Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) Includes 27.114 shares acquired under the Biogen Inc. employee stock purchase plan on 9/30/2016 and 12/30/2016.

(2) This award was previously reported as covering 2,480 shares, but was adjusted pursuant to the anti-dilution provisions of the award in connection with the spin-off of Bioverativ, Inc. on February 1, 2017

The number of RSUs reported represents the maximum possible number of shares that are eligible for vesting, which is 200% of the number of shares at target payout. One-third of these RSUs are eligible to vest on each of the first three anniversaries of the grant date.

(3) The actual number of shares that will vest on each vesting date will be determined by comparing the price of Biogen common stock on such vesting date to the price on the grant date (i.e., number of vested shares = number of shares at target payout times [the 30-day average closing stock price ending on the vesting date divided by the 30-day average closing stock price on the grant date]).

Edgar Filing: BIOGEN INC. - Form 4

- (4) This represents the difference between the maximum possible number of shares that were eligible for vesting and the actual number that vested.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
