Item 2.02. Results of Operations and Financial Condition.

On February 6, 2008, Shutterfly, Inc. (“Shutterfly”) issued a press release announcing its financial results for the fourth quarter ended December 31, 2007.

This press release is being furnished as Exhibit 99.01 to this Current Report on Form 8-K and is incorporated herein by this reference.

The information in this report, including the exhibit hereto, is furnished and is not deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liabilities of that section. The information contained herein and in the accompanying exhibit is not incorporated by reference in any filing of Shutterfly under the Securities Act of 1933 or the Securities Exchange Act of 1934, whether made before or after the date hereof and irrespective of any general incorporation language in any filings.

Use of Non-GAAP Financial Information

Shutterfly has supplemented the financial measures contained in the attached press release that are provided in accordance with generally accepted accounting principles (“GAAP”) with non-GAAP financial measures. Shutterfly believes that these non-GAAP financial measures better reflect its core operating results and thus are appropriate to enhance the overall understanding of its past financial performance and its prospects for the future. These adjustments to Shutterfly’s GAAP results are made with the intent of providing both management and investors a more complete understanding of Shutterfly’s underlying operational results and trends and performance. Management uses these non-GAAP measures to evaluate Shutterfly’s financial results, develop budgets and manage expenditures. The method Shutterfly uses to produce non-GAAP financial results may differ from the methods used by other companies. Shutterfly’s reference to these non-GAAP financial results should be considered in addition to results that are prepared under current accounting standards but should not be considered as a substitute for, or superior to, the financial results that are presented as consistent with GAAP. Reconciliation to the nearest GAAP financial measures of the non-GAAP financial measures is included in the press release attached hereto as Exhibit 99.01.

Item 9.01. Financial Statements and Exhibits.
