- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 8.01. Other Events

Intellicheck Mobilisa, Inc. (the “Company”) entered into an underwriting agreement dated January 8, 2014 (the “Underwriting Agreement”) with Aegis Capital Corp. (the “Underwriters”), with respect to the issuance and sale in an underwritten public offering (the “Offering”) by the Company of an aggregate 7,780,000 shares of the Company’s common stock, \$0.001 par value (the “Shares”), at a price to the public of \$0.45 per Share. Pursuant to the Underwriting Agreements, the Company granted the Underwriters a 45-day option to purchase up to an additional 1,167,000 Shares. The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. Aegis Capital Corp. is acting as the sole book-running manager for the Offering.

The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreements and as of specific dates, were solely for the benefit of the parties to such agreements, and may be subject to limitations agreed upon by the contracting parties. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 hereto and are incorporated herein by reference. A copy of the opinion of K&L Gates LLP relating to the legality of the issuance and sale of the Shares is attached as Exhibit 5.1 hereto.

The gross proceeds to the Company from the sale of the 7,780,000 Shares in the Offering are approximately \$3.5 million, before deducting the underwriting discount and other estimated offering expenses payable by the Company (or, if the over-allotment option is exercised in full, approximately \$4.0 million). The Company expects to use the net proceeds of the Offering to expand its sales operations and for general corporate purposes including research and development.

The Offering is being made pursuant to a preliminary prospectus supplement and a final prospectus supplement, dated December 19, 2013 and January 8, 2014 respectively, together with an accompanying base prospectus dated August 6, 2013 under our existing shelf registration statement on Form S-3 (File No. 333-189982), which was filed with the Securities and Exchange Commission on July 16, 2013, as amended on July 31, 2013, and declared effective on August 6, 2013. The Offering is expected to close on or about January 14, 2014, subject to the satisfaction of customary closing conditions.

On January 8, 2014, the Company issued a press release announcing the pricing of the Offering. A copy of the press release is attached as Exhibit 99.1 hereto.
