THE PRINCIPAL FINANCIAL GROUP TO SELL MORTGAGE BANKING
BUSINESS TO CITIGROUP
POSITIONS THE PRINCIPAL FOR CONTINUED GROWTH IN CORE BUSINESSES --
RETIREMENT AND EMPLOYEE BENEFIT SOLUTIONS FOR SMALL & MEDIUM SIZED COMPANIES

Des Moines, IA (May 12, 2004) - Principal Financial Group, Inc. (NYSE: PFG) today announced that it has entered into a definitive agreement for the sale of its entire mortgage banking business to Citigroup (NYSE: C). Estimated proceeds from the transaction of approximately \$1.26 billion include \$290 million of value in excess of the net book value of assets and liabilities transferred of approximately \$970 million.1

Under the terms of the agreement, Citigroup will acquire the stock of Principal Residential Mortgage, Inc. Principal Residential Mortgage employees will transfer to Citigroup at the close. The transaction has been approved by the Principal Financial Group board of directors and is expected to close in third quarter, 2004, subject to regulatory approval.

"This is a great outcome for The Principal, mortgage customers and employees, and for Citi," said J. Barry Griswell, chairman, president and CEO - the Principal Financial Group. "The Principal intensifies its strategic focus on its core retirement and risk protection businesses; customers continue to receive high quality and responsive service; and Principal Residential Mortgage employees join a respected consumer financial services organization.

"It's also a positive move for our shareholders," said Griswell. "In addition to

greater focus on our core businesses, we go forward from an improved capital position, with better financial flexibility and greater stability of earnings."

The Company expects that the transaction will initially reduce operating earnings per diluted share by approximately eight to ten cents per quarter, based on estimated normalized quarterly earnings for the mortgage business.

"Over the coming months, we will effectively deploy sales proceeds and reduce corporate expenses currently allocated to the mortgage business, which will have a positive impact on earnings per share," said Griswell.

The Principal expects after-tax net proceeds of approximately \$710 million. The Company intends to use proceeds from the transaction primarily for organic growth of its core businesses, strategic acquisitions, and share repurchase. As announced in a separate release dated May 12, 2004, the Board of Directors has authorized the repurchase of up to \$700 million of the company's outstanding common stock. The company has completed approximately \$253 million of the \$300 million share repurchase program authorized by the Board of Directors in May 2003.

"Principal Residential Mortgage has been an important part of our history and we greatly value the contributions made by the people and the business," Griswell said. "While this was not an easy decision to make, we are now better positioned to focus our resources on our core growth businesses, and to achieve our longer-term financial objectives."

The Principal was advised on this transaction by Lehman Brothers.
