PROXY STATEMENT

GENERAL

Our Board of Directors is furnishing you with this proxy statement to solicit proxies on its behalf to be voted at the 2018 annual meeting of stockholders of BRT Apartments Corp. In this proxy statement we refer to BRT Apartments Corp. as BRT, we, our, us, our company, to our Board of Directors as the Board, and to our shares of common stock as common stock or shares. The meeting will be held at our offices, 60 Cutter Mill Road, Suite 303, Great Neck, New York, at 9:00 a.m., local time, on Tuesday, March 13, 2018.

Our fiscal year begins on October 1st and ends on September 30th. Unless otherwise indicated or the context otherwise requires, all references to a year (e.g., 2017), refer to the applicable fiscal year ended September 30th.

Our executive offices are located at 60 Cutter Mill Road, Suite 303, Great Neck, New York 11021. Our telephone number is (516) 466-3100.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

What is the purpose of the annual meeting?

At our annual meeting, stockholders will vote on the following matters:

- election of three directors (Alan Ginsburg, Jeffrey Gould and Jonathan Simon) to hold office until the 2021 annual meeting and until their respective successors are duly elected and qualify;
- approval of the BRT Apartments Corp. 2018 Incentive Plan, which we refer to as the Plan or the 2018 Incentive Plan;
- ratification of the appointment of our independent registered public accounting firm, BDO USA, LLP, for the year ending September 30, 2018; and
- such other matters as may properly come before the meeting.

Who is entitled to vote?

We are mailing this proxy statement on or about January 25, 2018 to holders of record of our common stock as of the close of business on January 11, 2018, which we refer to as the record date. The record date was established by our Board. Stockholders as of the close of business on the record date are entitled to notice of and to vote their shares at the meeting. Each share of common stock is entitled to one vote and stockholders do not have the right to vote cumulatively in the election of directors. Shares of our common stock constitute our only outstanding class of voting securities and will vote as a single class on all matters to be considered at the annual meeting.

What constitutes a quorum?

A quorum is the presence in person or by proxy of stockholders entitled to cast a majority of the votes entitled to be cast at the meeting. On the record date, there were 14,022,438 shares of common stock outstanding and entitled to vote. In order to carry on the business at the meeting, holders of a majority of our outstanding shares must be present in person or by proxy. This means that at least 7,011,220 shares of common stock must be present at the meeting, either in person or by proxy, to constitute a quorum. Generally, action cannot be taken at the meeting unless a quorum is present.

Abstentions and brokers non-votes, as described herein, will be considered present for the purpose of determining the presence of a quorum.

How do I vote?

Because many stockholders cannot attend the meeting in person, it is necessary that a large number of stockholders be represented by proxy. Most stockholders have a choice of voting over the Internet, by using a toll-free telephone number or by completing a proxy card and mailing it in the postage paid envelope provided.

TABLE OF CONTENTS

Please refer to your proxy card or to the information provided by your bank, broker, or other holder of record to see which options are available to you. You should be aware that if you vote by telephone or over the Internet, you may incur costs, such as telephone or Internet access charges, for which you will be responsible. The Internet and telephone voting facilities for stockholders of record will close at 11:59 p.m., New York City time on March 12, 2018. If you vote by telephone or via the Internet, it is not necessary to return a proxy card.

Is my vote important?

Yes. Under applicable rules, brokers, banks and other nominees are prohibited from voting shares held in street name on matters pertaining to the election of directors unless the client specifically instructs his or her nominee to vote their shares. Shares held in street name and for which voting instructions are not provided and accordingly, as to which bank, brokers and other nominees do not have discretionary authority to vote on their clients' behalf, are referred to as broker non-votes.

How many votes are needed to approve each of the proposals assuming that a quorum is present at the annual meeting?

The affirmative vote of a majority of the total votes cast for, against, and withheld as to a nominee is required for the election of such nominee as director. Abstentions, if any, and broker non-votes, will not be counted as votes cast and will have no effect on the results of the election of any director.

The affirmative vote of a majority of the votes cast on the proposal to approve the Plan is required for its approval. Abstentions will have the effect of a vote against the Plan but broker non-votes will not have any impact on such proposal.

The affirmative vote of a majority of the votes cast on the proposal to ratify the appointment of our independent registered public accounting firm, BDO USA LLP, for the year ending September 30, 2018, is required to approve this proposal. Abstentions will not be counted as votes cast and will have no effect on the result of the vote. Brokers, banks and other nominees are not prohibited from voting shares held in street name in their discretion on this proposal, and we do not expect to receive any broker non-votes on this proposal.

What is householding?

Stockholders who share the same address and last name may receive only one copy of the proxy materials unless we, in the case of stockholders of record, or such stockholder's broker, bank or nominee, in the case of stockholders whose shares are held in street name, receive contrary instructions. This practice, known as householding, is designed to reduce printing and mailing costs. Stockholders desiring to discontinue householding and receive a separate copy of the proxy materials, may (1) if their shares are held in street name, notify their broker, bank or nominee or (2) if they are stockholders of record, direct a written request to: BRT Apartments Corp., 60 Cutter Mill Road, Suite 303, Great Neck, NY 11021, Attn: Secretary.

Are our proxy materials available on the Internet?

Our proxy materials are available at: www.brtapartments.com/annualmeetingmaterials.pdf.

When are stockholder proposals due for the 2019 annual meeting?

We expect that our annual meeting of stockholders for the year ending September 30, 2018 will be held in March 2019.

Our bylaws require that we be given advance written notice of nominations for election to our Board and other matters which stockholders wish to present for action at an annual meeting of stockholders (other than matters included in our proxy materials in accordance with Rule 14a-8(e) under the Exchange Act). The Secretary must receive such notice, as well as the information and other materials required by our bylaws, at our principal executive offices not later than September 27, 2018 and no earlier than August 28, 2018 for matters or nominations to be properly presented at the 2019 annual meeting of our stockholders.

Stockholders who wish to have proposals considered for inclusion in the proxy statement and form of proxy for our 2019 Annual Meeting pursuant to Rule 14a-8 under the Exchange Act must cause their proposals to be received in writing by our Secretary at the address set forth on the cover page of this proxy statement/prospectus

TABLE OF CONTENTS

no later than September 27, 2018. Any proposal should be addressed to our Secretary and may be included in next year's proxy materials for our 2019 annual meeting of stockholders only if such proposal complies with the rules and regulations promulgated by the Securities and Exchange Commission, which we refer to as the SEC. Nothing in this section shall be deemed to require us to include in our proxy statement or our proxy card relating to any annual meeting any stockholder proposal that does not meet all of the requirements for inclusion established by the SEC.

Who will count the vote?

A representative of our transfer agent, American Stock Transfer and Trust Company, LLC, will tabulate the votes and act as inspector of elections.

Can I revoke my proxy before it is exercised?

If you hold stock directly in your name, you can revoke your proxy at any time before it is voted at the annual meeting by filing a written revocation with our Secretary, or delivering to American Stock Transfer and Trust Company, LLC a properly executed proxy bearing a later date. You may also revoke your proxy with a timely and valid later telephone or Internet vote or by attending the meeting and voting in person. If not so revoked, the shares represented by such proxy will be voted.

If your shares are held in the name of a broker, bank or other nominee, you must contact such nominee and comply with the nominee's procedures if you want to revoke or change the instructions that you previously provided to the nominee. Attendance at the meeting will not by itself automatically revoke a previously granted proxy.

How will my shares be voted?

All shares entitled to vote and represented by properly completed proxies received prior to the meeting and not revoked, will be voted at the meeting in accordance with your instructions. If no choice is indicated on the proxy card received from a registered holder, the persons named as your proxies will vote your shares, FOR the election of the three nominees for Class I Director named in this proxy statement (*i.e.*, Alan Ginsburg, Jeffrey A. Gould, and Jonathan Simon), FOR the proposal to approve our 2018 Incentive Plan, FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for 2018, and as the proxy holders may determine, in their discretion, with respect to any other matters that may properly come before the meeting. The Board is not currently aware of any business or nominations that may properly be brought before the meeting to be acted upon at the meeting other than as described in this proxy statement.

If other business is properly introduced at the annual meeting, the persons named in the proxy as the proxy holders will vote on such matters at their discretion. If any nominee named in this proxy statement is unwilling or unable to serve as a director, our board of directors may nominate another individual for election as a director at the annual meeting, and the persons named as proxy holders will vote for the election of any substitute nominee.

Who is soliciting my vote and who pays the cost?

We are soliciting proxies and will pay the entire cost of soliciting proxies, including preparing and mailing this proxy statement. In addition to the solicitation of proxies by mail and through our full-time and part-time employees, we will request banks, brokers, custodians, nominees and other record holders to forward copies of the proxy statement and other soliciting materials to persons for whom they hold common shares and to request instruction on how to vote the shares. We will reimburse such record holders for their reasonable out-of-pocket expenses in forwarding proxies and proxy materials to stockholders. We have retained DF King for a fee of \$6,000, plus reasonable out of pocket expenses, to aid in the solicitation of proxies from our stockholders. To the extent necessary in order to ensure

sufficient representation at the meeting, we or our proxy solicitor may solicit the return of proxies by personal interview, mail, telephone, facsimile, Internet or other means of communication or electronic transmission. The extent to which this will be necessary depends upon how promptly proxies are returned. We urge you to send in your proxy without delay.

GOVERNANCE OF OUR COMPANY

General

We are governed by the Board and by the committees of the Board. Members of the Board are kept informed about our business through discussions with our Chairman, our Chief Executive Officer and our other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. During 2017, the Board held four meetings and each director attended at least 75% of the aggregate number of Board and meetings of all committees of the Board on which such director served. We typically schedule a Board meeting in conjunction with our annual meeting of stockholders and encourage our directors to attend the annual meeting of stockholders. Only one director attended our 2017 annual meeting of stockholders due to the blizzard that occurred in New York on the date of such meeting.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all directors, officers, employees, agents and consultants, including our Chief Executive Officer, principal financial officer, principal accounting officer or controller or person performing similar functions. The code of business conduct and ethics covers a variety of topics, including those required by the SEC and the New York Stock Exchange. Topics covered include, but are not limited to, conflicts of interest, confidentiality of information, and compliance with laws and regulations. The code of business conduct and ethics, as amended and restated, is available at the corporate governance section of our website at www.brtapartments.com and may be obtained by writing to us at 60 Cutter Mill Road, Suite 303, Great Neck, New York 11021, Attention: Secretary. During 2017, there were no waivers of the provisions of the code of business conduct and ethics with respect to any of our directors, officers, employees, agents or consultants. We will post any amendments to, or waivers of, our code of business conduct and ethics on our website.

Risk Oversight

Management is responsible for the day-to-day management of risks we face. Our Board has overall responsibility for overseeing risk management with a focus on the more significant risks facing us. Our audit committee oversees risk policies and processes related to our financial statements, financial reporting processes and liquidity risks, our nominating and corporate governance committee oversees corporate governance risks and our compensation committee oversees risks relating to remuneration of our officers and employees. The compensation committee does not believe that the compensation programs which are in place give rise to any risk that is reasonably likely to have a material adverse effect on us.

At each quarterly meeting of the audit committee, a portion of the meeting is devoted to reviewing the status of the properties in our real estate portfolio and other matters (including related party transactions) which might have a material adverse impact on current or future operations. A senior executive officer reports to the committee regarding the activities of our disclosure controls and procedures committee – this committee is comprised primarily of the individuals responsible for our financial and regulatory reporting, meets approximately six to eight times a year and is responsible for identifying areas of risk and in particular, risks with respect to disclosure controls and internal controls over financial reporting. In addition, a senior executive officer, our internal auditor and the independent registered public accounting firm reviewing or auditing, as the case may be, our financial statements, reports to the committee with respect to our compliance with our internal control policies in order to ascertain that no failures of a material nature have occurred. This process assists the audit committee in overseeing the risks related to our financial statements and the financial reporting process.

At Board meetings, the directors review significant risk issues brought to their attention by management, the audit committee and other Board committees.

Leadership Structure

Our company is led by Israel Rosenzweig, Chairman of our Board, whom we refer to as our Chairman, and Jeffery A. Gould, President and Chief Executive Officer, whom we refer to as our Chief Executive Officer. The Board believes that: (i) separating the role of Chairman and Chief Executive Officer is the most appropriate structure at this time because it makes the best use of the abilities of Messrs. Rosenzweig and Gould; and (ii) this leadership structure provides appropriate risk oversight of our activities.

TABLE OF CONTENTS**Committees of the Board**

Our Board has three standing committees: an audit committee, a compensation committee, and a nominating and corporate governance committee. The Board has adopted a charter for each standing committee, as well as corporate governance guidelines that address the make-up and functioning of the Board and its committees. The charter for each standing committee requires that such committee be comprised of at least three independent directors and in the case of the audit committee, also requires that at least one member of the committee qualify as a financial expert. All of the members of each committee were independent during their period of service on such committee and in the case of the audit committee, each such member was also financially literate.

You can find each charter and the corporate governance guidelines by accessing the corporate governance section of our website at www.brtapartments.com. Copies of these charters and the corporate governance guidelines may be obtained by writing to us at 60 Cutter Mill Road, Suite 303, Great Neck, New York 11021, Attention: Secretary.

The table below provides membership and meeting information for each of the committees of the Board for 2017:

Alan H. Ginsburg			
Louis C. Grassi	Chair*		
Gary Hurand			Chair
Jeffrey Rubin		Chair	
Jonathan H. Simon

* Audit committee financial expert.

Audit Committee

This committee is responsible for assisting the board in overseeing, among other things, (i) the integrity of our financial statements, (ii) our compliance with legal and regulatory requirements, (iii) our independent registered public accounting firm's qualification and independence, (iv) the performance of the accounting firm performing our internal control audit function, and (v) the preparation of the audit committee report required by the SEC for inclusion in this proxy statement. This committee is also responsible for the selection and engagement of our independent registered public accounting firm and for approving related party transactions.

Compensation Committee

This committee reviews and makes recommendations and/or determinations with respect to the salaries, bonuses and stock awards of our directors and full-time named executive officers.

Nominating and Corporate Governance Committee

This committee's principal responsibilities include proposing to the Board a slate of nominees for election to the Board at the annual meeting of stockholders, recommending committee assignments to the Board, making a recommendation to the Board with respect to the independence of each director and nominee, identifying and recommending candidates to fill vacancies on the Board or committees thereof between annual meetings of stockholders, overseeing Board and

committee performance evaluations, proposing a slate of officers to the directors for election at the annual meeting of the Board and monitoring corporate governance matters, including overseeing our corporate governance guidelines.

Director Qualifications

The Board believes that it should be comprised of directors with complementary backgrounds, and that directors should, at a minimum, have expertise that may be useful to us. Our nominating and corporate governance committee has not adopted a formal diversity policy in connection with the consideration of director

TABLE OF CONTENTS

nominations or the selection of nominees. It considers the personal and professional attributes and the business experience of each candidate for director to promote diversity of expertise and experience among our directors. Additionally, directors should possess the highest personal and professional ethics and should be willing and able to devote the required amount of time to our business.

When considering candidates for director, the nominating and corporate governance committee will take into account a number of factors, including the following:

- Independence from management;
- Whether the candidate has relevant business experience;
- Judgment, skill, integrity and reputation;
- Financial and accounting background, to enable the committee to determine whether the candidate would be suitable for audit committee membership;
- Executive compensation background, to enable the committee to determine whether the candidate would be suitable for compensation committee membership; and
- The size and composition of the existing board.

The nominating and corporate governance committee will consider candidates for director suggested by stockholders, applying the criteria for candidates described above, considering the additional information referred to below and evaluating such nominees in the same manner as other candidates. Stockholders wishing to suggest a candidate for nomination for election as a director should write to our Secretary and include:

- A statement that the writer is a stockholder and is proposing a candidate for consideration by the committee;
 - The name of and contact information for the candidate;
 - A statement of the candidate's business and educational experience;
 - Information regarding each of the factors listed above sufficient to enable the committee to evaluate the candidate;
 - A statement detailing any relationship between the candidate and any of our competitors;
 - Detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
 - A statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.
- Before nominating an incumbent director for re-election at an annual meeting of stockholders, the nominating and corporate governance committee will consider:

- The director's performance on the Board; and
 - Whether the director's re-election would be consistent with our corporate governance guidelines.
- When seeking candidates for director, the nominating and corporate governance committee may solicit suggestions from management, incumbent directors or others. The committee or its chairman will interview a candidate if it is believed the candidate might be suitable to be a director. The nominating and corporate governance committee may also ask the candidate to meet with management. If the nominating and corporate governance committee believes a candidate would be a valuable addition to the Board, it will recommend the candidate's election to the full board.

The nominating and corporate governance committee generally intends to recommend that the Board nominate incumbent directors who the committee believes will continue to make important contributions to us, inasmuch as the committee believes that the continuing service of qualified incumbents promotes stability and continuity, giving us the benefit of the familiarity and insight into our affairs that such directors have accumulated during their tenure, while contributing to the Board's ability to work as a collective body.

TABLE OF CONTENTS

Independence of Directors

In determining whether our directors are independent, we apply the New York Stock Exchange's corporate governance listing standards. Such standards provide:

No director qualifies as independent unless the board affirmatively determines that the Director has no material relationship with us or any of our subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with us or any of our subsidiaries);

A director who is an employee, or whose immediate family member is an executive officer, of ours or any of our subsidiaries is not independent until three years after the end of such relationship;

A director who received, or whose immediate family member received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from us or any of our subsidiaries, other than director and committee fees and pension or other forms of deferred compensation for prior services (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$120,000 in any twelve-month period;

A director who is, or who has an immediate family member who is, a current partner of our internal or external auditor, a director who is a current employee of our internal or external auditor, a director who has an immediate family member who is a current employee of our internal or external auditor and who personally participates in our audit, or a director who was, or whose immediate family member was, within the last three years, a partner or employee of our internal or external auditor and personally worked on our audit within that time, cannot be considered independent;

A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of our or any of our subsidiaries' present executive officers serve on that company's compensation committee is not independent until three years after the end of such service or employment relationship; and

A director who is a current employee, or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, us or any of our subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not independent until the commencement of the third fiscal year following the fiscal year in which such payments fall below such threshold.

In determining the independence of each of the foregoing directors, the Board considered that Gary Hurand owns approximately a 40% beneficial interest in a family entity which owns a preferred limited partnership interest in Gould Investors L.P., an affiliate of our company. Gould Investors is primarily engaged in the ownership and operation of real estate properties held for investment. See *Certain Relationships and Related Transactions*. The preferred limited partnership interest owned by the Hurand family entity had, as of January 1, 2018, a deemed value of approximately \$10.3 million (the redemption price of the interest) and limited voting rights, and no member of the Hurand family, including Mr. Hurand, has any management involvement in Gould Investors. For 2017, distributions of approximately \$513,760 were accrued and paid on the interests owned by the Hurand family entity. In January 2018, Gould Investors redeemed the portion of the preferred interest with a current redemption price of \$2,935,770. In lieu of cash, the Hurand family entity accepted limited partnership units of Vornado Realty L.P. (the Vornado Units) owned by Gould Investors, and in consideration thereof, the Vornado Units exchanged by Gould Investors had a deemed value of \$3,522,924.

The Board affirmatively determined that each of Alan H. Ginsburg, Louis C. Grassi, Gary Hurand, Jeffrey Rubin, Jonathan H. Simon and Elie Weiss, constituting 60% of our directors, is independent for the purposes of Section 303A of the Listed Company Manual of the New York Stock Exchange, and all of the members of our committees are independent for the purposes of such section. The Board based these determinations primarily on a review of the responses of our directors to questions regarding employment and compensation history, affiliations and family and other relationships, discussions with directors and relevant facts and circumstances provided to management of any relationships bearing on the independence of a director.

TABLE OF CONTENTS**Compensation Committee Interlocks and Insider Participation**

None of the members of the compensation committee has ever been an officer or employee of our company or any of our subsidiaries or has had any relationship with us that would require disclosure under Item 404 of Regulation S-K (Certain Relationships and Related Party Transactions).

Compensation of Directors

The following table sets forth the cash compensation payable to the directors for service on the Board and its committees, all of whom, except as indicated below, are non-management directors (*i.e.*, those directors who are not employees or officers of our company or any of its affiliates).

	Board	Audit	Committee

(2) *Compensation—Compensation Discussion and Analysis—Chairman of the Board's Compensation and Certain Relationships and Related Transactions*. For 2018, such retainer was increased to \$240,000.

In addition, in 2017, each non-management director was awarded 3,625 shares of restricted stock under our 2016 Amended and Restated Incentive Plan. The restricted stock has a five year vesting period, subject to acceleration upon the occurrence of specified events, during which period the owner is entitled to vote and receive distributions, if any, on such shares. Non-management directors who reside outside of the local area in which our executive office is located are reimbursed for travel expenses incurred in attending Board and committee meetings.

The following table sets forth the cash and non-cash compensation paid to our directors for their service in such capacity in 2017, all of whom, except for Israel Rosenzweig, are non-management directors:

ELECTION OF DIRECTORS (Proposal 1)

The Board is divided into three classes, each of which is elected for a staggered term of three years. Our Articles of Incorporation provides there are ten directors subject to increase or decrease by the board. The Board may, following the meeting, increase the size of the Board and fill any resulting newly created directorships.

At the annual meeting of stockholders, three Class I Directors will be elected to our Board. Each nominee, Alan Ginsburg, Jeffrey A. Gould and Jonathan Simon, has been recommended to our Board by the nominating and corporate governance committee for election at the annual meeting and each nominee has been nominated by our Board to stand for election at the annual meeting, to hold office until our 2021 annual meeting and until his successor is elected and qualified. Class II Directors and Class III Directors will continue to serve as directors until our 2019 annual meeting and 2020 annual meeting, respectively, and until their respective successors are duly elected and qualify. Proxies will not be voted for a greater number of persons than the number of nominees named in the proxy statement.

We expect each nominee to be able to serve if elected. However, if any nominee is unable to serve as a director, the persons named in the proxy card may vote for any substitute nominee proposed by the Board.

In an uncontested election, each nominee for director will be elected only if he receives the affirmative vote of a majority of the total votes cast for, against and withheld for such nominee. As set forth in our Corporate Governance Guidelines, any nominee for director who is an incumbent director but who is not elected by the vote required in the Bylaws, and with respect to whom no successor has been elected, is required to promptly tender his offer to resign to the Board for its consideration. The nominating committee will recommend to the Board whether to accept the offer to resign. No later than the next regularly scheduled Board meeting to be held at least ten days after the date of the election, the Board will decide whether to accept such offer and promptly and publicly disclose its decision. If the resignation is not accepted, the director will continue to serve until the next annual meeting of stockholders and until

the director's successor is duly elected and qualified or

until the director's earlier resignation or removal. If the resignation is accepted, the Board will either leave such position vacant, reduce the size of the Board or elect another individual to serve in place of the resigning director. The nominating committee and the Board may consider any factors they deem relevant in deciding whether to accept a director's resignation.

BRT APARTMENTS CORP. 2018 INCENTIVE PLAN (PROPOSAL 2)

Highlights of the Plan

Set forth below are some of the highlights of the BRT Apartments Corp. 2018 Incentive Plan, which we refer to as the Plan.

• A maximum of 600,000 shares are available for grant under the Plan;

• Options, restricted stock, restricted stock units, dividend equivalent rights and performance based awards may be granted;

• A non-management director may not be granted awards with respect to more than 20,000 shares in any year;

• No person may be granted more than 100,000 shares in any year pursuant to each type of award;

Without stockholder approval, we will not (i) reprice, replace or regrant, an outstanding option either in connection with the cancellation of such option or by amending an award agreement to lower the exercise price of such option, (ii) cancel outstanding options in exchange for cash or other awards; and (iii) except as otherwise provided for in the Plan, repurchase outstanding unvested restricted stock or unvested restricted stock units, which we refer to as RSUs, in exchange for cash or accelerate the vesting of outstanding unvested shares of restricted stock or RSUs; and

• We are entitled to clawback awards granted pursuant to the Plan under specified circumstances.

General

The Board has approved, subject to stockholder approval, the adoption of the BRT Apartments Corp. 2018 Incentive Plan.

The Board believes that granting equity based compensation is an important component of our compensation structure. The purpose of the Plan is to motivate, retain and attract employees, officers and directors of experience and ability and to further the financial success of our company by aligning the interests of participants in the Plan, through the ownership of shares of common stock, with the interests of our stockholders. As of the close of business on the record date, an aggregate of 1,139,375 shares of restricted stock and shares underlying RSUs (*i.e.*, 689,375 shares of restricted stock and 450,000 shares of common stock underlying RSUs) issued pursuant to all of our equity incentive plans were outstanding. Since the restricted stock has a five year cliff-vesting requirement, the outstanding shares of restricted stock vest in approximately equal annual amounts through 2022. The restricted stock units vest in 2021 subject to satisfaction of performance and/or market based conditions. There are 2,500 shares available to be awarded pursuant to our 2016 Amended and Restated Incentive Plan, which we refer to as the 2016 Plan, and we propose the adoption of the Plan pursuant to which up to 600,000 shares may be awarded. If stockholders adopt the Plan, no further awards will be made under the 2016 Plan. As of the close of business on the record date, there were 14,022,438 shares of common stock outstanding. Other than the one time grant of RSUs in 2016 which represented approximately 3.2% of our outstanding shares at the time of grant, the awards granted each year have generally represented approximately 1% of our outstanding shares at the time of grant.

It is anticipated that awards will be granted under the Plan to: 10 full-time and part-time executive officers; six non-management directors; and approximately 36 full-time and part-time non-executive officers, employees and other participants.

The following summary of major features of the Plan is qualified in its entirety by reference to the actual text of the Plan, set forth as Annex A.

Shares Subject to the Plan

The total number of shares of common stock available for grant under the Plan is 600,000 shares. The Plan authorizes the discretionary grant of (i) incentive stock options intended to qualify under Section 422 of the Internal Revenue Code of 1986, as amended, which we refer to as the Code (ii) non-qualified stock options, (iii) restricted stock, (iv) restricted stock units and (v) performance-based awards. The shares available for

TABLE OF CONTENTS

issuance under the Plan will be authorized but unissued shares of common stock. Shares related to awards that are forfeited, cancelled, terminated or expire unexercised will be available for grant under the Plan. Neither shares tendered by a participant to pay the exercise price of an award, nor any shares withheld by us for taxes, will be available for future grants under the Plan. In the event of a stock dividend or stock split affecting our shares, the number of shares issuable and issued under the Plan and the number of shares covered by and the exercise price and other terms of outstanding awards will be adjusted to reflect such event to prevent dilution or diminution of awards.

Administration of the Plan

The Plan will be administered by our compensation committee which, to the extent deemed necessary by the Board, will consist of two or more persons who satisfy the requirements for a non-employee director under Rule 16(b) under the Exchange Act, and an outside director under Section 162(m) of the Internal Revenue Code of 1986, as amended. The compensation committee has authority to administer and construe the Plan in accordance with its provisions. The compensation committee's authority also includes the power to (a) determine persons eligible for awards, (b) prescribe the terms and conditions of awards granted under the Plan, (c) adopt rules for the administration, interpretation and application of the Plan which are consistent with the Plan and (d) establish, interpret, amend or revoke any such rules. A non-management director may not be granted awards with respect to more than 20,000 shares in any calendar year.

Options

Stock options entitle the holder to purchase a specified number of shares at a specified exercise price subject to the terms and conditions of the option grant. The purchase price per share for each incentive stock option is determined by the compensation committee, but must be at least 100% of the fair market value per share on the date of grant. The aggregate fair market value of shares with respect to which incentive stock options are exercisable for the first time by an individual during any calendar year cannot exceed \$100,000. To the extent that the fair market value of shares with respect to which incentive stock options become exercisable for the first time during any calendar year exceeds \$100,000, the portion in excess of \$100,000 will be treated as a non-qualified option. Options granted under the Plan may be exercisable for a term up to ten years. If a participant owns more than 10% of the total voting power of all classes of our shares at the time the participant is granted an incentive stock option, the option price per share cannot be less than 110% of the fair market value per share on the date of grant and the term of the option cannot exceed five years.

Non-qualified options may not be granted at an exercise price per share that is less than 100% of the fair market value per share on the date of the grant.

Subject to the additional limitations imposed on awards intended to qualify as performance based awards as described below, the maximum aggregate number of shares underlying options that may be granted in one calendar year to an individual participant is 100,000.

Restricted Stock and Restricted Stock Units

Restricted stock are shares that may not be sold, transferred, gifted, bequeathed, pledged, assigned or otherwise disposed of until the end of a specified restriction period. Restricted stock units or RSUs represent the right, upon satisfaction of specified conditions, to receive shares and are subject to the same restrictions on transferability applicable to restricted stock. RSUs and shares of restricted stock will be issued at the beginning of the restriction period and the compensation committee shall set restrictions and other conditions applicable to the vesting of such award, including restrictions based on the achievement of specific performance goals, time based restrictions or any other basis determined by the compensation committee.

Recipients of restricted stock have the right to vote such shares and to receive and retain cash dividends and other distributions, if any, paid thereon, even if such restricted stock are forfeited in the future. Recipients of RSUs are not entitled to vote or receive dividends with respect to the underlying shares until such shares have been issued. Recipients of such awards will not be entitled to delivery of the stock certificate representing the shares until all the restrictions have been fulfilled.

Generally, any restricted stock or RSUs that does not vest on the vesting date, or on a date prior to the vesting date if it is determined that it cannot vest (for example due to the termination of employment prior to achievement of a time based restriction), will be forfeited to us and the recipient will not thereafter have any rights (including rights to dividends and distributions) with respect to these securities.

TABLE OF CONTENTS

Subject to the additional limitations on awards intended to qualify as performance based awards as described below, no more than 100,000 shares of each of restricted stock and shares underlying RSUs will be awarded to any participant in any calendar year. We will not repurchase outstanding restricted stock or RSUs in exchange for cash. Shares of restricted stock and RSUs held by a participant do not vest in the event of such participant's death, disability or retirement (as defined in the Plan) of such participant unless otherwise (i) provided in the award agreement or (ii) authorized by the compensation committee. The compensation committee may grant restricted stock or RSUs and set restrictions based upon performance goals so that such grant would qualify as performance based compensation under Section 162(m) of the Code. See *Executive Compensation – Compensation Discussion and Analysis – Deductibility of Executive Compensation* for information regarding Section 162(m) of the Code.

Dividend Equivalent Rights

The Plan allows the Committee to grant dividend equivalents rights in tandem with the grant of RSUs and performance based awards (other than restricted stock and options). These rights entitle the holder to receive an amount of cash equal to the cash distributions that would have been paid on shares underlying the award to which such right relates, as if such shares were outstanding during the period beginning with the grant date (or if otherwise determined by the compensation committee, the beginning of the performance cycle) of the award to which such dividend equivalent right relates through the vesting date of such award. Dividend equivalents rights will only vest to the extent the related award vests.

Performance Based Awards

In view of our relatively small market capitalization in comparison to our peers, and our small number of executive officers, it has been our judgment that fair and equitable compensation of our executive officers and the alignment of the interests of our executive officers with the interests of our stockholders could be accomplished by our compensation committee, with input from our chairman and senior management, analyzing our performance and the performance of each executive officer, and by awarding restricted stock to our executive officers in reasonable amounts. In view of the pay for performance emphasis of many of our peers and institutional investors, the Plan authorizes the compensation committee to grant performance based awards. Performance based awards will be made by the issuance of restricted stock units or other awards, or a combination thereof, contingent upon the attainment of one or more performance goals (described below) that our compensation committee establishes. The minimum period with respect to which performance goals are measured is one year, but the compensation committee generally intends to establish a multi-year performance cycle. The maximum number of shares with respect to which a participant may be granted performance based awards in any calendar year is 100,000 shares.

The terms and conditions of a performance based award will provide for the vesting of the award to be contingent upon the achievement of one or more specified performance goals that the compensation committee establishes. For this purpose, performance goals means for a performance cycle, the specific goals that the compensation committee establishes that may be based on one or more of the following performance criteria:

- pre-tax income,
- after-tax income,
- net income (meaning net income as reflected in our financial reports for the applicable period),
- operating income (including net operating income),
- any one or more of cash flow, cash flow from operations, and free cash flow,
- return on any one or more of equity, capital, invested capital and assets,
- funds available for distribution,
- occupancy rate at any one or more of our properties,
- total stockholder return,

funds from operations (FFO), as computed in accordance with standards established by the National Association of Real Estate Investment Trusts, Inc.,

strategic business criteria consisting of one or more objectives based on meeting specified revenue, market share, market penetration, geographic business expansion goals, objectively identified project milestones, cost targets and goals relating to acquisition or divestitures; and

achievement of business or operational goals such as market share and/or business development.

The performance goals need not be the same with respect to all participants and may be established for the Company in the aggregate or on a per share basis (whether diluted or undiluted), may be based on an absolute or relative basis, may be based on our performance compared to the performance of businesses or indices specified by the compensation committee, may be compared to any prior period, may be based on a company-wide basis or in respect of any one or more business units, may be adjusted for non-controlling interests, and any one or more of the foregoing.

Amendment and Termination of the Plan

No awards may be made under the Plan on or after the tenth anniversary of the Plan's effective date. Our Board may amend, suspend or terminate the Plan at any time for any reason provided that no amendment, suspension or termination may impair rights or obligations under any outstanding award without the participant's consent or violate the Plan's prohibition on repricing (*i.e.*, the replacing or regranting of an option in connection with the cancellation of the option or by amending an award agreement to lower the exercise price of an option or the cancellation of any award in exchange for cash). Stockholders must approve any amendment: (i) if such approval is required under applicable law or stock exchange requirements; or (ii) that changes the no-repricing provisions of the Plan.

Clawbacks; Compliance with Laws; Compliance with REIT Requirements

If a recipient's relationship with us is terminated for cause (*e.g.*, insubordination, dishonesty, incompetence, moral turpitude, the refusal to perform such person's duties and responsibilities and other misconduct, as determined by the compensation committee), then (i) all options (except to the extent exercised) immediately terminate and (ii) the recipient's rights to all restricted stock, RSUs and performance share awards (except to the extent such awards have vested) are forfeited immediately.

The grant of awards and the issuance of shares under the Plan is subject to all applicable laws, rules and regulations, approvals by governmental and quasi-governmental authorities and the applicable provisions of any claw-back policy implemented by us, whether implemented prior to or after the grant of such award.

Awards are not exercisable if such award or its exercise could cause the recipient to be in violation of any restrictions on ownership and transfer of our securities, or if, in the discretion of the compensation committee, such award could otherwise impair our status as a real estate investment trust under the Code.

Change in Control

Awards granted under the Plan that at the time of a change in control (as defined) are not then exercisable or subject to restrictions become immediately exercisable (and all transferability and other restrictions are

18

TABLE OF CONTENTS

removed effective as of such change in control), except as otherwise provided in the award agreement. Our RSUs awards have historically limited the vesting of such awards upon a change of control. See *Executive Compensation - Compensation Discussion and Analysis – Employment and Severance Agreements; Post-Employment Benefits; Change of Control*. The Plan defines a change in control as follows:

(a) the acquisition in one or more transactions by any person (as defined in Section 13(d) of the Exchange Act) of the beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of 25% or more of the outstanding shares or the combined voting power of the then outstanding securities entitled to vote in the election of directors (provided that this provision is not applicable to acquisitions made individually, or as a group, by Fredric H. Gould, Matthew J. Gould and Jeffrey A. Gould and their respective spouses, lineal descendants and affiliates);

(b) individuals who, at the date of the award, constitute our Board cease for any reason to constitute at least a majority of the Board, provided an individual becoming a director subsequent to the date of an award whose election or nomination for election was approved by a vote of at least a majority of the directors then comprising the Board shall be considered as though such individuals were a member of the Board, but excluding any individual whose initial assumption of office occurs as a result either of an actual or threatened election contest or other actual or threatened solicitation of proxies or consent by and behalf of a person other than the Board;

(c) the closing of a sale or other conveyance of all or substantially all of our assets;

(d) the effective time of any merger or other business combination involving us if immediately after such transactions persons who hold a majority of outstanding voting securities entitled to vote are not persons who immediately prior to such transaction held our voting stock.

Federal Income Tax Consequences

The federal tax rules applicable to awards under the Plan under the Code are summarized below. This summary omits the tax laws of any municipality, state, or foreign country in which a participant resides.

Stock option grants under the Plan may be intended to qualify as incentive stock options under Section 422 of the Code or may be non-qualified stock options governed by Section 83 of the Code. Generally, federal income tax is not due from a participant upon the grant of a stock option, and a deduction is not taken by us. Under current tax laws, if a participant exercises a non-qualified stock option, he or she will have taxable income equal to the difference between the market price of the common shares on the exercise date and the stock option grant price. We are entitled to a corresponding deduction on our income tax return. A participant will not have any taxable income upon exercising an incentive stock option after the applicable holding periods have been satisfied (except that the alternative minimum tax may apply), and we will not receive a deduction when an incentive stock option is exercised. The treatment of a disposition of shares acquired through the exercise of a stock option depends on how long the shares were held and whether the shares were acquired by exercising an incentive stock option or a non-qualified stock option. We may be entitled to a deduction in the case of a disposition of shares acquired under an incentive stock option before the applicable holding periods have been satisfied.

Generally, taxes are not due when a restricted stock (unless the participant makes an election under Section 83(b) of the Code) or RSU award is initially made, but the award becomes taxable when it is no longer subject to a substantial risk of forfeiture (*i.e.*, it becomes vested or transferable), in the case of restricted stock, or when shares are issuable in connection with vesting, in the case of an RSU. Income tax is paid on the value of the stock or units at ordinary rates when the restrictions lapse, and then at capital gain rates when the shares are sold.

Section 409A of the Code affects taxation of awards to employees but does not affect our ability to deduct deferred compensation. Section 409A applies to RSUs, performance units, and performance shares. Such grants are taxed at vesting but will be subject to new limits on plan terms governing when vesting may occur. If grants under such plans do not allow employees to elect further deferral on vesting or on distribution, under the regulations, a negative impact should not attach to the grants.

Section 409A of the Code does not apply to incentive stock options, non-qualified stock options (that are not discounted), and restricted stock, provided that there is no deferral of income beyond the vesting date.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF THE PROPOSAL TO ADOPT THE BRT APARTMENTS CORP. 2018 INCENTIVE PLAN. PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF THE PROPOSAL UNLESS STOCKHOLDERS SPECIFY OTHERWISE.

TABLE OF CONTENTS**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM****(Proposal 3)****General**

The audit committee and the Board are seeking ratification of the appointment of BDO USA, LLP (BDO) as our independent registered public accounting firm for the year ending September 30, 2018. Representatives of BDO, our auditors for 2017, are expected to be present at the annual meeting and will have the opportunity to make a statement if such representatives desire to do so and will be available to respond to appropriate questions.

We are not required to have our stockholders ratify the selection of BDO as our independent registered public accounting firm. We are doing so because we believe it is good corporate governance practice. If our stockholders do not ratify the selection, the audit committee will reconsider whether or not to retain BDO, but may, after reconsidering, still decide to retain such firm. Even if the selection is ratified, the audit committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in our best interests.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF BDO AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING SEPTEMBER 30, 2018.

The following table presents, except as otherwise indicated, BDO's fees (including expenses) for the services indicated for 2017 and 2016:

Audit fees(1)	\$ 524,085	\$ 519,283
Audit-related fees	—	—
Tax fees	6,883	—

Approval Policy for Audit and Non-Audit Services

The audit committee annually reviews and approves the retention of our independent registered public accounting firm for each fiscal year and the audit of our financial statements for such fiscal year, including the fee associated with the audit. In addition, the audit committee approves the provision of tax related and other non-audit services. Any fees for the audit and any fees for non-audit services in excess of those approved by the audit committee must receive the prior approval of the audit committee.

Proposals for any non-audit services to be performed by our independent registered public accounting firm must be approved in advance by the audit committee.

For 2017, the audit committee pre-approved all of the audit, tax and non-audit services rendered by our independent registered public accounting firm.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Highlights

The following are highlights of our compensation practices; we encourage you to read the more detailed information set forth herein:

- all of our named executive officers (as defined herein) are employees at will—none of these officers have employment agreements with us;
- there are no severance or similar arrangements for our named executive officers, other than amounts which have vested under qualified defined contribution plans and the accelerated vesting of restricted share awards and restricted stock units upon the occurrence of specified events as described herein;
- there are no excise tax gross ups or similar arrangements for our executive officers;
- the restricted shares awarded to our full-time named executive officers generally vest on a cliff vesting basis five years after the grant date—the shares do not vest incrementally on a quarterly or annual basis;
- the RSUs awarded to our executive officers in 2016 vest, assuming continued service through the 2021 vesting date, only if, and to the extent that, performance and/or market conditions are satisfied—we believe that these conditions establish challenging hurdles as only 25% of the awards (excluding the effect of the peer group adjustments (as described under *-Components of Executive Compensation - Post Employment Benefits Program*)) would have vested as of September 30, 2017;
- we are entitled to clawback compensation under specified circumstances, as more fully described under *-Components of Executive Compensation – Clawbacks* ;
- the compensation we pay our named executive officers is generally related (though not formulaically tied to) to our financial performance and to a subjective evaluation of the individual performance of each such officer;
- our compensation committee is comprised entirely of independent directors; and
- our compensation committee oversees risks with respect to our compensation programs.

General

This compensation discussion and analysis describes our compensation objectives and policies as applied to our chief executive officer, chief financial officer and our three other most highly compensated officers (collectively, the named executive officers) in 2017. This discussion and analysis focuses on the information contained in the compensation tables that follow this discussion and analysis. We also describe compensation actions taken historically to the extent it enhances an understanding of our executive compensation disclosure. Generally, our compensation committee oversees our compensation program, recommends to our Board for its approval the compensation of executive officers employed by us on a full-time basis and the compensation paid those performing Services (as described below). Our audit committee reviews the appropriateness of the allocation to us under a shared services agreement of the compensation of executive officers who perform services for us on a part-time basis and the compensation paid for the Services. Historically, another element of our compensation program was the fee paid by us to our former advisor, REIT Management, pursuant to the amended and restated advisory agreement, as amended, which we refer to as the advisory agreement, and the related payment by such advisor of compensation to certain of our executive officers. The services the former advisor performed for us included, among other things, participating in our multi-family property acquisition analysis (which included executives of REIT Management serving on our investment committee), property disposition consultation and review, developing and maintaining banking and financing relationships, providing investment advice, long-term planning and consulting with our executives and employees in other aspects of our business, as required. Effective as of December 31, 2015, the advisory agreement was terminated and in lieu thereof, we retained certain related parties on an at-will basis to continue to perform the services, which we refer to as the Services, previously provided pursuant to the advisory agreement.

TABLE OF CONTENTS

For the past several years, we have used the following compensation structure with respect to the compensation paid by us to our executive officers:

executive officers who devote all, or substantially all, their business time to our affairs are compensated directly by us. The named executive officers who fit into this category are Jeffrey A. Gould, our President and Chief Executive Officer, Mitchell Gould, our Executive Vice President and George Zweier, our Vice President and Chief Financial Officer. These named executive officers are involved on a full-time basis in our multi-family property activities, management of our other real estate assets, and/or financial reporting; and executive officers who devote their time to us on a part-time basis, whose basic annual compensation (base salary, bonus, if any, and perquisites) is allocated to us under a shared services agreement based upon the estimated time each devotes to our business activities compared to the estimated time each devotes to the other parties to the shared services agreement. These executive officers perform services to us related primarily to legal, accounting and tax matters, corporate governance, SEC and New York Stock Exchange reporting and other regulatory matters, and consult with our executives and employees in areas involving multi-family property acquisitions, dispositions and financings, property management, and capital raising. These executive officers may also be compensated by us for their provision of the Services. See *Certain Relationships and Related Transactions*. David W. Kalish, Senior Vice President, Finance and Steven Rosenzweig, Vice President, respectively, are the only named executive officers who fit into this category.

Say-on-Pay

In reviewing our compensation philosophy and practices and in approving compensation for 2017, the compensation committee was aware of the results of our March 2014 say-on-pay vote in which approximately 99% of the shares that voted on such proposal voted to approve our executive compensation practices. The compensation committee viewed such results as supportive of our compensation philosophy, practices and determinations.

Objectives of our Executive Compensation Program

A principal objective of our compensation program for full-time officers is to ensure that the total compensation paid to them is fair and competitive. The compensation committee believes that relying on this principle permits us to retain and motivate these officers.

With respect to senior executive officers whose compensation is allocated to us under the shared services agreement (*i.e.*, part-time officers) it is our objective that each of these officers receives compensation which, as allocated to us, is reasonable for the services they perform on our behalf, and that these executives provide us with sufficient time and attention to meet our needs and to perform their duties on our behalf. The compensation committee believes that:

- our part-time executive officers perform valuable services on our behalf, devote sufficient time and attention to our business needs, are able to fully meet our needs and perform their duties effectively; and
- utilizing part-time executive officers pursuant to the shared services agreement enables us to benefit from access to, and the services of, a group of senior executives with experience and knowledge in real estate acquisitions and dispositions, real estate management, finance (including mortgage financing), banking, legal (including SEC reporting), accounting and tax matters that an organization our size could not otherwise afford.

Compensation Setting Process

Full-Time Officers

Since we have only eight full-time employees, we determine compensation for our full-time employees, including our executive officers, on a case- by-case basis and, except with respect to the performance metrics established in connection with our RSUs, our compensation decisions are subjective.

For our full-time executive officers, the recommendations of the Chief Executive Officer play a significant role in the compensation setting process, since he is aware of each executive officer's duties and responsibilities

TABLE OF CONTENTS

and is most qualified to assess the level of each officer's performance in carrying out his duties and responsibilities. The Chief Executive Officer, prior to making recommendations to the compensation committee concerning each executive officer's compensation, consults with other senior executive officers. In considering base compensation and bonuses, the Chief Executive Officer, and other senior executive officers assess an individual's performance, which assessment is highly subjective, and our overall performance for the preceding year including, without limitation, the progress of our business in general, our multi-family property acquisition and disposition activities, our revenues, results of operations, funds from operations, adjusted funds from operations, stockholder return and the management of our real estate portfolio (collectively, the Performance Criteria). Since executive officers have different responsibilities, no Performance Criteria is given more weight than any other. Based on the foregoing, the Chief Executive Officer proposes to the compensation committee with respect to each full-time executive officer, a base salary for the following year, a cash bonus applicable to the recently completed year (which is paid in the following year), the perquisites to be made available for the following year and the number of shares of restricted stock to be awarded to each individual executive officer in the following year. The compensation committee reviews and discusses (including discussions without management's participation) the CEO's recommendations and takes into account the Performance Criteria. The compensation committee has discretion to accept, reject or modify the recommendations. The final decision by the compensation committee on compensation matters related to executive officers is reported to the Board, which can approve, modify or reject recommendation of the committee.

With respect to our Chief Executive Officer, the (i) chairman of the committee and the Chief Executive Officer may meet to discuss the Chief Executive Officer's compensation, and/or (ii) Chief Executive Officer or other senior executives may make recommendations to the compensation committee as to the appropriate level of compensation to be paid the Chief Executive Officer. The compensation committee then meets, without management, to discuss the Chief Executive Officer's base salary for the following year, a cash bonus applicable to the recently completed year (which is paid in the following year), and the perquisites to be made available for the following year. The committee takes into account the Performance Criteria and in its discretion, may take into account any compensation the Chief Executive Officer received from REIT Management and/or other parties to the shared services agreement. The compensation committee then reports its recommendations to the Board, which can approve, modify or reject the recommendation of the committee. The number of shares of restricted stock to be awarded to the Chief Executive Officer is considered and determined by the committee annually, at the same time the committee considers and approves all restricted stock awards to be made for that year.

Part-Time Executive Officers

Shared Services Agreement

Fredric H. Gould, the former chairman of our Board, is a principal executive and/or sole owner of each entity which participates with us in the shared services agreement. In such capacity, he, in consultation with our Chief Executive Officer and other senior executives, determines the annual base compensation of our part-time executive officers to be paid in the aggregate by one or more of the entities which are parties to the shared services agreement. Our audit committee reviews the allocations made under the shared services agreement to determine that the allocations have been made in accordance with the terms of this agreement and its conclusions are reported to the Board.

Services

Our Chief Executive Officer, in connection with other senior executive officers and management directors, recommends to the compensation committee the compensation to be paid to the part-time executive officers performing the Services. Our compensation committee and audit committee review and approve the individuals performing the Services and the amounts such individuals are to be compensated. Each such committee and the Board have the authority to accept, modify or reject such recommendation and such determinations are approved by the

Board.

TABLE OF CONTENTS

Components of Executive Compensation

The principal elements of our compensation program for executive officers in 2017 were:

• base salaries;

• annual cash bonuses, which are available only to full-time executive officers and are provided in the form of a cash payment (and to the extent part-time executive officers are awarded cash bonuses, our share of such bonuses is allocated to us pursuant to the shared services agreement (see *Certain Relationships and Related Transactions—Related Party Transactions*));

• compensation paid to part-time executive officers in connection with their performance of the Services;

• long-term equity in the form of restricted stock; and

• special benefits and perquisites (*i.e.*, additional disability insurance, long term care insurance and an automobile allowance (including insurance, maintenance and repairs)).

In determining 2017 compensation, the compensation committee did not have a specific allocation goal between cash and equity-based compensation.

Base Salary

Full-Time Executive Officers

Base salary is the basic, least variable form of compensation for the job an executive officer performs and provides each full-time executive officer with a guaranteed annual income. Base salaries of executive officers compensated by us directly are generally targeted to be competitive with the salaries paid to executives performing substantially similar functions at other REITs with a market capitalization similar to ours, taking into consideration the region in which our executive officers are located. Any increase in base salary is determined on a case-by-case basis, is not based upon a structured formula and is based upon, among other considerations, (i) such executive's current base salary, (ii) the recommendation of the Chief Executive Officer and other senior executive officers, (iii) our performance in the preceding year (*e.g.*, acquisition, disposition and financing activities, revenues, net income, funds from operations, adjusted funds from operations, stock price performance, dividends and any one or more of the foregoing), (iv) the individual's performance, (v) years of service, (vi) job responsibilities; and (vii) subjective factors.

Part-Time Executive Officers

In setting the annual base salary for these officers, our management directors and senior executive officers, in consultation with one another, consider and review the executive's responsibilities to all parties to the shared services agreement, the executive's performance, years of service, current annual base salary and the performance of the companies which participate in the shared services agreement. The annual base salary is allocated to the entities which are parties to the shared services agreement, including us, based on the estimated time devoted by our executives to each entity that is a party to such agreement.

Bonus

We provide the opportunity for our full-time executive officers and other full and part-time employees to earn an annual cash bonus. We provide this opportunity both to reward our officers and employees for past performance and to motivate and retain talented people. We recognize that annual bonuses are almost universally provided by other companies with which we might compete for talent. Annual cash bonuses for our executive officers (including the three named executive officers who devote substantially all of their business time to our affairs) are determined on a case-by-case basis and are determined subjectively. In determining annual cash bonuses, consideration is given to both an executive's performance and to our overall performance in the applicable year. Once our compensation committee

has approved the annual bonus to be paid to each executive officer, the compensation committee presents its recommendations to the Board for their approval. Based on our present structure and our small number of full-time executive officers, our compensation committee has not established formulas or performance goals to determine cash bonuses for our executive officers.

Services

Our management directors and certain part-time executive officers, including two named executive officers (*i.e.*, David W. Kalish and Steven Rosenzweig), provide Services. See *Executive Compensation – Compensation*

TABLE OF CONTENTS

Discussion and Analysis – General for a description of the Services. The other executive officers and management directors performing Services are: Fredric H. Gould, Isaac Kalish, Israel Rosenzweig, Matthew Gould, Mark H. Lundy. See *Certain Relationships and Related Transactions*.

Long-Term Equity and Long-Term Equity Incentive Awards

We provide the opportunity for our full-time and part-time executive officers to receive long-term equity and long-term equity incentive awards. These compensation programs are designed to recognize responsibilities, reward performance, retain our executive officers, motivate future performance and align the interests of our executive officers with our stockholders' interests. The compensation committee reviews annually management's recommendations for long-term equity awards and long-term equity incentive awards for all our officers, directors and employees and makes determinations with respect to the grant of such awards. In making these determinations, the compensation committee considers the factors it considers relevant, including our performance and an individual's performance. Existing ownership levels are not a factor in award determinations.

We do not have a formal policy with respect to whether equity compensation should be paid in the form of stock options, restricted stock or RSUs. For approximately the past ten years, we have awarded only restricted stock and in 2016, initiated the use of RSUs. We do not anticipate issuing any additional RSUs until 2021, the expiration of the vesting period with respect to the RSUs granted in 2016. The compensation committee generally believes restricted stock awards and RSUs are more effective than options in achieving our compensation objectives. Restricted stock has a greater retention value than options because of the five-year cliff vesting requirement and restricted stocks are entitled to dividends prior to vesting. In addition, because fewer stocks are normally awarded, it is potentially less dilutive than options. Executive officers realize value upon the vesting of the restricted stocks, with the value potentially increasing if our stock performance increases. RSUs provide an additional incentive component to equity based awards in that the units only vest if, and to the extent, performance or market conditions are satisfied. Restricted stock awards and RSUs align the interests of our officers with our stockholders and because fewer shares are normally awarded than in connection with the grant of options, they are potentially less dilutive than option grants.

All the outstanding restricted stock awards and RSUs provide for five-year cliff vesting. The compensation committee believes that awards with five-year cliff vesting provide a strong retention incentive for executives, reduces the potential risk associated with equity awards and aligns the interests of our executive officers with our stockholders. We view our capital stock as a valuable asset that should be awarded judiciously. For that reason, it has been our policy that the aggregate restricted stock awards granted each year to our executive officers, employees, directors and consultants should not exceed approximately 1% of our issued and outstanding common stocks. In 2017, the restricted stock awards constituted approximately 1% of our outstanding shares of common stock at the time of grant.

We do not have a formal policy on timing equity compensation grants in connection with the release of material non-public information. Generally, equity awards are granted in January of each year, though for 2018 we anticipate granting restricted stock in March 2018. Our compensation committee has reviewed our compensation policies and practices to ascertain if the risks arising from such policies or practices are reasonably likely to have a materially adverse effect on our company. The compensation committee concluded that while our compensation program takes into account the company's performance the program does not encourage excessive or unnecessary risk-taking and our policies and practices achieve a balance between annual performance and long-term growth.

See *—Outstanding Equity Awards at Fiscal Year End* and note 12 of our consolidated financial statements included in Annual Report on Form 10-K for the year ended September 30, 2017 for additional information about our RSUs.

Clawbacks

We are entitled to clawback or obtain reimbursement of an executive's compensation under the following circumstances:

- in the event we are required to restate our financial statements due to our material non-compliance, as a result of misconduct, with any financial reporting requirement under the securities laws, our chief executive officer and chief financial officer are required to reimburse us for (i) any bonus or other

TABLE OF CONTENTS

incentive based compensation or equity based compensation they receive from us during the 12 months following the initial public issuance of the financial document embodying such financial reporting requirement and (ii) profits from the sale of our common stock during such 12 months;

if an executive officer's relationship with us is terminated for cause (e.g., insubordination, dishonesty, incompetence, moral turpitude, the refusal to perform such person's duties and responsibilities and other misconduct of any kind, as determined by the compensation committee, then (i) all options (except to the extent exercised) immediately terminate and (ii) the officer's rights to all restricted stock, RSUs and performance share awards (except to the extent such awards have vested) are forfeited immediately; and in accordance with any additional claw-back policy implemented by us, whether implemented prior to or after the grant of an award pursuant to our equity incentive plans.

Executive Benefits and Perquisites

We provide our executive officers and our employees with a competitive benefits and perquisites program. For 2017, the executive benefits and perquisites we provided to executive officers generally accounted for a small percentage of the compensation provided by, or allocated to, us for our executive officers. In addition to the benefits and perquisites provided to all our full-time employees, we provided to certain of our full-time executive officers an automobile allowance (including payments for automobile maintenance and repairs), the payment of college tuition expense and the payment of premiums for additional disability insurance and/or long-term care insurance. The cost of the executive benefits and perquisites provided to our part-time executive officers, which benefits are similar to those provided to our full-time executive officers, is allocated among us and other entities pursuant to the shared services agreement.

Employment and Severance Agreements; Post-Employment Benefits; Change of Control

None of our named executive officers has employment or severance agreements with us. They are at will employees who serve at the pleasure of our Board.

We do not provide for any post-employment benefits to our named executive officers other than to accelerated vesting of our restricted stock awards and RSUs as described below.

Accelerated Vesting of Restricted Stock Awards

Generally, a person's restricted stock award will vest fully in the event of such person's death, disability (i.e., the inability to engage in gainful activity due to a life threatening or long lasting mental or physical impairment), or retirement (having reached the age of 65 and worked for us for at least ten consecutive years; death, disability and retirement referred to collectively as a DDR Event) or in the event of a change of control in our company. Subject to the specific terms and conditions of the applicable plan and award agreement, a change of control is generally deemed to occur if (i) any person, with specified exceptions, becomes the beneficial owner of securities representing 20% or more of the combined voting power of our then outstanding securities, (ii) a business combination or sale of all or substantially all of our assets is completed or (iii) there is a change in the composition of a majority of our Board, other than changes approved by incumbent directors.

Accelerated Vesting of RSUs

Upon the occurrence of a DDR Event, subject to the satisfaction of the applicable performance criteria proportionately adjusted to give effect to a reduction in the five year performance cycle, which we refer to as the adjusted performance conditions, a pro rata portion (based on the percentage of days in the performance cycle that have elapsed) of the RSUs will vest.

Upon a change of control (as described above) occurring (i) after September 30, 2019, the RSUs will vest to the extent the applicable as adjusted market and/or performance conditions have been met and (ii) prior to or on September 30, 2019, a *pro rata* portion (based on the percentage of days in the performance cycle that have elapsed) of the RSUs will vest to the extent the applicable as adjusted market and/or performance conditions are met.

See —Outstanding Equity Awards at Fiscal Year End and note 12 of our consolidated financial statements included in Annual Report on Form 10-K for the year ended September 30, 2017 for additional information about our RSUs.

TABLE OF CONTENTS**Chairman of the Board's Compensation**

In 2017, our Chairman of the Board earned, and in 2018, he will earn, fees of \$207,500 and \$240,000, respectively. Our Chairman does not receive any additional direct compensation from us, other than fees for the services and long-term equity awards and long-term equity incentive awards, if any, granted to him by our compensation committee. Our Chairman may also receive compensation from other entities that are parties to the shared services agreement. For additional information regarding payments to our Chairman, see *Certain Relationships and Related Transactions*.

Deductibility of Executive Compensation

Section 162(m) of the Code, as in effect prior to the adoption in December 2017 of The Tax Cuts and Jobs Act, limits the deductibility of certain compensation in excess of \$1 million earned by specified executive officers of publicly held companies. For 2017, we believe that most of the compensation paid to our full-time executives is deductible by us. While the compensation committee generally intends to preserve the deductibility of compensation payments and benefits to the extent reasonably practicable, it has not adopted a formal policy that requires all such compensation to be fully deductible. The compensation committee intends to evaluate the impact of the adoption of The Tax Cuts and Jobs Act on Section 162(m) and our compensation practices.

Analysis*Base Salary and Bonus*Full-Time Executive Officers

In accordance with the compensation setting process described above, base salary and cash bonuses for 2017 were approved as follows for the named executive officers compensated directly by us:

	2017 Base Salary (\$)	2016 Base Salary (\$)	2017 Bonus \$(1)	2016 Bonus \$(2)	Percentage Increase(3)
Jeffrey A. Gould, President and CEO	784,375	704,129	110,000	110,000	9.9
Mitchell Gould, Executive Vice President	382,638	370,621	55,000	55,000	2.8
George Zweier, Vice President and CFO	278,774	267,366	35,000	35,000	3.8

(1) Represents the bonus applicable to 2017 which was paid in January 2018.

(2) Represents the bonus applicable to 2016 which was paid in January 2017.

(3) Represents the increase from 2016 to 2017 in the sum of such person's salary and bonus.

In setting Jeffrey A. Gould's base salary for 2017, our compensation committee took into account our operating results, which improved significantly in 2016 compared to prior years, his continuing leadership in growing our company, and the fact that his base salary for 2017 represented an 11.4% increase from his 2016 base salary. In determining his 2017 bonus, the compensation committee took into account our sale of seven multi-family properties and other assets for a gain to us, net of minority interests, of \$27.8 million, our acquisition of ten multi-family properties (including interests in three unconsolidated joint ventures owning such properties), his extensive efforts in obtaining the repayment of \$13.6 million in principal amount outstanding on the loan to the Newark Joint Venture, his success in enhancing our

public profile, the initiation of a quarterly dividend and our total stockholder return of approximately 36.4% in 2017.

The 3.2% increase in Mitchell Gould's 2017 base salary is due primarily to his individual performance in 2016 and as a cost of living adjustment. Mitchell Gould's 2017 bonus was based on his efforts with respect to the (i) identifying, evaluating, negotiating and completing multi-family property purchases and sales, and his oversight of other employees engaged in such activities and (ii) repayment of the \$13.6 million in principal amount outstanding on the loan to the Newark Joint Venture.

TABLE OF CONTENTS

The 4.3% increase in Mr. Zweier's 2017 base salary is due primarily to his individual performance in 2016 and as a cost of living adjustment. His 2017 bonus was based on his performance with respect to our acquisition and disposition activities and his activities in overseeing the results of our property portfolio; in particular, as they relate to financial and accounting matters.

For 2017, Jeffrey A. Gould's base salary and bonus was equal to (i) 2.0x Mitchell Gould's base salary and bonus and (ii) 2.9x George Zweier's base salary and bonus. We have not adopted a policy with regard to the relationship of compensation among named executive officers or other employees. The compensation committee was aware of the differential in compensation among these executive officers and concluded that the differential was appropriate because, among other things, both Mitchell Gould and George Zweier have responsibilities primarily related to a specific activity, whereas Jeffrey A. Gould's responsibilities cover all our business activities including, among other things, property acquisitions, dispositions and financings, capital raising, investor relations, and developing and maintaining relationships with joint venture partners.

Part-Time Named Executive Officers

David W. Kalish, Senior Vice President, Finance, has overall responsibility for implementation and enforcement of our internal controls, performs oversight and guidance in connection with our annual audit and our quarterly reports, performs oversight and guidance related to tax matters, including REIT compliance, is involved in banking relationships, chairs our disclosure controls and procedures committee and participates in the preparation and review of our disclosures under the Exchange Act, and press releases.

Steven Rosenzweig, a Vice President, serves as our lead legal counsel in our acquisition, disposition and mortgage financing activities. He is also a member of our investment committee and as such is involved in analyzing and reviewing operating results of each property in our portfolio and in analyzing, reviewing and approving each of our acquisition, disposition and financing transactions.

The compensation committee determined that based on the value of Messrs. D. Kalish's and S. Rosenzweig's services on our behalf, the compensation of these officers, which is allocated to us, is reasonable.

Long-Term Equity and Equity Incentive Awards

We believe that our long-term equity compensation program, using restricted share awards and RSUs with five-year cliff vesting provides motivation for our executives and employees and is a beneficial retention tool. We are mindful of the potential dilution and compensation cost associated with awarding restricted shares. Our policy remains to limit dilution and compensation costs. In January 2017 and 2016, we issued 147,500 and 141,051 restricted stock awards, respectively, representing approximately 1.1% and 1.0% of our outstanding shares, respectively. In the past five years, excluding the one-time grant of 450,000 shares of common stock subject to RSUs in June 2016, we have awarded an average of 142,025 shares of restricted stock each year, representing an average of 1.0% per annum of our outstanding shares of common stock.

Fees for Services

The fees for Services were first paid in 2016 and in approving same, the compensation committee, the audit committee and Board took into account that after paying such fees, we would realize significant savings in comparison to the fees that would have been paid pursuant to the advisory agreement. The aggregate fee payable for the Services in 2018 will be \$1,252,819, an increase of \$59,694 from the fee paid for Services in 2017. See *Certain Relationships and Related Transactions*.

Stock Ownership Policy

In view of the fact that our executive officers and directors beneficially own in the aggregate approximately 6.1 million, or 42.9%, of our outstanding shares of common stock, we do not have, nor do we believe there is a need to adopt, a policy regarding ownership of our shares of common stock by executive officers and directors since their ownership interest aligns their interest with the interests of our stockholders.

Perquisites

The perquisites we provide to our executive officers, which are in addition to the benefits we provide to all our employees, generally account for a small percentage of the compensation paid by us to or allocated to us for our executive officers. We believe that such perquisites are appropriate.

TABLE OF CONTENTS*Post-Employment Benefits Program*

The following table sets forth the value (based on the closing price of our stock on September 29, 2017 of \$10.72 per share) of equity awards held by our named executive officers that would vest upon a DDR Event or a change in control as of September 30, 2017:

Name	Value of Unvested Restricted Stock Held as of September 30, 2017 (\$)	Value of Outstanding RSUs at September 30, 2017 \$(1)
Jeffrey A. Gould	743,057	198,320
George Zweier	353,760	107,200
Mitchell Gould	603,000	117,920
David W. Kalish	451,580	179,560
Steven Rosenzweig	146,457	134,000

Assumes that the middle tier performance level is achieved and that there is no adjustment, which we refer to as the peer group adjustment, in the number of RSUs that vest as a result of a comparison between us and our peer group (1) with respect to the compounded annual growth rate in total stockholder return. See — Outstanding Equity Awards at Fiscal Year End and note 12 of our consolidated financial statements included in our Annual Report on Form 10-K for the year ended September 30, 2017.

Kalish and Rosenzweig do not receive salary or bonus directly from us but receive an annual salary and bonus from Gould Investors L.P. and related companies and a portion of their respective salaries and bonuses are (1) allocated to us pursuant to the shared services agreement. The amount of salary and bonus that is allocated to us is set forth under the Salary column in the Summary Compensation Table. Gould, \$207,500 and \$210,000; Matthew J. Gould, \$207,500 and \$217,875; David W. Shared Services Agreement

We and certain related entities, including Gould Investors, One Liberty Properties, Inc., Majestic Property Management and REIT Management, occupy common office space and share certain services and personnel in common. The allocation of these general and administrative expenses among these entities is computed in accordance with a shared services agreement based on the estimated time devoted by executive, administrative and clerical personnel to the affairs of each participating entity to such agreement. In 2017, the amount of general and administrative expenses allocated to us represents approximately 21.7% of the total expenses allocated to all entities which are parties to the shared services agreement. Specifically, we paid \$346,000 for common general and administrative expenses, including telecommunication services, computer services, bookkeeping, secretarial and other clerical services and legal and accounting services. The amounts allocated to us for the salary, bonus and benefits for services performed by Isaac Kalish, who is engaged by us on a part-time basis, was \$139,388.

As a cost saving measure, we obtain certain insurance (primarily property insurance) with Gould Investors and its affiliates and in 2017, we reimbursed Gould Investors \$24,000 for our share of insurance premiums.

Majestic Property

Majestic Property, which is wholly-owned by Fredric H. Gould, provides real property management services, real estate brokerage, and construction supervision services for us and affiliated entities, as well as companies that are non-affiliated entities. In 2017, we paid Majestic Property fees totaling \$32,000, representing, in the aggregate, less than 1% of the 2017 revenues of Majestic Property. Each of Fredric H. Gould, Jeffrey A. Gould, Matthew J. Gould, David W. Kalish, Mark H. Lundy, Israel Rosenzweig, Steven Rosenzweig, and Isaac Kalish, received compensation

from Majestic Property in 2017, which compensation is not included in the Summary Compensation Table. The fees paid by us to Majestic Property and the expenses reimbursed to Gould Investors under the shared services agreement were reviewed by our audit committee. Fredric H. Gould, Jeffrey A. Gould, Matthew J. Gould, David W. Kalish, Mark H. Lundy, Israel Rosenzweig, Steven Rosenzweig and Isaac Kalish also receive compensation from other entities wholly-owned by Fredric H. Gould and parties to the shared services agreement, none of which provided services to us or received compensation from us in 2017.

Policies and Procedures

Our code of business conduct and ethics provides in the Conflicts of Interest section that our board is aware of certain transactions between us and affiliated entities, including the sharing of services pursuant to the terms of a shared services agreement and the provision of services by affiliated entities to us. The provision states that the board has determined that the services provided by affiliated entities to us are beneficial and that we may enter into a contract or transaction with an affiliated entity provided that any such transaction is approved by the audit committee which is satisfied that the fees, charges and other payments made to the affiliated entities are at no greater cost or expense to us than would be incurred if we were to obtain substantially the same services from unrelated and unaffiliated entities. The term affiliated entities is defined in the code of business conduct and ethics as all parties to the shared services agreement and other entities in which our officers and directors have an interest.

Generally, related party transactions that are proposed are submitted to the audit committee for its prior review and, if appropriate, approval. To the extent payments are made pursuant to an agreement with a related party previously approved by the audit committee, such as payments under the shared services agreement, such payments are reviewed by the audit committee on a quarterly basis and if appropriate, approved. If a transaction relates to a member of our audit committee, such member does not participate in the audit committee's deliberations. Our audit committee reports our related party transactions to our Board on at least an annual basis.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires our executive officers, directors and persons who beneficially own more than 10% of our common shares to file Initial Reports of Ownership and Reports of Changes in Ownership with the SEC. Executive officers, directors and greater than 10% beneficial owners are required by the rules and regulations promulgated pursuant to the Exchange Act, to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of copies of these reports filed with the SEC, we believe that none of our directors, executive officers and greater than 10% beneficial owners failed to file on a timely basis reports required by Section 16(a) during 2017.

OTHER MATTERS

Our board of directors knows of no other matters that may properly be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their discretion. It is important that the proxies be returned promptly and that you be represented. Stockholders are urged to authorize a proxy promptly by either electronically submitting a proxy or voting instruction card over the Internet or by telephone or by delivering to us or your broker a signed and dated proxy card.

By order of the Board of Directors

serve at the pleasure of, the Board of Directors. In the absence of such appointment, the Board of Directors shall serve as the Committee and shall have all of the responsibilities, duties, and authority of the Committee set forth herein.

4.2 Authority of the Committee. Subject to applicable law, the Committee shall have the exclusive authority to administer and construe the Plan in accordance with its provisions. The Committee's authority shall include, without limitation, the power to (a) determine persons eligible for Awards, (b) prescribe the terms and conditions of the Awards, (c) construe and interpret the Plan, the Awards and any Award Agreement, (d) adopt rules for the administration, interpretation and application of the Plan as are consistent therewith and (e) establish, interpret, amend or revoke any such rules. With respect to any Award that is intended to qualify as performance-based compensation within the meaning of section 162(m) of the Code, the Committee shall have no discretion to increase the amount of compensation that otherwise would be due upon attainment of a Performance Goal, although the Committee may have discretion to deny an Award or to adjust downward the compensation payable pursuant to an Award, as the Committee determines in its sole judgment. The Committee, in its sole discretion and on such terms and conditions as it may provide, may delegate all or any part of its authority and powers under the Plan to one or more officers of the Company to the extent permitted by law, other than the authority to grant Awards intended to qualify as performance-based compensation within the meaning of section 162(m) of the Code.

4.3 Decisions Binding. All determinations and decisions made by the Committee and any of its delegates pursuant to Section 4.2 shall be final, conclusive and binding on all persons, and shall be given the maximum deference permitted by law.

5.2 Lapsed Awards. Unless determined otherwise by the Committee, Shares related to Awards that are forfeited, cancelled, terminated or expire unexercised, shall be available for grant under the Plan. Shares that are tendered by a Participant to the Company in connection with the exercise of an Award, withheld from issuance in connection with a Participant's payment of tax withholding liability, or settled in such other manner so that a portion or all of the Shares included in an Award are not issued to a Participant shall not be available for grant under the Plan.

5.3 Adjustments in Awards and Authorized Shares. In the event of a stock dividend or stock split, the number of Shares subject to the Plan, outstanding Awards and the numerical amounts set forth in Sections 5.1, 6.1, 7.1 and 8.1 shall automatically be adjusted proportionally to prevent the dilution or diminution of such Awards, except to the extent directed otherwise by the Committee. In the event of a merger, reorganization, consolidation, recapitalization, separation, liquidation, combination or other similar change in the structure of the Company affecting the Shares, the Committee shall adjust the number and class of Shares which may be delivered under the Plan, the number, class and price of Shares subject to outstanding Awards, and the numerical limits of Sections 5.1, 6.1, 7.1 and 8.1 in such manner as the Committee shall determine to be advisable or appropriate to prevent the dilution or diminution of such Awards. Any such numerical limitations shall be subject to adjustment under this Section only to the extent such adjustment will not affect the status of any Award intended to qualify as performance-based compensation under section 162(m) of the Code or the ability to grant or the qualification of Incentive Stock Options under the Plan or subject the Participant to taxes, penalties and interest imposed under section 409A(a)(1) of the Code.

5.4 Restrictions on Transferability. The Committee may impose such restrictions on any Award, Award of Shares or Shares acquired pursuant to an Award as it deems advisable or appropriate, including, but not limited to, restrictions related to applicable Federal securities laws, the requirements of any national securities exchange or system upon which Shares are then listed or traded, and any blue sky or state securities laws.

SECTION 6 STOCK OPTIONS

6.1 *Grant of Options.* Subject to the terms and provisions of the Plan, Options may be granted to Participants at any time and from time to time as determined by the Committee. The Committee shall determine the number of Shares subject to each Option. The Committee may grant Incentive Stock Options, Nonqualified Stock Options, or any combination thereof. Subject to the additional limitations imposed on Awards intended to qualify as Performance Based Awards in Section 8.1(c), the maximum aggregate number of Shares underlying Options granted in any one calendar year to an individual Participant shall be 100,000.

6.2 *Award Agreement.* Each Option shall be evidenced by an Award Agreement that shall specify the Exercise Price, the expiration date of the Option, the number of Shares to which the Option pertains, whether the Option is intended to be an Incentive Stock Option or a Nonqualified Stock Option, any conditions on exercise of the Option and such other terms and conditions as the Committee shall determine, including terms regarding forfeiture of Awards or continued exercisability of Awards in the event of termination of employment by the Participant.

6.3 *Exercise Price.* The Exercise Price for each Option shall be determined by the Committee and shall be provided in each Award Agreement; *provided, however*, the Exercise Price for each Option may not be less than one hundred percent (100%) of the Fair Market Value of a Share on the Grant Date. In the case of an Incentive Stock Option, the Exercise Price shall be not less than one hundred ten percent (110%) of the Fair Market Value of a Share if the Participant (together with persons whose stock ownership is attributed to the Participant pursuant to section 424(d) of the Code) owns on the Grant Date stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries.

6.4 *Expiration of Options.* Except as provided in Section 6.7(c) regarding Incentive Stock Options, each Option shall terminate upon the earliest to occur of (i) the date(s) for termination of the Option set forth in the Award Agreement or (ii) the expiration of ten (10) years from the Grant Date. Subject to such limits, the Committee shall provide in each Award Agreement when each Option expires and becomes un-exercisable. Except as set forth in an Award Agreement, upon Retirement of a Participant an Option may be exercised by such Participant to the extent it was exercisable on the effective date of the Retirement and shall be exercisable for a period of six months from the effective date of such Retirement, but not later than the expiration of the maximum term such Option. The Committee may not, after an Option is granted, extend the maximum term of the Option.

6.5 *Exercisability of Options.* Options granted under the Plan shall be exercisable, in whole or in part, at such times and be subject to such restrictions and conditions as the Committee shall determine. After an Option is granted, the Committee may accelerate or waive any condition constituting a substantial risk of forfeiture applicable to the Option.

6.6 *Payment.* Options shall be exercised by a Participant's delivery of a written notice of exercise to the Secretary of the Company (or his or her designee), setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares. Upon the exercise of an Option, the Exercise Price shall be payable to the Company in full in cash or its equivalent. The Committee may permit exercise (a) by the Participant tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Exercise Price, (b) the Participant tendering a combination of cash and previously acquired Shares equal to total Exercise Price (the Shares tendered being valued at Fair Market Value at the time of exercise), or (c) by any other means which the Committee determines to provide legal consideration for the Shares, and to be consistent with the purposes of the Plan. As soon as practicable after receipt of a written notification of exercise and full payment for the Shares purchased, the Company shall deliver, or cause to be delivered, to the Participant, evidence of such Participant's ownership of such Shares. No right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Shares as to which the Option has been exercised until the records of the Company or its transfer agent

reflect the issuance of such Shares. No adjustment will be made for a dividend or other rights for which a record date is established prior to the date the records of the Company or its transfer agent reflect the issuance of the Shares upon exercise of the Options.

6.7 Certain Additional Provisions for Incentive Stock Options.

(a) *Exercisability.* The aggregate Fair Market Value (determined on the Grant Date(s)) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under all plans of the Company, any parent and its Subsidiaries) shall not exceed \$100,000. The portion of the Option which is in excess of the \$100,000 limitation shall be treated as a Non-Qualified Option pursuant to Section 422(d)(1) of the Code.

(b) *Company and Subsidiaries Only.* Incentive Stock Options may be granted only to Participants who are officers or employees of the Company or a Subsidiary on the Grant Date.

(c) *Expiration.* No Incentive Stock Option may be exercised after the expiration of ten (10) years from the Grant Date. In the case of an Incentive Stock Option that is granted to a Participant who (together with persons whose stock ownership is attributed to the Participant pursuant to Section 424(d) of the Code) owns on the Grant Date stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries, the term of such Incentive Stock Option shall be no more than five years from the Grant Date.

6.8 Restriction on Transfer. Except as otherwise determined by the Committee or as set forth in the Award Agreement, no Option may be transferred, gifted, pledged, assigned, or otherwise alienated or hypothecated, voluntarily or involuntarily. Upon the death or Disability of a Participant, an Option may be exercised by the duly appointed personal representative of the deceased Participant or in the event of a Disability by the Participant or the duly appointed attorney-in-fact, guardian or custodian of the Disabled Participant to the extent the Option was exercisable on the date of death or the date of Disability and shall be exercisable for a period of six months from the date of death or the date of Disability.

6.9 Repricing of Options. Without stockholder approval, (i) the Company will not reprice, replace or regrant an outstanding Option either in connection with the cancellation of such Option or by amending an Award Agreement to lower the exercise price of such Option, and (ii) the Company will not cancel outstanding Options in exchange for cash or other Awards.

6.10 Voting Rights. A Participant shall have no voting rights with respect to any Options granted hereunder.

SECTION 7

RESTRICTED STOCK AND RESTRICTED STOCK UNITS

7.1 Grant of Restricted Stock and Restricted Stock Units. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Participants in such amounts as the Committee shall determine. The Committee shall determine the number of Shares of Restricted Stock and/or RSUs to be granted to each Participant and the time when each Award shall be granted. Subject to the additional limitations imposed on Awards intended to qualify as Performance Based Awards in Section 8.1(c), no more than 100,000 Shares of each of Restricted Stock and Shares underlying Restricted Stock Units may be granted to any individual Participant in any one calendar year.

7.2 Restricted Stock and RSU Agreements. Each Award of Restricted Stock and Restricted Stock Units shall be evidenced by an Award Agreement that shall specify the Period of Restriction, the number of Shares of Restricted Stock granted, the number of Shares subject to a Restricted Stock Unit, any applicable Performance Goals and Performance Cycle, and such other terms and conditions as the Committee shall determine, including terms regarding forfeiture of Awards in the event of termination of employment by the Participant or termination of the Participant's relationship with the Company as a director or consultant.

7.3 Transferability. Except as otherwise determined by the Committee or as set forth in the Award Agreement, Shares of Restricted Stock and Restricted Stock Units (including Shares underlying RSUs) may not be sold, transferred, gifted, bequeathed, pledged, assigned, or otherwise alienated or hypothecated, voluntarily or involuntarily, until the end of the applicable Period of Restriction and the satisfaction, in whole or in part, of any applicable Performance Goals within the applicable Performance Cycle. Except as otherwise determined by the Committee or as set forth in the Award Agreement, in the event of the death, Disability or Retirement of a Participant, all unvested Restricted Stock and unvested RSUs shall not vest on the date of death or Disability or the effective date of Retirement. Without stockholder approval, the Company will not, except as otherwise provided for in the Plan, repurchase outstanding unvested Restricted Stock or unvested RSUs in exchange for cash or accelerate the vesting of outstanding unvested Shares of Restricted Stock or RSUs.

7.4 Other Restrictions. The Committee may impose such other restrictions on Shares of Restricted Stock and Restricted Stock Units (including Shares underlying RSUs) as it may deem advisable or appropriate in accordance with this Section 7.4.

(a) *General Restrictions.* The Committee may set one or more restrictions based upon (a) the achievement of specific Performance Goals, (b) applicable Federal or state securities laws, (c) time-based restrictions, or (d) any other restrictions determined by the Committee.

(b) *Section 162(m) Performance Restrictions.* For purposes of qualifying grants of Restricted Stock and/or RSUs as performance-based compensation under Section 162(m) of the Code, the Committee, in its sole discretion, may set restrictions based upon the achievement of Performance Goals. The Performance Goals shall be set by the Committee on or before the latest date permissible to enable the Restricted Stock and/or RSUs to qualify as performance-based compensation under section 162(m) of the Code. In granting Restricted Stock and/or RSUs that are intended to qualify under section 162(m) of the Code, the Committee shall follow any procedures determined by it in its sole discretion from time to time to be necessary, advisable or appropriate to ensure qualification of the Restricted Stock and/or RSUs under section 162(m) of the Code.

(c) *Methods of Implementing Restrictions.* The Committee may take such action as it, in its sole discretion, deems appropriate to give notice to the Participant of, and implement, the restrictions imposed pursuant to Section 7.

7.5 Removal of Restrictions. After the end of the Period of Restriction, the Shares shall be freely transferable by the Participant, subject to any other restrictions on transfer (including without limitation, limitations imposed pursuant to the Company's organizational documents) which may apply to such Shares.

7.6 Voting Rights. Except as otherwise determined by the Committee and set forth in the Award Agreement, Participants holding (a) Shares of Restricted Stock shall have voting rights during the Period of Restriction and (b) Restricted Stock Units shall not have voting rights during the Period of Restriction.

7.7 Dividends and Other Distributions. Except as otherwise determined by the Committee and set forth in the Award Agreement, Participants holding (a) Shares of Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to the Shares during the Period of Restriction and (b) except to the extent a Dividend Equivalent Right is granted in tandem with an RSU, RSUs shall not be entitled to receive any dividends or other distributions paid with respect to the underlying Shares during the Period of Restriction.

SECTION 8

PERFORMANCE-BASED AWARDS

8.1 Performance-Based Awards. Participants selected by the Committee may be granted one or more Performance Awards in the form of Options, Restricted Stock, Restricted Stock Units, Dividend Equivalent Rights or Performance Share Awards payable upon the attainment of Performance Goals that are established by the Committee and related to one or more of the Performance Criteria, in each case on a specified date or dates or over a Performance Cycle determined by the Committee. A Performance Cycle shall be at least one year. The Committee in its sole discretion shall determine whether an Award is to qualify as performance based compensation under Section 162(m) of the Code. The Committee in its sole discretion shall determine Awards that are based on Performance Goals but are not intended to qualify as performance based compensation under Section 162(m). The Committee shall define the manner of calculating the Performance Criteria it selects to use for any Performance Cycle. Depending on the Performance Criteria used to establish such Performance Goals, the Performance Goals may be expressed in terms of overall Company performance or the performance of an individual. The Committee, in its discretion, may adjust or modify the calculation of Performance Goals for such Performance Cycle in order to prevent the dilution or

enlargement of the rights of an individual (i) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event or development, (ii) in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting the Company, or the financial statements of the Company, or (iii) in response to, or in anticipation of, changes in applicable laws, regulations, accounting principles, or business conditions; *provided however*, that the Committee may not exercise such discretion in a manner that would increase the Performance-Based Award granted to a Participant. Each Performance-Based Award shall comply with the provisions set forth below. Performance Awards, other than Dividend Equivalent Rights, shall be paid in Shares.

A-7

TABLE OF CONTENTS

(a) *Grant of Performance-Based Awards.* With respect to each Performance-Based Award granted to a Participant, if intended by the Committee to qualify as performance based compensation under Section 162(m) of the Code, the Committee shall select, within the first 90 days of a Performance Cycle the Performance Criteria for such grant, and the Performance Goals with respect to each Performance Criterion (including a threshold level of performance below which no amount will become payable with respect to such Award). Each Performance-Based Award will specify the amount payable, or the formula for determining the amount payable, upon achievement of the various applicable performance targets. The Performance Criteria established by the Committee may be (but need not be) different for each Performance Cycle and different Performance Goals may be applicable to Performance-Based Awards to different Participants.

(b) *Payment of Performance-Based Awards.* Following the completion of a Performance Cycle, the Committee shall meet to review and certify in writing whether, and to what extent, the Performance Goals for the Performance Cycle have been achieved and, if so, to calculate and certify in writing the amount of the Performance-Based Awards earned for the Performance Cycle. The Committee shall then determine the actual size of each Participant's Performance-Based Award, and, in doing so, may reduce or eliminate the amount of the Performance-Based Award for a Participant if, in its sole judgment, such reduction or elimination is appropriate.

(c) *Maximum Award Payable.* The maximum Performance-Based Award payable to any one Participant under the Plan for a Performance Cycle is 100,000 Shares (subject to adjustment as provided in Section 5.3 hereof).

SECTION 9

DIVIDEND EQUIVALENT RIGHTS

9.1 *Dividend Equivalent Rights.* A Dividend Equivalent Right may be granted hereunder to any Participant only in tandem with an Award of RSUs or a Performance Based Award (other than an Award of Restricted Stock or Options). The terms and conditions of Dividend Equivalent Rights shall be specified in the Award Agreement which shall provide that such Dividend Equivalent Right, except to the extent otherwise provided in the related Award Agreement, shall (i) not be sold, transferred, gifted, bequeathed, pledged, assigned, or otherwise alienated or hypothecated, voluntarily or involuntarily, until the end of the applicable Period of Restriction and the satisfaction, in whole or in part, of any applicable Performance Goals within the applicable Performance Cycle, and (ii) be settled upon settlement or payment of, or lapse of restrictions on, the Award to which it relates, and such Dividend Equivalent Right shall expire or be forfeited or annulled under the same conditions as such Award.

SECTION 10

AMENDMENT, TERMINATION, AND DURATION

10.1 *Amendment, Suspension, or Termination.* The Board, in its sole discretion, may amend, suspend or terminate the Plan, or any part thereof, at any time and for any reason; *provided, however*, that if and to the extent required by law or to maintain the Plan's compliance with the Code, the rules of any national securities exchange (if applicable), or any other applicable law, any such amendment shall be subject to stockholder approval; and *further provided*, that without stockholder approval, no amendment shall permit the repricing, replacing or regranting of an Option in connection with the cancellation of such Option or by amending an Award Agreement to lower the exercise price of such Option or the cancellation of any Award in exchange for cash. The amendment, suspension or termination of the Plan shall not, without the consent of the Participant, alter or impair any rights or obligations under any Award theretofore granted to such Participant. No Award may be granted during any period of suspension or after termination of the Plan.

10.2 *Duration of the Plan.* The Plan shall become effective in accordance with Section 1.1, and subject to Section 10.1 shall remain in effect until the tenth anniversary of the effective date of the Plan.

Participant from the Company, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state and local taxes (including the Participant's FICA obligation) required or appropriate to be withheld with respect to such Award (or the exercise or vesting thereof).

11.2 Withholding Arrangements. The Company, pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy such tax withholding obligation, in whole or in part, by (a) electing to have the Company withhold otherwise deliverable Shares, or (b) delivering to the Company, Shares then owned by the Participant. The amount of the withholding requirement shall be deemed to include any amount that the Company agrees may be withheld at the time any such election is made, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined. The Fair Market Value of the Shares to be withheld or delivered shall be determined as of the date that the taxes are required to be withheld.

SECTION 12

CHANGE IN CONTROL

12.1 Change in Control. For purposes of the Plan, a Change in Control means any of the following:

(a) the acquisition (other than from the Company) in one or more transactions by any person (as such term is used in Section 13(d) of the 1934 Act) of the beneficial ownership (within the meaning of Rule 13d-3 under the 1934 Act) of 25% or more of (i) the then outstanding Shares or (ii) the combined voting power of the then outstanding securities of the Company entitled to vote generally in the election of Directors (the Company Voting Stock), *provided however* the provision of this Section 12.1(a) is not applicable to acquisitions made individually, or as a group by Fredric H. Gould, Matthew J. Gould and Jeffrey A. Gould, and their respective spouses, lineal descendants and affiliates;

(b) individuals who, as of the date of the Award, constitute the Board of Directors (the Incumbent Board) cease for any reason to constitute at least a majority of the Board; *provided, however*, that any individual becoming a Director subsequent to the date of such Award whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least a majority of the Directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such terms are used in the Rules of Regulation 14A promulgated under the Exchange Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board;

(c) the closing of a sale or other conveyance of all or substantially all of the assets of the Company; or

(d) the effective time of any merger, share exchange, consolidation, or other business combination involving the Company if immediately after such transaction persons who hold a majority of the outstanding voting securities entitled to vote generally in the election of Directors of the surviving entity (or the entity owning 100% of such surviving entity) are not persons who, immediately prior to such transaction, held the Company's voting Shares.

12.2 Effect of Change of Control. On the effective date of any Change in Control, unless the applicable Award Agreement provides otherwise: (i) in the case of an Option, each such outstanding Option shall become exercisable in full in respect of the aggregate number of Shares covered thereby; and (ii) in the case of Restricted Stock, Restricted Stock Units, Dividend Equivalent Rights and Performance Share Awards, the Period of Restriction applicable to each such Award shall be deemed to have expired. Notwithstanding the foregoing, unless otherwise provided in the applicable Award Agreement, the Committee may, in its discretion, determine that any or all outstanding Awards of any or all types granted pursuant to the Plan will not become exercisable on an accelerated basis nor will the Restriction Period expire in connection with a Change of Control if effective provision has been made for the taking

of such action which, in the opinion of the Committee, is equitable and appropriate to substitute a new Award for such Award or for the assumption of such Award and to make such new or assumed Award, as nearly as may be practicable, equivalent to the old Award (before giving effect to any acceleration of the exercisability or the expiration of the Restriction Period), taking into account, to the extent applicable, the kind and amount of securities, cash, or other assets into or for which the Shares may be changed, converted, or exchanged in connection with such Change of Control.
