Dear Fellow Stockholders:

You are cordially invited to attend the 2013 Annual Meeting of Stockholders (the Annual Meeting) to be held at Truett-Hurst's corporate offices at the VML Winery located at 4035 Westside Road, Healdsburg, CA, 95448, on Wednesday, November 20, 2013 at 10:00 a.m., Pacific Standard Time.

The matters expected to be acted upon at the meeting are described in detail in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

In accordance with U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Because we are using the Internet, most stockholders will not receive paper copies of our proxy materials. We will instead send the stockholders a notice with instructions for accessing the proxy materials and voting via the Internet. This notice also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We believe the use of the Internet makes the proxy distribution process more efficient and less costly, and helps in conserving natural resources.

The proxy statement, proxy card and the 2013 annual report to stockholders are available at <http://www.astproxyportal.com/ast/18382> and may also be accessed through our website at www.truethurstinc.com under the Investor Relations section. If you would like to receive a paper or e-mail copy of these documents, you must request one. There is no charge to you for requesting a copy.

Your vote is important. Please cast your vote as soon as possible over the Internet, by telephone, or by completing and returning the proxy card to ensure that your shares are represented. Your vote by written proxy will ensure your representation at the Annual Meeting regardless of whether or not you attend in person. Returning the proxy does not deprive you of your right to attend the meeting and to vote your shares in person.

We hope you'll join us at the Annual Meeting.

Sincerely,

[e-signature for Mr. Hurst]

Phillip L. Hurst

Chief Executive Officer, Director and Chairman of the Board of Directors

ABOUT THE ANNUAL MEETING AND VOTING

Purposes At the Annual Meeting, you will be asked:

1. To elect Barrie Graham and Heath E. Dolan as Class I directors of Truett-Hurst, Inc., each to serve for three years and until his successor has been elected and qualified, or until his earlier death, resignation or removal;
2. To ratify the appointment of Burr Pilger Mayer, Inc. as our independent registered public accounting firm for the fiscal year ending June 30, 2014;
3. To transact any other business that may properly come before the Annual Meeting or any adjournment of the Annual Meeting.

The Board of Directors knows of no other matters to be presented for action at the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the proxy will vote on such other matters in accordance with their best judgment.

Record Date; Stockholders Entitled to Vote Only holders of record of our shares of Class A, Class B and restricted common stock at the close of business on September 30, 2013 will be entitled to vote at the Annual Meeting or any adjournment thereof. Each share of common stock will be entitled to one vote. As of September 30, 2013, 2,700,000 shares of our Class A common stock, 10 shares of our Class B common stock and 252,000 of restricted common stock were outstanding and entitled to vote. Holders of our Class A, Class B and restricted common stock will vote as a single class on all matters discussed in this proxy statement.

Quorum A majority of the voting power of the outstanding shares of Class A, Class B and restricted common stock are entitled to vote, represented in person or by proxy, will be required to constitute a quorum for the Annual Meeting. Shares of common stock held by persons attending the annual meeting but not voting, shares represented by proxies that reflect abstentions as to a particular proposal and broker non-votes, if any, will be counted as present for purposes of determining a quorum.

Vote Required The following proposals require your vote:

For Proposal No. 1, directors will be elected by a plurality of the votes of the shares of common stock cast at the Annual Meeting, which means that the nominees receiving the highest number of FOR votes will be elected. If stockholders withhold their votes, including brokers holding their clients' shares of record who cause withheld votes to be recorded, these shares will be considered present and entitled to vote at the Annual Meeting and will be counted towards determining whether or not a quorum is present. Withheld votes and broker non-votes (as defined below) will not be treated as votes cast with regard to Proposal No. 1.

For Proposal No. 2, the affirmative vote of a majority of the shares represented in person or by proxy at the annual meeting and entitled to vote is required for the ratification of the selection of Burr Pilger Mayer, Inc., as our independent registered public accounting firm for the year ending June 30, 2014. Abstentions will have the same effect as voting against this proposal. Brokers generally have discretionary authority to vote on the ratification of our independent auditors, and thus broker non-votes are generally not expected to result from the vote on Proposal 2. Accordingly, any broker non-votes would not have any effect on the outcome of this proposal.

A representative of American Stock Transfer & Trust Company, LLC, our transfer agent, will tabulate the votes and act as the inspector of election.

Dissenters Rights No dissenters rights are provided under the Delaware General Corporation Law, our Restated Certificate of Incorporation or our bylaws with respect to any of the proposals described in this Proxy Statement.

Board Recommendation Your Board of Directors has unanimously approved and recommends that an affirmative vote be cast FOR each of our director nominees and FOR the ratification of the selection of Burr Pilger Mayer, Inc., as our independent registered public accounting firm.

Voting Your Shares If you are a registered stockholder, you may submit your proxy by US Mail, internet or telephone and following the instructions in the Notice. If you requested a paper copy of the proxy materials, you also may submit your proxy by mail by following the instructions included with your proxy card. The deadline for submitting your proxy by internet or telephone is 11:59 a.m. Eastern Time the day before the Annual Meeting date. The designated proxy will vote according to your instructions. You may also attend the annual meeting and vote in person.

If you are a street name or beneficial stockholder because your shares are held in a brokerage account or by a bank or other nominee, your broker or nominee firm will provide you with a Notice. Follow the instructions on the Notice to access our proxy materials and vote by internet or to request a paper or email copy of our proxy materials. If you receive these materials in paper form, the materials include a voting instruction card so that you can instruct your broker or nominee how to vote your shares.

If you sign and submit your proxy without specifying how you would like your shares voted, your shares will be voted in accordance with the Board of Director s recommendations specified below under What are the Board of Director s recommendations? and in accordance with the discretion of the proxy holders with respect to any other matters that may be voted upon at the annual meeting.

Changing Your Vote by Revoking Your Proxy If you are a registered stockholder, you may revoke or change your vote at any time before the proxy is voted by filing with our Secretary either a written notice of revocation or a duly executed proxy bearing a later date. If you attend the annual meeting in person, you may ask the judge of elections to suspend your proxy holder s power to vote and you may submit another proxy or vote by ballot. Your attendance at the annual meeting will not by itself revoke a previously granted proxy.

If your shares are held in street name or you hold shares through a retirement or savings plan or other similar plan, please check your voting instruction card or contact your broker, nominee, trustee or administrator to determine whether you will be able to revoke or change your vote.

Written notices of revocation and other communications with respect to the revocation of proxies should be addressed to:

Truett-Hurst, Inc.
P.O. Box 1532
Healdsburg, CA, 95448
Attention: Corporate Secretary
Voting in Person

Broker Non-Votes Under the rules that govern brokers who have record ownership of shares that they hold in street name for their clients who are the beneficial owners of the shares, brokers normally have discretion to vote such shares on routine matters, such as ratifications of independent registered public accounting firms, but not on non-routine matters. Broker non-votes generally occur when shares held by a broker nominee for a beneficial owner are not voted on a proposal because the broker nominee has not received voting instructions from the beneficial owner and lacks discretionary authority to vote the shares. We urge you to provide instructions to your broker so that your votes may be counted on this important matter.

Adjournment of Annual Meeting

If a quorum is not present to transact business at the Annual Meeting or if we do not receive sufficient votes in favor of the proposals by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit solicitation of additional proxies. The chairperson of the Annual Meeting shall have the power to adjourn the Annual Meeting.

Assistance

If you need assistance in voting over the Internet or completing your proxy card or have questions regarding the annual meeting, please contact Investor Relations at 707.431.4436 or ir@truettthurstinc.com or write to: Truett-Hurst, Inc., P.O. Implications of being an emerging growth company

We are an emerging growth company, as defined in the Jumpstart Our Business Startups Act, enacted on April 5, 2012 (JOBS Act). For as long as we are an emerging growth company, we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies, including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding stockholder advisory say-on-pay votes on executive compensation and stockholder advisory votes on golden parachute compensation.

Under the JOBS Act, we will remain an emerging growth company until the earliest of:

the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more;
the last day of the fiscal year following the fifth anniversary of our IPO;
the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt;
and
the date on which we are deemed to be a large accelerated filer under the Exchange Act (we will qualify as a large accelerated filer as of the first day of the first fiscal year after we have (i) more than \$700 million in outstanding common equity held by our non-affiliates and (ii) been public for at least 12 months; the value of our outstanding common equity will be measured each year on the last day of our second fiscal quarter).

TABLE OF CONTENTS**PROPOSAL NO. 1 ELECTION OF DIRECTORS**

Truett-Hurst's Board of Directors is presently comprised of eight members, who are divided into three classes, designated as Class I, Class II and Class III. One class of directors is elected by the stockholders at each annual meeting to serve a three-year term. Class I directors consist of William R. Hambrecht, Barrie Graham and Heath E. Dolan; Class II directors consist of Phillip L. Hurst, Paul E. Dolan, III and Daniel A. Carroll; and Class III directors consist of John D. Fruth and James F. Verhey.

Class I directors standing for election or re-election at the Annual Meeting are Mr. Graham and Mr. Dolan. Mr. Hambrecht has announced he will not seek re-election at the 2013 Annual Meeting. Class II and Class III directors will stand for reelection or election at the 2014 and 2015 annual meetings of stockholders, respectively. Unless otherwise provided by law, any vacancy on the Board of Directors, including a vacancy created by an increase in the authorized number of directors, may only be filled by the affirmative vote of a majority of the remaining directors then in office, although less than a quorum. Any director elected in accordance with the preceding sentence shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified, or his or her earlier death, resignation or removal.

Each of the nominees for election to Class I is currently a director of Truett-Hurst Inc. If elected at the Annual Meeting, each of the nominees would serve for three years and until his successor is duly elected and qualified, or until such director's earlier death, resignation or removal. If either of the nominees is unable or unwilling to be a candidate for election by the time of the Annual Meeting (a contingency which the Board of Directors does not expect to occur), the stockholders may vote for a substitute nominee chosen by the present Board of Directors to fill the vacancy. In the alternative, the stockholders may vote for just the remaining nominee, leaving a vacancy that may be filled at a later date by the Board of Directors. Alternatively, the Board of Directors may reduce the size of the Board of Directors.

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF EACH NOMINEE FOR CLASS I DIRECTORS: MR. GRAHAM AND MR. DOLAN.

COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

Director Independence

For purposes of the corporate governance rules of NASDAQ, we are a controlled company. Controlled companies under the rules are companies of which more than 50% of the voting power for the election of directors is held by an individual, a group or another company. Our affiliates will beneficially own more than 50% of the combined voting power of Truett-Hurst, Inc. and will continue to have the right to designate a majority of the members of our Board of Directors for nomination for election and the voting power to elect such directors. Accordingly, we expect to be eligible to, and we intend to, take advantage of certain exemptions from corporate governance requirements of NASDAQ. Specifically, as a controlled company, we would not be required to have (1) a majority of independent directors, (2) a nominating and governance committee composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, (3) a compensation committee composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, or (4) an annual performance evaluation of the nominating and governance and compensation committees. Accordingly, you will not have the same protections afforded to stockholders of companies that are subject to all of the applicable corporate governance rules of NASDAQ.

We will cease to qualify as a controlled company once our affiliates cease to control a majority of the combined voting power of Truett-Hurst, Inc. The compensation committee administers the issuance of stock options and other awards under our stock plans. The compensation committee operates under a written charter adopted by the Board of Directors that satisfies the applicable standards of NASDAQ.

Nominating and Governance Committee

Our nominating and governance committee is composed of James F. Verhey, who is a non-employee member of our Board of Directors, Phillip L. Hurst and Heath E. Dolan. Phillip L. The nominating and governance committee's purpose is to monitor and oversee matters of corporate governance, including the evaluation of the Board of Directors' performance and processes and the independence of directors, and select, evaluate and recommend to the Board of Directors qualified candidates for election or appointment to the Board of Directors. The nominating and governance committee identifies director candidates through recommendations made by members of the Board of Directors, management, stockholders and others, including the possibility of a search firm. At a minimum, a Board of Directors nominee should have significant management or leadership experience which is relevant to the Company's business, as well as personal and professional integrity. The Board of Directors believes it is in the best interest of the Company and its stockholders to identify and select highly-qualified candidates to serve as directors and for the Board of Directors to be comprised of a diverse group of individuals with different backgrounds and perspectives. Recommendations are developed based on the nominee's own knowledge and experience in a variety of fields, and research conducted by the Company's staff at the nominating and governance committee's direction.

Administration

Our Board of Directors administers the 2012 Stock Incentive Plan (2012 Plan). The administrator has the power to determine and interpret the terms and conditions of the awards, including the employees, directors and consultants who will receive awards, the exercise price, the number of shares subject to each such award, the vesting schedule and exercisability of the awards, the restrictions on transferability of awards and the form of consideration payable upon exercise. The administrator also has the authority to institute an exchange program whereby the exercise prices of outstanding awards may be reduced or outstanding awards may be surrendered or cancelled in exchange for other awards of the same type (which may have higher or lower exercise prices) or awards of a different type.

Eligible Recipients and Grants

The 2012 Plan provides for the grant of incentive stock options, within the meaning of Section 422 of the Code, to our employees and any parent and subsidiary corporations employees, and for the grant of non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and dividend equivalent rights to our employees, directors and consultants and our parent and subsidiary corporations employees, directors and consultants.

TABLE OF CONTENTS

Duration, Amendment, and Termination

Our Board of Directors may amend, suspend or terminate the 2012 Stock Incentive Plan without stockholder approval or ratification at any time or from time to time. No change may be made that increases the total number of shares of common stock reserved for issuance pursuant to incentive awards, unless such change is authorized by our stockholders within one year.

Dividend Equivalent Rights

The 2012 Plan allows for the grant of dividend equivalent rights. Dividend equivalent rights are awards that entitle the recipients to compensation measured by the dividends we pay with respect to our Class A common stock.

Transferability of Awards

The 2012 Plan allows for the transfer of awards under the 2012 Plan only (i) by will, (ii) by the laws of descent and distribution and (iii) for awards other than incentive stock options, to the extent authorized by the administrator. Only the recipient of an incentive stock option may exercise such award during his or her lifetime.

Certain Adjustments

In the event of certain changes in our capitalization, to prevent diminution or enlargement of the benefits or potential benefits available under the 2012 Plan, the administrator will make adjustments to one or more of the number or class of shares that are covered by outstanding awards, the exercise or purchase price of outstanding awards, the numerical share limits contained in the 2012 Plan, and any other terms that the administrator determines require adjustment. In the event of our complete liquidation or dissolution, all outstanding awards will terminate immediately upon the consummation of such transaction.

Corporate Transactions and Changes in Control

The 2012 Plan provides that in the event of a corporate transaction, as defined in the 2012 Plan, each outstanding award will terminate upon the consummation of the corporate transaction to the extent that such awards are not assumed by the acquiring or succeeding corporation. Prior to or upon the consummation of a corporate transaction or a change in control, as defined in the 2012 Plan, an outstanding award may vest, in whole or in part, to the extent provided in the award agreement or as determined by the administrator in its discretion. The administrator may condition the vesting of an award upon the subsequent termination of the recipient's service or employment within a specified period of time following the consummation of a corporate transaction or change in control. The administrator will not be required to treat all awards similarly in the event of a corporate transaction or change in control.

Potential Payments on Termination and Change in Control

None of our NEOs would have been entitled to receive any payments or benefits had his or her employment or service terminated or had we undergone a change in control, in each case on June 30, 2013. Currently none of our NEOs serve pursuant to a written or oral employment agreement. Our CFO serves pursuant to an employment acceptance offer agreement.

Advisory Vote on Executive Compensation

As an emerging growth company, we are not required to hold a non-binding advisory vote (say-on-pay vote) on the compensation of our named executive officers.

Limitations of Liability and Indemnification Matters

Our certificate of incorporation and our bylaws also provide that we shall indemnify our directors and executive officers and shall indemnify our other officers and employees and other agents to the fullest extent permitted by law.

We believe that indemnification under our bylaws covers at least negligence and gross negligence on the part of indemnified parties. Our bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in this capacity, regardless of whether our bylaws would permit indemnification.

TABLE OF CONTENTS

We believe that these provisions are necessary to attract and retain qualified persons as directors and executive officers. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our company pursuant to the foregoing provisions, the opinion of the SEC is that such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

In addition, we maintain standard policies of insurance under which coverage is provided to our directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and to us with respect to payments which may be made by us to such directors and officers pursuant to the above indemnification provisions or otherwise as a matter of law. We also make available standard life insurance and accidental death and disability insurance policies to our employees.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding beneficial ownership of the Class A and Class B common stock as of September 30, 2013 (i) by each person who is known by us to beneficially own more than 5% of the outstanding shares of our Class A common stock, (ii) by each of our directors, (iii) by each of our Executive Officers, and (iv) by all directors and executive officers as a group. The table is based upon information supplied by directors, officers and principal stockholders. Applicable percentage ownership for each stockholder is based on 2,700,000 shares of Class A common stock outstanding as of September 30, 2013, together with applicable restricted stock units for such stockholders. Beneficial ownership is determined in accordance with Securities Exchange Commission (SEC) rules and generally includes voting or investment power with respect to securities, subject to community property laws where applicable. Shares of common stock subject to restricted stock units are deemed outstanding for the purpose of computing the percentage ownership of the person holding such options, but are not treated as outstanding for computing the percentage ownership of any other person. Reference is also made to the description of the Voting Agreements to which each executive officer and director is a party, as described above in this section.

The term of the lease is five years commencing on March 1, 2011 and ending on February 29, 2016, with a tenant option to extend for an additional five-year period. We have the right of first refusal in the event that Hambrecht Wine

Group desires to sell the leased property. Annual rent for the tasting room is \$90,000, due monthly. Rent for the winery was \$5,000 per month from March 1, 2011 to August 31, 2011, and beginning on September 1, 2011, annual rent for the winery increased to \$171,000, due monthly. The winery rent is subject to adjustment based on the actual number of cases produced each year; however, future payments are based on a minimum number of cases, as specified in the agreement. Beginning on September 1, 2012 and annually thereafter, tasting room and winery rent is increased by 3%.

The parties to the lease are the LLC and Hambrecht Wine Group, a member of the LLC, which is approximately 83.7% beneficially owned by a trust for the benefit of William R. Hambrecht, director of the LLC and Truett-Hurst, Inc., and his family members and as to which Mr. Hambrecht is a trustee.

Grape and Bulk Wine Agreements

We enter into grape and bulk wine purchase agreements from time to time with entities in which our executives and/or founders have financial interests. We have entered into such arrangements with:

Hambrecht Vineyards, which is owned by the Hambrecht 1980 Revocable Trust (the Hambrecht Trust), of which William R. Hambrecht, a director of the LLC and Truett-Hurst, Inc., serves as trustee. The manager of Hambrecht Vineyards is Forrester R. Hambrecht, a member of the LLC and the grandson of William R. Hambrecht.

Ghianda Rose Vineyard, which is owned by Diana Fetzer, wife of Paul E. Dolan, III a member of our Board of Directors.

Gobbi Street Vineyards, which is partly owned by Diana Fetzer, and Paul E. Dolan, III's daughter, Nya Kusakabe.

Mendo Farming Company, which is managed by Heath E. Dolan and owned by the following members: (i) Daniel A. Carroll and Stasia Obremskey, as trustees of the Carroll-Obremskey Trust Dated April 5, 1996 (the Carroll-Obremskey) (33.333% interest); (ii) Paul E. Dolan III, as trustee of The Dolan 2003 Family Trust Dated June 5, 2003 (the Dolan 2003 Trust) (30.334% interest); (iii) Peter E. Dolan (17.333% interest); (iv) Heath E. Dolan and Robin A. Dolan, as trustees of The Dolan 2005 Family Trust Dated August 24, 2005 (the Dolan 2005 Trust) (9.500% interest); and (v) Zachary Y. Schat and Melissa Schat, as trustees of The Zachary Schat Trust U/D/T Dated September 1, 2004 (the Schat Trust) (9.500% interest). Peter E. Dolan is the brother of Paul E. Dolan, III.

We believe these arrangements reflect substantially the same market terms we would receive in transactions with unaffiliated third parties. However, if we fail to receive market terms for these transactions or other similar transactions in the future, our profits could be reduced.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers, and persons who beneficially own more than ten percent (10%) of our common stock, who are hereinafter collectively referred to as the Reporting Persons, to file with the SEC reports of beneficial ownership and reports of changes in beneficial ownership of our common stock on Forms 3, 4 and 5. Reporting Persons are required by applicable SEC rules to furnish us with copies of all such forms filed with the SEC pursuant to Section 16(a) of the Exchange Act. To our knowledge, based solely on our review of the copies of the Forms 3, 4 and 5 received by us during the fiscal year ended June 30, 2013 and written representations that no other reports were required, we believe that all reports required to be filed by such persons with respect to the Company's fiscal year ended June 30, 2013, were timely filed.

Stockholder Proposals and Nominations

Proposals Pursuant to Rule 14a-8. Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in the proxy statement and for consideration at our next annual meeting of stockholders. To be eligible for inclusion in the 2014 proxy statement, your proposal must be received by us no later than April 9, 2014, and must otherwise comply with Rule 14a-8. While our Board of Directors will consider stockholder proposals, we reserve the right to omit from the proxy statement stockholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8.

Other Proposals and Nominations. For proposals not made in accordance with Rule 14a-8, pursuant to Rule 14a-4(c), in order for a stockholder proposal to be presented at our meeting without it being included in our proxy materials, notice of such proposal must be delivered to our Corporate Secretary at our principal offices no later than April 9, 2014. If notice of any stockholder proposal is received after April 9, 2014, then the notice will be considered untimely and we are not required to present such proposal at the 2014 Annual Meeting, and then the persons named in proxies solicited by our Board of Directors for the 2014 Annual Meeting may exercise discretionary voting power with respect to such proposal. You may write to our Corporate Secretary at our principal executive offices, Truett-Hurst, Inc., P.O. Proxy Solicitation Costs

The enclosed proxy is being solicited by the Board of Directors of the Company. We will bear the entire cost of solicitation of proxies on behalf of the Company, including preparation, assembly, printing and mailing of this Proxy Statement, the enclosed proxy card, the enclosed annual report for fiscal year 2013, coordination of the Internet and telephone voting process, and any additional information furnished to you by the Company. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by internet and mail may be supplemented by telephone, facsimile, or personal solicitation by our directors, officers or other regular employees.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for notices of annual meetings, proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies. This year, a single notice of the annual meeting of stockholders, or copy of the proxy statement and annual report, will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your bank or broker, and direct your written request to Truett-Hurst, Inc., P.O. Box 1532, Healdsburg, California 95448, Attention: Investor Relations, or contact Investor Relations by telephone at 707.431.4436. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their bank or broker.

Annual Report on Form 10-K

We will provide to any stockholder without charge a copy of our 2013 annual report on Form 10-K upon written request to our Secretary at Truett-Hurst, Inc., 4035 Westside Road, Healdsburg, California, 95448.
