The public offering price and other terms are to be determined by negotiations between the Company and the underwriters. In addition, the Company expects to grant to the underwriters an option for 30 days to purchase up to 3,150,000 additional shares of common stock to cover overallocments, if any, at the public offering price, less the underwriting discount. The Company’s board of directors has determined, contingent upon completion of the equity offering described above, to reduce the quarterly cash dividend per share of common stock from \$0.1025 (an annual rate of \$0.41 per share) to \$0.05 (an annual rate of \$0.20 per share), beginning with the Company’s quarterly dividend for the third quarter of 2009. The payment of any future dividends is subject to authorization by the Company’s board of directors, in its sole discretion, out of funds legally available for the payment of dividends. The actual dividends paid, if any, may vary from currently expected amounts. The Company reserves the right to reduce or suspend dividend payments or to pay any or all of its common stock dividends in a combination of shares of common stock and cash in accordance with applicable Internal Revenue Service procedures.
