PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the board of directors (which we refer to in this Proxy Statement as the Board of Directors or the Board) of Bluefly, Inc., a Delaware corporation (which we refer to in this Proxy Statement as the Company, we, us or our), of proxies to be voted at the annual meeting of stockholders of the Company to be held at 9:00 a.m., local time, on May 16, 2012 at the Company's offices at 42 West 39th Street, 9th Floor, New York, New York 10018, and at any adjournment thereof. The purposes of the meeting are:

1. To elect three Class 3 directors of the Company to the Board of Directors to hold office until the 2015 annual meeting of stockholders.
2. To transact such other business as may properly come before the meeting.

If proxy cards in the accompanying form are properly executed and returned by a stockholder of record, the shares of the Company's Common Stock, \$.01 par value per share (which we refer to in this Proxy Statement as the Common Stock), held by such stockholder will be voted as instructed on the proxy card. If no instructions are given, such shares will be voted (i) for the election as Class 3 directors of the nominees of the Board of Directors named below and (ii) in the discretion of the proxies named in the proxy card on any other proposals to properly come before the meeting or any adjournment thereof. Any proxy may be revoked by a stockholder of record prior to its exercise upon written notice to the Secretary of the Company, or by the vote of such stockholder cast in person at the meeting. The approximate date of mailing of this Proxy Statement and accompanying form of proxy card is April 17, 2012.

VOTING

Holders of record of Common Stock as of the close of business on April 10, 2012 (which we refer to in this Proxy Statement as the Record Date), the record date for the solicitation of proxies pursuant to this Proxy Statement, will be entitled to vote at the meeting or any adjournment thereof. Each share of Common Stock entitles the holder thereof to one vote on all matters to come before the stockholders at the meeting. The holders of our Common Stock are not entitled to cumulative voting.

Holders of a majority of the votes entitled to be cast at the meeting will constitute a quorum for the transaction of business. As of the Record Date, there were 28,576,612 shares of Common Stock outstanding, each entitled to one vote. The total number of votes entitled to be cast at the meeting is, therefore, 28,576,612 votes. Abstentions and so-called “broker non-votes” (instances in which brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy) are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

The favorable vote of a plurality of the votes cast by holders of shares of Common Stock, present in person or represented by proxy at the meeting, is necessary to elect the Class 3 directors of the Company. Effective January 1, 2010, a broker is no longer permitted to vote on a stockholder’s behalf with respect to the election of directors unless the stockholder has provided specific voting instructions to the broker. For your vote to be counted, you now will need to communicate your voting instructions to your broker, bank or other financial institution before the date of the meeting. Withheld votes and broker non-votes will not be counted as votes cast with respect to, and therefore will have no effect on, the election of the Class 3 directors.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors currently consists of nine directors. Our amended and restated certificate of incorporation classifies the Board of Directors into three classes, each having a staggered term expiring at successive annual meetings. Three Class 3 directors are to be elected at the annual meeting to serve a three-year term expiring at the 2015 annual meeting of stockholders. The term of our Class 1 directors shall expire at the 2013 annual meeting of stockholders and the term of our Class 2 directors shall expire at the 2014 annual meeting of stockholders.

The Board of Directors has nominated the persons named in the table below for election as Class 3 directors. All such persons are presently directors of the Company, and each has consented to being named as a nominee for election as a Class 3 director and has agreed to serve if elected. Unless otherwise specified in the accompanying proxy, the shares voted pursuant to it will be voted for the persons named below as nominees for election as Class 3 directors. If, for any reason, at the time of the election, any of the nominees should be unable or unwilling to accept election, such proxy will be voted for the election, in such nominee's place, of a substitute nominee recommended by the Board of Directors to the extent that such substitute nominee exists. However, the Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve as a director.

Also listed are the remaining six directors who will continue to serve their respective terms.

Pursuant to the Amended and Restated Voting Agreement (which we refer to in this Proxy Statement as the Voting Agreement) entered into by and among us, Rho Ventures VI, L.P. (which we refer to in this Proxy Statement as Rho), Quantum Industrial Partners LDC (which we refer to in this Proxy Statement as QIP), SFM Domestic Investments LLC (which we refer to in this Proxy Statement as SFM and, together with QIP, as the Soros Parties), Maverick Fund USA, Ltd. (which we refer to in this Proxy Statement as Maverick USA), Maverick Fund, L.D.C. (which we refer to in this Proxy Statement as Maverick Fund), and Maverick Fund II, Ltd. (which we refer to in this Proxy Statement as Maverick Fund II and, together with Maverick USA and Maverick Fund, as the Maverick Parties) and Prentice Consumer Partners, LP, Rho and the Soros Parties each have the right to nominate an additional director to the Board but have not yet done so. If Rho and/or the Soros Parties nominate a second director to the Board pursuant to the Voting Agreement, such director would be appointed to serve as a Class 3 director of the Company. In addition, the Maverick Parties have the right to nominate one director to the Board to replace David Janke, who resigned in April 2012. If the Maverick Parties nominate a director to the Board pursuant to the Voting Agreement, such director would be appointed to serve as a Class 1 director of the Company.

CORPORATE GOVERNANCE

The Board reviewed the independence of each of our directors on the basis of the standards adopted by NASDAQ. During this review, the Board considered transactions and relationships between the Company, on the one hand, and each director, members of his or her immediate family, and other entities with which he or she is affiliated, on the other hand. The purpose of this review was to determine which of such transactions or relationships were inconsistent with a determination that the director is independent under applicable NASDAQ rules. As a result of this review, the Board affirmatively determined that each of our directors other than Mr. Park is an “independent director” within the meaning of applicable NASDAQ rules.

During the fiscal year ended December 31, 2011, the Board met 9 times and acted by unanimous written consent 3 times. Each of the directors participated in 75% or more of the aggregate number of meetings and/or written consents of the Board and committee(s) on which he or she served during the 2011 fiscal year. The Company does not have a policy with regard to the attendance by directors at our annual meeting of stockholders. None of the directors attended last year’s annual meeting of stockholders.

The Board has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is comprised of Anthony Plesner, Michael Helfand and Martin Miller. Mr. Plesner acts as Chairman of the Audit Committee. The Audit Committee is responsible for the appointment of the Company’s independent registered public accountants, examining the results of audits, reviewing internal accounting controls and reviewing related party transactions. The duties of the Audit Committee are fully set forth in the charter adopted by that committee, a copy of which is available on our website at www.bluefly.com. The Board has determined that Mr. Plesner is an “audit committee financial expert,” as defined by Item 407(d)(5) of Regulation S-K of the Exchange Act, and that each member of the Audit Committee is “independent,” as required by the Exchange Act and applicable NASDAQ rules. The Audit Committee met 4 times and did not act by unanimous written consent during fiscal 2011.

The Board has established a Compensation Committee. The Compensation Committee has three members, consisting of Mario Ciampi, Habib Kairouz and David Wassong, and met 12 times and acted by unanimous written consent 11 times in fiscal 2011. The Compensation Committee is comprised solely of non-employee directors, all of whom the Board has determined are “independent” in accordance with applicable NASDAQ rules. The Compensation Committee does not have a written charter.

The Compensation Committee’s responsibilities include, among other duties, the responsibility to:

- establish the base salary, incentive compensation and any other compensation for the officers of the Company;

monitor the Company's management incentive and stock based compensation, retirement and welfare plans and discharge the duties imposed on the Compensation Committee by the terms of those plans; and

perform other functions or duties deemed appropriate by the Board.

The agenda for meetings of the Compensation Committee is determined by its Chairman. The Compensation Committee reports directly to the Board. The Compensation Committee has the authority to engage and from time to time has engaged independent consultants to advise on particular aspects of compensation. The Compensation Committee has authority to retain, terminate and approve fees for advisors, consultants and agents as it deems necessary to assist in the fulfillment of its responsibilities. The Compensation Committee reviews the total fees paid to outside consultants by the Company to ensure that the consultant maintains its objectivity and independence when rendering advice to the Compensation Committee. In determining the compensation levels of the Company's executive officers, the Compensation Committee considers proposals from the Company's Chief Executive Officer with respect to the appropriate levels of bonus and equity compensation for the Company's executive officers (other than the Chief Executive Officer).

The Board has also established a Nominating Committee, consisting of David Wassong and Anthony Plesner. The purposes of the Nominating Committee are to assist the Board by identifying individuals qualified to become directors, setting criteria for, and evaluating, director candidates, and recommending to the Board the director nominees for election at the annual meetings of stockholders or for appointments to fill vacancies; recommend to the Board nominees for each committee of the Board; advise the Board about the appropriate composition of the Board and its committees; advise the Board about and recommend to the Board appropriate corporate governance practices and assist the Board in implementing those practices; lead the Board in its annual review of the performance of the Board and its committees; and perform such other functions as the Board may assign to it from time to time. The duties of the Nominating Committee are fully set forth in the charter adopted by that committee, a copy of which is available on our website at www.bluefly.com. The Nominating Committee met 2 times and acted by unanimous written consent on one occasion time during 2011.

The Nominating Committee will consider many factors when evaluating candidates for the nomination to the Board, with the goal of fostering a Board comprised of directors with a variety of experience and backgrounds. While the Nominating Committee does not have a formal policy with respect to diversity, the Board and the Nominating Committee believe that it is essential that Board members represent diverse backgrounds and experience. Important factors that will be considered as part of the Nominating Committee's evaluation include (without limitation) skill, specialized expertise, experience, business acumen and an understanding of strategy and policy-setting. Depending upon the Company's then-current needs, certain factors may be weighed more or less heavily. In considering candidates for the Board, the Nominating Committee will consider the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met. However, the Nominating Committee does believe that all members of the Board should have the highest character and integrity and sufficient time to devote to Company matters.

The Nominating Committee will consider persons recommended by stockholders as candidates for nomination as a director. In evaluating such nominations, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees. Recommendations should be submitted to the Secretary of the Company. Each recommendation should include a personal biography of the suggested candidate, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who wish to nominate a person for election to the Board themselves, rather than recommending a candidate to the Nominating Committee for potential nomination by the Board, must comply with applicable law.

Communication by stockholders may be made to any or all of the members of the Board by writing directly to them c/o Bluefly, Inc., 42 West 39th Street, New York, New York 10018. All such communications will be relayed to the appropriate members of the Board.

We have adopted a Code of Ethics applicable to all directors, officers and employees which meets the requirements of a "code of ethics" as defined in Item 406 of Regulation S-K, and we maintain procedures for the confidential, anonymous submission by employees of complaints regarding our accounting, internal accounting controls, auditing matters and other issues. A copy of our code of ethics is available on our website at www.bluefly.com. Any amendment to or waiver of a provision of the code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, controller or persons performing similar functions and relates to elements of the code specified in the rules of the SEC will be posted on our website.

Management is responsible for the day-to-day management of risks the Company faces, while the Board of Directors, as a whole and through its committees, has the ultimate responsibility for the oversight of risk management. Senior officers attend meetings of the Board of Directors, provide presentations on operations including significant risks, and are available to address any questions or concerns raised by the Board of Directors. Additionally, our three Board committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. Pursuant to

its charter, the Audit Committee coordinates the Board of Directors' oversight of the Company's internal control over financial reporting, disclosure controls and procedures and code of conduct. Management regularly reports to the Audit Committee on these areas. The Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Corporate Governance Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning for our directors and corporate governance. When any of the Committees receives a report related to material risk oversight, the Chairman of the relevant committee reports on the discussion to the full Board of Directors.

As noted above, our Board is currently comprised of eight independent non-employee directors and one employee director who is the Company's Chief Executive Officer. The Company divides the leadership role between an independent Chairman of the Board and the Chief Executive Officer. Mr. Wassong served as Chairman of the Board from February 2007 until April 2012, at which time Mr. Kairouz was elected as his successor. We believe that the number of independent, experienced directors that make up our Board, along with the oversight of our Chairman, benefits the Company and its stockholders.

We recognize that different board leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. We believe our current Board leadership structure is optimal for us because it demonstrates to our employees, suppliers, customers and other stakeholders that the Company is under strong leadership, with the Chairman maintaining an effective working relationship with management and other Board members and the Chief Executive Officer. We believe that the Company, like many U.S. companies, has been well-served by this leadership structure.

The Chairman has the responsibility to: (1) coordinate with the Chief Executive Officer in establishing the agenda for the annual meeting of stockholders as well as the agenda for Board meetings; (2) provide management with direction and input regarding Board priorities, mandates and suggestions; and (3) perform such other functions as the directors may designate from time to time.

Our Chief Executive Officer has authority regarding day to day operations of the Company, oversight over all other officers of the Company and responsibility for executing strategies approved by the Board. The Chief Executive Officer reports to the Chairman and to the Board.

Our Board conducts an annual evaluation in order to determine whether it and its committees are functioning effectively. As part of this annual self-evaluation, the Board evaluates whether the current leadership structure continues to be optimal for the Company and its stockholders.

Employment Agreements

Melissa Payner-Gregor

On February 2, 2012, we entered into a Separation Agreement (which we refer to in this Proxy Statement as the Payner Separation Agreement) with Melissa Payner-Gregor where she resigned as our Chief Executive Officer and a member of our Board. In connection with the Payner Separation Agreement, we agreed to provide Ms. Payner-Gregor with the continuation of salary and certain benefits for twelve months, and accelerated vesting of all unvested stock options, with all vested stock options remaining exercisable for one year. In addition, during the twelve month period following her resignation, Ms. Payner-Gregor will continue to be subject to the restrictive covenants contained in her employment agreement (as discussed further below), including non-competition and non-solicitation restrictions. Ms. Payner and the Company executed customary releases in connection with the Separation Agreement.

On November 14, 2006, we previously entered into a 36-month employment agreement (which we refer to in this Proxy Statement as the Payner Agreement) with Ms. Payner providing for her service as our Chief Executive Officer and a member of our Board. The Payner Agreement was effective as of July 1, 2006 and replaced Ms. Payner's prior employment agreement, which would have expired on March 1, 2007. Upon expiration of the initial term on July 1, 2009, the agreement, by its terms, automatically renewed for a one year term to July 1, 2010. On April 27, 2010, we

amended the Payner Agreement to extend the term through December 31, 2012 and to effect certain other changes in compensation, as described below.

Under the Payner Agreement, as amended, Ms. Payner was entitled to an annual base salary of \$500,000, subject to increases in the sole discretion of the Compensation Committee, as well as annual cost of living adjustments based on adjustments to the United States Consumer Price Index, beginning on January 1, 2011. She was also eligible to receive an annual performance bonus based upon the achievement of one or more targets to be set for each fiscal year by the Compensation Committee in its sole discretion, and subject to pro rata adjustment for underachievement or overachievement of the targets within limits determined by the Compensation Committee in its sole discretion, provided that such bonus shall not be in limitation of additional discretionary bonuses.

The Payner Agreement also provided Ms. Payner with a monthly housing allowance of \$4,000 and an annual allowance of approximately \$27,500 for life insurance and supplemental disability insurance.

Kara B. Jenny

On March 19, 2008, we entered into an amended and restated employment agreement (which we refer to in this Proxy Statement as the Jenny Agreement) with Kara Jenny providing for her service as our Chief Financial Officer. The Jenny Agreement amends and restates the earlier employment agreement between us and Ms. Jenny, which covered her service as our Vice President of Finance and was set to expire in June 2008. On April 27, 2010, we amended the Jenny Agreement to extend the term through December 31, 2012 and to effect certain other changes in compensation, as described below. At the end of the term, the agreement automatically extends for an additional one year term unless we provide Ms. Jenny with written notice of non-renewal at least 90 days prior to the end of the then-current term (including any one year renewal terms).

Pursuant to the Jenny Agreement, as amended, Ms. Jenny is entitled to an annual base salary of \$300,000, subject to increases in the sole discretion of the Compensation Committee. She is also eligible to receive an annual performance bonus in an amount determined by the Compensation Committee in its sole discretion. During the term of the Jenny Agreement, Ms. Jenny shall be eligible to participate in all of our medical and other employee benefit plans on the same terms and conditions as those offered to

our other senior executive officers; additionally, we shall provide Ms. Jenny with an annual allowance of \$10,000 for the purchase of life insurance and disability insurance.

Pursuant to the Jenny Agreement, if Ms. Jenny's employment is terminated without cause (as defined in the Jenny Agreement) or as a result of a constructive termination (as defined in the Jenny Agreement), she would be entitled to receive her base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as her then-current base salary for 180 days from the date of termination. In addition, if Ms. Jenny's employment is terminated without cause or as a result of a constructive termination, we shall maintain in effect any of our medical and dental insurance and hospitalization plans as well as any Company sponsored life insurance policy in which Ms. Jenny participates as of the date of such termination for one year from the date of termination.

In the event of a change of control (as defined in the Jenny Agreement) any unvested stock options granted to Ms. Jenny which are outstanding as of the date of the change of control and have not yet vested (which we refer to in this Proxy Statement as the Jenny COC Unvested Options) shall be deemed fully vested as of the date of the change of control. The remaining one-half of the Jenny COC Unvested Options shall vest on the earliest to occur of: (a) the scheduled vesting date and (b) 12 months from the date of the change of control. In the event that Ms. Jenny would be subject to tax under Section 4999 of the Code, the payments to her under the Jenny Agreement will be reduced to the maximum amount that she could receive without being subject to such tax. Ms. Jenny is subject to certain covenants under the Jenny Agreement, including a non-competition and non-solicitation covenant covering the term of her employment and an additional period of up to one year thereafter.

Joseph C. Park

Mr. Park is also eligible to receive an annual performance bonus based upon the achievement of one or more targets to be set for each fiscal year by the Compensation Committee in its sole discretion, and subject to pro rata adjustment for underachievement or

overachievement of the targets within limits determined by the Compensation Committee in its sole discretion, provided that such bonus shall not be in limitation of additional discretionary bonuses. During the term of the Park Agreement, Mr. Park shall be eligible to participate in all of our medical and other employee benefit plans on the same terms and conditions as those offered to other senior executive officers of the Company. The Park Agreement provided for a grant to Mr. Park of incentive stock options under the Company's 2005 Stock Incentive Plan to purchase 450,000 shares of Common Stock on May 31, 2011 at an exercise price equal to the fair market value on the date of grant. The options vest with respect to 56,250 shares on the six-month anniversary of the date of grant, and vest with respect to the remainder of shares in 42 equal monthly installments. In connection with Mr. Park's promotion to Chief Executive Officer, the Park Agreement, as amended, also provided for a one-time grant of incentive stock options under Company's 2005 Stock Incentive Plan to purchase 450,000 shares of Common Stock at an exercise price equal to the fair market value on the date of grant, subject to accelerated vesting in the event that his employment is terminated without cause or as a result of a constructive termination (as each such term is defined in the Park Agreement), and will become vested in equal monthly installments over a four-year period following the date of grant.

Pursuant to the Park Agreement, as amended, if Mr. Park's employment is terminated without cause (as defined in the Park Agreement) or as a result of a constructive termination (as defined in the Park Agreement), he would be entitled to receive his base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as his then-current base salary for a twelve month period from the date of termination. In addition, if Mr. Park's employment is terminated without cause or as a result of a constructive termination, we shall maintain in effect our medical and dental insurance and hospitalization plans as well as any Company sponsored life insurance policy in which Mr. Park participates as of the date of such termination for one year from the date of termination.

In the event that Mr. Park would be subject to tax under Section 4999 of the Code, the payments to him under the Park Agreement will be reduced to the maximum amount that he could receive without being subject to such tax. Mr. Park is subject to certain covenants under the Park Agreement, including a non-competition and non-solicitation covenant covering the term of his employment and an additional period of up to one year thereafter.

In connection with the Matson Separation Agreement, we agreed to provide Mr. Matson with the continuation of salary and certain benefits for a period of 180 days, and accelerated vesting of all unvested stock options. In addition, during the remaining term of the Matson Agreement (as defined below), Mr. Matson was subject to the restrictive covenants contained in his employment agreement (as discussed further below), including non-competition and non-solicitation restrictions.

For a discussion of the assumptions made in the valuation of the stock options, see the Notes to Consolidated Financial Statements included in our annual report on Form 10-K for the fiscal year ended December 31, 2011. As of December 31, 2011, the total number of stock option awards outstanding for each of the directors were as follows: 14,706 stock option awards held by each of Messrs. Ciampi, Helfand, Janke, Kairouz and Plesner, 17,456 stock option awards held by each of Messrs. Miller and Wassong, 63,486 stock option awards held by Mr. Russell and 69,054 stock option awards held by Ms. Seegal.

(4) David Janke resigned as a member of the Board of Directors in April 2012.

For 2011, each independent, outside non-employee directors (other than Messrs. Ciampi, Janke, Kairouz and Wassong who are designated under the Voting Agreement) was paid an annual cash retainer of \$15,000 per year, with an additional annual cash retainer of \$10,000 and \$5,000 in the case of the Audit Committee Chairman and the Chair of any other committee, respectively, at the first regularly scheduled Board meeting of each fiscal year, and cash per meeting fees (for in person meetings) of \$1,500. For 2012, all non-employee directors are receiving the cash payments specified above.

Pursuant to the terms of the 2005 Stock Incentive Plan, as amended, the equity compensation program for nonemployee directors is to provide for a \$100,000 equity grant for new directors who join the board and annual grants of \$25,000 for all directors, at the first regularly scheduled board meeting following the annual meeting of each fiscal year. All equity grants shall be made under the Plan and shall be either in the form of restricted stock or stock options (with value determined for options based upon the Black Sholes method of valuation), as elected by the director. All equity awards for joining the board shall vest in three equal annual installments commencing with the first anniversary of such grant. All annual grants shall vest on the first anniversary of the date of grant.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten-percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. Based solely on a review of the copies of such reports furnished to us during or with respect to fiscal 2011, or written representations that no Forms 5 were required, we believe that during the fiscal year ended December 31, 2011 all Section 16(a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were complied with.

The following is a summary of the material provisions of the Bluefly, Inc. 2000 Stock Option Plan (the “2000 Plan”), our only equity compensation plan that has not been approved by our stockholders.

Eligibility. Key employees of the Company who are not officers or directors of the Company and its affiliates and consultants to the Company are eligible to be granted options.

Administration of the 2000 Plan. The Option Plan/Compensation Committee administers the 2000 Plan. The Option Plan/Compensation Committee has the full power and authority, subject to the provisions of the 2000 Plan, to designate participants, grant options and determine the terms of all options. The 2000 Plan provides that no participant may be granted options to purchase more than 1,000,000 shares of Common Stock in a fiscal year. The Option Plan/Compensation Committee is required to make adjustments with respect to options granted under the 2000 Plan in order to prevent dilution or expansion of the rights of any holder. The 2000 Plan requires that the Option Plan/Compensation Committee be composed of at least two directors.

Amendment. The 2000 Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Board of Directors, but no amendment without the approval of our stockholders shall be made if stockholder approval would be required under any law or rule of any governmental authority, stock exchange or other self-regulatory organization to which we are subject. Neither the amendment, suspension or termination of the 2000 Plan shall, without the consent of the holder of an option under the 2000 Plan, alter or impair any rights or obligations under any option theretofore granted.

Options Issued Under 2000 Plan. The Option Plan/Compensation Committee determines the term and exercise price of each option under the 2000 Plan and the time or times at which such option may be exercised in whole or in part, and the method or methods by which, and the form or forms in which, payment of the exercise price may be paid.

Upon the exercise of an option under the 2000 Plan, the option holder shall pay us the exercise price plus the amount of the required federal and state withholding taxes, if any. The 2000 Plan also allows participants to elect to have shares withheld upon exercise for the payment of withholding taxes.

The unexercised portion of any option granted to a key employee under the 2000 Plan generally will be terminated (i) 30 days after the date on which the optionee's employment is terminated for any reason other than (a) Cause (as defined in the 2000 Plan), (b) retirement or mental or physical disability, or (c) death; (ii) immediately upon the termination of the optionee's employment for Cause; (iii) three months after the date on which the optionee's employment is terminated by reason of retirement or mental or physical disability; or (iv) (A) 12 months after the date on which the optionee's employment is terminated by reason of his death or (B) three months after the date on which the optionee shall die if such death occurs during the three-month period following the termination of the optionee's employment by reason of retirement or mental or physical disability. The Option Plan/Compensation Committee has in the past, and may in the future, extend the period of time during which an optionee may exercise options following the termination of his or her employment.

Under the 2000 Plan, an option generally may not be transferred by the optionee other than by will or by the laws of descent and distribution. During the lifetime of an optionee, an option under the 2000 Plan may be exercised only by the optionee or, in certain instances, by the optionee's guardian or legal representative, if any.
