State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As of the date of the filing of this letter, the Company has not yet finalized its consolidated financial statements in the form to be included in its Annual Report on Form 20-F as of and for the fiscal year ended December 31, 2014 (the Form 20-F), nor the other disclosures required in that Form 20-F, which include, without limitation, certain disclosures related to the business of Oi, S.A., whose Annual Report on Form 20-F as of and for the fiscal year ended December 31, 2014 will not be filed as of the date of the filing of this letter. In addition, the Company's recently appointed independent registered public accounting firm has not completed its audit of these financial statements in the form to be included in the Form 20-F. On December 18, 2014, Deloitte & Associados, SROC, SA submitted its resignation as independent registered public accounting firm for the Company with respect to the fiscal year ended December 31, 2014. On March 16, 2015, the Company announced that its Audit Committee has approved the appointment of BDO & Associados SROC, Lda. as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2014. Given the ongoing preparation of the consolidated financial statements of the Company in the form to be included in the Form 20-F and the ongoing preparation and review of the Form 20-F by the Company and the audit of the financial statements for the fiscal year ended December 31, 2014 by its new independent registered public accounting firm, the Company's Board of Directors has determined that it cannot file its Form 20-F by the April 30, 2015 deadline without unreasonable effort or expense. The Company currently expects that the Company and its new independent registered public accounting firm will have completed their procedures by May 15, 2015 and that the Company will be in a position to file its annual report on Form 20-F with the U.S. Securities and Exchange Commission on that date.

If answer is no, identify report(s).

Yes No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As of the date of the filing of this letter, the Company has not yet finalized its consolidated financial statements in the form to be included in its Form 20-F, nor the other disclosures required in that Form 20-F, which include, without limitation, certain disclosures related to the business of Oi, S.A., whose Annual Report on Form 20-F as of and for the fiscal year ended December 31, 2014 will not be filed as of the date of the filing of this letter. In addition, the Company's recently appointed independent registered public accounting firm has not completed its audit of the financial statements for the fiscal year ended December 31, 2014 in the form to be included in the Form 20-F. The Company's consolidated financial statements and required disclosures for the fiscal year ended December 31, 2014 are expected to differ from the financial statements and corresponding disclosures for prior fiscal years, primarily due to the impact of Company's participation in the share capital increase of Oi S.A. on May 5, 2014 (the "Oi Share Capital Increase"), in which the Company transferred to Oi S.A. (a) all of its operating assets, except interests held directly or indirectly in Oi S.A., Contax Participações and the Company's subsidiary Bratel B.V. and (b) all of the Company's liabilities at the time of the transfer, in return for common shares and preferred shares of Oi S.A. As a result of the Oi Share Capital Increase, the Company no longer consolidates the results of operations of its former "Telecommunications in Portugal" segment for the period from May 5, 2014 through December 31, 2014. In addition, the Company expects to reclassify its results of operations for the years ended December 31, 2013 and 2012 to present its former "Telecommunications in Portugal" segment as discontinued operations. The Company expects that its Form 20-F will report net revenues for the fiscal years ended December 31, 2014 and 2013 of \$0 (compared to net revenues for the fiscal year ended December 31, 2013, prior to the reclassification of its "Telecommunications in Portugal" segment as discontinued operations, of \$2,911.2 million) and expects that its Form 20-F will report net income of \$(289.2) million for the fiscal year ended December 31, 2014, compared to \$388.0 million for the fiscal year ended December 31, 2013. A more detailed discussion of results of operations will be included in the Management's Discussion and Analysis of Financial Condition and Results of Operations in the Form 20-F.
