PROXY STATEMENT FOR 2019 ANNUAL MEETING OF STOCKHOLDERS To Be Held on Wednesday, May 29, 2019 at 11:00 a.m. Pacific Time

INFORMATION CONCERNING SOLICITATION AND VOTING

General

Our Board of Directors (the **Board**) is soliciting proxies for the 2019 Annual Meeting of Stockholders (the **2019 Annual Meeting**) to be held at our executive offices at 1011 McCarthy Boulevard, Milpitas, California 95035 on Wednesday, May 29, 2019, at 11:00 a.m., Pacific Time. Our telephone number at this address is 408-510-6100. This proxy statement contains important information for you to consider when deciding how to vote on the matters set forth in the attached Notice of Annual Meeting of Stockholders. Please read it carefully.

Beginning on April 9, 2019, we sent copies of this proxy statement or made them available to persons who were stockholders at the close of business on April 1, 2019, the record date for the 2019 Annual Meeting.

Notice of Internet Availability of Proxy Materials

Pursuant to Securities and Exchange Commission (the **SEC**) rules and regulations, we have chosen to provide access to our proxy materials over the Internet. We are sending a Notice of Internet Availability of Proxy Materials (the **Notice**) to our stockholders and beneficial owners of our stock as of the record date. All stockholders will have the option to access the proxy materials on the website referred to in the Notice or to request a printed set of the proxy materials. We have included in the Notice instructions how to access the proxy materials over the Internet or to request a printed copy of the proxy materials. You may also request to receive proxy materials on an ongoing basis in printed form by mail or electronically by e-mail.

The Notice will provide you with instructions how to:

- view on the Internet our proxy materials for our 2019 Annual Meeting;
- instruct us to send our future proxy materials to you electronically by e-mail; or
- instruct us to send these proxy materials to you by mail, as well as on an ongoing basis.

Electronic Access to Proxy Materials

Choosing to receive proxy materials by e-mail will save us the cost of printing and mailing the proxy materials to you and, by avoiding such printing and mailing, will reduce the environmental impact of our 2019 Annual Meeting and future meetings. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year in connection with the 2020 annual meeting of stockholders with instructions, including a link to the proxy materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it by following the instructions contained in the proxy materials.

Costs of Solicitation

We will pay the costs of soliciting proxies from stockholders. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses to forward solicitation materials to such beneficial owners, including fees associated with:

- forwarding the Notice to beneficial owners;
- forwarding printed proxy materials by mail to beneficial owners who specifically request them; and
- obtaining beneficial owners' voting instructions.

Certain of our directors, officers and employees may solicit proxies on our behalf, without additional compensation, personally or by written communication, telephone, facsimile or other electronic means.

Record Date and Shares Outstanding

The record date for the 2019 Annual Meeting is April 1, 2019. Only stockholders of record at the close of business on April 1, 2019, are entitled to attend and vote at the 2019 Annual Meeting. On the record date, 56,329,325 shares of our common stock were outstanding.

TABLE OF CONTENTS

QUESTIONS AND ANSWERS REGARDING OUR ANNUAL MEETING

Although we encourage you to read this proxy statement in its entirety, we include this question and answer section to provide some background information and brief answers to several questions you may have about the 2019 Annual Meeting or this proxy statement.

Q: Why am I receiving these proxy materials?

A: Our Board of Directors is providing these proxy materials to you in connection with our 2019 Annual Meeting to be held on May 29, 2019. We invite stockholders to attend the 2019 Annual Meeting and to vote on the proposals described in this proxy statement.

Q: What is the Notice of Internet Availability?

A: In accordance with SEC rules and regulations, instead of mailing a printed copy of our proxy materials to all stockholders entitled to vote at the 2019 Annual Meeting, we are furnishing the proxy materials to our stockholders over the Internet. If you received a Notice by mail, you will not receive a printed copy of the proxy materials. Instead, the Notice will instruct you how to access and review the proxy materials and submit your vote via the Internet. If you received a Notice by mail and would like to receive, instead, a printed copy of the proxy materials, please follow the instructions included in the Notice to request such materials.

We mailed the Notice on or about April 9, 2019, to all stockholders entitled to vote at the 2019 Annual Meeting. As of the date of mailing of the Notice, all stockholders and beneficial owners will have the ability to access all our proxy materials on the website referred to in the Notice. These proxy materials will be available free of charge.

Q: What proposals will be voted on at the 2019 Annual Meeting?

A: There are two proposals scheduled to be voted on at the 2019 Annual Meeting:

- a proposal to elect the three Class II nominees for director set forth in this proxy statement; and
- a proposal to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019.

Q: What is Aerohive's voting recommendation?

A: Our Board of Directors recommends that you vote your shares **FOR** election of the three Class II nominees to our Board of Directors and **FOR** the proposed ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

Q: Who can vote at the 2019 Annual Meeting?

A: Our Board of Directors has set April 1, 2019 as the record date for the 2019 Annual Meeting. All stockholders who owned our common stock at the close of business on April 1, 2019 may attend and vote at the 2019 Annual Meeting. For each share of common stock held as of the record date the stockholder is entitled to one vote on each proposal to be voted on. Stockholders do not have the right to cumulate votes. On April 1, 2019, 56,329,325 shares of our common stock were outstanding.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record — If your shares are registered directly in your name with our transfer agent, Computershare, you are considered the stockholder of record with respect to those shares and we have sent the Notice directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person by ballot at the 2019 Annual Meeting.

Beneficial Owners — If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name. In such instance, your broker, bank or other nominee is considered, with respect to those shares, the stockholder of record and they will have forwarded the Notice to you. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote and you are also invited to attend the 2019 Annual Meeting. However, since you are not

TABLE OF CONTENTS

the stockholder of record, you may not vote these shares in person by ballot at the 2019 Annual Meeting unless you request and receive in advance of the 2019 Annual Meeting a legal proxy from the broker, bank or other nominee who holds your shares.

Q: How many votes does Aerohive need to hold the 2019 Annual Meeting?

A: 28,164,663 shares, which is a majority of our outstanding shares as of the record date, must be present in person or represented by proxy at the 2019 Annual Meeting in order for us to hold the meeting and to conduct business. This is called a quorum. We count both abstentions and broker non-votes as present to determine the presence of a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

In addition, we will also count your shares as present at the meeting if you:

- are present and vote in person by ballot at the meeting; or
- have properly submitted a proxy card or voting instruction form, or, if available, properly voted via the Internet or by telephone.

Q: What is the voting requirement to approve each of the proposals?

A: Proposal One — The election of directors requires a plurality vote of the shares of common stock voted at the meeting. **Plurality** means that the three individuals who receive the largest number of votes cast **FOR** are elected as directors. As a result, any shares not voted **FOR** a particular nominee (whether because of a stockholder abstention or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election. You may vote either **FOR** or **WITHHOLD** on each of the three Class II nominees for election as director. Please see the question below, titled "How is Aerohive's Policy on Majority Voting applied in the election of directors?" for additional information on director elections.

A: Proposal Two — We require the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm. You may vote **FOR**, **AGAINST** or **ABSTAIN** on Proposal Two. Abstentions are deemed to be votes cast and have the same effect as a vote against the proposal. However, broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of the voting results on the proposal.

Q: How is Aerohive's Policy on Majority Voting applied in the election of directors?

A: In February 2019 our Board adopted a policy concerning voting thresholds for incumbent directors. Under this policy, in an uncontested election any nominee for director who receives a greater number of votes withheld from his or her election than votes for such election will, promptly following the certification of the stockholder vote, offer his or her resignation as a director. Our Board will then consider that offer of resignation in accordance with the procedures established in the Policy on Majority Voting. If our Board determines the resignation offer to be appropriate and in the best interests of our company and our stockholders, our Board will accept that resignation.

We make available a copy of the Policy on Majority Voting in the Corporate Governance section of the Investors page of our website at <http://ir.aerohive.com>. For additional information on the Policy on Majority Voting, see the section of this proxy statement captioned "Policy on Majority Voting" under "Relevant Governance Policies," below.

Q: Who counts the votes?

A: The inspector of elections will tabulate and certify votes cast by proxy or in person at the 2019 Annual Meeting. The inspector of elections will also determine whether a quorum is present. One of our representatives will serve as the inspector of elections.

Q: What happens if I do not cast a vote?

A: *Stockholders of Record* — If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the proposals at the 2019 Annual Meeting. However, if you submit a signed and dated proxy card with no further instructions, we will vote your shares in accordance with the

TABLE OF CONTENTS

recommendation of our Board of Directors. The named proxies will vote as our Board of Directors recommends FOR the nominated directors (Proposal One) and FOR ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2019 (Proposal Two). If a matter not described in this proxy statement is properly presented at the 2019 Annual Meeting, the named proxy holders will use their own judgment to determine how to vote the shares.

Beneficial Owners — If you hold your shares in street name it is critical that you cast your vote if you want it to count in the election of directors (Proposal One). If you do not indicate how you want your shares voted on such proposal, your bank, broker or other nominee will not cast any votes on your behalf as they will not be allowed to vote those shares on a discretionary basis. However, your bank, broker or other nominee will continue to have discretion to vote any uninstructed shares on the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm (Proposal Two).

Q: How can I vote my shares in person at the 2019 Annual Meeting?

A: You may vote in person by ballot at the 2019 Annual Meeting any shares that you hold as of the record date directly in your name as the stockholder of record. If you choose to vote in person, please bring your proxy card or proof of identification to the 2019 Annual Meeting. Even if you plan to attend the 2019 Annual Meeting, we recommend that you vote your shares in advance, as described below, so that your vote will be counted if you later decide not to attend the 2019 Annual Meeting. If you hold your shares in street name, you must request and receive in advance of the 2019 Annual Meeting a legal proxy from your broker, bank or other nominee. Please bring that document with you to vote in person by ballot at the 2019 Annual Meeting.

Q: How can I vote my shares in advance, without attending the 2019 Annual Meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the 2019 Annual Meeting. If you are a stockholder of record, you may vote by submitting a proxy; please refer to the voting instructions in the Notice or below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or other nominee; please refer to the voting instructions provided to you by your broker, bank or other nominee.

Internet — Stockholders of record with Internet access may submit proxies until 11:59 p.m., Eastern Time, on Tuesday, May 28, 2019, by following the **Vote by Internet** instructions on the Notice or by following the instructions at www.proxyvote.com.

Telephone — If you request a printed set of the proxy materials, you will be eligible to submit your vote by telephone until 11:59 p.m., Eastern Time, on Tuesday, May 28, 2019, by following the telephone voting instructions on your proxy card.

Mail — If you request a printed set of the proxy materials, you may indicate your vote by signing and dating the proxy card where indicated and by returning it in the prepaid envelope that will be provided.

Q: How can I change or revoke my vote?

A: Subject to any rules your broker, bank or other nominee may have, you may change your proxy instructions at any time before your proxy is voted at the 2019 Annual Meeting.

Stockholders of Record — If you are a stockholder of record, you may change your vote by (1) filing with our corporate secretary, prior to your shares being voted at the 2019 Annual Meeting, a written notice of revocation or a duly

executed new proxy card, in either case dated later than the prior proxy relating to the same shares, or (2) attending the 2019 Annual Meeting and voting in person by ballot (although attendance at the 2019 Annual Meeting will not, by itself, revoke a proxy). Our corporate secretary must receive your written notice of revocation or new proxy card prior to the taking of the vote at the 2019 Annual Meeting. Such written notice of revocation or new proxy card should be hand-delivered to our corporate secretary or should be sent to be timely delivered to our principal executive offices at 1011 McCarthy Boulevard, Milpitas, California 95035, Attention: Corporate Secretary.

In addition, a stockholder of record may also change his, her or its vote by making a timely and valid Internet or telephone vote no later than 11:59 p.m., Eastern Time, on Tuesday, May 28, 2019.

Beneficial Owners — If you are a beneficial owner of shares held in street name, you may change your vote (1) by submitting new voting instructions to your broker, bank or other nominee no later than 11:59 p.m.,

TABLE OF CONTENTS

Eastern Time, on Tuesday, May 28, 2019, or (2) if you have obtained from the broker, bank or other nominee who holds your shares a legal proxy giving you the right to vote the shares, by attending the 2019 Annual Meeting, presenting the legal proxy and voting in person.

Q: Where can I find the voting results of the 2019 Annual Meeting?

A: We will announce the preliminary voting results at the 2019 Annual Meeting. We will report the results in a current report on Form 8-K that we will file within four business days after the date of the 2019 Annual Meeting.

Q: Who are the proxies and what do they do?

A: Our Board of Directors designated the two persons named as proxies on the proxy card, Steve Debenham and John D Addabbo. Where you, as stockholder of record, provide voting instructions in the proxy card, the named proxies will cast votes in accordance with the instructions as indicated on the proxy card. If you are a stockholder of record and submit a signed and dated proxy card, but do not indicate your voting instructions, the named proxies will vote as our Board of Directors recommends **FOR** the nominated directors (Proposal One) and **FOR** ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019 (Proposal Two). If a matter not described in this proxy statement is properly presented at the 2019 Annual Meeting, the named proxy holders will use their own judgment to determine how to vote the shares. If the 2019 Annual Meeting is adjourned, the named proxy holders can vote the shares on the new 2019 Annual Meeting date as well, unless you have properly revoked your proxy instructions, as described above.

Q: What should I do if I receive more than one Notice or set of proxy materials?

A: If you receive more than one Notice or set of proxy materials it is because your shares are registered in more than one name or brokerage account. Please follow the voting instructions on each Notice or voting instruction form you receive to ensure that your shares are voted.

Q: How may I obtain a separate set of proxy materials?

A: When more than one stockholder shares the same address each stockholder may not individually receive a separate copy of the proxy materials. Stockholders who do not receive a separate copy of the proxy materials may request to receive a separate copy of the proxy materials by contacting our corporate secretary (i) by mail at 1011 McCarthy Boulevard, Milpitas, California 95035, (ii) by calling us at 408-510-6100, or (iii) by sending an email to corporatesecretary@aerohive.com. Alternatively, stockholders who share an address and receive multiple copies of our proxy materials may request to receive a single copy by following the instructions above.

Q: Is my vote confidential?

A: We handle proxy instructions, ballots and voting tabulations that identify individual stockholders in a manner that protects your voting privacy. We will not disclose your vote either within Aerohive or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, or (3) to facilitate a proxy solicitation by our Board of Directors. However, we will forward to our management written comments which stockholders may provide on their proxy cards.

Q: What is the deadline to propose actions for consideration at the 2020 annual meeting of stockholders or to nominate individuals to serve as directors at that annual meeting?

A: Our stockholders may submit proposals that they believe should be voted upon at our next year's annual meeting in 2020 or nominate persons for election to our Board of Directors at that meeting (see **Stockholder Proposals**). Stockholders may also recommend candidates to our Board of Directors for election at that meeting (see **Recommendation and Nomination of Director Candidates**).

Stockholder Proposals:

For a stockholder proposal to be considered for inclusion in our proxy statement for the 2020 annual meeting, our corporate secretary must receive the written proposal at our principal executive offices no later than December 11, 2019. If the date of the 2020 annual meeting is moved more than 30 days before or after the first anniversary date of the 2019 Annual Meeting, the deadline for inclusion of proposals in our proxy statement for

TABLE OF CONTENTS

the 2020 Annual Meeting is instead a reasonable time before we begin to print and mail our proxy materials for the 2020 Annual Meeting. Such proposals also will need to comply with SEC regulations under Rule 14a-8 regarding stockholder proposals. When a stockholder does not seek to include a proposal in our 2020 proxy statement pursuant to Rule 14a-8, the stockholder may nonetheless timely deliver the proposal to us for the 2020 annual meeting consistent with the requirements of our Bylaws. To be timely under our Bylaws, our corporate secretary must receive such stockholder's notice not more than 75 days and not less than 45 days prior to the one-year anniversary of the date we first mailed our proxy materials or a notice of availability of proxy materials (whichever is earlier) to stockholders in connection with our previous year's annual meeting of stockholders. For the 2020 annual meeting, the notice must be received no earlier than January 25, 2020 and no later than February 24, 2020. However, if the date of the 2020 annual meeting is moved more than 30 days before or more than 60 days after the one-year anniversary date of this year's 2019 Annual Meeting, then to be timely under our Bylaws our corporate secretary must receive the notice not earlier than the 120th day prior to the 2020 annual meeting and not later than the close of business on the later of the 90th day prior to the 2020 annual meeting or the 10th day following the day on which we first publicly announce the date of the 2020 annual meeting. To be in proper form, a stockholder's notice to us must set forth the information required in Section 2.4 of our Bylaws.

In no event shall any adjournment or postponement of an annual meeting or the announcement thereof commence a new time period for the giving of a stockholder's notice, as described in Section 2.4 of our Bylaws.

As described in our Bylaws, the stockholder's submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the stockholder's ownership of our common stock. If a stockholder gives notice of such a proposal after the deadline computed in accordance with our Bylaws, the stockholder will not be permitted to present the proposal to our stockholders for a vote at the 2020 annual meeting.

Recommendation and Nomination of Director Candidates:

The nominating and corporate governance committee of our Board of Directors will consider recommendations and nominations from Qualifying Stockholders for candidates to our Board of Directors. A **Qualifying Stockholder** is a stockholder that has owned for at least the one-year period prior to the date of the submission of the recommendation at least one percent of our company's total common stock outstanding as of the last day of the calendar month preceding the submission. A Qualifying Stockholder that desires to recommend a candidate for election to the Board must timely deliver the recommendation to us in writing, and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, details regarding any shares of our stock which the nominee holds as of the time of the submission, evidence of the nominating person's ownership of our common stock, a description of any arrangement between the stockholder and the nominee, and a written statement from the nominee acknowledging that, if elected, the nominee will serve his or her term as director and will owe a fiduciary duty to our company and our stockholders.

TABLE OF CONTENTS**BOARD OF DIRECTORS AND CORPORATE GOVERNANCE**

Our Board of Directors directs the management of our business affairs, and its directors are divided into three classes with staggered three-year terms. At each annual meeting of our stockholders, a class of directors will be elected for a three-year term to succeed the same class whose term is then-expiring. Christopher J. Schaepe provided us with notice on April 3, 2019, of his resignation from our Board of Directors and its committees, effective immediately. Mr. Schaepe's resignation was not due to any disagreement with the company or our management. We and our Board of Directors acknowledge with gratitude Mr. Schaepe's years of service as a director and colleague and the invaluable support and contributions he has provided to us.

As discussed below, of the current seven members of our Board (giving effect to Mr. Schaepe's resignation), six are independent within the meaning of the listing rules of the New York Stock Exchange, or NYSE, and SEC independent director requirements. Our Board of Directors also determined that Christopher Schaepe was an independent director as defined under the NYSE and SEC requirements, rules and regulations, with respect to his period of service on our Board and its committees.

The following table sets forth the names and ages as of April 4, 2019, and certain other information for each of the directors with terms expiring at the 2019 Annual Meeting (and who are also nominees for election as a director at the 2019 Annual Meeting), and for each of the continuing directors:

Director Independence

Our common stock is listed on the NYSE, and trades under the symbol **HIVE**. Under NYSE rules, independent directors must comprise a majority of a listed company's board of directors and a director will only qualify as an independent director if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended. To be considered independent for purposes of Rule 10A-3, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee: (1) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries; or (2) be an affiliated person of the listed company or any of its subsidiaries.

Our Board of Directors reviewed the independence of each director and considered whether each director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board determined that Ingrid Burton, Remo Canessa, Curtis E. Garner, Frank J. Marshall, Conway Todd Rulon-Miller, and John Gordon Payne, comprising six of our seven current directors, was each an independent director as defined under the NYSE and SEC requirements, rules and regulations. Our Board of Directors also determined that Christopher Schaepe was an independent director as defined under the NYSE and SEC requirements, rules and regulations, with respect to his period of service on our Board and its committees.

With respect to Mr. Rulon-Miller, the Board specifically considered our continuing employment of Mr. Rulon-Miller's son, Michael Rulon-Miller, who has been regularly employed in our sales organization since December 2014. With respect to Mr. Garner, the Board specifically considered our ongoing business relationship with Chipotle Mexican Grill, which is one of our current end-user customers and for whom Mr. Garner began serving in November 2015 as

its Chief Information Officer and in March 2017 as its Chief Digital Officer. The Board has concluded that our employment of Mr. Rulon-Miller's son, and business relationship with Chipotle Mexican Grill were not during the relevant periods material relationships that would impede the exercise of independent judgment by Messrs. Rulon-Miller or Garner, and their abilities to serve on our Board and its compensation and audit committees, respectively.

Board Leadership Structure

Mr. Flynn currently serves as both chair of our Board of Directors and as our CEO. Our Board believes that the current Board leadership structure provides effective independent oversight of management while also

allowing our Board of Directors and management to benefit from Mr. Flynn's leadership and years of experience as an executive in the data networking industry. Mr. Flynn is best positioned to identify strategic priorities, lead critical discussions and execute our strategy and business plans. Mr. Flynn possesses detailed in-depth knowledge of the issues, opportunities, and challenges facing us.

Independent directors and management sometimes have different perspectives and roles in strategy development. Accordingly, our Board determined that it would be beneficial to have a lead independent director to, among other things, preside over executive sessions of the independent directors to provide the Board with the benefit of having the perspective of entirely independent directors. Our Board has appointed Frank J. Marshall to serve as our lead independent director. As lead independent director, Mr. Marshall presides over periodic meetings of our independent directors, serves as a liaison between our chair and the independent directors, and performs such additional duties as our Board may otherwise determine and delegate.

Risk Management

Our executive officers and senior management are responsible for the day-to-day management of risks that we may face as a company, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In this oversight role, the Board is responsible for satisfying itself that the risk management processes which our management designs and implements are adequate and function as designed. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various standing committees that address risks inherent in their respective areas of oversight. For example, the audit committee has the responsibility to consider major financial risk exposures and oversee the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which we undertake risk assessment and management. The audit committee also monitors compliance with legal and regulatory requirements and listing requirements, including the work required for internal audit compliance, as well as the company's efforts to manage and monitor risks associated with cyber security and data privacy. Our compensation committee assesses and monitors our compensation policies and programs, including specifically our equity programs. Our nominating and corporate governance committee monitors the conduct and effectiveness of our Board and its committees, and adherence to our corporate governance guidelines. Our Board is generally responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for our company.

Board Meetings and Committees

During 2018, our Board of Directors and its committees held 28 meetings (including regularly scheduled and special meetings). Each current director attended at least 75 percent of the aggregate of (i) the total number of meetings our Board held during the period for which he or she served as a director and (ii) the total number of meetings held by all committees of our Board on which he or she served during the periods that he or she served.

It is the policy of our Board of Directors to regularly have separate meetings for independent directors, without management participating.

We do not have a formal policy regarding attendance by members of our Board at annual meetings of stockholders. Nonetheless, we encourage our directors to attend.

Our Board of Directors has an audit committee, a compensation committee, and a nominating and corporate governance committee, each of which has the composition and responsibilities described below. Our Board of Directors may also exercise its responsibilities by means of special committees it may form from time-to-time. Members serve on these committees until their resignation or until otherwise determined by our Board.

Audit Committee

Messrs. Canessa, Garner and Payne, each of whom is a non-employee member of our Board, comprise our audit committee. Mr. Canessa is the chair of the audit committee. Our Board has determined that Mr. Canessa qualifies as an audit committee financial expert, as defined in the SEC rules, and satisfies the NYSE financial sophistication requirements. Our Board has determined that Messrs. Canessa, Garner and Payne each satisfies the NYSE and SEC requirements, rules and regulations for independence and financial literacy. We believe that the functioning of our audit committee complies with applicable NYSE and SEC requirements, rules and regulations.

We believe that the functioning of our compensation committee complies with the NYSE and SEC requirements, rules and regulations.

The compensation committee is responsible for, among other things:

- reviewing and approving our CEO's and other executive officers' annual base salaries and incentive compensation plans, including the specific goals and amounts; equity compensation, employment agreements, severance arrangements and change in control agreements, and any other benefits, compensation or arrangements;

Ms. Burton joined our nominating and corporate governance committee as of April 3, 2019 (replacing Mr. Schaepe). Mr. Marshall is the chair of our nominating and corporate governance committee. Compensation Committee Interlocks and Insider Participation

None of Ms. Burton or Messrs. Canessa, Rulon-Miller or Payne, the members of our compensation committee, is or has been (and Mr. Schaepe was not, during his period of service on the committee) an officer or employee of our company. None of our executive officers currently serves, or in the past year has served, as a member of the compensation committee or as a director (or other committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of any entity that has one or more executive officers serving on our compensation committee or our Board.

Considerations in Evaluating Director Nominees

The nominating and corporate governance committee will consider candidates whom stockholders recommend to the committee in the same manner as candidates whom other sources recommend. The committee uses the following procedures to identify and evaluate any individual recommended or offered for nomination to the Board.

- In its evaluation of director candidates, including the members of the Board eligible for re-election, the committee will consider the following:
 - the size and composition of the Board, the needs of the Board and the respective committees of the Board;
 - such factors as character, integrity, judgment, diversity (including, but not limited to, gender, ethnicity, race and international background), experience, independence, area of expertise, corporate experience,
 - length of service, potential conflicts of interest, and other commitments. The committee evaluates these factors, among others, and does not assign any particular weighting or priority to any of these factors; and
 - other factors that the committee may consider appropriate.

- The committee requires the following minimum qualifications to be satisfied by any nominee for a position on the Board:
 - personal and professional ethics and integrity;
 - proven achievement and competence in the nominee's field and the ability to exercise sound business judgment;

TABLE OF CONTENTS

- skills which are complementary to those of the existing members of our Board;
- skills which are complementary to our business objectives and operating initiatives;
- the ability to assist and support management and make significant contributions to our success; and
- an understanding of the fiduciary responsibilities that are required of a member of the Board and the ability to commit the time and energy necessary to carry out those responsibilities diligently.

If the committee determines that an additional or replacement director is required, the committee may take such measures that it considers appropriate in connection with its evaluation of a director candidate, including candidate interviews, inquiry of the person or persons making the recommendation or nomination, engagement of an outside executive search firm to gather additional information, or reliance on the knowledge of the members of the committee, the Board or management. During the year ended December 31, 2018, we engaged an outside search firm to identify potential nominees for appointment as a director to our Board. In conjunction with Ms. Burton's appointment to our Board in March 2019, we paid a fee to this outside search firm.

Stockholder Recommendations for Nominations to the Board of Directors

The nominating and corporate governance committee will consider both recommendations and nominations from Qualifying Stockholders for candidates to the Board. A Qualifying Stockholder that desires to recommend a candidate for election to the Board must timely deliver the recommendation to us in writing, and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, details regarding any shares of our stock which the nominee holds as of the time of the submission, evidence of the nominating person's ownership of our common stock, a description of any arrangement between the stockholder and the nominee, and a written statement from the nominee acknowledging that, if elected, the nominee will serve his or her term as director and will owe a fiduciary duty to our company and our stockholders.

A stockholder that instead desires to nominate a person directly for election to our Board must meet the deadlines and other requirements set forth in Section 2.4 of our Bylaws and the SEC's rules and regulations. To be timely, our corporate secretary must receive such stockholder's notice not more than 75 days and not less than 45 days prior to the one-year anniversary of the date we first mailed our proxy materials or a notice of availability of proxy materials (whichever is earlier) to stockholders in connection with our previous year's annual meeting of stockholders. For the 2020 annual meeting, the notice must be received no earlier than January 25, 2020 and no later than February 24, 2020. However, if the date of the 2020 annual meeting is advanced more than 30 days before or more than 60 days after the anniversary date of this year's 2019 Annual Meeting, then to be timely our corporate secretary must receive the notice not earlier than the 120th day prior to the 2020 annual meeting and not later than the close of business on the later of the 90th day prior to the 2020 annual meeting or the 10th day following the day on which we first publicly announce the date of the 2020 annual meeting. To be in proper form, a stockholder's notice must set forth the information required by Section 2.4 of our Bylaws.

Corporate Governance Guidelines and Code of Business Conduct and Ethics

Our Board of Directors has adopted Corporate Governance Guidelines. These guidelines address, among other items, the responsibilities of our directors, the structure and composition of our Board and corporate governance policies and standards applicable to us in general. In addition, our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all our employees, officers and directors, including our CEO and senior financial officers. We have posted the full text of our Corporate Governance Guidelines and Code of Business Conduct and Ethics in the Corporate Governance section of the Investors page of our website at <http://ir.aerohive.com>. We will post on the same website any amendments to our Code of Business Conduct and Ethics or waivers of our Code of Business Conduct and Ethics for directors and CEO and senior financial officers.

Recent Governance Changes

In February 2019, our Board of Directors approved and confirmed the following policies, guidelines and prohibitions relating to our corporate governance:

Majority Voting Policy. Any nominee who receives, in an uncontested election a greater number of votes withheld from his or her election than votes for such election will, promptly following the certification of the stockholder vote, offer his or her resignation as a director. Our Board will then consider that offer of resignation in accordance with the procedures established in the Policy on Majority Voting. If our Board determines the resignation offer to be appropriate and in the best interests of our company and our stockholders, our Board will accept that resignation.

For additional information on the Policy on Majority Voting, see the section of this proxy statement captioned Policy on Majority Voting under Relevant Governance Policies, below.

Over-Boarding. Directors are required to advise the Board prior to accepting a directorship with any other public company, and are prohibited from serving on more than three additional public company boards without the Board's approval. If any director serves as a chief executive officer and director of a public company (including but not limited to our company), such director shall not serve on more than two additional public company boards without the approval of the Board;

Diversity as a Director Nominating Criteria. Our nominating and corporate governance committee shall consider specifically a candidate's diversity (including, but not limited to, gender, ethnicity, race and international background) when considering the candidate's qualifications to serve on our Board.

We have posted these policies, guidelines and prohibitions in the Corporate Governance section of the Investors page of our website at <http://ir.aerohive.com>.

Policy on Majority Voting

In February 2019, our Board of Directors adopted a Policy on Majority Voting, which applies to any uncontested director election (that is, an election where the number of nominees is not greater than the number of directors to be elected). The director election at the 2019 Annual Meeting will be uncontested. Accordingly, the Policy on Majority Voting will apply.

Under the policy, any nominee for director in an uncontested election who receives a greater number of votes withheld from his or her election than votes for such election will, promptly following certification of the stockholder vote, offer his or her resignation to our Board for consideration in accordance with the procedures in the Policy on Majority Voting. In these instances, our Board of Directors, through its Qualified Independent Directors (as defined in the policy), will evaluate the best interest of our company and our stockholders and will decide the action to be taken with respect to such offered resignation. Such action may include, without limitation: (1) accepting the resignation; (2)

accepting the resignation effective as of a future date not later than 180 days following certification of the stockholder vote; (3) rejecting the resignation but addressing what the Qualified Independent Directors believe to have been the underlying cause of the withheld votes; (4) rejecting the resignation but resolving that the director will not be nominated in the future for election; or (5) rejecting the resignation. Our Board must complete its consideration within 90 days following the certification of the stockholder vote.

TABLE OF CONTENTS

In reaching their decision, the Qualified Independent Directors will consider any factors they deem to be relevant, including: (1) any stated reasons why stockholders withheld votes from such director; (2) the extent to which the withheld votes exceed the votes for the election of the director and whether the withheld votes represent a majority of our outstanding shares of common stock; (3) any alternatives for curing what the Qualified Independent Directors reasonably understand to be the underlying cause of the withheld votes; (4) the director's tenure and the continued value to the Board of Directors of the director's familiarity with and understanding of the Board of Directors, its functions, and our business, operations and strategic objectives; (5) the director's qualifications; (6) the director's past and expected future contributions to Aerohive and the Board of Directors; (7) the overall composition of the Board of Directors, including whether accepting the resignation would cause us to fail, or potentially to fail, to comply with any applicable law, or NYSE or SEC rules; and (8) whether such director's continued service on our Board for a specified period of time would be appropriate in light of current or anticipated events involving Aerohive.

Following the Board of Directors' determination, we will, within four business days, disclose publicly the Board of Directors' decision as to whether to accept the resignation offer in a document furnished or filed with the SEC.

We make available a copy of the Policy on Majority Voting in the Corporate Governance section of the Investors page of our website at <http://ir.aerohive.com>.

Director Compensation

Our Outside Director Compensation Policy for our non-employee directors provides for fixed cash payments to be made quarterly for service on our Board and its committees. Under the policy, an additional cash payment is available to our non-employee directors who serve as chairs of our Board's respective committees and to the lead independent director. Our Board last amended the policy, effective January 30, 2019, to adjust the value of equity awarded to a new member upon his or her appointment to our Board. We show in the following table the annual cash fees payable to the chairs and members of the three standing committees of our Board and our lead independent director:

Member of the Board	\$ 30,000
Lead Independent Director	\$ 15,000
Chair of Audit Committee	\$ 20,000
Member of Audit Committee (excluding committee chair)	\$ 10,000
Chair of Compensation Committee	\$ 12,000
Member of Compensation Committee (excluding committee chair)	\$ 6,000
Chair of Nominating and Corporate Governance Committee	\$ 7,500
Member of Nominating and Corporate Governance Committee (excluding committee chair)	\$ 3,750

Under the Outside Director Compensation Policy, all our non-employee directors are also eligible to receive upon their appointment as a director an initial equity award and, thereafter, in conjunction with their continuing service as a director, annual equity awards, each in the form of restricted stock unit (**RSU**) awards.

We also reimburse our directors for expenses associated with attending meetings of our Board and its committees.

Directors who are also our employees receive no additional compensation for their service as a director. During the year ended December 31, 2018, two directors, Mr. Flynn, our President, CEO and chair of our Board, and Mr. Liu, our former CTO, were employees. Mr. Flynn's compensation is discussed in the section titled **Executive Compensation**. Mr. Liu resigned as an employee effective March 15, 2018, and as a director effective July 31, 2018. During his employment, Mr. Liu was compensated in conjunction with his employment, but he did not receive any additional compensation during that period for services provided as a director. During the incremental period following his

resignation as an employee but prior to his resignation as a director, Mr. Liu received cash fees payable to non-employee directors and continued as a service provider to vest under equity grants existing as of the date of his employment resignation.

The amounts in the Fees Earned or Paid in Cash column reflect fees the directors earned pursuant to the Outside Director Compensation Policy for services during 2018 as a member of our Board of Directors and/or its committees.

(1) As provided in the Outside Director Compensation Policy, each outside director having served on our Board for at least six (6) months prior to our 2018 Annual Meeting of Stockholders automatically received on May 23, 2018, in conjunction with his election or continuance of service as a director at or as of such meeting, an annual award in the form of restricted stock units (**Annual RSU Award**) under our 2014 Equity Incentive Plan, as amended and restated (the **2014 Plan**). The shares of our common stock subject to the Annual RSU Award vest in lump sum as of the earlier of (a) the one-year anniversary of the Annual RSU Award's grant date, or (b) the date immediately preceding the next annual meeting of our stockholders after such Annual RSU Award's grant date, subject to continued service through such vesting date. The amounts in the Stock Awards column reflect the aggregate grant-date fair value of such stock awards computed in accordance with FASB ASC Topic 718. We discuss the assumptions that we used to calculate these amounts in Note 8 to our financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2018, and incorporated by reference herein.

(2) The amount shown as Fees represents cash fees payable to Mr. Liu as a non-employee director during the incremental period following his resignation as an employee effective March 15, 2018 but prior to his resignation as a director effective July 31, 2018, Mr. Liu did not receive any stock awards in conjunction with his service as a director.

(3) Mr. Schaepe resigned from our Board of Directors and its committees, effective April 3, 2019.

See **Executive Compensation** for information about the compensation of directors who are also our named executive officers.

The amounts in this column represent the shares of our common stock underlying the awards of restricted stock units (each, an **RSU Award**) in the form of an Annual RSU Award granted on May 23, 2018 under the 2014 (1) Plan. All the shares of our common stock subject to the awards vest in full on the earlier of (a) the one-year anniversary of the grant date or (b) the date immediately preceding the next annual meeting of our stockholders after such grant date, subject to continued service through such respective date.

- (2) This amount reflects the fair market value of our common stock of 3.26 per share as of December 31, 2018, multiplied by the number shown in the column for the Number of Shares or Units of Stock that have Not Vested. As of December 31, 2018, Mr. Canessa held (i) an option to purchase 66,920 shares of our common stock at an exercise price of \$9.58 per share, which is fully vested, and (ii) an Annual RSU Award covering 30,352 shares of

- (5) Mr. Liu resigned as a director, effective July 31, 2018. Mr. Liu did not receive any stock awards in conjunction with his service as a director, and did not hold any outstanding equity awards as of December 31, 2018. As of December 31, 2018, Mr. Marshall held an Annual RSU Award covering 30,352 shares of our common

- As of December 31, 2018, Mr. Rulon-Miller held (i) an option to purchase 40,000 shares of our common stock at an exercise price of \$6.00 per share, which is fully vested, and (ii) an Annual RSU Award covering 30,352 shares

- (9) service through such respective date. Mr. Schaepe resigned from our Board of Directors and its committees, effective April 3, 2019. Consequently, all 30,352 shares of our common stock underlying the RSU Award, above, and subject to further vesting, are deemed cancelled as of that date.

Under our Outside Director Compensation Policy, in the event of a change of control (as defined in the respective equity plan), all shares of our common stock subject to then-unvested equity awards to our non-employee directors are automatically deemed vested in full.

Our Equity Compensation Plans

We provide to our directors and employees, including our officers, opportunities to participate in the appreciation of the value of our common stock through two equity plans: our 2014 Plan and our 2014 Employee Stock Purchase Plan (as amended, the **ESPP**), except that non-employee directors are not eligible to participate in the ESPP. These plans also assist us in recruiting, retaining and motivating qualified personnel who help us achieve our business goals, including creating long-term value for stockholders.

The 2014 Plan is intended to enable us to attract and retain the best available personnel; to provide additional incentives to employees, directors, and consultants; and to promote the success of our business. We provide these incentives in part through the grant of stock options, stock appreciation rights, restricted stock, restricted stock units, performance units, and performance shares as the plan administrator (as defined below) may determine. Our ESPP is intended to offer a significant incentive by allowing our employees and employees of our subsidiaries to purchase shares of our common stock through accumulated payroll deductions or other contributions that we may permit.

Our Board of Directors adopted, and our stockholders approved, the 2014 Plan and the ESPP prior to our IPO, and the 2014 Plan and the ESPP each became effective in connection with our IPO in March 2014. We previously provided equity incentives under our 2006 Global Share Plan (the **2006 Plan**), which we terminated in conjunction with the adoption of the 2014 Plan.

In 2018, we granted equity awards in the form of RSU Awards under the 2014 Plan covering an aggregate of 3,570,032 shares of our common stock, which number of shares, offset by 1,702,453 shares returned to the 2014 Plan during the year following forfeitures and cancellations, equaled a net grant of 1,867,579 shares representing approximately three percent of the 55,867,619 total shares outstanding as of December 31, 2018. In 2017, we granted equity awards in the form of RSU Awards under the 2014 Plan covering an aggregate of 3,492,340 shares of our common stock, which number of shares, offset by 3,462,198 shares returned to the 2014 Plan during the year following forfeitures and cancellations, equaled a net grant of 30,142 shares representing less than one percent of the 54,171,498 total shares outstanding as of December 31, 2017.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

Our Board of Directors currently comprises seven members. In accordance with our certificate of incorporation, our Board is divided into three classes with staggered three-year terms. At the 2019 Annual Meeting, three Class II directors will be elected for a three-year term to succeed the three-member class whose term is then-expiring.

Each director's term continues until the election and qualification of such director's successor, or such director's earlier death, resignation or removal. Our Board will distribute any increase or decrease in the number of directors among the three classes so that, as nearly as possible, each class will consist of one-third of our directors then serving. This classification of our Board may have the effect of delaying or preventing changes in control of our company.

Nominees

Our nominating and corporate governance committee has recommended, and our Board of Directors has approved, Ingrid Burton, Frank Marshall and Conway Todd Rulon-Miller as nominees for election at the 2019 Annual Meeting as Class II directors. An executive search firm initially identified Ms. Burton as a potential nominee to join our Board of Directors. If elected, each of Ms. Burton and Messrs. Marshall and Rulon-Miller will serve as Class II directors until the 2022 annual meeting of stockholders or until their successors are duly elected and qualified. Each of the nominees is currently a director of our company. For information concerning the nominees, please see the section titled **Board of Directors and Corporate Governance**.

If you are a stockholder of record and you sign and date your proxy card and return as instructed, or vote over the Internet or by telephone but do not give instructions with respect to the voting of directors, your shares will be voted **FOR** the re-election of Ms. Burton and Messrs. Marshall and Rulon-Miller. We expect that Ms. Burton and Messrs. Marshall and Rulon-Miller will accept such nomination; however, if a director nominee is unable or declines to serve as a director at the time of the 2019 Annual Meeting, the proxies will be voted for any nominee our Board of Directors designates to fill such vacancy. If you are a beneficial owner of shares of our common stock as of the record date, but you do not give voting instructions to your broker, bank or other nominee, your broker, bank or other nominee will leave your shares unvoted on this matter.

Vote Required

To be approved, the election of Class II directors requires a plurality vote of the shares of our common stock present in person or by proxy at the 2019 Annual Meeting and entitled to vote thereon. Broker non-votes will have no effect on this proposal. In an uncontested election, any nominee for director who receives a greater number of votes withheld from his or her election than votes for such election will be required under our Policy on Majority Voting to offer his or her resignation promptly following certification of the stockholder vote. Our Board of Directors would then consider the resignation offer in accordance with the procedures in the Policy on Majority Voting. For additional information on the Policy on Majority Voting, see the section of this proxy statement captioned **Policy on Majority Voting** under **Relevant Governance Policies**, below.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE THREE DIRECTORS NOMINATED BY OUR BOARD OF DIRECTORS AND NAMED IN THIS PROXY STATEMENT AS CLASS II DIRECTORS TO SERVE FOR A THREE-YEAR TERM.

TABLE OF CONTENTS**PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our audit committee has appointed Deloitte & Touche LLP, or Deloitte, as our independent registered public accounting firm to audit our consolidated financial statements for our fiscal year ending December 31, 2019. Deloitte also served as our independent registered public accounting firm for our fiscal year ended December 31, 2018.

At the 2019 Annual Meeting, stockholders are being asked to ratify Deloitte's appointment as our independent registered public accounting firm for our fiscal year ending December 31, 2019. Our Bylaws and other applicable legal requirements do not require stockholder ratification of Deloitte's appointment. However, our Board is submitting Deloitte's appointment to our stockholders for ratification as a matter of good corporate governance. If the affirmative vote of a majority of the shares of our common stock present in person or by proxy and entitled to vote at the 2019 Annual Meeting does not ratify Deloitte's appointment, our audit committee will reconsider such appointment. Even if Deloitte's appointment is ratified, our audit committee, in its sole discretion, may appoint another independent registered public accounting firm at any time during our fiscal year ending December 31, 2019 if our audit committee believes that such a change would be in our company's best interests and that of our stockholders.

A Deloitte representative is expected to be present at the 2019 Annual Meeting, will have an opportunity to make a statement if he or she wishes to do so, and is expected to be available to respond to appropriate questions from stockholders.

Fees Paid to the Independent Registered Public Accounting Firm

The following table presents fees for professional audit services and other services Deloitte rendered to us for our fiscal years ended December 31, 2017 and 2018, respectively.

All Other Fees ⁽⁴⁾	14,001	11,895
	\$ 1,181,395	\$ 1,095,717

Audit Fees consist of fees and expenses billed for professional services rendered in connection with the audit of (1) our annual financial statements, review of our quarterly financial statements, and services that Deloitte normally provides in connection with statutory and regulatory filings or engagements for those fiscal years.

Audit-Related Fees consist of fees and expenses billed for professional services for assurance and related services (2) that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under Audit Fees.

Tax Fees consist of fees and expenses billed for professional services Deloitte rendered for tax compliance, tax (3) advice and tax planning.

All Other Fees consisted of fees and expenses for permitted professional services Deloitte provided (other than (4) those that meet the criteria above), including accounting subscriptions, training activities, and fees in connection with our Form S-8 registration statement filed in February 2017 and March 2018, respectively.

Auditor Independence

In 2018, Deloitte did not provide other professional services that would have required our audit committee to consider their compatibility with maintaining Deloitte's independence.

Audit Committee Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our audit committee has established a policy governing our use of the services of our independent registered public accounting firm. Under the policy, our audit committee is required to pre-approve all audit and permissible non-audit services performed by our independent registered public accounting firm to ensure that the provision of such services does not impair such accounting firm's independence. Our audit committee pre-approved all fees we paid to Deloitte for our fiscal years ended December 31, 2017 and 2018, respectively.

TABLE OF CONTENTS

Vote Required

The ratification of the appointment of Deloitte requires the affirmative vote of a majority of the shares of our common stock present in person or by proxy at the 2019 Annual Meeting and entitled to vote thereon. Abstentions will have the effect of a vote **AGAINST** the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR OUR FISCAL YEAR ENDING DECEMBER 31, 2019.

EXECUTIVE COMPENSATION

Processes and Procedures for Compensation Decisions

Compensation and Compensation Philosophy regarding our Named Executive Officers

We seek to attract and retain talented executives with the skills, motivation and demonstrated leadership we feel we need for our long-term success. We design our executive compensation programs to provide appropriate incentives based on our company's growth, achievement of corporate objectives as well as individual initiatives, and specific contributions by individual executive officers, closely linking performance with pay. Within this overall philosophy, our compensation committee uses the following objectives when determining the compensation programs, practices and packages we offer to our executive officers and in assessing the proper allocation between long-term and short-term incentive compensation and cash and non-cash compensation:

- to motivate our executive officers to achieve quantitative financial and non-financial objectives and create a meaningful link between achievement of these performance objectives and individual executive compensation;
- to align the financial interests of our executive officers with those of our stockholders by providing significant equity-based incentives, while considering both stockholder dilution and stock-based compensation expense; and
- to offer a total compensation package that is comparable to other similarly sized public technology companies to attract and retain top talent.

For our fiscal year 2018, compensation of our executive officers consisted of base salary, incentive awards (including those cash incentives earned through the executive bonus plan, discussed below, and equity-based incentives) and equity awards. We intend to use similar elements of this framework for executive compensation in our fiscal year 2019 as well.

Generally, our compensation committee targets base salary, incentive bonus and equity compensation of our executives at a percentile of a peer group of companies with whom the committee determines we compete for key executives. However, our compensation committee does not have a pre-established policy or target for the allocation between long-term and short-term incentive compensation or between cash and non-cash compensation. Instead, the committee considers the balance between rewarding executive officers for achievement of short-term operating objectives while also appropriately motivating them to strive to achieve longer-term goals, such as revenue growth, share price appreciation and our progress toward sustained profitability. The committee similarly grants equity awards both to be competitive with the job market and to provide appropriate incentives to our executive officers. We also consider the need to offer compensation packages that are comparable to those offered by companies competing with us for executive talent and to assure that we are able to retain our key executives. For our fiscal year 2018, our compensation committee targeted base salary, incentive bonus and equity compensation of our key executives, including our named executive officers, at above the 50th percentile of peer companies for Mr. Ritchie, and above the 75th percentile for Mr. Amrod. However, for Mr. Flynn, our compensation committee targeted his fiscal year 2018 base salary, incentive bonus and equity compensation at slightly below the 25th percentile of peer companies.

We refer to the individuals who served during our fiscal year 2018 as our CEO, Chief Financial Officer and Senior Vice President, Products and Sales, as the named executive officers. They are:

- David K. Flynn, our President and CEO;
- John Ritchie, our Senior Vice President, Chief Financial Officer and Chief Operating Officer; and
- Alan Cuellar Amrod, our Senior Vice President, Products and Sales.

Our compensation committee determines the compensation of our executive officers. Each committee member – its chair, John Gordon Payne and members Ingrid Burton, Remo Canessa and Conway Todd Rulon-Miller – qualifies (and Mr. Schaepe qualified during his period of service on the committee) under NYSE and SEC requirements, rules and regulations as an independent and non-employee director, as well as an outside director under Section 162(m) of the Internal Revenue Code. Ms. Burton joined our Board and its

23

compensation committee effective March 20, 2019 and Mr. Payne joined the compensation committee effective April 3, 2019 (replacing Mr. Schaepe). Accordingly, neither Ms. Burton nor Mr. Payne participated in the compensation matters and decisions discussed in this Proxy Statement.

As provided in its charter, the committee oversees our compensation policies, plans and benefits programs, reviews and approves the compensation of our CEO and other executive officers, including the named executive officers, and administers our equity compensation and incentive plans.

In carrying out its responsibilities, the committee engages outside consultants and/or consults with our Human Resources department, as it determines to be appropriate. When engaging compensation consultants and advisors, or renewing such engagements, the committee has considered the independence of such consultants, including the following factors:

- other services the consultant provided to our company;
- the amount of fees our company paid to the consultant (including as a percentage of the consultant's total revenue);
- the consultant's policies and procedures to prevent conflicts of interest;
- any business or personal relationships between the consultant and any member of the compensation committee;
- any business or personal relationships between the consultant and any of our executive officers; and
- our stock which the consultant may own.

The committee also reviews comparative market data which management and the committee's consultant provide, as well as the experience and knowledge of committee members regarding compensation matters and our general compensation philosophy and goals. The compensation committee also may obtain advice and assistance from internal or external legal, accounting or other advisers that it selects. For example, at the invitation of the compensation committee, one or more of the following individuals attended compensation committee meetings during our fiscal year 2018: our CEO, our General Counsel, our Vice President, Human Resources, and/or a representative from Radford, our outside compensation consultant. However, during our fiscal year 2018 none of our executive officers, including our CEO, was present during, and did not participate in, deliberations or decisions involving his or her own compensation.

Our compensation committee expects that it will continue to meet at least quarterly during our fiscal year 2019, to grant any equity awards, review our equity award granting plans as management recommends, to discuss pertinent compensation-related issues as necessary and appropriate, and to review and evaluate annually the compensation of our executive officers.

As part of reviewing the compensation of our executive officers, our compensation committee meets with our CEO to obtain recommendations with respect to executive compensation policies, practices and packages (other than for himself). The compensation committee considers, but is not bound by and does not always accept, his recommendations for the other executive officers.

Role of Compensation Consultant

During our fiscal year 2018, the compensation committee retained Radford, an AonHewitt company, as its outside compensation consultant reporting directly to the committee's chair. As provided in its charter, the compensation committee has the sole authority to hire, oversee and terminate Radford, as well as determine Radford's terms of engagement. Committee members had direct access to Radford without having to go through management and during our fiscal year 2018 Radford provided no services to our company other than those it provides to the compensation committee or in conjunction with committee authorizations.

As noted above, applicable NYSE and SEC requirements, rules and regulations identify six independence-related factors against which our committee should consider when measuring the work of a compensation consultant to determine whether the consultant is independent and its engagement raises any conflict of interest. In conjunction with its engagement, Radford confirmed for our compensation committee its independence, considering these specific factors. Radford attended meetings during 2018 at the committee's invitation, and its duties included providing relevant market and industry data and analysis, as well as preparing analyses and recommendations for committee meetings. In

TABLE OF CONTENTS

fulfilling these duties, Radford met or communicated variously with our CEO, General Counsel and Vice President, Human Resources. Radford also provided competitive market data to review our executive compensation programs for 2018, identified trends in executive compensation and made recommendations as to appropriate levels of compensation for our fiscal year 2018. Our compensation committee exercised discretion in setting actual compensation levels, but considered Radford's recommendations and market data.

Radford surveyed technology companies and their published pay practices (as well as unpublished data available to Radford) for employees with experience and education levels similar to our employees, with particular focus on companies based in the San Francisco Bay Area/Silicon Valley where our headquarters are located, in similar or comparable market sectors and with similar or comparable revenue levels and market capitalizations. The peer group companies Radford considered and reflected in its 2018 analyses and compensation recommendations to the compensation committee included:

8x8	CalAmp	LimeLight Networks	Rapid7	Vocera Communications
A10 Networks	Carbonite	MobileIron	Sonus Networks/Ribbon	
Boingo Wireless	Control4	Model N	SPS Commerce	
Brightcove	Digi International	Quantana Communications	Telenav	

In late 2018, Radford revised its recommended peer group companies, as follows, which the compensation committee adopted as the competitive benchmark for executive compensation setting in 2019:

8x8	CalAmp	Digi International	LimeLight Networks	Telenav
A10 Networks	Calix	Harmonic	MobileIron	Vocera Communications
Boingo Wireless	Control4	Inseego	Model N	
Brightcove	Channel Advisor	KVH Industries	Quantana Communications	

The changes from the prior year primarily reflect replacing companies no longer public, due to being acquired, or whose revenue and/or market capitalization suggested the companies fall outside of the general parameters Radford generally considered in establishing the peer group companies to be used in its analyses and compensation recommendations and the committee's compensation assessments and determinations.

Stock Ownership Guidelines

We believe it is important for the interests of our directors and executive officers to be aligned with those of our stockholders. For this reason, our Board of Directors has adopted guidelines requiring our directors and CEO to hold certain levels of our stock. Under these guidelines, which our compensation committee will monitor, our directors and CEO must own and hold common stock or time-based RSU Awards with a value at least equal to the following

multiple of his or her annual cash fees (in the case of a director) or base salary (in the case of the CEO) in effect as of December 31 of the prior year:

Category	Multiple of Annual Fees/Base Salary
Directors	3
CEO	3

Our directors and CEO will have until the later of five (5) years from adoption of these guidelines or his or her appointment to the position to accumulate the required shares of our common stock. Unvested time-based RSU Awards and in-the-money stock options count toward satisfaction of the ownership requirements (while unvested performance-based RSU Awards and stock options do not). If, on the annual compliance date of March 1 of any year following this accumulation period, a director or our CEO does not own shares of our

TABLE OF CONTENTS

common stock with a value equal to the required multiple of annual fees or base salary, as the case may be, that director or our CEO will be required to retain 25 percent of any of our company equity thereafter-acquired through the exercise of stock options or the vesting of time-based or performance-based RSU Awards, net of taxes, until the next compliance date when his or her ownership of our common stock meets the required multiple of base salary.

Relevant Governance Policies*Recoupment Policy*

In the event we significantly restate our financial results due to fraud or intentional misconduct, our Board of Directors will review any cash and equity performance-based incentive compensation to executive officers with respect to the prior 12-month period. We will, to the extent permitted by applicable law, seek recoupment of all such performance-based incentive payments from any executive officer our Board of Directors finds to be personally responsible for the fraud or intentional misconduct that caused the need for the restatement. In addition, we will seek recoupment from all other executive officers of any amounts paid during the prior 12-month period in excess of the award that would have been paid based on the restated financial results.

Our compensation committee will review our recoupment policy and revise it to comply with any forthcoming SEC rules implementing the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Anti-Hedging and Anti-Pledging Policies

SEC rules generally prohibit uncovered short sales of our common stock by our directors and executive officers. Our insider trading policy also prohibits our directors and executive officers from any hedging transactions relating to our common stock or similar transactions by means of equivalent derivative securities. The policy also requires all our directors and executive officers to consult with our General Counsel (and, in certain instances, also with our Chief Financial Officer) before they engage in a transaction for the purchase or sale of our securities. Our insider trading policy also prohibits our directors and executive officers from holding our common stock in a margin account or pledging our common stock as collateral for a loan.

Repricing

Our equity plans prohibit our re-ricing outstanding option, SAR or other equity awards held by our directors, officers or employees.

Cash Buy-backs

Our equity plans prohibit our purchasing outstanding option, SAR or other equity awards held by our directors, officers or employees.

Employment Agreements for Named Executive Officers

David K. Flynn

We entered an offer letter with Mr. Flynn dated January 16, 2007. For our fiscal year 2018, we adjusted Mr. Flynn’s annual base salary effective April 1, 2018 from \$350,000 to \$365,000, and we paid him for our fiscal year 2018 an incentive cash bonus of \$315,403, against a target cash payment of \$360,625. In our fiscal year 2018, we awarded Mr. Flynn a time-based RSU Award representing 167,000 shares of our common stock, which vests quarterly in equal installments over three years, with the first quarterly installment occurring as of September 1, 2018 and the last to occur as of June 1, 2021. We also awarded Mr. Flynn a market-based-based RSU Award representing 167,000 shares of our common stock. Vesting under the market-based RSU Award to Mr. Flynn is subject to achievement of the following performance criteria:

- 100 percent of the shares subject to the RSU Award will become eligible to vest as of the date occurring when the price per share of our common stock is or exceeds \$5.20, based on such share’s average closing price on NYSE over the prior 20 trading days.

- Once the market criterion is met, the shares subject to the RSU Award will be delivered in four equal quarterly installments as of each March 1, June 1, September 1 and December 1 to occur immediately following the occurrence of such performance achievement.
- 100 percent of the shares subject to the RSU Award will vest as of the date of our Change in Control, as that term is defined and determined under the 2014 Plan.

Vesting under all the awards is subject to Mr. Flynn's continued service through the relevant vesting date.

For our fiscal year 2019, we adjusted Mr. Flynn's annual base salary effective April 1, 2019 from \$365,000 to \$380,000. Mr. Flynn is also eligible to receive an incentive cash bonus with a target value of \$376,200. The incentive cash payment to Mr. Flynn will depend on our achievement of revenue and operating profitability during 2019 against our annual revenue and operating profit targets, as determined in the 2019 annual operating plan our Board approved. The target and individual payment will be allocated based on 70% revenue achievement and 30% operating profit. If we fail to achieve at least 85 percent of the revenue target for 2019, then Mr. Flynn will not receive any incentive cash payment. Mr. Flynn's annual base salary and incentive cash bonus at target for our fiscal year 2019 is below the 25th percentile of peer companies.

We granted Mr. Flynn's stock awards under our 2014 Plan.

TABLE OF CONTENTS

Mr. Flynn is also eligible to participate in the employee benefit plans generally available to our employees and maintained by us.

Mr. Flynn has entered with us a Separation and Change in Control Severance Agreement, as described further below.

John Ritchie

We entered an offer letter with Mr. Ritchie dated August 10, 2015. For our fiscal year 2018, we adjusted Mr. Ritchie's annual base salary effective April 1, 2018 from \$340,000 to \$350,000 and we paid him for our fiscal year 2018 an incentive cash bonus of \$181,917, against a target cash payment of \$208,000. In our fiscal year 2018, we awarded Mr. Ritchie a time-based RSU Award representing 127,000 shares of our common stock and a market-based RSU Award representing 63,500 shares of our common stock. Vesting under each of the time-based and market-based RSU Awards to Mr. Ritchie is subject to the same respective vesting and delivery criteria as we describe above with respect to the comparable awards to Mr. Flynn.

For our fiscal year 2019, we adjusted Mr. Ritchie's annual base salary effective April 1, 2019 from \$350,000 to \$365,000. Mr. Ritchie is also eligible to receive an incentive cash bonus with a target value of \$216,700. The incentive cash payment to Mr. Ritchie will depend on our achievement of revenue and operating profitability during 2019 against our annual revenue and operating profit targets, as determined in the 2019 annual operating plan our Board approved. The target and individual payment will be allocated based on 70% revenue achievement and 30% operating profit. If we fail to achieve at least 85 percent of the revenue target for 2019, then Mr. Ritchie will not receive any incentive cash payment. Mr. Ritchie's annual base salary and incentive cash bonus at target for our fiscal year 2019 is above the 50th percentile of peer companies for chief financial officer positions (but below the 50th percentile for chief operating officer positions).

We will determine and pay the incentive cash payment to Mr. Ritchie on an annual basis, in arrears. As was the case in 2018, Mr. Ritchie will receive in August 2019 a non-recoverable payment representing 40 percent of the full-year target amount, which payment will then be deemed a credit and offset against any subsequent full-year incentive cash payment due Mr. Ritchie. Mr. Ritchie's achievement during the period of individual performance criteria may adjust his actual payment, up or down, based on the discretion of the compensation committee.

In February 2019, we awarded Mr. Ritchie a time-based RSU Award for retention purposes representing 90,000 shares of our common stock, which will vest in full in lump sum as of March 1, 2021.

We granted Mr. Ritchie's stock awards under our 2014 Plan.

Mr. Ritchie is also eligible to participate in the employee benefit plans generally available to our employees and maintained by us.

Mr. Ritchie has also entered with us a Separation and Change in Control Severance Agreement, as described further below.

Alan Cuellar Amrod

We entered an offer letter with Mr. Amrod dated November 16, 2016. For our fiscal year 2018, we adjusted Mr. Amrod's annual base salary from \$300,000 to \$315,000, effective April 1, 2018. We subsequently further adjusted Mr. Amrod's annual base sale from \$315,000 to \$350,000 effective October 31, 2018 in conjunction with his assumption of additional responsibilities as our head of our global sales organization (in place of previous responsibilities for our marketing organization). We paid him for our fiscal year 2018 an incentive cash bonus of \$138,387, against a target

cash payment of \$158,229. In conjunction with Mr. Amrod's assumption beginning in 2017 of leadership responsibilities for our product and, subsequently, marketing efforts, we had asked Mr. Amrod to relocate from the State of Florida to Silicon Valley, California, where our headquarters are located. We continued to provide to Mr. Amrod through March 2018 additional relocation reimbursements, with an aggregate cost of approximately \$9,400, and we paid Mr. Amrod an additional \$2,700 to address our estimate of federal and California state taxes on the foregoing as imputed income to Mr. Amrod.

In our fiscal year 2018, we awarded Mr. Amrod a time-based RSU Award representing 127,000 shares of our common stock and a market-based RSU Award representing 63,500 shares of our common stock. Vesting under each of the time-based and market-based RSU Awards to Mr. Amrod is subject to the same respective vesting and delivery criteria as we describe above with respect to the comparable awards to Mr. Flynn. In

TABLE OF CONTENTS

October 2018, and in conjunction with his assumption of additional global sales responsibilities, we awarded Mr. Amrod an additional time-based RSU Award representing 90,000 shares of our common stock, which will vest in full in lump sum as of October 15, 2019.

For our fiscal year 2019, we adjusted Mr. Amrod's annual base salary effective April 1, 2019 from \$350,000 to \$365,000. Mr. Amrod is also eligible to receive an incentive cash bonus with a target value of \$216,700. The incentive cash payment to Mr. Amrod will depend on our achievement of revenue and operating profitability during 2019 against our annual revenue and operating profit targets, as determined in the 2019 annual operating plan our Board approved. The target and individual payment will be allocated based on 70% revenue achievement and 30% operating profit. If we fail to achieve at least 85 percent of the revenue target for 2019, then Mr. Amrod will not receive any incentive cash payment. Mr. Amrod's annual base salary and incentive cash bonus at target for our fiscal year 2019 is above the 75th percentile of peer companies for chief product officer positions (but below the 50th percentile for chief sales officer positions).

We will determine and pay the incentive cash payment to Mr. Amrod on an annual basis, in arrears. As was the case in 2018, Mr. Amrod will receive in August 2019 a non-recoverable payment representing 40 percent of the full-year target amount, which payment will then be deemed a credit and offset against any subsequent full-year incentive cash payment due Mr. Amrod. Mr. Amrod's achievement during the period of individual performance criteria may adjust his actual payment, up or down, based on the discretion of the compensation committee.

We granted Mr. Amrod stock awards under our 2014 Plan.

Mr. Amrod is also eligible to participate in the employee benefit plans generally available to our employees and maintained by us.

Mr. Amrod has also entered with us a Separation and Change in Control Severance Agreement, as described further below.

Change of Control and Severance Agreements for Named Executive Officers

We previously entered Separation and Change in Control Severance Agreements (the **Severance Agreements**) with Messrs. Flynn, Ritchie and Amrod. The Severance Agreements supersede any prior severance arrangements relating to acceleration of stock options, including as described in their respective offer letters, as applicable. The Severance Agreement for Mr. Flynn became effective on October 1, 2013, for Mr. Ritchie on August 31, 2016 and for Mr. Amrod on November 16, 2016. The initial terms of the agreements were December 31, 2017, for Mr. Flynn, August 31, 2018 for Mr. Ritchie and November 16, 2018 for Mr. Amrod. However, in the case of all three, the agreements will automatically extend for successive one-year periods (unless at least 90 days prior to expiration of the then-current term, either party to the agreement provides written notice to the other of non-renewal). The term under each agreement is also further extended automatically for one year following a Change in Control (as defined below) or, if severance benefits are triggered under the Severance Agreement, the Severance Agreement will remain effective until all obligations have been satisfied under the Severance Agreement.

As part of its annual compensation review process, our compensation committee approved in March 2018 certain adjustments to the Severance Agreements for Messrs. Flynn and Amrod. Each Severance Agreement, including as adjusted for Messrs. Flynn and Amrod, provides that if (x) we terminate the employee's employment with us without Cause (as defined below) and not due to the employee's death or disability, or (y) with respect to Mr. Flynn, if Mr. Flynn terminates his employment for Good Reason (as defined below), and in each case, the termination does not occur during the period beginning 30 days prior to and ending 12 months following a Change in Control, the employee will receive the following severance: (i) a lump sum cash payment equal to 12 months (in the case of Mr.

Flynn) and nine months (in the case of Messrs. Ritchie and Amrod) of the employee's base salary then in-effect, and (ii) reimbursements for payments of COBRA continuation coverage for a period of up to 12 months (in the case of Mr. Flynn) and nine months (in the case of Messrs. Ritchie and Amrod), provided that such reimbursements will be made in taxable payments at twice such amounts if applicable law limits our ability to provide non-taxable reimbursements to the employee.

Each Severance Agreement further provides that if (x) we terminate the employee's employment with us without Cause and not due to the employee's death or disability, or (y) the employee terminates his or her employment for Good Reason, and in each case the termination occurs during the period beginning 30 days prior to and ending 12 months following a Change in Control, then in lieu of the severance benefits described above, the employee will receive the following severance: (i) a lump sum severance payment equal to 12 months of the

TABLE OF CONTENTS

employee's base salary in-effect immediately prior to the Change in Control or employment termination, whichever is greater, plus an amount equal to 100 percent of the greater of (a) the employee's most recent actual annual bonus or (b) the employee's then-target annual bonus, (ii) a lump sum severance payment equal to 100 percent of the greater of (a) the employee's most recent actual annual bonus or (b) the employee's then-target annual bonus, in each case prorated for partial year of service for the year in which the employment termination occurs, (iii) reimbursements for continuing payments of COBRA continuation coverage for a period of up to 12 months, provided that such reimbursements will be made in taxable payments at twice such amounts if applicable law limits our ability to provide non-taxable reimbursements to the employee, (iv) 100 percent vesting of any equity awards outstanding as of the date of employment termination, with any performance-based awards deemed achieved at 100 percent of the applicable target levels, and (v) stock options and stock appreciation rights outstanding as of the employment termination date will have a post-termination exercisability period that ends on the later of (a) the date 12 months following the employment termination date, or (b) the date 90 days following the lapse of any underwriter lock-up period or insider trading black-out period in effect on the employment termination date, provided that no award may be exercised after expiration of the award's maximum term.

Each Severance Agreement provides that to receive the foregoing severance and benefits, the employee must first sign and not revoke a release of claims in our favor. Each Severance Agreement also provides that if the severance benefits provided in the Severance Agreement or otherwise payable to the employee would constitute parachute payments that would subject the employee to any excise tax under the golden parachute rules under the Internal Revenue Code, the severance benefits will either be delivered in full or delivered to a lesser extent so as not to be subject to the excise tax, whichever of the foregoing amounts would provide the employee the greater amount of severance benefits on an after-tax basis.

As defined in the Severance Agreements, **Cause** generally means (i) engaging in misconduct that is demonstrably and materially injurious to us, or the commission of any act of fraud, misappropriation, or any other intentional, wrongful or unlawful act by the employee, including, without limitation, any intentional, wrongful or unlawful act of deceit, dishonesty, insubordination or other acts of moral turpitude, in connection with the employee's employment with us; (ii) the employee's conviction of, or plea of guilty or no contest to, a crime involving moral turpitude, or any felony (whether or not subject to an appeal); (iii) an intentional, wrongful or unlawful breach by the employee of any fiduciary duty which the employee owes to us; (iv) commission of any acts of gross negligence or willful misconduct in connection with the employee's employment with us; (v) willful or continued breach of a fiduciary duty or other duty or obligation under our then-existing code of business conduct; (vi) violation of a federal or state law or regulation applicable to our business, which violation has or is likely to be injurious to us in our Board's reasonable determination; (vii) any act of personal dishonesty the employee takes in connection with the employee's responsibilities as an employee which results in the employee's substantial personal enrichment, (viii) the employee's criminal charge of a felony which our Board reasonably determines has had or will have a material detrimental effect on our reputation or business; or (ix) the employee's willful act that constitutes (A) a material breach of a material provision of any agreement between the employee and us, including the Severance Agreement or accompanying agreements, or (B) the employee's willful or continued failure to perform the employee's duties or obligations as an employee, or (C) a material failure by the employee to comply with our written policies or rules of employment in good standing, in each case under this clause if such breach or failure has not been or, in our Board's determination, cannot be, cured within 30 days after written notification to the employee of such breach or failure.

As defined in the Severance Agreements, **Change in Control** generally means the occurrence of any of the following events: (i) a change in the ownership of our company, which we will deem to occur on the date that any one person, or more than one person acting as a group, acquires ownership of our stock that, together with the stock held by such person, constitutes more than 50 percent of the total voting power of our stock; provided that a Change in Control will not include any transaction or series of related transactions principally for bona fide equity or project financing purposes in which cash we receive or any successor receives, or of our indebtedness is cancelled or converted, or a

combination thereof occurs; or (ii) if we have a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended, a change in the effective control of our company, which we will deem to occur on the date that a majority of members of our Board is replaced during any 12-month period by directors whose appointment or election a majority of the members of our Board do not endorse prior to the date of the appointment or election (for purposes of this clause (ii), if any person is considered to be in effective control of our company, we will not consider the acquisition of additional

TABLE OF CONTENTS

control of our company by the same person to be a Change in Control); or (iii) a change in the ownership, or transfer by exclusive license, of a substantial portion of our company's assets, or change in the ownership, or transfer by exclusive license, of all or substantially all of the assets of a subsidiary of ours, which if our company held directly would constitute all or substantially all of our company's assets, which we will deem to occur on the date that any person acquires (or has acquired during the 12-month period ending on the date of the most-recent acquisition by such person or persons) assets from our company that have a total gross fair market value equal to or more than 50 percent of the total gross fair market value of all of the assets of our company immediately prior to such acquisition or acquisitions. We will consider persons to be acting as a group if they are owners of a corporation or investment entity or partnership that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with us. However, we will not consider a transaction to be a Change in Control unless the transaction qualifies as a change in control event within the meaning of Internal Revenue Code Section 409A, or if (a) its sole purpose is to change the jurisdiction of our incorporation, or (b) its sole purpose is to create a holding company that will be owned in substantially the same proportions by the persons who held our securities immediately before such transaction.

As defined in the Severance Agreements, **Good Reason** generally means the employee's voluntary termination of employment with us within 90 days following the expiration of any cure period available to us, following one or more of the following occurring without the employee's prior written consent: (i) a material reduction of the employee's duties, authority, or responsibilities, relative to his or her duties, authority, or responsibilities as in effect immediately prior to such reduction, provided, that if, with respect to Messrs. Flynn and Amrod (but not Mr. Ritchie), following a Change in Control the employee remains in the same function in a division or subsidiary of the acquiror comprising substantially all of our business, that will not in itself constitute Good Reason; (ii) a material reduction in the employee's base salary, as in effect immediately prior to such reduction, other than as the employee may agree in writing or in connection with a similar reduction for all our similarly situated executives; (iii) a material reduction in the employee's annual target bonus as a percentage of the employee's base salary, as in effect immediately prior to such reduction, other than in connection with a similar reduction for all our similarly situated executives; (iv) relocation of the employee's principal place of work to a location that is more than 30 miles from the employee's principal place of work immediately prior to such relocation; or (v) our failure to obtain assumption of the Severance Agreement by any successor. However, in order to resign for Good Reason, the employee is required first to provide us with written notice within 90 days of becoming aware of the initial existence of the condition that he believes constitutes Good Reason and within two years of the initial existence of such condition, specifically identifying the acts or omissions constituting the grounds for Good Reason and providing to us a reasonable cure period of not less than 30 days following the date of such written notice, during which we have not cured such grounds.

Death and Disability

We offer certain benefits to our employees in general in instances of employment termination due to their disability, or to their survivors in instances of their death. These benefits are similarly available to Messrs. Flynn, Ritchie and Amrod, as well as to our other executives, in conjunction with their regular employment. For example, where an employee's employment with us is terminated due to death or permanent disability, the employee's then-outstanding equity awards are automatically deemed to have vested in full as of such termination date. Subject to the original term of any such award, the employee or his or her estate would then have 12 months to exercise rights under such option awards. We also provide life insurance equal to 2x the employee's then-annualized base salary (subject to a \$500,000 maximum coverage amount). Employees are able to purchase additional coverages for themselves and family members, with access to group-coverage rates.

Pension Benefits

We do not offer pension benefits to our named executive officers.

Nonqualified Deferred Compensation

We do not offer nonqualified deferred compensation to our named executive officers.

Bonus and Non-Equity Incentive Plan Compensation

Each of our named executive officers was eligible to receive cash incentive-based compensation during fiscal year 2018 on an annual basis. Under our executive incentive bonus plan for fiscal year 2018, the target cash incentive for each of Messrs. Flynn, Ritchie and Amrod was based 100 percent on our achievement of

TABLE OF CONTENTS

operating revenue relative to our target revenue for the year as determined in the 2018 annual operating plan our Board approved. If we failed to achieve at least 85 percent of the revenue target for the year, then no cash incentive payment would have been paid to either of Messrs. Flynn, Ritchie or Amrod.

With respect to our performance against the target revenue objective for our fiscal year 2018, the cash incentive payment to Messrs. Flynn, Ritchie or Amrod was calculated and payable as follows:

Target Revenue	Percent of the Corporate Performance Component That Becomes Payable
Achievement less than 15 percent below the targeted amount	0%
Achievement below the targeted amount but not less than 15 percent below the targeted amount	100%, minus two times the percent of revenue below the targeted amount (i.e., 100% - 2x underachievement %)
Achievement at or above the targeted amount	100% plus three times the percent of revenue above the targeted amount (i.e., 100% + 3x overachievement %)

For Messrs. Ritchie and Amrod, each received a non-recoverable payment in August of 2018, representing 40 percent of the full-year target amount (which was applied as a credit and offset against the full-year payment). Mr. Flynn also established individual performance criteria for Messrs. Ritchie and Amrod, and their respective achievement during the relevant period of individual performance criteria could be used by the compensation committee to adjust the actual payment, up or down, based on the committee's discretion. The committee did not adjust the payments to either Mr. Ritchie or Mr. Amrod based on their respective achievement of individual performance criteria.

The following table sets forth the target amounts and actual incentive amounts paid to each named executive officer for our fiscal year 2018.

Name	Target Incentive Amount (\$)	Actual Incentive Amount (\$)
Mr. Flynn	\$ 360,625	\$ 315,403
Mr. Ritchie	\$ 208,000	\$ 181,917
Mr. Amrod	\$ 158,229	\$ 138,387

- each of our directors and nominees for director;

We have a formal written policy providing that our executive officers, directors, nominees for election as directors, beneficial owners of more than five (5) percent of any class of our common stock, any member of the immediate family of any of the foregoing persons, and any firm, corporation, or other entity in which any of the foregoing persons is employed, is a general partner or principal or in a similar position, or in which such person has a five (5) percent or greater beneficial ownership interest, is not permitted to enter into a related-party transaction with us without our audit committee's consent, subject to the exceptions described below. In approving or rejecting any such proposal, our audit committee considers the facts and circumstances available and which it deems relevant, including, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, and the extent of the related-party's interest in the transaction. Our audit committee

has determined that certain transactions will not require audit committee approval, including certain employment arrangements of executive officers, director compensation, transactions with another company in which a related party's only relationship is as a non-executive employee or beneficial owner of less than five (5) percent of that company's shares, transactions where a related-party's interest arises solely from the ownership of our common stock and all holders of our common stock received the same benefit on a pro rata basis, and transactions available to all employees generally.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10 percent of our common stock, file reports of ownership and changes of ownership with the SEC. SEC rules and regulations require such directors, executive officers and 10-percent stockholders to furnish us with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this proxy statement anyone who filed a required report late during the last fiscal year. We believe that, during 2018, our executive officers and directors, and persons who own more than 10 percent of our common stock complied with all Section 16(a) filing requirements.
