Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

10020 on July 15, 2002 at 9:00 a.m., local time, or at any adjournments thereof.

The principal executive offices of the Company are located at 224 East Douglas, Suite 700, Wichita, Kansas 67202-3414. The approximate date on which this Proxy Statement and the accompanying proxy will first be sent or given to stockholders is on or about June 19, 2002.

RECORD DATE AND VOTING SECURITIES

Only stockholders of record at the close of business on June 7, 2002, the record date (the "Record Date") for the Meeting, will be entitled to notice of, and to vote at, the Meeting and any adjournments thereof. As of the close of business on the Record Date, there were 25,022,098 outstanding shares of the Company's common stock, \$.01 par value (the "Common Stock"). Subsequent to the Record Date, the Company purchased 4,000,000 shares of its Common Stock in a modified Dutch auction tender offer. Each outstanding share of Common Stock is entitled to one vote. There was no other class of voting securities of the Company outstanding on the Record Date. A majority of the outstanding shares of Common Stock present in person or by proxy is required for a quorum.

VOTING OF PROXIES

A stockholder may ensure that its shares are voted at the Meeting in accordance with the Board of Directors' recommendations by completing, signing, dating, and returning the enclosed proxy in the envelope provided. Submitting your proxy will not affect your right to attend the Meeting and vote in person. If the proxy is signed and returned without any direction given, shares will be voted in accordance with the recommendations of the Board of Directors as described in this Proxy Statement with respect to Proposal I and Proposal III and will not be voted with respect to Proposal II. Any stockholder giving a proxy may revoke it at any time before the proxy is voted by giving written notice of revocation to the Secretary of the Company, by submitting a later-dated proxy, or by attending the Meeting and voting in person.

The Board of Directors is soliciting votes FOR election to the Board of Directors of its nominees, Messrs. Fred B. Chaney and William B. Greene, Jr., and FOR approval of the appointment of Ernst & Young, LLP as its auditors. The Board of Directors is also submitting a proposal to amend the Company's Certificate of Incorporation and By-laws to declassify the organization of the Board of Directors. The Board of Directors is not making any recommendation on how you should vote with respect to this proposal and proxies signed and returned without any direction given with respect to this proposal will not be voted with respect to this proposal. The Board of Directors urges you to sign, date, and return the enclosed proxy today.

If you have any questions, or need any assistance in voting your shares, please call 888-750-5834 and the Company's proxy solicitors will be happy to help you.

If your shares are held in "street-name", only your bank or broker can vote your shares and only upon receipt of your specific instructions. Please contact the person responsible for your account and instruct that individual to vote the proxy card as soon as possible.

QUORUM

In order to conduct any business at the Meeting, a quorum must be present in person or represented by valid proxies. A quorum consists of a majority of the shares of Common Stock issued and outstanding on the Record Date (excluding treasury stock). All shares that are voted "FOR", "AGAINST" or "WITHHOLD

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

AUTHORITY" on any matter will count for purposes of establishing a quorum and will be treated as shares entitled to vote at the Meeting (the "Votes Present").

ABSTENTIONS

Abstentions will count as Votes Present and shall have the same effect as a vote against a matter (other than in the election for the Board of Directors and ratification of independent auditors). While there is no definitive statutory or case law authority in Delaware, the Company's state of incorporation, as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining both: (i) the total number of Votes Present, for the purpose of determining whether a quorum is present; and (ii) the total number of Votes Present that are cast ("Votes Cast") with respect to a matter (other than in the election of the Board of Directors and ratification of independent auditors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner.

BROKER NON-VOTES

Shares of Common Stock held in street name that are present by proxy will be considered as Votes Present for purposes of determining whether a quorum is present. With regard to certain proposals, the holder of record of shares of Common Stock held in street name is permitted to vote as it determines, in its discretion, in the absence of direction from the beneficial holder of the shares of Common Stock.

The term "broker non-vote" refers to shares held in street name that are not voted with respect to a particular matter, generally because the beneficial owner did not give any instructions to the broker as to how to vote such shares and the broker is not permitted under applicable rules to vote such shares in its discretion because of the subject matter of the proposal, but whose shares are present on at least one matter. The Company intends to count such shares as Votes Present for the purpose of determining whether a quorum is present. Broker non-votes will have the same effect as a vote against the proposal to amend the Company's Certificate of Incorporation and By-laws to declassify the organization of the Board of Directors.

VOTES REQUIRED FOR APPROVAL

A plurality of the total Votes Cast by holders of Common Stock is required for the election of directors. A vote to "WITHHOLD AUTHORITY" for any nominee for director will be counted for purposes of determining the Votes Present, but will have no other effect on the outcome of the vote on the election of directors.

The Company's Amended and Restated By-laws and Certificate of Incorporation provide that a proposal to declassify the Board of Directors must be approved either by (i) at least 75% of the members of the Board of Directors and at least a majority vote of the outstanding shares entitled to vote in the election of directors or (ii) at least a majority of the Board of Directors and at least 80% of the outstanding shares entitled to vote in the election of directors. Since a majority of the members of the Board of Directors, but less than 75% of the members of the Board of Directors, approved the proposal to declassify the Board of Directors, the affirmative vote of at least 80% of the outstanding shares of Common Stock is required to declassify the Board of Directors. A vote to "ABSTAIN" and a broker non-vote will have the same effect as a vote against such proposal.

A plurality of the total Votes Cast by holders of Common Stock is required to ratify the selection of Ernst & Young, LLP as the Company's independent

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

auditors for the fiscal year ending December 31, 2002. A vote to "ABSTAIN" will have no other effect on the outcome of the vote on the ratification of Ernst & Young, LLP.

PROPOSAL I ELECTION OF THE BOARD OF DIRECTORS

The Board of Directors is currently composed of eight (8) directors, divided into three classes. Each class of directors is elected for a term of office to expire at the third succeeding annual meeting of stockholders of the Company after their election and until their respective successors are elected and qualified. The terms of two directors are expiring at the Meeting and the Nomination Committee of the Board of Directors, consisting of Independent Directors, have nominated Messrs. Fred B. Chaney and William B. Greene, Jr., currently serving as directors of the Company since May 1995 and August 1999, respectively, as nominees for reelection to the Board of Directors. If elected, the term of the Board of Directors' nominees expires at (i) the 2003 Annual Meeting if the Certificate of Incorporation and By-laws of the Company are amended under Proposal II, or (ii) the 2005 Annual Meeting as Class II directors, if Proposal II is NOT approved, and when their respective successors are duly elected and shall have qualified.

Guy W. Adams resigned as a director of the Company effective May 29, 2002. The Board of Directors appointed Mr. Anthony Bergamo to fill the vacancy created by Guy Adams' resignation effective May 29, 2002. Unless otherwise specified, all of the Proxies received will be voted in favor of the election of Messrs. Chaney and Greene. The directors shall be elected by a plurality of the votes cast, in person or by proxy, at the Meeting. Abstentions from voting and broker non-votes on the election of directors will have no effect since they will not represent votes cast at the Meeting for the purpose of electing a director. Management has no reason to believe that either of the Board of Directors' nominees will be unable or unwilling to serve as directors, if elected. Should any of the nominees not remain a candidate for election at the date of the Meeting, the proxies may be

PROPOSAL II

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

AMENDMENT TO CERTIFICATE OF INCORPORATION AND AMENDED AND RESTATED BY-LAWS TO DECLASSIFY ORGANIZATION OF THE BOARD OF DIRECTORS

Article Fifth, Paragraphs B, C, D and E of the Certificate of Incorporation of the Company, and Article Two, Sections 2.2, 2.3, 2.5 and 6.1 of the Amended and Restated By-laws of the Company provide that the Board of Directors be divided into three classes with the number of Directors in each class being as nearly equal as possible. This means that approximately one-third of the Directors are elected annually and serve a three-year term. Proposal II is an amendment to the Company's Certificate of Incorporation and Amended and Restated By-laws to declassify the organization of the Board of Directors and provide for annual election of all directors. The proposed amendments to Article Fifth, Paragraphs B, C, D and E of the Certificate of Incorporation, and Article Two, Sections 2.2, 2.3, 2.5 and 6.1 of the Amended and Restated By-laws are set forth on Appendix I of this Proxy Statement.

The adoption by the Company--and many other major corporations--of a classified board reflects widespread concern over hostile and non-negotiated attempts to acquire corporations to the disadvantage of stockholders. A classified board has been widely viewed as discouraging proxy contests for the election of directors, or acquisitions of substantial blocks of stock, by a person or group seeking to acquire control of a company, because the extended and staggered terms of directors could operate to prevent changing the composition of, or the acquisition of control of, the board in a relatively short period of time. In a hostile takeover attempt, for example, a classified board may encourage a person seeking control of the Company to initiate arm's length discussions with the Board of Directors, which may be in a position to negotiate a higher price or more favorable terms for stockholders or to try and prevent a takeover that the Board of Directors believes is not in the best interest of the stockholders.

A classified board has also been viewed as promoting stability and may help to maintain a greater continuity of experience because the majority of directors at any given time will have at least one year of experience with the Company. This continuity may assist a company in long-term strategic planning.

Some investors have, however, come to view classified boards as having the effect of insulating directors from being accountable to the corporation's stockholders. A classified board of directors, for example, limits the ability of stockholders to elect all directors on an annual basis and exercise influence over the Company, and may discourage proxy contests in which stockholders have an opportunity to vote for a competing slate of nominees. The election of directors is the primary means for stockholders to influence corporate governance policies and to hold management accountable for its implementation of those policies. At the Company's 2000 Annual Meeting of Stockholders, the Company's stockholders approved a non-binding resolution which requests that the Board of Directors take the necessary steps in accordance with Delaware law to declassify the Board of Directors. In keeping with its goal of ensuring that the Company's corporate governance policies maximize management accountability to stockholders and to allow stockholders to vote on a binding proposal to amend the Company's Certificate of Incorporation so that stockholders have the opportunity each year to register their views on the performance of the Board of Directors and management of the Company, a majority of the Board of Directors has determined that stockholders should be allowed to vote on a binding proposal declassifying the organization of the Board of Directors and, if approved by the requisite vote of the stockholders as set forth below, the Certificate of Incorporation and Amended and Restated By-laws shall be amended to declassify the Board of Directors. Such Directors, while recognizing the benefits to the Company of a classified Board of Directors, nevertheless believe that stockholders should, at the 2002 Annual Meeting, be given the opportunity to vote on a binding proposal declassifying the organization of the Board of Directors. The Directors who

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

oppose declassifying the Board of Directors do not believe that declassifying the Board of Directors would better serve the best interests of the Company and its stockholders at the present time and agree with the concerns expressed in the second and third paragraphs of this Proposal II.

The Certificate of Incorporation and Amended and Restated By-laws of the Company currently provide that as long as the organization of the Board is classified, Directors may only be removed by the stockholders for cause and that such removal requires the affirmative vote of 80% of the voting power of all of the then outstanding shares. If the proposed amendment is approved, such provisions would also be deleted and any or all Directors would be able to be removed by stockholders with or without cause with the approval of a majority of

-8-

the voting power of all of the then outstanding shares. The Certificate of Incorporation and Amended and Restated By-laws also currently contain supermajority voting requirements in order to amend provisions relating to the classified Board of Directors. If the proposed amendment is approved, the supermajority voting requirements would also be deleted.

The proposed amendment would not reduce the term of any Director elected prior to its effectiveness. It would, however, if approved by the stockholders, apply to the Directors elected at this 2002 Annual Meeting. Therefore if the proposed amendment is approved by the stockholders, then all Directors of the Company, including Directors elected at this 2002 Annual Meeting of Stockholders, would be required to stand for re-election at the 2003 Annual Meeting of Stockholders and thereafter.

In accordance with the Company's Certificate of Incorporation and Amended and Restated By-laws, since this proposal was approved by a majority of the Board of Directors but less than 75% of the members of the Board of Directors, Proposal II requires the affirmative vote of at least 80% of the voting power of all shares of the Company entitled to vote generally in the election of Directors. Under Delaware law, in determining whether such proposal has received the requisite number of affirmative votes, abstentions and broker nonvotes will be counted and will have the same effect as a vote against the proposal.

Recommendation of the Board of Directors

A MAJORITY OF THE MEMBERS BUT LESS THAN 75% OF THE MEMBERS OF THE BOARD OF DIRECTORS HAS APPROVED THE SUBMISSION TO A STOCKHOLDER VOTE OF THE PROPOSAL TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION AND AMENDED AND RESTATED BY-LAWS TO DECLASSIFY THE ORGANIZATION OF THE BOARD OF DIRECTORS. SINCE NOT ALL OF THE COMPANY'S DIRECTORS HAVE APPROVED THE SUBMISSION OF THIS PROPOSAL, THE BOARD OF DIRECTORS IS NOT MAKING ANY RECOMMENDATION ON HOW YOU SHOULD VOTE FOR THIS PROPOSAL.

Directors Compensation

Directors who are not employees of the Company are reimbursed for their expenses and receive an annual fee of \$5,000 and a fee of \$1,250 for each Board of Directors meeting attended in person or telephonically. Members of Committees of the Board of Directors also receive a fee of \$1,250 for each Committee meeting attended in person or telephonically to the extent such meeting is not held on the same day as a meeting of the Board of Directors. Employees who are Directors are not entitled to any compensation for their service as a Director. Non-employee Directors were also entitled to receive grants of options under the Company's 1992 Directors Stock Option Plan the ("Directors Plan"). Upon election to the Board of Directors, each director who is not an executive officer was granted a one-time stock option to acquire 40,000 shares of Common Stock and received an annual grant of 6,800 shares one day after the end of the Company's fiscal year. The exercise price for such shares is equal to the closing sale price of the Common Stock as reported on the Nasdaq National Market on the date of grant. The Directors Plan has

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

expired and the Company has not made a determination as to whether to adopt a new plan, subject to requisite approval. Currently, options to purchase an aggregate of 488,400 shares of Common Stock are outstanding under the Directors Plan at exercise prices ranging from \$6.688 per share to \$18.81 per share. On December 26, 2001, the Company's outside Directors were automatically granted options to purchase an aggregate of 47,600 shares of Common Stock under the Directors Plan at an exercise price of \$14.80 per share.

Employment Agreements

The Company has entered into separate employment agreements, with each of Messrs. White, Aaron, O'Connell and Bracken, dated as of March 22, 2000, providing for the employment of such individuals as Executive Vice President, Senior Vice President -- Counsel, Senior Vice President of Operations -- Lone Star Steakhouse & Saloon and Vice President of Operations -- Lone Star Steakhouse & Saloon, Inc., respectively. Each employment agreement provides that the officer shall devote substantially all of his professional time to the business of the Company. The employment agreements provide base salaries in the amount of \$600,000, \$228,000, \$200,000 and \$175,000, respectively, for Messrs. White, Aaron, O'Connell and Bracken, subject to increases as determined by the Board of Directors. Each agreement terminates in March, 2003, but the Company has the option to extend the term annually for additional one year periods. Each agreement contains non-competition, confidentiality and non-solicitation provisions which apply for twenty-four months after cessation of employment.

Mr. Coulter has also entered into a non-competition and confidentiality agreement with the Company.

Severance Agreements

The Company has entered into a Change of Control Contract with Jamie B. Coulter, dated as of January 3, 2001 that provides for severance pay and incidental benefits if there is a change in control of the Company (as defined in the Change of Control Contract). The payment is a lump sum payment equal to 2.99 times one year's annual compensation. The agreement also provides Mr. Coulter with the right to replace all stock options whether vested or not with fully vested stock options (all of Mr. Coulter's stock options are fully vested), or alternatively the right to receive a cash payment for surrendering the options equal to the difference between the full exercise price of each option surrendered and the greater of the price per share paid by the acquirer in the change of control transaction or the market price of the Company's Common Stock on the date of the change of control.

-11-

The benefits also include transferring ownership of any Company automobile which is primarily used by Mr. Coulter and life and medical insurance coverage for up to two years or such longer period if previously agreed to. Finally, the agreement provides that if any excise taxes are imposed on Mr. Coulter by Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), the Company will make him whole. The Company has also entered into Change of Control Contracts with Messrs. White, Aaron, O'Connell and Bracken. Unlike Mr. Coulter's Change of Control Contract, severance payments and benefits (other than the stock option benefit) require a second event to occur within 730 days from the change of control before severance payments are due. The second event includes any of the following, involuntary termination (other than for cause, death or disability), relocation or a diminution in the responsibility, authority or compensation of the executive officer. If there is a change of control and any such second event occurs, Messrs. White, Aaron, O'Connell and Bracken have the right to receive benefits substantially similar

to those described above.

Compensation Committee Interlocks

The Compensation/Stock Option Committee consists of Messrs. Chaney, Mandigo and Greene. See "Certain Relationships and Related Transactions" for a description of a transaction between Mr. Mandigo's son and the Company.

Report by the Compensation/Stock Option Committee on Executive Compensation General

The Compensation/Stock Option Committee determines the cash and other incentive compensation, if any, to be paid to the Company's executive officers and key employees. Messrs. Chaney, Greene and Mandigo, non-employee directors of the Company, serve as members of the Compensation /Stock Option Committee and are independent Directors in accordance with the definition of "independent director" pursuant to the Company's Amended and Restated By-laws. Mr. Mandigo serves as Chairman of the Compensation/Stock Option Committee. During fiscal 2001, there were two meetings of the Compensation/Stock Option Committee. During fiscal 2001, the Compensation and Stock Option Committees combined to form the Compensation/Stock Option Committee. Prior to such combination, during fiscal 2001, there were two meetings of the Compensation Committee and two meetings of the Stock Option Committee.

Compensation Philosophy

The Compensation/Stock Option Committee's executive compensation philosophy is to base management's pay, in part, on the achievement of the Company's performance goals, to provide competitive levels of compensation, to recognize and reward individual initiative, achievement and length of service to the Company, to assist the Company in retaining and attracting the best qualified management, and to enhance long term stockholder value. To meet the competitive pressures of retaining and attracting the best qualified management personnel, the Company is offering compensation and benefits that place it among the top half of its industry, including 401(k) and deferred compensation plans adopted in the fourth quarter of 1999. The Compensation/Stock Option Committee strongly believes that the caliber of the management personnel makes a significant difference in the Company's long term success, as a result it is the philosophy of the Compensation/Stock Option Committee to provide officers with the opportunity to realize potentially significant financial gains through the grants of stock options. The Compensation/Stock Option Committee also believes that the potential for equity ownership by management is beneficial in aligning management's and stockholders' interest in the enhancement of stockholder value. However, the decision to ultimately grant stock options is based primarily on the criteria set forth under "Stock Option Plan" below.

Section 162(m) of the Code prohibits a publicly held corporation, such as the Company, from claiming a deduction on its federal income tax return for compensation in excess of \$1 million paid for a given fiscal year to the chief executive officer (or person acting in that capacity) at the close of the corporation's fiscal year and the four most highly compensated officers of the corporation, other than the chief executive officer, at the end of the corporation's fiscal year. The \$1 million compensation deduction limitation does not apply to "performance-based compensation," or any contributions by the Company pursuant to the Company's Deferred Compensation Plan (the "Deferred Plan"). The Company believes that any compensation received by executive officers in connection with the exercise of options granted under the Plan qualifies as "performance-based compensation."

Salaries

Base salaries for the Company's executive officers are determined initially by evaluating the responsibilities of the position held and the experience of the individual, food service and management experience, and by reference to the competitive marketplace for management talent, including a comparison of base salaries for comparable positions at other companies (base salaries are targeted to be competitive in the top half of the industry). Positioning executive officers' base salaries at these levels is necessary for attracting, retaining and motivating executive officers with the essential qualifications for managing the Company. The Company defines the relevant labor market through the use of third-party executive salary surveys that reflect both the chain restaurant industry as well as a broader cross-section of companies from many industries. Annual salary adjustments are determined by (i) considering various factors, tangible and intangible achieved by the Company; (ii) the overall performance of the executive; (iii) the length of the executive's service to the Company; and (iv) any increased responsibilities assumed by the executive. There are no restrictions on salary adjustments of the Company. The Company has employment agreements with its executive officers other than Mr. Coulter, which set the base salaries for such individuals. These base salaries are based on and are reviewed annually in accordance with the factors described in this paragraph and the terms of the employment agreements. See "Executive Compensation -- Employment Agreements."

Annual Bonuses

The Company evaluates the performance of its executives on an annual basis. Messrs. White, O'Connell, Aaron and Bracken received bonuses of \$181,500, \$301,500, \$76,500 and \$89,000, respectively for fiscal 2001. These bonuses were based, first, upon the Company's performance, including, but not limited to, improved same store sales, an increase in adjusted net income (net income before unusual charges and credits, including non-cash stock compensation) of 52% to \$27,677,000 or \$1.15 per share for the fiscal year ended December 25, 2001 compared to \$18,162,000 or \$.69 per share for the previous year, and, second, upon the level of personal achievement by participants.

Deferred Compensation Plan

The Deferred Plan is a non-qualified deferred compensation plan. Deferred Plan participants elect the percentage of pay they wish to defer into their Deferred Plan account. They also elect the percentage of their deferral account to be allocated among various investment options. The Deferred Plan permits highly compensated employees or any employee at the level of District Manager or higher to defer a portion of their annual compensation into unfunded accounts with the Company. Participants in the Deferred Plan are considered a select group of management and highly compensated employees according to the Department of Labor. A participant's account balance will be paid in cash upon death, termination of employment, change in control of the Company, disability or retirement. The Company's contribution vests annually in four equal installments commencing in the second year of employment with the Company. All executive officers who participate in the Deferred Plan have been employed by the Company for more than four (4) years.

Compensation of Chief Executive Officer

Mr. Coulter's base salary in fiscal 2001 was \$750,000. Mr. Coulter's base salary is based upon the factors described in the "Salaries" paragraph above. Mr. Coulter's salary was increased in fiscal 2000 to be more comparable to the higher range of salaries of chief executive officers of companies of similar size reviewed by the Company. Mr. Coulter's salary was not increased in fiscal

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

2001. Mr. Coulter was awarded a bonus of \$226,500 for services performed in fiscal 2001. Mr. Coulter's bonus is based upon the factors described in the "Annual Bonuses" paragraph above.

Stock Option Plan

It has historically been the philosophy of the Compensation/Stock Option Committee to tie a significant portion of an executive's total opportunity for financial gain to increases in stockholder value, thereby aligning the long-term interest of the stockholders with the executives and to retain such key employee. All salaried employees, including executives and part-time employees, of the Company and its subsidiaries, were eligible for

-13-

grants of stock options pursuant to the Plan. The Company did not grant any stock options to any of the Named Executive Officers for the fiscal year ended December 25, 2001. In addition, the Plan has expired and the Company has no other Stock Option Plans in effect for employees including executive officers. Although the Company is not currently considering adopting a new stock option plan for employees, the Company may decide to adopt a new stock option plan for employees in the future, and if it does, will submit such plan for approval to the Company's stockholders.

This report is submitted by the members of the Compensation/Stock Option Committee Clark R. Mandigo, Chairman, Fred B. Chaney and William B. Greene, Jr.

AUDIT COMMITTEE REPORT

The members of the Audit Committee from December 27, 2000 to December 25, 2001 were Messrs. Chaney, Greene and Mandigo, all of whom are "independent directors" (as "independent director" is defined pursuant to the National Association of Securities Dealers Marketplace Rule 4200(a)(14)(D)). The Audit Committee met three times during the fiscal year. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee are intended to be in accordance with applicable requirements for corporate audit committees.

The Audit Committee adopted a written charter during fiscal 2001, a copy of which was attached to the Company's Proxy Statement in connection with the 2001 Annual Meeting of Stockholders. The Company's independent auditors are responsible for auditing the financial statements. The activities of the Committee are in no way designed to supersede or alter those traditional responsibilities. The Audit Committee serves a broad-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Audit Committee's members in business, financial and accounting matters. The Committee's role does not provide any special assurances with regard to the Company's financial statements, nor does it involve a professional evaluation of the quality of the audits performed by the independent auditors.

In connection with the audit of Company's financial statements for the year ended December 25, 2001, the Audit Committee met with representatives from Ernst & Young, LLP, the Company's independent auditors. The Audit Committee reviewed and discussed with Ernst & Young, LLP, the Company's financial management and financial structure, as well as the matters relating to the audit required to be discussed by Statements on Auditing Standards 61 and 90.

In July 2001, the Audit Committee received from Ernst & Young, LLP the written disclosures and the letter regarding Ernst & Young, LLP's independence required by Independence Standards Board of Standard No. 1.

In addition, the Audit Committee reviewed and discussed with the Company's management the Company's audited financial statements relating to fiscal year ended December 25, 2001 and has discussed with Ernst & Young, LLP the independence of Ernst & Young, LLP.

Based upon review and discussions described above, the Audit Committee

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

recommended to the Board of Directors that the Company's financial statements audited by Ernst & Young, LLP be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 25, 2001.

STOCKHOLDER PROPOSALS

In order to be considered for inclusion in the proxy materials to be distributed in connection with the next Annual Meeting of Stockholders of the Company, stockholder proposals for such meeting must be submitted to the Company no later than February 19, 2003.

On May 21, 1998 the Securities and Exchange Commission adopted an amendment to Rule 14a-4, as promulgated under the Securities and Exchange Act of 1934, as amended. The amendment to Rule 14a-4(c)(1) governs the Company's use of its discretionary proxy voting authority with respect to a stockholder proposal which is not addressed in the Company's proxy statement. The amendment provides that if the Company does not receive notice of the proposal at least 45 days prior to the first anniversary of the date of mailing of the prior year's proxy statement, then the Company will be permitted to use its discretionary voting authority when the proposal is raised at the annual meeting, without any discussion of the matter in the proxy statement.

With respect to the Company's year 2003 Annual Meeting of Stockholders, if the Company is not provided notice of a stockholder proposal, which has not been timely submitted, for inclusion in the Company's proxy statement by May 5, 2003 the Company will be permitted to use its discretionary voting authority as outlined above.

The By-laws of the Company establish procedures for stockholder nominations for elections of Directors of the Company and bringing business before any annual meeting or special meeting of stockholders of the Company. Any stockholder entitled to vote generally in the election of Directors may nominate one or more persons for election as Directors at a meeting only if written notice of such stockholder's intent to make such nomination or nominations has been given, either by personal delivery or by United States mail, postage prepaid, to the Secretary of the Company, not less than 90 days nor more than 120 days prior to the meeting; provided, however, that in the event that if and only if the annual meeting is not scheduled to be held within a period that commences thirty days after such anniversary date (the "Other Meeting Date"), such Stockholder Notice shall be given in the manner provided by the later of (i) the close of business on the date ninety days prior to such Other Meeting Date or (ii) the close of business on the tenth day following the date on which such Other Meeting Date is first publicly announced or disclosed. Any notice to the Secretary must include: (i) the name and address of record of the stockholder who intends to make the nomination; (ii) a representation that the stockholder is a holder of record of shares of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission; and (iv) the consent of each nominee to serve as a Director of the Company if so elected. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a Director of the Company.

The presiding officer of the meeting may, if the facts warrant, determine that a nomination was not made in accordance with the foregoing procedure, in which event, the officer will announce that determination to the meeting and the defective nomination will be disregarded.

To be brought before an annual meeting by a stockholder, business must be appropriate for consideration at an annual meeting and must be properly brought before the meeting. Business will have been properly brought before the annual meeting by a stockholder if the stockholder has given timely notice thereof in writing to the Secretary of the Company and has complied with any other applicable requirements. To be timely, each such notice must be given, either by personal delivery or by United States mail, postage prepaid, to the Secretary of the Company, not less than 90 days nor more than 120 days prior to the meeting; provided, however, that in the event that if and only if the annual meeting is on the "Other Meeting Date", such Stockholder Notice shall be given in the manner provided by the later of (i) the close of business on the date ninety days prior to such Other Meeting Date or (ii) the close of business on the tenth day following the date on which such Other Meeting Date is first publicly announced or disclosed. Any notice to the Secretary must include as to each matter the stockholder proposes to bring before the annual meeting (w) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (x) the name and address of record of the stockholder proposing such business, (y) the name, class or series and number of shares of the Company that are owned by the stockholder, and (z) any material interest of the stockholder in such business.
