\* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

This performance stock unit award was granted subject to limitations required by TARP rules adopted after grant. The current TARP rules did not exist at the time of grant, and when issued in June 2009 they did not permit the calculation of the limitation applicable to this

- (1) award until certain TARP securities were repurchased from the US Treasury. That calculation now can be made, and this amended Form 4 reports the grant amount as so limited. The amounts reported on this amended Form 4 have not been adjusted for stock dividends occurring after the original date of this report.
- (2) Grant of restricted stock; shares generally vest 50% after three years and 50% after four years.
- (3) End-of-period total may not include adjustment reflecting recent exempt transactions under Issuer's 401(k) Plan.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
