**ATTACHMENT TO PART IV OF
FORM 12b-25 OF
iCAD, Inc.**

With respect to its Form 10-Q for the quarterly
period ended June 30, 2006

The registrant expects that due to a decline in sales of its analog medical imaging products, which was partially offset by sales of its digital medical imaging products, the results of operations for the three months ended June 30, 2006 (the "2006 quarter") and the six months ended June 30, 2006 contained in the registrant's statements of operations to be included in the registrant's Form 10-Q for the fiscal quarter ended June 30, 2006 will reflect a decrease in sales to approximately \$3,870,000 for the 2006 quarter and approximately \$8,240,000 for the six months ended June 30, 2006 compared to \$4,231,104 for the three months ended June 30, 2005 (the "2005 quarter") and \$10,238,711 for the six months ended June 30, 2005. Moreover, as a result of personnel recruiting costs, severance and related separation costs resulting from changes in personnel, and share-based compensation costs resulting from the registrant's adoption of SFAS 123R, general and administrative ("G&A") expenses for the 2006 quarter are expected to increase by approximately \$1,000,000 compared to the 2005 quarter. These additional expenses together with approximately \$500,000 of legal expenses primarily incurred in the first quarter of 2006 in connection with the conclusion of a patent arbitration proceeding will result in an increase in G&A expenses of more than \$1,500,000 for the six months ended June 30, 2006 when compared to the six months ended June 30, 2005. In addition, the registrant expects to report an increase in net loss of approximately \$1,500,000 for the 2006 quarter when compared to the 2005 quarter and an increase in net loss of approximately \$3,700,000 for the six months ended June 30, 2006 when compared to the six months ended June 30, 2005.
