*Purchase and Sale Agreement*

On March 31, 2015, SEP Holdings III, LLC ( Seller ), a wholly owned subsidiary of Sanchez Energy Corporation (the Company ), completed the transactions under that certain Purchase and Sale Agreement (the Purchase Agreement ) with Sanchez Production Partners LP (the Partnership ) and the Partnership s wholly owned subsidiary, SEP Holdings IV, LLC ( Buyer ). The Purchase Agreement relates to the sale by the Seller to the Buyer of escalating amounts of partial working interests in 59 wellbores located in Gonzalez County in Texas. The aggregate average working interest percentage initially being conveyed is 18.25% per wellbore and, upon January 1 of each subsequent year after the closing, the Buyer s working interest will automatically increase (and the Seller s will correspondingly decrease) in incremental amounts according to Exhibit A of the Purchase Agreement until January 1, 2019, at which point the Buyer will own a 47.5% working interest and the Seller will own a 2.5% working interest in each of the wellbores. In exchange for these assets, the Buyer paid to the Seller consideration consisting of \$83,000,000 (\$81,602,351.42 as adjusted) cash paid to the Seller by the Buyer and 1,052,632 common units of the Partnership valued at approximately \$2,000,000 issued to the Seller, subject to post-closing adjustments.

Also, in anticipation of the transaction, the Company entered into certain gas and oil hedging transactions related to the production of the wellbores with the Royal Bank of Canada. As part of the closing, the Company novated these hedges to the Partnership and the purchase price was adjusted upward to account for amounts the Company had paid under these hedges.

Representations, warranties, covenants, indemnifications and other provisions in the Purchase Agreement, and the other documents in connection with the Purchase Agreement, were made or agreed to, among other things, to provide the parties thereto with specified rights and obligations and to allocate risk among them. Accordingly, the Purchase Agreement, and the other documents in connection with the Purchase Agreement, should not be relied upon as constituting a description of the state of affairs of any of the parties thereto or their affiliates at the time it was entered into or otherwise.

Antonio R. Sanchez, III, is the Company s President, Chief Executive Officer and is a member of the board of directors of both the Company and of the general partner of the Partnership. Sanchez Oil and Gas Corporation ( SOG ) is a private company that provides certain services to both the Company and the Partnership. Antonio R. Sanchez, Jr., the father of Antonio R. Sanchez, III, is a member of the board of directors of the Company and both are officers and directors of SOG. Antonio R. Sanchez, Jr. and Antonio R. Sanchez, III both directly and indirectly own certain equity interest in the Company, the Partnership and SOG.
