PROPOSAL FOR AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY

The Board of Directors has unanimously adopted and the Consenting Stockholder has approved an amendment to the Certificate of Incorporation of TOT Energy, Inc. (the "Amendment") to change the name of the Company from "TOT Energy, Inc." to "Net Element, Inc." The text of the Amendment is attached as Exhibit A and is incorporated herein by reference.

The Board of Directors has determined that the change of the Company's corporate name is desirable in view of management's re-evaluation and refocus of the Company's business strategy to pursue business opportunities to develop and/or acquire technology and applications for use in the online media industry.

From time to time, the Company may be engaged in various discussions to develop or acquire businesses or formulate joint venture or other arrangements in furtherance of the Company's business strategy. The Company's policy is not to disclose discussions or potential transactions until definitive agreements have been executed. Where appropriate, acquisitions may be financed with equity shares which may result in substantial dilution to existing stockholders.

The Amendment will become effective upon the filing of a certificate of amendment relating thereto with the Secretary of State of the State of Delaware, which is anticipated to occur on or about September 30, 2010. Under Federal securities laws, the Company cannot file the certificate of amendment until at least 20 calendar days after the mailing of this Information Statement.

EFFECT OF THE AMENDMENT

The Amendment will affect all of the Company's stockholders uniformly and will not affect any stockholder's percentage ownership interests in the Company or proportionate voting power.

The Amendment will have the following effects upon the shares of the Company's capital stock outstanding and the number of authorized and unissued shares of capital stock:

- * The number of shares of common stock owned by each stockholder will remain the same; and
- * The par value of the common stock will remain unchanged.

NO RIGHTS OF APPRAISAL

Under the Laws of Delaware, the Company's dissenting stockholders are not entitled to appraisal rights with respect to the Amendment, and the Company will not independently provide its stockholders with any such right.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The Company believes that there are no federal income tax consequences to holders of common stock. However, the Company's beliefs regarding the tax consequence of the Amendment are not binding upon the Internal Revenue Service or the courts, and there can be no assurance that the Internal Revenue Service or the courts will accept the positions expressed above.

This summary does not purport to be complete and does not address the tax consequences to holders that are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, nonresident foreign individuals, broker-dealers and tax exempt entities. Stockholders are urged to consult their own tax advisors with respect to the Federal, State and local tax consequences of the amendment.

APPROVAL OF PROPOSED AMENDMENT

RECORD DATE

The Company set September 6, 2010 (the "Record Date") as the record date for purposes of determining the stockholders of record who are entitled to receive notice of the Amendment of the Certificate of Incorporation.

REQUIRED APPROVAL

On September 6, 2010, the Company's Board of Directors unanimously approved the proposed amendments to the Certificate of Incorporation to change the name of the Company to Net Element, Inc. and recommended that such proposal be submitted for stockholder approval.

Adoption of the proposed Amendment to the Certificate of Incorporation requires the approval of the Company's stockholders holding not less than a majority of the Company's issued and outstanding common stock. As of the Record Date, there were 330,815,827 shares of common stock issued and outstanding, each share entitled to a single vote, of which 364,687,996 shares, or approximately 94.4%, were owned by TGR Energy, LLC. Rather than calling a meeting of its stockholders to vote on the approval of the proposed Amendment to the Certificate of Incorporation, the Company obtained the approval of the proposed action from TGR Energy LLC, the holder of a majority of the Company's issued and outstanding common stock, by written consent in lieu of a meeting on September 6, 2010.

In accordance with Rule 14c-2 under the Securities Exchange Act of 1934, the action recommended by the directors and approved by written consent of the majority stockholder will not take effect any earlier than 20 calendar days after the date on which this Information Statement is sent or given to all persons who were holders of record of the Company's issued and outstanding common stock on the Record Date. The Amendment will become effective upon filing with the Secretary of State of the State of Delaware.
