officer's responsibilities, tenure, job performance, special circumstances (such as overseas assignments) and the market for the executive's services.
	Annual Cash Performance Award Payment of the award depends on performance against predetermined goals and a subjective evaluation of individual performance including success in areas significant to us as a whole or to a particular business unit or function.
	Restricted Stock Supports a long-term focus by executives, as their value is tied to the value of our common stock over time. Also provides a strong retention incentive by vesting over a three-year period. For 2014, represents 50% of equity-based compensation for our NEOs, other than for our Executive Chairman (who received 100% of his long-term incentive pay in the form of restricted stock).
Long-Term Equity-Based Compensation	Stock Options The ten-year exercise period of options creates a long-term interest in maximizing stock price appreciation and discourages profit-taking by executives in the short term. Also provides a strong retention incentive by vesting over a three-year period. Unlike other awards, their value as an incentive typically continues long after their vesting period is over. For example, NEOs with options from our initial grant in 2005 recently exercised these options just prior to their expiration.
	Performance Share Units For 2014, represents 50% of equity-based compensation for our NEOs, other than for our Executive Chairman (who did not receive stock options). Beginning in 2015, granted to focus executives on creating stockholder value by increasing TSR performance relative to peers over a three-year period. Represents 30% of 2015 equity-based compensation for our executive officers.

Other Elements of Compensation

In addition to the elements of total direct compensation described above, our executive compensation program includes other elements of compensation that are designed primarily to attract, motivate and retain executives critical to our long-term success and to provide a competitive compensation structure overall.

Element	Description and Purpose of the Element
Health and Welfare Benefits	We provide our NEOs with health and welfare benefits that are intended to be part of a competitive total compensation package with benefits comparable to those provided to employees and executives at other companies in the chemical industry and the general market. Our NEOs participate in our health and welfare programs on the same basis as our other employees.
Retirement and Savings Plans	<p>We provide our NEOs with retirement and savings plan benefits that are intended to be part of a competitive total compensation package with benefits comparable to those provided to employees and executives at other companies in the chemical industry and the general market.</p> <p>We provide certain defined benefit pension plans, including the Huntsman Pension Plan (a tax-qualified pension plan) and the Huntsman Supplemental Executive Retirement Plan (a nonqualified supplemental pension plan for executives who exceed the qualified plan limitations) to eligible employees. In addition, we provide the Huntsman Pension Scheme to our U.K. employees in the Polyurethanes segment, such as Mr. Hankins. Employees in foreign jurisdictions participate in the retirement and savings plans mandated by applicable law. We also provide executive officers the opportunity to participate in up to four defined contribution savings plans: a salary deferral plan (the 401(k) Plan); a supplemental savings plan (the Supplemental Savings Plan); a money purchase pension plan (the MPP); and a supplemental executive money purchase pension plan (the SEMPP).</p> <p>For an explanation of the major features of our retirement and savings plans, see Executive Compensation Pension Benefits in 2014 and Nonqualified Deferred Compensation in 2014.</p>

The Compensation Committee reviews our policies with respect to perquisites and considers whether and to what extent it may be appropriate for our NEOs to reimburse our company for perquisites.</p> <p>For a description of these perquisites and the amounts paid to our NEOs in 2014, see Executive Compensation Summary Compensation Table and Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards in 2014.</p>

These arrangements are designed to provide protection to our executive officers who are primarily tasked with the management of our overall operations and business strategy and we believe these arrangements are on market terms.</p> <p>For a description of these arrangements, see Executive Compensation Potential Payments upon Termination or Change of Control.</p>
Special Project Bonuses	In appropriate circumstances, we provide project bonuses to reward successful completion of strategic objectives, which may include both acquisitions and divestitures of businesses and the implementation of cost reduction and restructuring plans. These bonuses are intended to be commensurate with the efforts of

the executives and the benefits to our Company. Given that any project bonuses are customarily related to special initiatives, we do not consider these bonuses a part of total direct compensation.

2014 EXECUTIVE COMPENSATION DECISIONS

Total Target Direct Compensation

The charts below illustrate the amount of total target direct compensation for 2014 allocated to each component for the Executive Chairman, the CEO and the other NEOs and highlight the amount of total target direct compensation at risk. We structure the compensation of our Executive Chairman and CEO to provide a total compensation package toward the higher end of the competitive range for executives holding comparable positions in light of their unique and indispensable roles, which are described in greater detail below. We structure the compensation of our other executives to provide a total compensation package that, at expected levels of performance, is similar to the total compensation package provided to executives holding comparable positions or having similar qualifications at comparable companies.

The amounts actually realized by these executive officers with respect to the annual cash performance awards and long-term equity incentive awards granted in 2014 depend, as applicable, on the level of attainment of the relevant performance goals and the value of our common stock when the awards vest or are exercised.

This mix of pay elements represents our belief that the executive officers should have elements of their compensation tied to both short- and long-term objectives. The Compensation Committee's decisions regarding the mix of pay reflects our compensation philosophy, market reference data provided by Meridian and each officer's role in achieving our strategic objectives.

Compensation for Our Executive Chairman and Our CEO

Our company has the unique opportunity to be led by both our CEO, Peter R. Huntsman, and our founder and Executive Chairman, Jon M. Huntsman. Each plays a unique and indispensable role in the success of our company, and we believe the company benefits significantly from its association with the Huntsman family and their philanthropic efforts, led by Jon M. Huntsman. This association is widely perceived as fostering sustainability, increasing employee morale and enhancing general name awareness.

As CEO, Peter R. Huntsman leads our company, develops our vision and strategy, oversees implementation of our strategy as well as our operations and business divisions, and is responsible for ensuring the long-term success of our company. To align Peter R. Huntsman's role with his compensation, we provide a significant portion of his compensation in the form of equity-based incentives tied to the long-term performance of our common stock. Peter R. Huntsman also fulfills many of the duties of a chief operating officer for our company.

In addition to supporting the CEO in the execution of his duties, especially the development of our vision and strategy, Jon M. Huntsman's role is to act as an ambassador for our company and as its principal strategic adviser, and thus his compensation has historically been weighted more heavily towards cash awards to encourage specific actions in the applicable period, such as promoting the company's brand, mentoring senior executives and new board directors, developing and maintaining key relationships and exploring strategic opportunities. In addition, the Compensation Committee has historically granted Jon M. Huntsman a relatively lower proportion of his total target direct compensation in equity in consideration of his existing substantial ownership stake in the Company.

In direct response to stockholder feedback, the Compensation Committee made changes to Jon M. Huntsman's compensation for 2015. These changes include altering the mix of his equity-based grants to include performance share units and stock options in addition to restricted stock. The Compensation Committee also increased the portion of his annual cash performance award tied to the achievement of financial goals from 50% to 80% to align with the way we compensate our other NEOs.

2014 BASE SALARY CHANGES

Officer	2013	2014(1)	% Increase
Jon M. Huntsman	\$1,200,000	\$1,325,000	10.4%
Peter R. Huntsman	\$1,600,000	\$1,600,000	n/a
J. Kimo Esplin	\$ 610,100	\$ 650,000	6.5%
Anthony P. Hankins	\$ 795,700	\$ 819,600	3.0%
David M. Stryker	\$ 465,000	\$ 479,000	3.0%

(1) Changes in base salary rate are effective as of April 1 of the applicable year.

Jon M. Huntsman received an increase after receiving no base salary increase for the previous three years, which increase the Compensation Committee determined was appropriate to competitively position his salary relative to market levels. The Compensation Committee determined that the base salary of Peter R. Huntsman remained competitively positioned relative to market levels and, as a result, elected not to increase his salary in 2014. Mr. Esplin received an increase in base salary for 2014 to competitively position his salary relative to market levels. Messrs. Hankins and Stryker received modest increases to their base salary rates consistent with the salary adjustments provided to our employee population generally; however, Mr. Hankins' base salary remains higher than that of comparable positions within our peer group to reflect the added responsibilities of his role as CEO Asia Pacific and his responsibility for both operational and financial performance of our Polyurethanes division.

2014 ANNUAL CASH INCENTIVE PLAN

Our annual cash incentive plan is designed to reward our executive officers for achievement of annual performance goals set by the Compensation Committee. The Compensation Committee selects performance measures that are important to our operations and that contribute to the creation of stockholder value.

2014 Annual Cash Incentive Plan Design. Our annual cash incentive compensation program provides for target annual cash performance awards to the NEOs (other than the Executive Chairman) set as a percentage of their base salaries. The following table summarizes the target and maximum annual cash performance award opportunities, performance measures and corresponding weightings for each of our NEOs for 2014.

Officer	Target Incentive Award	Target % of Base Salary	Maximum Incentive Award	Performance Measures	Weightings
Jon M. Huntsman	n/a	n/a	\$7,500,000	Corporate adjusted EBITDA	25%
				Corporate net operating cash flow	25%
Peter R. Huntsman	\$2,240,000	140%	\$4,480,000	Achievement of strategic objectives	50%
				Corporate adjusted EBITDA	60%
				Corporate net operating cash flow, debt reduction and compliance	20%
J. Kimo Esplin	\$ 390,000	60%	\$ 780,000	Individual performance	20%
				Corporate adjusted EBITDA	30%
				Corporate net operating cash flow	20%
				Shared services fixed costs	20%
				Environmental, health & safety (EH&S) compliance	20%
Anthony P. Hankins	\$ 491,760	60%	\$ 983,520	Individual performance	10%
				Corporate adjusted EBITDA	20%
				Polyurethanes adjusted EBITDA	30%
				Corporate net operating cash flow	10%
				Polyurethanes net operating cash flow	10%
				EH&S compliance	20%
David M. Stryker	\$ 335,300	70%	\$ 670,600	Individual performance	10%
				Corporate adjusted EBITDA	30%
				Corporate net operating cash flow	20%
				Shared services fixed costs	20%
				EH&S compliance	20%
				Individual performance	10%

The target and maximum cash performance award amounts for NEOs were set to generally align with competitive levels relative to comparable executive positions at our Proxy Peers and other chemical and general industrial companies. The Compensation Committee assigns different weightings for each NEO in order to align annual incentives with the performance measures most relevant to each officer's role and most within the particular officer's control. Mr. Stryker's target award percentage was higher than Messrs. Esplin and Hankins in 2014 as part of a competitive compensation package offered to him when he was hired in 2013. Potential payout of individual annual cash performance awards depends upon both company performance and individual contributions to our success.

The annual cash performance award for the Executive Chairman is capped at a maximum possible incentive award opportunity and is based on the achievement of two equally weighted objective performance measures: (i) financial goals, consisting of corporate adjusted EBITDA and corporate net operating cash flow; and (ii) strategic objectives established by the Compensation Committee. Because there are many demands on the Executive Chairman's time, the setting of strategic objectives was intended to incentivize him in relation to how much of his time was given directly to events and meetings of strategic value to our company. The strategic objectives include overseeing the governance and other activities of the Board; contributing to the development and execution of our strategic plan; supporting the development of our executive leadership team; representing the company in dealings with stockholders, customers and suppliers, at industry activities, and with other stakeholders and interested parties; and promoting our mission and values.

Table of Contents

HUNTSMAN CORPORATION : PROXY STATEMENT

For 2015, the Compensation Committee modified the Executive Chairman's annual cash performance award performance and payout criteria to be similar to that of other NEOs. Specifically, the Compensation Committee modified his award opportunity so that an increased portion (80%) of the award is tied to the achievement of financial metrics. This change was made both in response to specific feedback from our stockholders and the Compensation Committee's determination that a consistent approach to the annual incentive program among senior executives was preferable. As a result, while previously we reviewed the specific actions taken by the Executive Chairman to support our business objectives during the year, now he is rewarded by the effect these actions ultimately have on our financial results.

2014 Performance Measures and Performance Goals. For 2014, the Compensation Committee selected the following performance measures for the annual cash incentive plan:

Performance Metric	What It Is	Why We Use It
Corporate and divisional adjusted EBITDA(1)	An indicator of general economic performance that is not affected by debt restructurings, fluctuations in interest rates or effective tax rates, or levels of depreciation and amortization	Primary measure by which our stockholders measure our financial performance, thus aligning the interests of management with the interests of our stockholders
Corporate and divisional net operating cash flow	An indicator of the amount of cash generated by our operations before strategic considerations including restructuring, acquisitions, joint ventures, incurrence of indebtedness and pension funding	Our strategic goal of maintaining adequate liquidity is directly impacted by net operating cash flow, which we use instead of free cash flow due to our desire to encourage our executive officers to make strategic decisions
Shared services fixed costs	A measure of whether all departments shared at a corporate level by all of our businesses meet, exceed or fall short on yearly budget projections	Controlling costs at a corporate level continues to be an important strategic objective for our company
EH&S compliance	A measure of compliance with environmental performance and injury reduction objectives	Discourages risk-taking for short-term profits to the detriment of the long-term health of our company

(1) Corporate adjusted EBITDA is calculated by eliminating the following from EBITDA: acquisition and integration expenses and purchase accounting adjustments; loss on initial consolidation of subsidiaries; EBITDA from discontinued operations; gain or loss on disposition of businesses/assets; loss on early extinguishment of debt; extraordinary gain on the acquisition of a business; certain legal settlements and related expenses; amortization of pension and postretirement actuarial losses; and restructuring, impairment, plant closing and transition cost.

The Compensation Committee also established threshold, target and maximum performance goals for each of the financial performance measures relevant to our NEOs as follows:

Performance Measure	Threshold Goal (75% of Target)	2014 (in millions) Target Goal (100% of Target)	Maximum Goal (112.5% of
----------------------------	---	--	------------------------------------

Edgar Filing: Huntsman CORP - Form DEF 14A

Corporate adjusted EBITDA	\$1,040.3	\$1,386.7	Target) \$1,560.4
Corporate net operating cash flow	\$ 310.5	\$ 414.0	\$ 465.8
Polyurethanes adjusted EBITDA	\$ 591.0	\$ 788.0	\$ 886.5
Polyurethanes net operating cash flow	\$ 428.3	\$ 571.0	\$ 642.4
	Threshold Goal	Target Goal	Maximum Goal
	(96% of target)	(100% of target)	(104% of target)
Performance Measure			
Reduction in shared services fixed costs	\$ 368.8	\$ 354.6	\$ 340.4

If we achieve corporate adjusted EBITDA of less than 85% of target, the payout for all other components is capped at target. If corporate adjusted EBITDA is less than 75% of target, then payment of any other component of the award would be at the discretion of our CEO and the Compensation Committee. The Compensation Committee believes that requiring a minimum adjusted EBITDA threshold be met to receive any payment with respect to the annual cash performance awards both aligns executives' interests with those of stockholders and prevents excessive annual cash performance award payments in times when our financial performance fails to meet our expectations.

2014 Financial Performance. The 2014 targets were designed to require significant effort to achieve, yet to be realistic enough to incentivize our executive officers' performance. For 2014, actual performance and performance as a percentage of targets were as follows:

Performance Criteria	2014 Performance (In Millions)	% of Target
Corporate adjusted EBITDA(1)	\$1,363	98%
Corporate net operating cash flow	\$ 461	111%
Polyurethanes adjusted EBITDA	\$ 722	92%
Polyurethanes net operating cash flow	\$ 493	86%
Shared services fixed costs	\$ 344	103%

(1) Differs from corporate adjusted EBITDA of \$1,340 reported in our annual report on Form 10-K of because it excludes earnings from the Rockwood Acquisition and accounts for other adjustments.

For our CEO, the Compensation Committee awarded the amount tied to corporate net operating cash flow, debt reduction and compliance based only on achievement in corporate net operating cash flow.

2014 EH&S Compliance Performance. For 2014, the Compensation Committee redesigned the compliance performance measure to focus on EH&S objectives and to exclude the measure related to compliance with the Sarbanes-Oxley Act of 2002 and corporate policies. The Compensation Committee decided to exclude the latter measure due to continued achievement of this objective and a desire to focus on other compliance metrics. The EH&S compliance objectives were as follows:

Performance Measure	How Measured	Weighting
Process safety objective	Company-wide achievement of process safety objectives by Messrs. Esplin and Stryker and divisional achievement by Mr. Hankins. Discretionary weighting for the CEO.	10%
Injury reduction objective	Company-wide achievement of corporate recordable safety by Messrs. Esplin and Stryker and divisional achievement by Mr. Hankins. Discretionary weighting for the CEO.	10%

For Messrs. Esplin and Stryker, these EH&S compliance objectives were achieved above target for process safety objectives and at target for corporate recordable safety achievement. Mr. Hankins performance was above target for process safety and below target for recordable safety achievement, in each case, for the Polyurethanes segment.

Edgar Filing: Huntsman CORP - Form DEF 14A

2014 Individual Performance. The Compensation Committee recognized the CEO's outstanding performance during 2014 in implementing and overseeing the execution of the long-term strategy of our company. The Compensation Committee noted the CEO's leadership during the Rockwood Acquisition, meaningful improvements in the operating and financial performance of two historically under-performing divisions, Advanced Materials and Textile Effects, our company's outstanding performance in achieving record levels of safety performance and the CEO's implementation of a national leadership plan. After taking these points into consideration, the Compensation Committee awarded our CEO the full amount available for individual performance.

For our Executive Chairman, with regards to the strategic objectives discussed above, the Compensation Committee noted the number of meetings around the world with employees, current and potential strategic partners, key customers, governmental authorities and other valuable contacts initiated and/or attended by the Executive Chairman in 2014. The Compensation Committee also noted his media appearances and community outreach in the name of the Company. After taking these points into consideration, the Compensation Committee determined to award him 52% of the maximum amount available for the strategic objectives category. In the aggregate, Jon M. Huntsman was awarded a cash performance award equal to 61% of his maximum potential award amount, or \$4,597,000 for 2014, which was 17% less than his 2013 cash performance award.

HUNTSMAN CORPORATION : PROXY STATEMENT

2014 Annual Cash Performance Awards. Based on the results discussed above, the Compensation Committee awarded the following annual cash performance awards:

Officer	% of Target Incentive Award Earned	% of Maximum Incentive Award Earned	Incentive Award Earned
Jon M. Huntsman	n/a	61%	\$4,597,000
Peter R. Huntsman	134%	67%	\$2,999,079
J. Kimo Esplin	142%	71%	\$ 553,116
Anthony P. Hankins	92%	46%	\$ 452,707
David M. Stryker	142%	71%	\$ 475,538

LONG-TERM EQUITY COMPENSATION

For 2014, the Compensation Committee targeted long-term equity compensation awards for the NEOs at levels intended to competitively position the total target direct compensation of the executive officers and to reflect the individual roles and contributions of our NEOs. The targeted award amount was converted to a number of shares based on the grant date fair value of the respective award, with 50% of the value allocated to restricted stock awards and 50% of the value allocated to stock option awards (except with respect to the Executive Chairman, who received only shares of restricted stock). The 2014 long-term equity incentive awards approved for the NEOs were as follows:

Officer	Stock Options	Restricted Stock	Total Shares
Jon M. Huntsman		112,064	112,064
Peter R. Huntsman	368,640	167,295	535,935
J. Kimo Esplin	67,497	30,631	98,128
Anthony P. Hankins	38,941	17,672	56,613
David M. Stryker	36,345	16,494	52,839

The restricted stock and stock option awards granted in 2014 are subject to a three-year ratable annual vesting schedule that requires service for a continuous three-year period to become fully vested. Additional details regarding these grants are provided under Executive Compensation Grants of Plan-Based Awards in 2014 below. None of the awards granted in 2014 provide for automatic accelerated vesting upon termination of employment and only Jon M. Huntsman's 2014 award provides for accelerated vesting upon a change in control. See Executive Compensation Potential Payments upon Termination or Change in Control below for more information.

For 2015, in addition to awards of stock options and time-based restricted stock, the Compensation Committee approved awards of performance share units that vest upon the achievement of relative TSR milestones, which account for 30% of long-term equity incentive pay for 2015. In addition, for 2015, Jon M. Huntsman received a grant with a mix of stock options (30% value), restricted stock (40% value) and performance share units (30% value). We made these changes in 2015 in response to stockholder feedback requesting an increased emphasis on equity-based grants tied to performance measures.

SPECIAL PROJECT BONUSES

Upon successful completion of the Rockwood Acquisition on October 1, 2014, the Compensation Committee awarded special project bonuses to (i) Mr. Esplin in the amount of \$150,000 for his project leadership and financial oversight during the lengthy acquisition process; and (ii) to Mr. Stryker in the amount of \$50,000 for his stewardship of the contractual process and successful resolution of certain international competition details.

HOW WE DETERMINE EXECUTIVE COMPENSATION

Under the direction of the Compensation Committee and in coordination with our compensation consultant, Meridian, our CEO and our Senior Vice President, Global Human Resources coordinate the annual review of the executive compensation program. This review includes an evaluation of our performance, corporate goals and objectives relevant to compensation, and compensation payable under various circumstances, including upon retirement or a change of control. In making its decisions regarding each executive officer's compensation, the Compensation Committee considers the nature and scope of all elements of the executive's total compensation package, the executive's responsibilities and his or her effectiveness in supporting our key strategic, operational and financial goals. This review includes an evaluation of each executive officer's historical pay and career development, individual and corporate performance, competitive practices and trends and other compensation issues.

ROLES OF THE COMPENSATION COMMITTEE, EXECUTIVE MANAGEMENT AND THE COMPENSATION CONSULTANT

Executive Management

- Our CEO articulates our strategic direction and works with the Compensation Committee to identify and set appropriate targets for executive officers (other than himself and the Executive Chairman).
- Our CEO is assisted by our Senior Vice President, Global Human Resources, who provides advice on the design and development of our compensation programs, the interpretation of compensation data and the effects of adjustments and modifications to our compensation programs.
- Our CEO and Senior Vice President, Global Human Resources make recommendations to the Compensation Committee regarding each element of compensation for each of our executive officers (other than the CEO and the Executive Chairman).
- Our CEO also provides the Compensation Committee with his evaluation with respect to each executive officer's performance (other than our Executive Chairman and himself) during the prior year.

COMPENSATION BENCHMARKING

To assist in its determination of the 2014 target compensation levels for our executive officers, the Compensation Committee considered information included in a compensation benchmarking review prepared by Meridian. The benchmarking review provided competitive market data for each element of compensation, as well as information regarding incentive plan designs and pay practices for executives in similar positions among a selected peer group of companies (the Proxy Peers). Information in the compensation benchmarking review served as a reference in the Compensation Committee's overall assessment of the competitiveness of our executive compensation program.

The Proxy Peers are representative of the companies against whom we compete in the global chemical industry for business opportunities, investor capital and executive talent. Criteria used to select the Proxy Peer companies include financial metrics (i.e., revenue, market capitalization, net income) and the industry segment in which we operate (i.e., organic chemical products and of inorganic chemical products). For our compensation benchmarking review, our Proxy Peers comprised the following eleven companies:

- Air Products and Chemicals Incorporated
- Ashland Inc.
- Avery Dennison Corporation
- Celanese Corporation
- Dow Chemical Company
- El du Pont de Nemours and Company
- Eastman Chemical Company
- Monsanto Company
- PPG Industries Incorporated
- Rockwood Holdings, Inc.
- Sherwin-Williams Company

The Compensation Committee reviews the composition of the Proxy Peers annually, resulting in some variation in the composition of the group from time to time. For 2015, several changes were made to the peer group. Avery Dennison Corporation and Rockwood Holdings, Inc. were removed and replaced with Ecolab Inc., The Mosaic Company and Praxair Incorporated.

In addition to competitive market data for the Proxy Peers, and to assess benchmark data for positions for which pay information is not publicly disclosed, the Compensation Committee also considered competitive market data for companies across a broader group of chemical and general industrial companies. These data are provided by the Equilar Executive Compensation Survey and were included in the compensation benchmarking review.

The Compensation Committee believes the combination of these perspectives offers an appropriate basis for assessing the competitiveness of the compensation for our named executives.

INDEPENDENCE OF COMPENSATION ADVISERS

Edgar Filing: Huntsman CORP - Form DEF 14A

Since 2011, the Compensation Committee has retained Meridian as its compensation consultant. Meridian is an independent compensation consulting firm and does not provide any services to us outside of matters pertaining to executive officer and director compensation. Meridian reports directly to the Compensation Committee, which is solely responsible for determining the scope of services performed by Meridian and the directions given to Meridian regarding the performance of such services. Meridian attends Compensation Committee meetings as requested by the Compensation Committee.

The Compensation Committee determined that the services provided by Meridian to the Compensation Committee during 2014 did not give rise to any conflicts of interest. The Compensation Committee made this determination by assessing the independence of Meridian under the six independence factors adopted by the SEC and incorporated into the NYSE Corporate Governance Listing Standards. Further, in making this assessment, the Compensation Committee considered Meridian's written correspondence to the Compensation Committee that affirmed the independence of Meridian and the partners, consultants and employees who provide services to the Compensation Committee on executive and director compensation matters.

The Compensation Committee has on occasion sought the advice of Vinson & Elkins LLP, a law firm that represents and receives fees from our company with respect to legal services provided in other areas. Based on a letter from Vinson & Elkins assessing their independence under the six independence factors adopted by the SEC and incorporated into the NYSE Corporate Governance Listing Standards, the Compensation Committee determined that the services provided by Vinson & Elkins to the Compensation Committee during 2014 also did not give rise to any conflicts of interest.

COMPENSATION POLICIES AND PRACTICES

STOCK OWNERSHIP GUIDELINES

The Board has adopted Director and Executive Stock Ownership Guidelines (the Guidelines) to more closely align our directors' and executives' interests with our stockholders' interests and to encourage directors and executives to make decisions that will be in our long-term best interests through all industry cycles and market conditions. The Guidelines require directors and executive officers to achieve and maintain ownership of our stock equal to six times base salary for the CEO, three times base salary for all other executive officers and three times the annual cash retainer for directors. The stock ownership requirement is based on the participant's base salary or annual retainer (as applicable) and the closing stock price on July 15 of each calendar year.

During any year in which a participant's ownership target is not met, he or she is required to retain at least 50% of net shares delivered through the Huntsman Stock Incentive Plan (net shares means the shares remaining after deducting shares for the payment of taxes and, in the case of stock options, after deducting shares for payment of the exercise price of stock options). Shares acquired by a participant prior to becoming subject to the Guidelines are not subject to the retention restriction. There are exceptions to the retention requirement for estate planning, gifts to charity, education and a participant's primary residence. In addition, hardship exemptions may be made in rare instances. A copy of the Guidelines is available on our website at www.huntsman.com.

As of March 17, 2015, all of our NEOs and directors exceeded the ownership levels specified in the Guidelines. The following table provides the minimum stock ownership level for each NEO and the percentage of the ownership guideline achieved by the officer as of the determination date:

Officer	Ownership	Share Ownership Target	% of Guideline Achieved
Jon M. Huntsman	3x	144,900	100%
Peter R. Huntsman	6x	349,900	100%
J. Kimo Esplin	3x	71,100	100%
Anthony P. Hankins	3x	89,600	100%
David M. Stryker	3x	52,400	100%

CLAWBACK POLICY

Edgar Filing: Huntsman CORP - Form DEF 14A

In September 2014, the Compensation Committee adopted an Executive Compensation Clawback Policy for executive officers. Under this policy, the Company may recover performance-based compensation that was based on achievement of quantitative performance targets if an executive officer engaged in fraud or intentional illegal conduct resulting in a financial restatement. The Company may also recover any awards made to an executive during the prior three years should the executive engage in activity that results in a financial restatement.

PROHIBITED TRANSACTIONS

Our Insider Trading Policy includes trading restrictions, which prohibit employees, directors and related persons from engaging in short-term, hedging or speculative transactions in our securities. Such persons may not execute transactions in short sales, options, such as puts and calls, or any other derivative securities or margin accounts. In addition, while we do not prohibit pledging shares, persons subject to the policy are required to exercise caution when holding securities in a margin account where such securities could be pledged as collateral.

HUNTSMAN CORPORATION : PROXY STATEMENT

COMPENSATION POLICIES AND PRACTICES AS THEY RELATE TO RISK MANAGEMENT

The Compensation Committee believes that our compensation programs are appropriately designed to provide a level of incentives that does not encourage our executive officers and employees to take unnecessary risks in managing their respective business divisions or functions and in carrying out their employment responsibilities. As discussed above, a substantial portion of our executive officers' compensation is performance-based, consistent with our approach to executive compensation. Our annual cash incentive program is designed to reward annual financial and/or strategic performance in areas considered critical to our short and long-term success and features a cap on the maximum amount that can be earned in any single year. In addition, we measure performance in many areas other than company profit, such as environmental, health and safety goals, cost-saving initiatives and corporate compliance, to determine an executive's annual cash performance award. We believe this discourages risk-taking for short-term profits at the detriment of the long-term health of our company. Likewise, our long-term equity incentive awards are directly aligned with long-term stockholder interests through their link to our stock price and multi-year ratable vesting schedules. Our executive stock ownership guidelines further provide a long-term focus by requiring our executives to personally hold significant levels of our stock. In addition, we implemented a clawback policy to discourage risk-taking that focuses excessively on short-term financial performance. The Compensation Committee believes that the various elements of our executive compensation program sufficiently incentivize our executives to act based on the sustained long-term growth and performance of our company.

ACCOUNTING AND TAX TREATMENT OF THE ELEMENTS OF COMPENSATION

We account for stock-based awards, including stock options and restricted stock awards, in accordance with FASB ASC Topic 718 (formerly Statement of Financial Accounting Standards No. 123R).

The financial reporting and income tax consequences to us of individual compensation elements are important considerations for the Compensation Committee when it is analyzing the overall level of compensation and the mix of compensation among individual elements. Overall, the Compensation Committee seeks to balance its objective of ensuring an effective compensation package for the NEOs with the desire to maximize the immediate deductibility of compensation while ensuring an appropriate and transparent impact on reported earnings and other closely followed financial measures.

In making its compensation decisions, the Compensation Committee has considered the implications of Section 162(m) of the Internal Revenue Code. Section 162(m) of the Internal Revenue Code disallows a tax deduction by us for individual executive compensation exceeding \$1 million in any taxable year for our CEO and the other three most highly compensated senior executive officers (other than our CEO and Chief Financial Officer), unless the compensation is performance-based under a plan that is approved by our stockholders and that meets certain other technical requirements. As a result, the Compensation Committee intends to design a substantial portion of the total compensation package for each NEO to qualify for the performance-based compensation exemption from the deductibility limit. However, the Compensation Committee does have the discretion to design and use compensation elements that may not be deductible under Section 162(m) when necessary for competitive reasons, to

attract or retain a key executive, to enable us to retain flexibility in maximizing our pay for performance philosophy or where achieving maximum tax deductibility would not be in our best interest.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed Huntsman Corporation's Compensation Discussion and Analysis for the fiscal year ended December 31, 2014 as set forth above with Huntsman management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

(1) This column reflects the aggregate grant date fair value of awards of restricted stock for each NEO computed in accordance with FASB ASC Topic 718. For purposes of stock-based awards, fair value is calculated using the closing price of our stock on the date of grant. For information on the valuation assumptions with regard to restricted stock expenses, refer to the notes to our financial statements in our annual report on Form 10-K for the applicable year ended 2014, 2013 or 2012, respectively, as filed with the SEC. These amounts reflect the fair value of the restricted stock awards on the date of grant and may not correspond to the actual value that will be recognized by the NEOs.

(2) This column reflects the aggregate grant date fair value of stock options computed in accordance with FASB ASC Topic 718. The fair value of each stock option award is determined on the date of the grant using the Black-Scholes valuation model. For information on the valuation assumptions regarding option awards, refer to the notes to our financial statements in our annual report on Form 10-K for the applicable year ended 2014, 2013 or 2012, respectively, as filed with the SEC.

(4) This column reflects the aggregate amount of any change in pension value in 2014 for each of the NEOs, to the extent any such aggregate change is positive. See Pension Benefits in 2014 for additional information, including the present value assumptions used in this calculation. None of the NEOs had above-market or preferential earnings on nonqualified deferred compensation during 2014. See Nonqualified Deferred Compensation in 2014 for additional information.

NARRATIVE DISCLOSURE TO SUMMARY COMPENSATION TABLE AND GRANTS OF PLAN-BASED AWARDS TABLE

Information regarding the elements of our executive compensation program for 2014 is provided above under Compensation Discussion and Analysis. The following is a discussion of material factors necessary to obtain an understanding of information disclosed under 2014 Summary Compensation Table and Grants of Plan-Based Awards in 2014 that is not otherwise discussed in the Compensation Discussion and Analysis.

Aircraft Use Policy. We have an Aircraft Use Policy to carefully manage use of our aviation assets in a manner that best meets the goals of improving senior management's effectiveness and availability. Under this policy, certain of our executive officers may have personal use of company aircraft to the extent that such executive officer reimburses our company for the costs associated with their respective personal use of company aircraft. To mitigate security concerns and to maximize time available to spend on company business, the Compensation Committee permits our Executive Chairman and CEO to have personal use of company aircraft without cost subject to availability and to the Compensation Committee's authority to limit any such personal use. For 2014, personal use for our Executive Chairman was limited to 150 flight hours while personal use by our CEO was unlimited. We do not make gross-up payments for out-of-pocket tax obligations resulting from any personal use of our company aircraft.

Company Car. We provide executive officers with leased vehicles for business use, which executives may also use for personal transportation. Executive officers are responsible for the taxes on imputed income associated with the personal use of these vehicles.

Foreign Assignment. In accordance with our practice with respect to employees on assignment in a foreign country, Mr. Hankins entered into a letter agreement on November 1, 2000 with our subsidiary Huntsman Polyurethanes Americas detailing the terms of his secondment from Huntsman Polyurethanes (UK) Ltd. The primary purpose of this letter agreement is to provide Mr. Hankins with details regarding repatriation to his home country following the completion of his foreign assignment. This letter agreement also defines the initial elements of Mr. Hankins' compensation package, including base salary and an annual cash performance award, and provides for customary expatriation arrangements, including an international location allowance expressed as a percentage of annual salary.

Internal audit of travel related expenses. In connection with a general review of travel expenses, our internal audit group identified travel related expenses of family members of certain executive officers and directors incurred during the period from 2011 through 2014 that had not been previously classified as perquisite compensation. Although such expenses were predominantly travel related expenses of family members associated with business-related functions, such as attendance by such family members at customer events, business dinners, plant open houses, and other similar events, after review by the Company's Audit Committee and outside advisors, it was determined that these expenses may not by definition be integrally and directly related to the executive's duties. It was also determined that the reason these expenses had not been raised to the Compensation Committee for review in the past nor had been disclosed as perquisite compensation was that our disclosure controls did not identify them as perquisite compensation due to the business-related nature of these expenses. We have since implemented procedures designed to track and better identify any such expenditures in the future and to ensure timely reimbursement or approval and disclosure to the extent such amounts could be interpreted to constitute perquisite compensation to the NEO and/or director. Upon being informed of the disclosure control deficiency (which did not rise to the level of a material weakness) and the potential classification of certain of these expenses as perquisite compensation, each of the executive officers and directors to which such amounts related promptly reimbursed the Company for the incremental cost, resulting in a total reimbursement to the Company of \$1,386,652 for all such persons over the four-year period. Because of the

reimbursement, the Compensation Committee does not view this as a compensation matter.

The table below sets forth information on the pension benefits for the NEOs under our pension plans, each of which is more fully described in the narrative following the table. HUNTSMAN CORPORATION : PROXY STATEMENT

(1) The number of years of service credited to the NEO is determined using the same pension plan measurement date used for financial statement reporting purposes. These assumptions are discussed in Note 16. Employee Benefit Plans to our consolidated financial statements included in our 2014 Annual Report on Form 10-K.

(2) The actuarial present value of the accumulated benefits is determined using the same pension plan measurement date and assumptions as used for financial reporting purposes. These assumptions are discussed in Note 16. Employee Benefit Plans to our consolidated financial statements included in our 2014 Annual Report on Form 10-K. For purposes of performing these calculations, a normal retirement (earliest unreduced) age of 65 was utilized for Messrs. Peter R. Huntsman, Esplin and Stryker, and a normal retirement (earliest unreduced) age of 62 was used for Mr. Hankins. With the exception of Jon M. Huntsman, all accrued benefits are assumed payable at the plan's earliest unreduced retirement age. It is assumed that Jon M. Huntsman's benefits are payable immediately. Benefit values reported in this table have been projected out to assume payment at the normal retirement age then have been discounted back to a present value as of December 31, 2014.

(3) The Huntsman Pension Scheme (U.K.) was frozen to new participants as of February 29, 2012. Benefits for Mr. Hankins under this plan will only increase based on changes in salary.

(4) We credited Mr. Stryker with 10 years of service under the Supplemental Executive Retirement Plan when he was hired in June 2013.

In the U.S., we sponsor the Huntsman Defined Benefit Pension Plan (the Huntsman Pension Plan), a tax-qualified defined benefit pension plan. Effective July 1, 2004, the formula used to calculate future benefits under the Huntsman Pension Plan was changed to a cash balance formula. The benefits accrued under the plan as of June 30, 2004 were used to calculate opening cash balance accounts. Of our NEOs, Messrs. Jon M. Huntsman, Peter R. Huntsman, Esplin and Stryker were participants in the Huntsman Pension Plan in 2014.

The Huntsman Supplemental Executive Retirement Plan (the Supplemental Executive Retirement Plan) is a non-qualified supplemental pension plan that provides benefits for designated executive officers based on certain compensation amounts not included in the calculation of benefits payable under the Huntsman Pension Plan. Of our NEOs, Messrs. Jon M. Huntsman, Peter R. Huntsman, Esplin and Stryker were participants in the Supplemental Executive Retirement Plan in 2014. The compensation taken into account for these NEOs under the Supplemental Executive Retirement Plan includes amounts in excess of the qualified plan limitations. The Supplemental Executive Retirement Plan benefit is calculated as the difference between (1) the benefit determined using the Huntsman Pension Plan formula with unlimited base salary plus annual cash performance awards, and (2) the benefit determined using base salary plus annual cash performance awards as limited by federal regulations.

Both plans express benefits as a hypothetical cash balance account established in each participant's name, and a participant's account receives two forms of credits: pay credits and interest credits. Pay credits equal a percentage of a participant's compensation and are credited to a participant's account on an annual basis. Compensation for this purpose includes both salary and annual cash performance awards. Compensation under the Huntsman Pension Plan is subject to the compensation limit applicable to tax-qualified plans of \$260,000 for 2014. The benefit that would be available under the Huntsman Pension Plan, but for this limitation, is provided under the Supplemental Executive Retirement Plan. The applicable pay credit percentage ranges between 9% and 12% depending on the participant's combined age and years of service as of the start of each plan year. The 2014 pay credits for the Huntsman Pension Plan are \$31,200 for Jon M. Huntsman, \$31,200 for Peter R. Huntsman, \$27,300 for Mr. Esplin, and \$20,800 for Mr. Stryker. The 2014 pay credits for the Supplemental Executive Retirement Plan are \$788,622, \$488,340, \$85,305, and \$55,151 for Messrs. Jon M. Huntsman, Peter R. Huntsman, Esplin, and Stryker, respectively.

Interest credits for a plan year are based on the 30-year U.S. Treasury yield for November of the prior year. The minimum annual interest credit rate is 5.0%. The 2014 interest credits for the Huntsman Pension Plan are \$6,913, \$92,623, \$70,586, and \$8,020 for Messrs. Jon M. Huntsman, Peter

Edgar Filing: Huntsman CORP - Form DEF 14A

R. Huntsman, Esplin, and Stryker, respectively. The 2014 interest credits for the Supplemental Executive Retirement Plan are \$132,519, \$349,144, \$13,075, and \$29,037 for Messrs. Jon M. Huntsman, Peter R. Huntsman, Esplin, and Stryker, respectively.

Pursuant to the terms of the Huntsman Pension Plan, at termination of employment for any reason after having completed at least three years of service, a participant will receive the amount then credited to the participant's cash balance account in an actuarially equivalent joint and survivor annuity (if married) or single life annuity (if not married). Participants may also choose from other optional forms of benefit, including a lump-sum payment in the amount of the cash balance account. For participants in the prior Supplemental Executive Retirement Plan (including NEOs Peter R. Huntsman and Mr. Esplin), the Huntsman Pension Plan also includes a minimum benefit that guarantees that a participant's benefit will not be less than the benefit accrued under the prior formula at transition (July 1, 2004) plus the benefit attributable to pay credits, with interest credits, beginning July 1, 2004. Under the prior plan provisions, the monthly basic benefit equaled one-twelfth of 1.4% of average earnings multiplied by pension service prior to January 1, 2000, plus 1.5% of average earnings multiplied by pension service after January 1, 2000, less 50% of the Social Security benefit prorated by pension service, payable as a life annuity to the participant. The prior Supplemental Executive Retirement Plan

HUNTSMAN CORPORATION : PROXY STATEMENT

mirrored the benefit from the Huntsman Pension Plan. For participants taking an annuity, early retirement reductions apply if retirement occurs before normal retirement age (defined as age 65 with 5 years of service) and on or after the earlier of (i) both attaining age 50 and age plus vesting service equal to 80 or more, or (ii) age 55 with 10 years of vesting service. The effect of these reductions is to reduce the annuity amount paid by 5% per year for each year beginning at age 59 until age 50 where the amount paid would be 50%. As of December 31, 2014, Peter R. Huntsman is our only NEO eligible for early retirement.

Vested benefits under the Supplemental Executive Retirement Plan are paid 30 days following a participant's separation from service, unless the participant is a specified employee for purposes of Section 409A of the Internal Revenue Code (Section 409A), in which case payment will be delayed for six months. Vested benefits are paid in a single cash lump sum unless the participant elects: (1) a life annuity, (2) a life annuity with payments guaranteed for 120 months, or (3) a joint and survivor annuity providing survivor benefits equal to 50% or 100% (as elected by the participant) of the annuity payable to the participant. Benefits are unvested until the earlier to occur of: (1) completion of ten years of service, (2) termination on account of death or Disability or on or after attainment of Normal Retirement Age, or (3) termination without Reasonable Cause. Each NEO, other than Mr. Stryker, is fully vested in his benefit under the Supplemental Executive Retirement Plan. Jon M. Huntsman is currently receiving distributions from his Huntsman Pension Plan and Supplemental Executive Retirement Plan accounts in connection with his prior retirement from Huntsman in 2001.

Disability under the Huntsman Pension Plan provides that, for a disabled participant, service and benefit accruals continue for 24 months. After 24 months, disabled participants are deemed to be terminated participants. Disability is defined as total and permanent disability, as determined by the administrator of our long-term disability plan.

Normal Retirement Age is retirement eligibility upon age 65 with 5 years of service under the Huntsman Pension Plan and Supplemental Executive Retirement Plan.

Reasonable Cause means: (1) the grossly negligent, fraudulent, dishonest or willful violation of any law or the material violation of any of our significant policies that materially and adversely affects us, or (2) the failure of the participant to substantially perform his duties.

We also sponsor retirement benefit plans in connection with our operations in the U.K. Of our NEOs, Mr. Hankins participates in the Huntsman Pension Scheme for U.K. associates in the Polyurethanes segment. The Huntsman Pension Scheme (U.K.) in which Mr. Hankins participates provides standard benefits equal to 2.2% (1/45th) of final pensionable compensation up to \$18,854 (£11,250), plus 1.83% of final pensionable compensation above \$18,854 (£11,250), minus 1/50th of the current State pension benefit, times actual years of service; subject to a maximum limit of 2/3rd of final pensionable compensation times actual years of service, divided by total possible service to retirement. Final pensionable compensation is gross salary received during the 12 months prior to retirement less any profit sharing payments. Normal retirement age for the Huntsman Pension Scheme (U.K.) is age 62 and participants retiring as early as age 50 may receive a reduced pension amount between 37% at age 50 and 66.7% at age 61, which is increased by 2.5% per year until the participant reaches 62. These benefits also include U.K. social security benefits. As of December 31, 2014, Mr. Hankins had approximately 35 years of service in the U.K., and is fully vested in these benefits. The Huntsman Pension Scheme (U.K.) was frozen to new participants as of February 29, 2012 and, after that date, benefits for current participants under the plan will only increase based on changes in salary.

NONQUALIFIED DEFERRED COMPENSATION IN 2014

We provide executive officers based in the United States the opportunity to participate in up to four defined contribution savings plans: (1) the 401(k) Plan; (2) the Supplemental Savings Plan; (3) the MPP; and (4) the SEMPP. Jon M. Huntsman and David M. Stryker are not eligible for the MPP or the SEMPP, and Jon M. Huntsman does not participate in the 401(k) Plan or the Supplemental Savings Plan. The 401(k) Plan is a tax-qualified broad-based employee savings plan; employee contributions up to 25% of base salary and annual cash performance awards are permitted up to dollar limits established annually by the Internal Revenue Service (IRS).

The table below provides information on the nonqualified deferred compensation of the NEOs in 2014 under the Supplemental Savings Plan and the SEMPP. No withdrawals or distributions were made in 2014.

(1) These contributions represent deferrals under the Supplemental Savings Plan and are included in the Salary column of the Summary Compensation Table for 2014 set forth above.

(2) These amounts represent contributions to our Supplemental Savings Plan and the SEMPP and are included in the All other compensation column of the Summary Compensation Table for 2014 set forth above.

(3) No above market or preferential earnings are provided under our nonqualified defined contribution plans because the investment choices available under such plans are identical to the investment choices available in the 401(k) Plan and the MPP, which are our qualified plans. Consequently, none of the earnings reported in this table are included in the Summary Compensation Table set forth above.

(4) Amounts reflected in this column for each NEO who participates in the plans were previously reported as compensation to the executive officer in the Summary Compensation Table as follows: Peter R. Huntsman \$1,494,981, Mr. Esplin \$586,789, and Mr. Hankins \$410,178.

(11) This amount includes a contribution of \$5,200 to the Supplemental Savings Plan only.

(12) This amount includes \$9,826 from our Supplemental Savings Plan.

Edgar Filing: Huntsman CORP - Form DEF 14A

The Supplemental Savings Plan is a nonqualified salary deferral plan and allows designated executive officers to defer up to 75% of eligible salary and up to 75% of annual cash performance awards. The Supplemental Savings Plan also provides benefits for participants in the form of company matching contributions based on certain compensation amounts not included in the calculation of benefits payable under the 401(k) Plan because of limits under federal law on compensation (\$260,000 in 2014). Eligible participants in the 401(k) Plan receive a year-end true-up match in their Supplemental Savings Plan based on eligible contributions missed in the 401(k) Plan but for these federal limitations. As required by Section 409A, deferrals must be elected in the calendar year preceding the year in which the compensation deferred is earned. Peter R. Huntsman and Mr. Stryker did not defer any earnings into the Supplemental Savings Plan in 2014. As we have done in prior reporting years, we contributed a true-up match to the Supplemental Savings Plan in the amounts of \$3,550, \$20,582, \$23,157, and \$5,200 on behalf of Messrs. Peter R. Huntsman, Esplin, Hankins, and Stryker, respectively, for 2014.

The Supplemental Savings Plan provides for payment of benefits to a participant upon the earlier to occur of a Change of Control or a termination of the participant's service. Benefits paid upon a Change of Control are always paid in a single lump-sum payment. Benefits payable upon a separation from service can be made (at the election of the participant) in either a single lump-sum payment or in substantially equal installments over a period selected by the participant that does not exceed 10 years. In addition, the participant may request distribution of all or portion of the amounts credited to his account upon an Unforeseeable Emergency. Payments upon separation from service will be delayed six months in accordance with Section 409A in the event a participant is a specified employee for purposes of Section 409A.

The Supplemental Savings Plan defines a Change of Control as the occurrence of either of the following events:

- Any person becomes the owner of 35% or more of our outstanding voting stock (other than certain persons affiliated with us).
- The replacement of a majority of the Board over a two-year period except in cases where (1) such replacement is not approved by a vote of at least a majority of the incumbent Board or (2) the election or nomination of such replacement Board members is by certain of our affiliates.

Table of Contents

HUNTSMAN CORPORATION : PROXY STATEMENT

In addition, any Change of Control must also constitute a change in control for purposes of Section 409A.

A participant will be deemed to have incurred an Unforeseeable Emergency if he suffers a severe financial hardship resulting from (1) an illness or accident with respect to him, his spouse or a dependent, (2) the loss of property due to casualty or (3) other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the participant's control determined by us to constitute an unforeseeable emergency for purposes of Section 409A.

The Supplemental Savings Plan was amended on September 1, 2014 to increase the eligible match to 4% of pay. Additionally, for individuals who had been participants in the MPP or SEMPP plans, we provided a 6% non-discretionary contribution for earnings from September 1, 2014 through December 31, 2014. This amendment was implemented together with amendments to the MPP and SEMPP plans to offset the effect of discontinuation of all contributions to the MPP and SEMPP plans effective August 31, 2014. The 6% non-discretionary contributions calculated on earnings between September 1, 2014 and December 31, 2014, were \$32,000, \$13,000, and \$12,294 for Messrs. Peter R. Huntsman, Esplin, and Hankins, respectively. Beginning in 2015, contributions will be based on full year earnings. Jon M. Huntsman and Mr. Stryker do not participate in the MPP or SEMPP plans, so we will not make non-discretionary contributions on their behalf.

The MPP is a tax-qualified broad-based employee savings plan. Our contributions vary by service: 0.5% of compensation for 3 to 6 years of service, 3% of compensation for 7 to 9 years of service and 8% of compensation for 10+ years of service, subject to IRS limits. Employees can direct the investments for their accounts. The MPP has been closed to new participants since January 2004, including Mr. Stryker who joined our company in 2013. Prior to the September 1, 2014 amendments, we continued to make annual contributions on behalf of existing MPP participants. Beginning September 1, 2014, we no longer make annual contributions to the MPP.

The SEMPP is a nonqualified plan for senior executives that provides for benefits not allowed under the MPP due to IRS compensation and allocation limits. Employees are vested in this account upon meeting 10 years of service, upon attaining normal retirement age, death or disability, or upon termination of employment without reasonable cause.

The SEMPP provides for benefits that would not otherwise be available under our MPP due to statutory limitations imposed on tax-qualified retirement plans. The plan provides for the payment of vested benefits upon a participant's separation from service except to the extent the participant is a specified employee for purposes of Section 409A in which case benefits will be delayed six months. A participant's benefits vest on the earlier to occur of (1) completion of ten years of service, (2) termination on account of death, Disability, or on or after attainment of Normal Retirement Age, or (3) termination without Reasonable Cause. Disability, Normal Retirement Age, and Reasonable Cause have the same meaning as set forth above in our description of the Supplemental Executive Retirement Plan under Pension Benefits in 2014, except that a Disability must also constitute a disability for purposes of Section 409A. Other than Jon M. Huntsman and Mr. Stryker, who are not eligible to participate, each NEO is currently vested in his SEMPP benefit. Beginning September 1, 2014, we no longer make annual contributions to the SEMPP.

Benefits are payable in one of the following forms elected by a participant:

Edgar Filing: Huntsman CORP - Form DEF 14A

- A single lump-sum payment;
- A single life annuity;
- A joint and survivor annuity; or
- Installments over a period selected by the participant not in excess of 10 years.

Participants are entitled to elect the investment of their accounts under both the Supplemental Savings Plan and the SEMPP. Although no assets may actually be invested, a participant's benefit value is based on the gains or losses of the investments they choose. No above market or preferential earnings are provided under our nonqualified defined contribution plans because the investment choices available under the plans are identical to the investment choices available in the 401(k) Plan and the MPP. Consequently none of the earnings reported in the Nonqualified Deferred Compensation in 2014 table above are included in the Summary Compensation Table for 2014. Participants may change their investment options at any time by submitting a change form to the plan administrator.

HUNTSMAN CORPORATION : PROXY STATEMENT

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

Our NEOs may receive compensation in connection with an involuntary termination of employment or a change of control pursuant to the terms of the following arrangements:

- the Executive Severance Plan (in the case of the NEOs other than Jon M. Huntsman and Peter R. Huntsman);
- the Severance Agreements with Jon M. Huntsman and Peter R. Huntsman;
- the Huntsman Stock Incentive Plan; and
- other existing plans and arrangements in which our NEOs participate.

Executive Severance Plan. Through our Executive Severance Plan, we provide our executive officers, including our NEOs, two times base salary as severance in order to attract and retain the executive talent necessary for our business. The level of severance is evaluated each year. Pursuant to our Executive Severance Plan, each participant is entitled to receive a single cash lump sum severance payment in the event of a termination without Reasonable Cause or upon a termination by the executive for Good Reason.

Reasonable Cause means: (1) the grossly negligent, fraudulent, dishonest or willful violation of any law or the material violation of any of our significant policies that materially and adversely affects us, or (2) the failure of the participant to substantially perform his duties.

Good Reason means a voluntary termination of employment by the participant as a result of (1) a materially detrimental reduction or change to the job responsibilities or in the current base compensation of the Participant, or (2) within a period of 12 months following a Change of Control, changing the participant's principal place of work by more than 50 miles, in each case, which is not remedied by the Company within 30 days after receipt of notice.

Edgar Filing: Huntsman CORP - Form DEF 14A

A Change of Control is defined pursuant to the Huntsman Stock Incentive Plan and means the occurrence of any of the following:

- An acquisition by any person of 20% or more of the combined voting power of our outstanding voting securities.
- The consummation of a reorganization, merger, consolidation or other transaction in which our stockholders do not own, immediately thereafter, more than 20% or more of the combined voting power of the resulting entity in substantially the same proportion as their stock ownership prior to the transaction.
- The sale or disposition of all or substantially all of our assets.
- A majority change in the incumbent directors of the Board.
- An approval by the Board or our stockholders of a complete or substantially complete liquidation or dissolution.

The Executive Severance Plan also provides the continuation of medical benefits for U.S. participants for two years following termination (which will be in the form of a lump sum cash payment equal to the monthly health care premiums for coverage), and outplacement services for a period of one year.

A participant is not entitled to benefits under the Executive Severance Plan if the participant is reemployed with an employer in our controlled group, if the participant refuses to sign a waiver and release of claims in our favor if requested, or if the participant is entitled to severance benefits under a separate agreement or plan maintained by us.

As a citizen of the U.K., Mr. Hankins is also entitled participate in the U.K. Polyurethanes business severance plan on the same basis as all U.K. associates in our Polyurethanes segment. Upon termination, we would evaluate the potential payout from both the Executive Severance Plan and the U.K. Polyurethanes business severance plan and the plan generating the more generous payout would be used. Pursuant to the U.K. Polyurethanes business severance plan, Mr. Hankins is entitled to 12 months notice and 21 months or 175% of his annual base pay upon termination. Accordingly, Mr. Hankins would be entitled to severance pursuant to the U.K. Polyurethanes business severance plan and his potential severance payment is 33 times base monthly salary.

Severance Agreements with Jon M. Huntsman and Peter R. Huntsman. Effective January 1, 2013, we entered into Severance Agreements with Jon M. Huntsman and Peter R. Huntsman. The Severance Agreements have a five year term and are designed to provide enhanced severance benefits in the event of a change of control. During the term of the agreements, Jon M. Huntsman and Peter R. Huntsman are not eligible to participate in the Executive Severance Plan.

Pursuant to the agreements, if Jon M. Huntsman or Peter R. Huntsman is terminated (i) by us other than for Reasonable Cause or (ii) by the executive for Good Reason, the executive will be entitled to the same payments and benefits specified in the Executive Severance Plan.

HUNTSMAN CORPORATION : PROXY STATEMENT

For Jon M. Huntsman, upon the occurrence of a change of control, all unvested equity awards under the Huntsman Stock Incentive Plan will become immediately vested, regardless of whether a termination has occurred. In addition, if his employment is terminated by us without Reasonable Cause or by him for Good Reason, in either case, within three years following a change of control, we will pay Jon M. Huntsman a lump sum cash amount equal to (1) three times his then current annual base salary, (2) three times the largest annual bonus paid to him during any of the three previous calendar years, (3) the largest annual bonus amount paid to him during any of the previous three calendar years, reduced by an amount equal to the pro rata portion of such bonus attributable to the number of days in the calendar year of his termination that elapse following his termination date, and (4) an amount equal to \$42,890, representing the loss of certain health and welfare benefits provided to him in connection with his employment.

In the case of Peter R. Huntsman, in the event his employment is terminated by us other than for Reasonable Cause or by him for Good Reason, in either case, within two years following a change of control, we will pay him a lump sum cash amount equal to 2.9 times his then current annual base salary.

Payment of any amounts described above is contingent upon each executive executing (and not revoking) a release of claims in favor of the Company. The Severance Agreements do not contain tax gross-up provisions; however, the agreements do include a best of net provision, which provides that, if any payments or benefits to which the executive is entitled in connection with his termination are likely subject to the tax imposed by Section 4999 of the Internal Revenue Code, the payment will (1) be reduced such that Section 4999 does not apply or (2) paid in full, whichever produces the better net after tax position to the executive.

The Severance Agreements utilize the same definition of Reasonable Cause as set forth above with respect to our Executive Severance Plan. A termination for Good Reason pursuant to the Severance Agreements means voluntary termination of employment as a result of (1) the significant detrimental reduction or change to the executive's job responsibilities or in his current base compensation, or (2) a change in the executive's principal place of work by more than fifty miles from his principal place of work, which is not remedied by the Company within 30 days after receipt of notice.

For purposes of the Severance Agreements, a change of control means (1) an acquisition of beneficial ownership by an individual, entity, or group of 20% or more of our then outstanding shares of common stock or of our outstanding voting securities (subject to certain exceptions), (2) a majority change in the incumbent directors of the Board, (3) the consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of our assets (subject to certain limitations), or (4) a complete liquidation or dissolution of the Company.

Huntsman Stock Incentive Plan Awards. Long-term equity incentive awards granted under the Huntsman Stock Incentive Plan provide for accelerated vesting upon a Change of Control at the discretion of our Compensation Committee. Any such provision made by the Compensation Committee could benefit all participants in the Huntsman Stock Incentive Plan, including the NEOs. If there is a Change of Control, the Compensation Committee may, in its discretion, provide for:

- assumption by the successor company of an award, or the substitution thereof for similar options, rights or awards covering the stock of the successor company;

- acceleration of the vesting of all or any portion of an award;
- changing the period of time during which vested awards may be exercised (for example, but not by way of limitation, by requiring that unexercised, vested awards terminate upon consummation of the change of control);
- payment of substantially equivalent value in exchange for the cancellation of an award; and/or
- issuance of substitute awards of substantially equivalent value.

Other arrangements. As more fully described under Pension Benefits in 2014 above, our executives are entitled to payments pursuant to the terms and conditions of the Huntsman Pension Plan or local variants and the Supplemental Executive Retirement Plan. In addition, pursuant to our Supplemental Savings Plan, upon a change of control (as defined in the Supplemental Savings Plan), participants, including the NEOs, may elect to receive the present value of the benefits payable to them under this plan. Amounts payable under the Supplemental Savings Plan and SEMPP are described under Nonqualified Deferred Compensation in 2014 above.

As described under Pension Benefits in 2014 above, pursuant to the Huntsman Pension Scheme (U.K.), Mr. Hankins is entitled to receive annual benefits of up to 2/3 of pensionable compensation, which are reduced if his actual years of service are less than the total possible years of service to retirement. Upon a qualifying disability, Mr. Hankins' benefits would be enhanced to the maximum benefit of 2/3 of pensionable compensation even if his actual years of service are less than the total possible years of service (as of December 31, 2014, his benefit is approximately 53.6% of pensionable compensation). Mr. Hankins is entitled to a death benefit equal to 72.5% of the maximum benefit or a lump sum equal to four times pensionable compensation.

(2) In the case of an involuntary termination without Reasonable Cause or for Good Reason, calculated by multiplying 150% of the employer and employee monthly premiums payable with respect to the health care coverage elected by the executive as of December 31, 2014, by 24. We assumed a monthly premium 50% larger than current premiums to reflect annual increases in premium costs in order to ensure that the amounts reported above include the total amount for which we are potentially responsible with respect to such coverage.

(3) We contract with a third-party provider for 12 months of outplacement services. To the extent these services might be utilized, we expect the Company cost would be \$8,500.

(4) Mr. Jon M. Huntsman's Severance Agreement provides for automatic vesting in full of his outstanding unvested equity awards upon the occurrence of a change of control. An acceleration of Mr. Jon M. Huntsman's 236,474 unvested shares of restricted stock would have an estimated value of \$5,386,878. Mr. Jon M. unvested options would have an estimated value of \$4,028,332.

(6) Any acceleration of vesting of long-term equity incentive awards held by Mr. Esplin requires the approval of the Compensation Committee, which we assume for purposes of this table would have occurred on December 31, 2014. An acceleration of Mr. Esplin's 65,468 unvested shares of restricted stock would have an estimated value of \$1,491,361, and an acceleration of Mr. Esplin's 144,207 unvested options would have an estimated value of \$779,368.

(7) Any acceleration of vesting of long-term equity incentive awards held by Mr. Hankins requires the approval of the Compensation Committee, which we assume for purposes of this table would have occurred on December 31, 2014. (8) Any acceleration of vesting of long-term equity incentive awards held by Mr. Stryker requires the approval of the Compensation Committee, which we assume for purposes of this table would have occurred on December 31, 2014. An acceleration of Mr. Stryker's 29,066 unvested shares of restricted stock would have an estimated value of \$662,123, and an acceleration of Mr. Stryker's 64,627 unvested options would have an estimated value of \$272,726.

Huntsman's current annual base salary, (b) three times the largest annual bonus paid to him during any of the three previous calendar years, (c) the largest annual bonus paid to him during any of the three previous calendar years, reduced pro rata based on the date of termination, and (d) an amount equal to \$42,890 for the loss of certain health and welfare benefits.

PART 7

PROPOSALS TO BE VOTED ON AT THE MEETING

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The size of the Board is currently set at 10, divided into two classes with one class being elected to serve until the 2016 annual meeting and the other class being elected to serve until the 2017 annual meeting. The three current Class I Board members whose terms expire at the Annual Meeting are Messrs. Peter R. Huntsman, Wayne A. Reaud and Alvin V. Shoemaker. With respect to the directors standing for re-election at the Annual Meeting, the Governance Committee has recommended, and the Board has unanimously nominated, Messrs. Peter R. Huntsman, Wayne A. Reaud and Alvin V. Shoemaker for election as Class I directors. Each elected Class I director will serve until our 2016 annual meeting, until a successor is elected and qualified, or until his or her earlier death, resignation or retirement. We did not pay any third-party fees to assist in the process of identifying or evaluating candidates nor did we receive any stockholder nominations for director.

The nominees receiving a plurality of the votes cast at the Annual Meeting for the election of directors will be elected as Class I directors. You may not cumulate your votes in the election of directors. Votes that are withheld from a director's election will be counted toward a quorum, but will not affect the outcome of the vote on the election of a director. If you are a street name stockholder and you do not provide your brokerage firm with voting instructions, your brokerage firm may not cast votes with respect to the shares that you beneficially own. These broker non-votes will have no effect on the election of the Class I director nominees.

Unless otherwise indicated on the proxy, the persons named as proxies in the enclosed proxy will vote FOR each of the Class I director nominees listed below. Although we have no reason to believe that any of the nominees will be unable to serve if elected, should any of the nominees become unable to serve prior to the Annual Meeting, the proxies will be voted for the election of such other persons as may be nominated by the Board.

It is our policy for directors to attend our annual meetings to provide an opportunity for stockholders to communicate directly with directors about issues affecting our company.

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF EACH CLASS I DIRECTOR NOMINEE.

PROPOSAL NO. 2 NON-BINDING ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Pursuant to Section 14A of the Securities Exchange Act of 1934, we are submitting a proposal to our stockholders for a non-binding advisory vote to approve the compensation of our NEOs as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. This say-on-pay proposal, gives our stockholders the opportunity to express their views on the compensation of our NEOs. Currently, our stockholders are given the opportunity to cast an advisory vote on this topic annually, with the next opportunity occurring in connection with our 2016 annual meeting.

The guiding principles of our compensation policies and decisions include aligning each executive's compensation with our company's business strategy and the interests of our stockholders and providing incentives needed to attract, motivate and retain key executives who are important to our long-term success. Our overriding executive compensation philosophy is clear and consistent - we pay for performance. Consistent with this philosophy, a significant portion of the total compensation for each of our executives is directly related to our earnings and to other performance factors that measure our progress against the goals of our strategic and operating plans and the long-term performance of our common stock.

When casting your vote, we urge you to read the Compensation Discussion and Analysis section of this Proxy Statement, which discusses how our compensation design and practices reflect our compensation philosophy. The Compensation Committee and the Board believe that our compensation practices effectively implement our guiding principles. This is evidenced by our company's solid financial performance in 2014, as discussed in the Compensation Discussion and Analysis section. The Compensation Discussion and Analysis also discusses changes made to our executive compensation program in light of the results of our 2014 say-on-pay vote and feedback from our stockholders.

The say-on-pay vote is not intended to address any specific item of compensation, but rather the overall compensation of our NEOs and the principles, policies and practices described in this Proxy Statement. Accordingly, the following resolution is submitted for stockholder vote at the Annual Meeting:

Table of Contents

HUNTSMAN CORPORATION : PROXY STATEMENT

RESOLVED, that the stockholders of Huntsman Corporation approve, on a non-binding advisory basis, the compensation of its named executive officers as disclosed in the proxy statement for the 2015 Annual Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the Summary Compensation Table and other related tables and disclosures.

Approval of this proposal requires approval by holders of a majority of the shares represented in person or by proxy and entitled to vote at the Annual Meeting. Abstentions will be treated as votes against this proposal. If you are a street name stockholder and you do not provide your brokerage firm with voting instructions, your brokerage firm may not cast votes with respect to the shares that you beneficially own. These broker non-votes will have no effect on the vote.

While this vote is required by law, the result will not be binding on our company, the Board or the Compensation Committee. Nevertheless, the Compensation Committee will consider the outcome of the vote when making future decisions regarding our compensation practices.

PROPOSAL NO. 3 RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Deloitte & Touche LLP to serve as our independent registered public accounting firm and to audit our consolidated financial statements for the fiscal year ending December 31, 2015. Deloitte & Touche LLP has served as our auditor since 1984. The Audit Committee has been advised by Deloitte & Touche LLP that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in us or our subsidiaries. As a matter of good corporate governance, the Audit Committee has determined to submit its selection of Deloitte & Touche LLP to stockholders for ratification.

The proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm will require approval by holders of a majority of the shares represented in person or by proxy and entitled to vote at the Annual Meeting. Abstentions will be treated as votes against this proposal. If you hold your shares in street name and do not provide timely voting instructions, your broker may exercise discretionary authority, thereby avoiding a broker non-vote.

Edgar Filing: Huntsman CORP - Form DEF 14A

If the selection of the independent registered public accounting firm is not ratified, the Audit Committee will reconsider its selection. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interest of our company and our stockholders.

One or more representatives of Deloitte & Touche LLP are expected to attend the Annual Meeting and will be available to respond to appropriate questions and, if they desire, will have an opportunity to make a statement.

HUNTSMAN CORPORATION : PROXY STATEMENT

Under the regulations of the SEC, shares are generally deemed to be beneficially owned by a person if the person directly or indirectly has or shares voting power or investment power (including the power to dispose) over the shares, whether or not the person has any pecuniary interest in the shares, or if the person has the right to acquire voting power or investment power of the shares within 60 days, including through the exercise of any option, warrant or right. In accordance with the regulations of the SEC, in computing the number of shares of common stock beneficially owned by a person and the percentage ownership of such person, we deemed to be outstanding all shares of common stock subject to options or other rights held by the person that are currently exercisable or exercisable within 60 days of March 17, 2015. We did not deem such shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: Huntsman CORP - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, among others, to file with the SEC and the NYSE an initial report of ownership of our common stock on Form 3 and reports of changes in ownership on Form 4 or Form 5. Persons subject to Section 16 are required by SEC regulations to furnish us with copies of all Section 16 forms that they file related to Huntsman stock transactions. Under SEC rules, certain forms of indirect ownership and ownership of our common stock by certain family members are covered by these reporting requirements. As a matter of practice, our administrative staff assists our directors and executive officers in preparing initial ownership reports and reporting ownership changes and typically files these reports on their behalf.

Based solely on a review of the reports furnished to us or written representations from reporting persons that all reportable transactions were reported, we believe that during 2014 all of our executive officers, directors and greater than 10% holders filed the reports required to be filed under Section 16(a) on a timely basis under Section 16(a) other than a Form 4 that was filed two days late by Huntsman on behalf of Nolan D. Archibald with respect to a purchase of shares.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

POLICIES AND PROCEDURES

Effective February 1, 2007, the Board adopted a Related Party Transactions Policy, which includes the procedures for review, approval and monitoring of transactions involving our company and related persons (directors, executive officers, stockholders owning five percent or greater of our common stock, or their respective immediate family members). The policy covers any transaction involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest.

Related person transactions must be approved by the Audit Committee, which will approve the transaction only if it determines that the transaction is in, or is not inconsistent with, our interests. In evaluating the transaction, the Audit Committee will consider all relevant factors, including as applicable (1) the benefit to us in entering into the transaction; (2) the alternatives to entering into a related person transaction; and (3) whether the transaction is on terms comparable to those available to third parties.

If a director is involved in the transaction, he or she will be recused from all discussions and decisions about the transaction. The transaction must be approved in advance of its consummation. The Audit Committee will periodically monitor the transaction to ensure that there are no changed circumstances that would render it advisable, or not inconsistent with such circumstances, to amend or terminate the transaction and will review the transaction annually to determine whether it continues to be in our interests.
