Statements contained in this report contain "forward-looking statements," within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements by their nature address matters that are different degrees, uncertain. Particular uncertainties that could adversely or positively affect the Company's future results include: the Company's reliance on a significant portion of its revenues from a limited number of customers; risks relating to operating in a highly competitive industry; actual or potential conflicts of interest between the Company and members of the Company's senior management; risk relating to rapid technological, structural, and competitive changes affecting the industries the Company serves; the uncertainty as to whether the Company can replace its backlog; risks involved in properly managing complex projects; risks relating to the possible cancellation of customer contracts on short notice; risks relating to our ability to continue to implement our strategy, including having sufficient financial resources to carry out that strategy; risks relating to our ability to meet all of the terms and conditions of our debt obligations or maintain sufficient availability under our revolving credit facility; risks relating to the acquisition of businesses; uncertainty related to current economic conditions and the related impact on demand for our services; and other risks and uncertainties disclosed in the Company's filings with the Securities and Exchange Commission, including the Annual Report on Form 10-K for the fiscal year ended December 31, 2012.
