SUMMARY

The following is a summary of certain information contained elsewhere in this Information Statement. Reference is made to, and this Summary is qualified in its entirety by the more detailed information contained in this Information Statement and the attached annexes. Unless otherwise defined, capitalized terms used in this Summary have the meanings ascribed to them elsewhere in this Information Statement. You are urged to read this Information Statement and the Annexes in their entirety.

THE STOCKHOLDER VOTES WILL NOT BE SOLICITED. The General Corporation Law of Nevada allows the Company to take the following actions as authorized by a resolution adopted by the holders of the majority of our outstanding stock entitled to vote thereon. A consent signed by a majority of the Company's shareholders on August 5, 2004 were as follows: approve the reverse split of the Company's Common and Preferred Stock (par value \$0.0001) so that upon effectuation of the split, one (1) New Share (of the Company's Common and Preferred Stock) will be issued for up to each thousand (1,000) shares of the Company's Common and Preferred Stock then currently issued and outstanding with each fractional share rounded up to the next whole share (the Reverse Stock Split) except that the Reverse Split shall not affect the share holdings of those shareholders holding of record one hundred (100) or fewer shares. The above resolution was duly adopted by the holder of the majority of our outstanding stock entitled to vote thereon, namely, Ray A. Hawkins, who owned common and preferred stock giving him the voting power of 3,002,592,324 pre-split shares which represented approximately 58% of the Company's Common Stock (par value \$0.0001). No vote of any other stockholder is necessary and stockholder votes are not being solicited.

THE COMPANY Livestar Entertainment Group, Inc. (formerly, RRUN Ventures Network Inc., United Management Inc.) (the Company) is incorporated in the State of Nevada and is in the Amusement Services Sector of the Entertainment Industry. The Company has no plans of becoming a private company and there are no plans to take the Company private.

THE REVERSE SPLIT OF THE COMPANY'S COMMON STOCK As of August 5, 2004, the Company had 2,144,468,337 common shares, 875,000 Series A convertible preferred shares and 60,000,000 Series B convertible preferred shares of the Company's Common and Preferred Stock (par value \$0.0001) outstanding. The combined voting power of the Company's outstanding stock is 5,179,468,337 shares and requires shareholder approval of 50% +1 share. Under the terms of the Reverse Split, the Company will issue one (1) new share (the New Share) of the Company's Common and Preferred Stock for up to each thousand (1,000) shares (the Old Shares) of the Company's Common and

Edgar Filing: LIVESTAR ENTERTAINMENT GROUP INC - Form DEF 14C

Preferred Stock held (the Reverse Split). All fractional share amounts resulting from the Reverse Split were rounded up to the next whole New Share. The Reverse Split shall not affect the share holdings of those shareholders holding of record one hundred (100) or fewer shares. Prior to the Reverse Split, as of August 5, 2004 there were 2,144,468,337 common shares, 875,000 Series A convertible preferred shares and 60,000,000 Series B convertible preferred shares outstanding.

The Reverse Split, as approved by a majority shareholder of the Company, Ray A. Hawkins, will likely impact the Company in several respects. First, based on the issued and outstanding common and preferred stock as of August 5, 2004 the number of Common Shares outstanding may be reduced from 2,144,468,337 to approximately 2,144,469, the number of Series A Convertible Preferred Shares may be reduced from 875,000 to 875, the number of Series B Convertible Preferred Shares may be reduced from 60,000,000 to 60,000 (after taking into account shares issued to round up any fractional share amounts and the lack of any impact on shareholders whose holdings, of record, were one hundred (100) or fewer shares). Please note that the post-consolidation numbers may vary depending on the final issued and outstanding shares and the final and determined ratio for consolidation. Since the Company's Certificate of Incorporation authorizes an aggregate of 10,000,000,000 common shares and 200,000,000 preferred shares and before the Reverse Split 2,144,468,337 of common shares, 875,000 Series B convertible preferred shares and 60,000,000 Series B convertible preferred shares had been issued, the reduction in the number of issued and outstanding shares will allow the Company's Board of Directors to issue additional shares of the Company's Common Stock to raise capital, to effect a merger or acquisition of an existing business, and for compensation of employees and consultants. Secondly, the Company believes that if the Company is able to successfully develop or acquire its business, there is some possibility that the trading range for the Company's Common Stock may be at a higher level with fewer shares outstanding.

THE STOCKHOLDER CONSENT

The Nevada General Corporation Law permits the holders of a majority of the shares of its outstanding voting stock to approve and authorize actions by written consent of a majority of the shares outstanding as if the action were undertaken at a duly constituted meeting of the Company's shareholders. Ray A. Hawkins owned common and preferred shares giving him the voting power of 3,002,592,324 pre-split shares of the Company's Common and Preferred Stock which represented approximately 58% of the voting power of the Company's Common Stock (par value \$0.0001) and he approved the Reverse Split of the Company's Common Stock on August 5, 2004. Accordingly, no vote of any other stockholder is necessary and stockholder votes are not being solicited.
