Forward-Looking Statements

This Current Report on Form 8-K includes certain disclosures which contain forward-looking statements within the meaning of the U.S. federal securities laws, which involve risks and uncertainties. You can identify forward-looking statements because they contain words such as "anticipate" or similar expressions that concern the Company's strategy, plans or intentions. All statements we make relating to our planned divestitures, the expected proceeds generated therefrom and the expected reduction in revenue resulting therefrom are forward-looking statements. Forward-looking statements are based on the Company's current expectations and assumptions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that may differ materially from those contemplated by the forward-looking statements, which are neither statements of historical fact nor guarantees or assurances of future performance. Important factors that could cause actual results to differ materially from the Company's expectations are set forth in Item 1 Business, Item 1A Risk Factors of its Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as updated in Part II, Item 1A Risk Factors of its Quarterly Report on Form 10-Q for the quarter ended March 31, 2018.
