PROXY STATEMENT
FOR
2004 ANNUAL MEETING OF STOCKHOLDERS
JUNE 2, 2004

INTRODUCTION

This Proxy Statement and the accompanying proxy are being furnished to stockholders by the Board of Directors of Lone Star Steakhouse & Saloon, Inc., a Delaware corporation (the "Company"), in connection with the solicitation of the accompanying proxy for use at the 2004 Annual Meeting of Stockholders of the Company (the "Meeting") to be held at the Del Frisco's Double Eagle Steak House restaurant located at 5251 Spring Valley Road, Dallas, Texas at 10 a.m., local time, or at any adjournments thereof.

The principal executive offices of the Company are located at 224 East Douglas, Suite 700, Wichita, Kansas 67202-3414. The approximate date on which this Proxy Statement and the accompanying proxy will first be sent or given to stockholders is on or about May 5, 2004.

RECORD DATE AND VOTING SECURITIES

Only stockholders of record at the close of business on April 23, 2004, the record date (the "Record Date") for the Meeting, will be entitled to notice of, and to vote at, the Meeting and any adjournments thereof. As of the close of business on the Record Date, there were 21,286,402 outstanding shares of the Company's common stock, \$.01 par value (the "Common Stock"). Each outstanding share of Common Stock is entitled to one vote. There was no other class of voting securities of the Company outstanding on the Record Date. A majority of the outstanding shares of Common Stock present in person or by proxy is required for a quorum.

VOTING OF PROXIES

A stockholder may ensure that their shares are voted at the Meeting in accordance with the Board of Directors' recommendations by completing,

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

signing, dating, and returning the enclosed proxy in the envelope provided. Submitting your proxy will not affect your right to attend the Meeting and vote in person. If the proxy is signed and returned without any direction given, shares will be voted in accordance with the recommendations of the Board of Directors as described in this Proxy Statement with respect to Proposal I and Proposal II. Any stockholder giving a proxy may revoke it at any time before the proxy is voted by giving written notice of revocation to the Secretary of the Company, by submitting a later-dated proxy, or by attending the Meeting and voting in person.

The Board of Directors is soliciting votes FOR election to the Board of Directors of its nominees, Messrs. Anthony Bergamo, Michael A. Ledeen Ph.D. and Mark G. Saltzgaber and FOR approval of the appointment of Ernst & Young LLP as its auditors. The Board of Directors urges you to sign, date, and return the enclosed proxy today.

If you have any questions, or need any assistance in voting your shares, please call 888-750-5834 and the Company's proxy solicitors will be happy to help you.

If your shares are held in "street-name", only your bank or broker can vote your shares and only upon receipt of your specific instructions. Please contact the person responsible for your account and instruct that individual to vote the proxy card as soon as possible.

QUORUM

In order to conduct any business at the Meeting, a quorum must be present in person or represented by valid proxies. A quorum consists of a majority of the shares of Common Stock issued and outstanding on the Record Date (excluding treasury stock). All shares that are voted "FOR", "AGAINST" or "WITHHOLD AUTHORITY" on any matter will count for purposes of establishing a quorum and will be treated as shares entitled to vote at the Meeting (the "Votes Present").

ABSTENTIONS

While there is no definitive statutory or case law authority in Delaware, the Company's state of incorporation, as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining both: (i) the total number of Votes Present, for the purpose of determining whether a quorum is present; and (ii) the total number of Votes Present that are cast ("Votes Cast") with respect to a matter (other than in the election of the Board of Directors and ratification of independent auditors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner.

BROKER NON-VOTES

Shares of Common Stock held in street name that are present by proxy will be considered as Votes Present for purposes of determining whether a quorum is present. With regard to certain proposals, the holder of record of shares of Common Stock held in street name is permitted to vote as they determine, in their discretion, in the absence of direction from the beneficial holder of the shares of Common Stock.

The term "broker non-vote" refers to shares held in street name that are not voted with respect to a particular matter, generally because the beneficial owner did not give any instructions to the broker as to how to vote such shares and the broker is not permitted under applicable rules to vote such shares in its discretion because of the subject matter of the proposal, but

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

whose shares are present on at least one matter. The Company intends to count such shares as Votes Present for the purpose of determining whether a quorum is present. In addition, the broker is permitted to vote such shares on the proposals to be considered at the Meeting.

VOTES REQUIRED FOR APPROVAL

A plurality of the total Votes Cast by holders of Common Stock is required for the election of directors. A vote to "WITHHOLD AUTHORITY" for any nominee for director will be counted for purposes of determining the Votes Present, but will have no other effect on the outcome of the vote on the election of directors.

A plurality of the total Votes Cast by holders of Common Stock is required to ratify the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 28, 2004. A vote to "ABSTAIN" will have no other effect on the outcome of the vote on the ratification of Ernst & Young LLP.

The Board of Directors is currently composed of eight (8) directors, divided into three classes. Each class of directors is elected for a term of office to expire at the third succeeding annual meeting of stockholders of the Company after their election and until their respective successors are elected and qualified. The terms of three directors are expiring at the Meeting and the Nominating Committee of the Board of Directors, solely consisting of independent directors, has nominated Messrs. DIRECTORS COMPENSATION

Directors who are not employees receive an annual fee of \$20,000; each Chairman of a Committee receives an additional annual fee of \$5,000; each member of the Audit Committee receives an additional annual fee of \$5,000; directors who are not employees also receive \$1,000 for each telephonic meeting, \$2,000 for each Committee Meeting attended (if no Board of Directors Meeting is being held on the same day) and \$2,500 for attending Board and Committee Meetings held on the same day. In addition, the Chairman of the

12

Board is paid a Chairman's fee of \$100,000 per year. The Company revised the directors' fees as a result of the additional time and effort required from the directors to ensure that they are fulfilling their increased obligations under the Sarbanes-Oxley Act. The Company previously granted options to non-employee directors under the Directors Plan. Currently, options to purchase an aggregate of 384,800 shares of Common Stock are outstanding under the Directors Plan at exercise prices ranging from \$6.688 per share to \$22.25 per share. The Company was unable to grant any stock options to any of the Directors for the fiscal year ended December 30, 2003 since the Directors Plan has expired and, at this time, the Company has no other stock option plans in effect for Directors. It is the intent of the Company to submit a new Director Stock Option Plan for consideration by the Company's Stockholders in the near future.

EMPLOYMENT AGREEMENTS

The Company entered into separate employment agreements, with each of Messrs. White, Aaron, and O'Connell, on April 29, 2003, providing for the employment of these individuals as Executive Vice President, Senior Vice President - Counsel and Secretary, and President of Lone Star Restaurants, respectively. Each employment agreement provides that the officer shall devote their entire business time to the business of the Company. The Employment Agreements provide base salaries in the amounts of \$600,000, \$250,000 and

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

\$350,000, respectively, for Messrs. White, Aaron and O'Connell, subject to increases as determined by the Compensation/ Stock Option Committee and ratified by the Board of Directors. Each agreement terminates in April 2006. Additionally, each agreement contains non-competition and non-solicitation provisions which apply for twenty-four months after cessation of employment and confidentiality provisions which apply for ten years after cessation of employment. Mr. Coulter does not have an employment, non-competition, non-solicitation or confidentiality agreement with the Company.

REPORT BY THE COMPENSATION/STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

GENERAL

The Compensation/Stock Option Committee determines the cash and other incentive compensation, if any, to be paid to the Company's executive officers and key employees. Messrs. Chaney, Greene, Lasorda, Mandigo and Saltzgaber, non-employee directors of the Company, serve as members of the Compensation / Stock Option Committee and are independent directors in accordance with the definition of "independent director" pursuant to the Company's Amended and Restated By-laws. Mr. Saltzgaber serves as Chairman of the Compensation/Stock Option Committee. During fiscal 2003, there were six meetings of the Compensation/Stock Option Committee.

13

COMPENSATION PHILOSOPHY

The Compensation/Stock Option Committee's executive compensation philosophy is to base management's pay, in part, on the achievement of the Company's performance goals, to provide competitive levels of compensation, to recognize and reward individual initiative, achievement and length of service to the Company, to assist the Company to retain and attract the best qualified management, and to enhance long term stockholder value. In retaining and attracting the best qualified management personnel, the Company is offering compensation and benefits that place it among the top quartile of its industry.

In November 2002, the Company engaged Hay Group, Inc. ("Hay Group") to review its compensation programs and to make any recommendations it deemed appropriate to ensure that such programs were competitive with leading industry competitors and consistent with the compensation philosophy of the Company. Hay Group is one of the five largest management consulting firms in the world primarily focused on human resources. The Compensation/Stock Option Committee continues to work with the Hay Group, as appropriate, in determining compensation matters.

The Compensation/Stock Option Committee strongly believes that the caliber of the management personnel makes a significant difference in the Company's long term success and it is the philosophy of the Compensation/Stock Option Committee to provide officers with the opportunity to realize potentially significant financial gains through the grants of stock options. The Compensation/Stock Option Committee also believes that the potential for equity ownership by management is beneficial in aligning management and stockholders' interest in the enhancement of stockholder value. However, despite the philosophy of the Compensation/Stock Option Committee that stock options are an important part of compensation, the Compensation/Stock Option

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

Committee was unable to grant stock options in fiscal 2003 due to the expiration of the Company's Stock Option Plan.

14

Section 162(m) of the Internal Revenue Code prohibits a publicly held corporation, such as the Company, from claiming a deduction on its federal income tax return for compensation in excess of \$1 million paid for a given fiscal year to the chief executive officer (or person acting in that capacity) at the close of the corporation's fiscal year and the four most highly compensated officers of the corporation, other than the chief executive officer, at the end of the corporation's fiscal year. The \$1 million compensation deduction limitation does not apply to "performance-based compensation," or any contributions by the Company pursuant to the Company's Deferred Compensation Plan (the "Deferred Plan"). The Company believes that, with certain exceptions, any compensation received by executive officers in connection with the exercise of options granted under the Stock Option Plan qualifies as "performance-based compensation." In September 2002, the Company adopted the Stock Deferred Plan. In connection with the implementation of the Stock Deferred Plan, Mr. Coulter agreed to the Company's request to defer receipt of income he was entitled to receive upon the exercise of options to purchase 300,000 shares of Common Stock that he exercised in January 2003 until 30 days after the termination of his employment with the Company. As a result, the Company believes that the payment of such income to Mr. Coulter, after his employment with the Company terminates, will not be subject to the tax deductibility limitation of Section 162(m). Between October and December 2003, Mr. Coulter exercised options to purchase 400,000 shares of Common Stock. The compensation received by Mr. Coulter upon the exercise of these options does not qualify as "performance-based compensation." The policy of the Compensation/Stock Option Committee is to the extent reasonable to qualify the Company's executive officers' compensation for deductibility under Section 162(m) and other applicable tax laws. However, the Compensation/Stock Option Committee believes that providing an appropriate level of cash compensation and maintaining flexibility in determining compensation are also important issues which must be balanced with preserving a tax deduction for amounts in excess of \$1,000,000.

SALARIES

Base salaries for the Company's executive officers are determined initially by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive marketplace for management talent, including a comparison of base salaries for comparable positions at other companies (base salaries are targeted to be competitive with the top quartile of the industry). The Company believes that it is necessary to position executive officers' base salaries at or above these levels in order to attract, retain and motivate its executive officers. In addition, the Compensation/Stock Option Committee considers the recommendations of the Company's Chief Executive Officer and its Executive Vice President. The Company defines the relevant labor market through the use of third-party executive salary surveys that reflect both the restaurant industry as well as a broader cross-section of companies from many industries. Annual salary adjustments are determined by (i) considering various factors, tangible and intangible achieved by the Company; (ii) the overall performance of the executive; (iii) the length of the executive's service to the Company; and (iv) any increased responsibilities assumed by the executive. There are no restrictions on salary adjustments of the Company. The Company has employment agreements with its executive officers other than Mr. Coulter, which sets the base salaries and other terms and conditions of employment for such individuals.

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

ANNUAL BONUSES

The Compensation/Stock Option Committee evaluates the performance of the Company's executives on an annual basis. Messrs. White, O'Connell, Bracken and Aaron received bonuses of \$158,583, \$151,500, \$76,500 and \$66,951, respectively, for fiscal 2003. These bonuses were based, first, upon the Company's performance, including, but not limited to, (a) the Company's actual stock price performance and stock price performance relative to its peers, (b) the Company's actual performance as compared to the Company's projected performance goals for fiscal 2003 and (c), by the level of personal achievement by individual participants. The bonuses paid to the Company's executives for the fiscal year ended December 30, 2003 were reduced from the bonuses paid for the fiscal year ended December 31, 2002 based in part on a decline in the Company's profit from operations.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

Mr. Coulter's base salary in fiscal 2003 was \$823,558. Mr. Coulter's base salary is, among other things, based upon the factors described in the "Salaries" paragraph above. Mr. Coulter's salary was increased from

15

\$750,000 in fiscal 2003. Mr. Coulter was awarded a bonus of \$145,493 for services performed in fiscal 2003. Mr. Coulter's bonus is based upon the factors described in the "Annual Bonuses" paragraph above and his role as Chief Executive Officer in enabling the Company to achieve its performance in fiscal 2003. Mr. Coulter was not present during the Compensation/Stock Option Committee's deliberation of his compensation.

STOCK OPTION PLAN

It has historically been the philosophy of the Compensation/Stock Option Committee to tie a significant portion of an executive's total opportunity for financial gain to increases in stockholder value, thereby aligning the long-term interest of the stockholders with the executives and to retain such key employee. All salaried employees, including executives and part-time employees, of the Company and its subsidiaries, were eligible for grants of stock options pursuant to the Plan. The Company was unable to grant any stock options to any of the Named Executive Officers for the fiscal year ended December 30, 2003 since the Plan has expired and, at this time, the Company has no other Stock Option Plans in effect for employees including executive officers. It is the intent of the Company to submit a new Employee Stock Option Plan for consideration by the Company's Stockholders in the near future.

DEFERRED COMPENSATION PLAN

The Deferred Plan is a non-qualified deferred compensation plan. Deferred Plan participants elect the percentage of pay they wish to defer into their Deferred Plan account. They also elect the percentage of their deferral account to be allocated among various investment options. The Deferred Plan permits highly compensated employees or any employee at the level of District Manager or higher to defer a portion of their annual compensation into unfunded accounts with the Company. Participants in the Deferred Plan are considered a select group of management and highly compensated employees according to the Department of Labor. A participant's account balance will be paid in cash upon death, termination of employment or retirement and, subject to certain penalty provisions, while the participant is employed by the Company. In addition, at the request of the participant, if the committee

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

administering the Deferred Plan, in its sole discretion, determines that a participant has suffered an unforeseen financial emergency, such committee may first modify the participant's deferral election and then may distribute to the participant that portion of the participant's account balance necessary to alleviate the participant's hardship. The Company's contribution vests annually in four equal installments commencing in the second year of employment with the Company. All executive officers who participate in the Deferred Plan have been employed by the Company for more than four (4) years.

COMPENSATION/STOCK OPTION COMMITTEE

This report by the Compensation/Stock Option Committee on Executive Compensation is submitted by the members of the Compensation/Stock Option Committee: Fred B. Chaney Ph.D., William B. Greene, Jr., Thomas C. Lasorda, Clark R. Mandigo and Mark G. Saltzgaber.

COMPENSATION COMMITTEE INTERLOCKS

The Compensation/Stock Option Committee consists of Messrs. Chaney, Greene, Lasorda, Mandigo and Saltzgaber. There were no transactions between any member of the Compensation/Stock Option Committee and the Company during the fiscal year ended December 30, 2003. No member of the Compensation/Stock Option Committee was an officer or employee of the Company or any subsidiary of the Company during fiscal 2003.

All audit and non-audit services to be performed by the Company's independent auditors must be approved in advance by the Audit Committee. Consistent with applicable law, limited amounts of services, other than audit, review or attest services, may be approved by one or more members of the Audit Committee pursuant to authority delegated by the Audit Committee, provided each such approved service is reported to the full Audit Committee at its next meeting.

All of the engagements and fees for the Company's fiscal year ended December 30, 2003 were approved by the Audit Committee. In connection with the audit of the Company's Financial Statements for the Fiscal Year ended December 30, 2003, Ernst & Young LLP only used full-time, permanent employees.

The Audit Committee of the Board of Directors considered whether the provision of non-audit services by Ernst & Young LLP was compatible with its ability to maintain independence from an audit standpoint and concluded that Ernst & Young LLP's independence was not compromised.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 28, 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

AUDIT COMMITTEE REPORT

The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee are intended to be in accordance with applicable requirements for corporate audit committees.

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

The Audit Committee revised its written charter to conform with the newly proposed Nasdaq requirements and the Sarbanes-Oxley Act. A copy of the amended Audit Committee Charter is attached hereto as Appendix A. The Company's independent auditors are responsible for auditing the financial statements. The activities of the Committee are in no way designed to supersede or alter those traditional responsibilities. The Audit Committee serves a broad-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Audit Committee's members in business, financial and accounting matters. The Committee's role does not provide any special assurances with regard to the Company's financial statements, nor does it involve a professional evaluation of the quality of the audits performed by the independent auditors.

In connection with the audit of Company's financial statements for the year ended December 30, 2003, the Audit Committee met with representatives from Ernst & Young LLP, the Company's independent auditors. The Audit Committee reviewed and discussed with Ernst & Young LLP, the Company's financial management and financial structure, as well as the matters relating to the audit required to be discussed by Statements on Auditing Standards 61 and 90.

On July 10, 2003, the Audit Committee received from Ernst & Young LLP the written disclosures and the letter regarding Ernst & Young LLP's independence required by Independence Standards Board of Standard No. 1.

19

In addition, the Audit Committee reviewed and discussed with the Company's management the Company's audited financial statements relating to fiscal year ended December 30, 2003 and has discussed with Ernst & Young LLP the independence of Ernst & Young LLP.

Based upon review and discussions described above, the Audit Committee recommended to the Board of Directors that the Company's financial statements audited by Ernst & Young LLP be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 30, 2003.

STOCKHOLDER PROPOSALS AND NOMINATING COMMITTEE REPORT

In order to be considered for inclusion in the proxy materials to be distributed in connection with the next Annual Meeting of Stockholders of the Company, stockholder proposals for such meeting must be submitted to the Company no later than January 5, 2005.

On May 21, 1998 the Securities Exchange Commission adopted an amendment to Rule 14a-4, as promulgated under the Securities and Exchange Act of 1934, as amended. The amendment to Rule 14a-4(c)(1) governs the Company's use of its discretionary proxy voting authority with respect to a stockholder proposal which is not addressed in the Company's proxy statement. The amendment provides that if the Company does not receive notice of the proposal at least 45 days prior to the first anniversary of the date of mailing of the prior

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A

year's proxy statement, then the Company will be permitted to use its discretionary voting authority when the proposal is raised at the annual meeting, without any discussion of the matter in the proxy statement.

With respect to the Company's 2005 Annual Meeting of Stockholders, if the Company is not provided notice of a stockholder proposal, which has not been timely submitted, for inclusion in the Company's proxy statement by March 21, 2005 the Company will be permitted to use its discretionary voting authority as outlined above.

The By-laws of the Company establish procedures for stockholder nominations for elections of directors of the Company and bringing business before any annual meeting or special meeting of stockholders of the Company. Any stockholder entitled to vote generally in the election of directors may nominate one or more persons for election as directors at a meeting only if written notice of such stockholder's intent to make such nomination or nominations has been given, either by personal delivery or by United States mail, postage prepaid, to the Secretary of the Company, not less than 90 days nor more than 120 days prior to the meeting; provided, however, that in the event that if and only if the annual meeting is not scheduled to be held within a period that commences thirty days after such anniversary date (the "Other Meeting Date"), such Stockholder Notice shall be given in the manner provided by the later of (i) the close of business on the date ninety days prior to such Other Meeting Date or (ii) the close of business on the tenth day following the date on which such Other Meeting Date is first publicly announced or disclosed. Any notice to the Secretary must include: (i) the name and address of record of the stockholder who intends to make the nomination; (ii) a representation that the stockholder is a holder of record of shares of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission; and (iv) the consent of each nominee to serve as a director of the Company if so elected. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director of the Company. The presiding officer of the meeting may, if the facts warrant, determine that a nomination was not made in accordance with the foregoing procedure, in which event, the officer will announce that determination to the meeting and the defective nomination will be disregarded.

The Nominating Committee identifies prospective candidates to serve as directors by reviewing candidates credentials and qualifications, and interviewing prospective candidates before submitting their respective names to the Board. In addition, The Nominating Committee adopted a written charter, which is available at the Company's website at www.lonestarsteakhouse.com. The members of the Nominating Committee on December 30, 2003 were Fred B. Chaney Ph.D., Thomas C. Lasorda and Michael A. Ledeen Ph.D. The Nominating Committee met two times during the fiscal year ended December 30, 2003, and each of the members of the Nominating Committee was present at that meeting. Each member of the Nominating Committee meets the criteria for being "independent" set forth under Section 4200(a)(15) of Nasdaq's listing standards.

The Nominating Committee considers recommendations for director nominees from a wide variety of sources, including members of the Company's Board, business contacts, community leaders, other third-party sources and members of management. The Nominating Committee also considers shareholder recommendations for director nominees that are properly received in accordance with the Company's By-laws and applicable rules and regulations of the Securities and Exchange Commission.

The Board believes that all of its directors should have the highest personal integrity and have a record of exceptional ability and judgment. The Board also believes that its directors should ideally reflect a mix of experience and other qualifications. There is no firm requirement of minimum qualifications or skills that candidates must possess. The Nominating Committee evaluates director candidates based on a number of qualifications, including their independence, judgment, leadership ability, expertise in the industry, experience developing and analyzing business strategies, financial literacy, risk management skills, and, for incumbent directors, his or her past performance.

The Nominating Committee initially evaluates a prospective nominee on the basis of his or her resume and other background information that has been made available to the Committee. A member of the Nominating Committee will contact for further review and interview those candidates who the Committee believes are qualified, who may fulfill a specific Board need and who would otherwise best make a contribution to the Board. If, after further discussions with the candidate, and other review and consideration as necessary, the Nominating Committee believes that it has identified a qualified candidate, it will consider making a recommendation to the Board.

PROCEDURES FOR CONTACTING DIRECTORS

The Board of Directors has established a process for stockholders to send communications to the Board. Stockholders may communicate with the Board generally or a specific director at any time by writing to: Gerald T. Aaron, Secretary, Lone Star Steakhouse & Saloon, Inc., 224 East Douglas, Suite 700, Wichita, Kansas 67202-3414. The Secretary reviews all messages received, and forwards any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to the Board. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to the Board generally, to the Chairman of the Nominating Committee. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest are not forwarded to the Board. The Secretary has the right, but not the obligation, to forward such other communications to appropriate channels within the Company.

PROXY SOLICITATION

The cost of soliciting proxies will be borne by the Company. The transfer agent and registrar for the Company's Common Stock, Wachovia Bank, N.A., as a part of its regular services and for no additional compensation other than reimbursement for out-of-pocket expenses, has been engaged to assist in the proxy solicitation. The Company has retained Innisfree M&A Incorporated for a fee not to exceed \$6,500, plus reimbursement of reasonable out-of-pocket expenses to assist in the solicitation of proxies and revocations. Proxies may be solicited through the mail and through telephonic or telegraphic communications to, or by meetings with, stockholders or their representatives by directors, officers, and other employees of the Company who will receive no additional compensation therefor.

The Company requests persons such as brokers, nominees, and fiduciaries holding stock in their names for others, or holding stock for others who have the right to give voting instructions, to forward proxy material to their principals and to request authority for the execution of the proxy, and the

Edgar Filing: LONE STAR STEAKHOUSE & SALOON INC - Form DEF 14A
