Item 8.01 Other Events

On February 11, 2013, we received a subpoena from the Office of the Inspector General of the U.S. Department of Health and Human Services (“OIG”) in connection with an investigation into possible false or otherwise improper claims submitted to Medicare. The subpoena requests documents related to physician referral programs operated by the Company, which we believe refers to the Company’s prior practice of compensating physicians for performing certain educational and promotional services on behalf of the Company. This program was discontinued in 2010 and involved payments to only a small number of physicians that we believe were made in accordance with all applicable laws. We intend to cooperate with the OIG’s investigation.
