ITEM 8.01. OTHER EVENTS

Recently the Company was notified by Honeywell International, Inc. that waste shipments from the New Jersey site had been delayed. The delay was not caused by the Company and the Contract between Honeywell and the Company remains in full force and effect.

American Ecology will assess Honeywell certain fees for not meeting minimum weekly shipment requirements as provided for under the Contract. The Company will also pay certain fees to its New Jersey subcontractor as provided for in separate sub-contract. Management is presently working with Honeywell and its subcontractors to minimize delay costs.

The Company can make no assurance of when or how much Chromium Ore Processing Residue will be shipped to the Company's facilities or that Honeywell will favorably or timely resolve the matters causing such delay in the project.

A copy of the press release is attached as Exhibit 99 and incorporated by reference herein.
